2018 ANNUAL MEETING OF SHAREHOLDERS
DECEMBER 28, 2018

The Board of Directors of United States Antimony Corporation (USAC or the Company) is using this Proxy Statement to solicit proxies from our shareholders for use at the 2018 annual meeting of shareholders. We are first mailing this Proxy Statement and the form of proxy to our shareholders on or about October 19, 2018.

INFORMATION ABOUT THE 2018 ANNUAL MEETING

Time and Place of the Annual Meeting

Our annual meeting will be held as follows:

Date: Saturday, December 28, 2018

Time: 10:00 a.m., local time

Place: Rimrock Lodge, 6 Rimrock Lane, Thompson Falls, Montana

Matters to Be Considered at the Annual Meeting

At the meeting, you will be asked to consider and vote upon the following proposals:

Proposal 1.

To elect six named directors each to serve for a one-year term.

Proposal 2.

To ratify the selection of DeCoria, Maichel & Teague P.S. as our independent auditor for 2018.

Proposal 3.

To hold an advisory (non-binding) vote on the compensation of our named executive officers as described in this proxy statement.

Proposal 4.

To hold an advisory (non-binding) vote on the frequency with which an advisory vote on the compensation of our named executive officers will be subject to the vote of our shareholders.

We also will transact any other business that may properly come before the annual meeting. As of the date of this Proxy Statement, we are not aware of any other business to be presented for consideration at the annual meeting other than the matters described in this Proxy Statement.

Who is Entitled to Vote?

We have fixed the close of business on October 19, 2018 as the Record Date for shareholders entitled to notice of and to vote at our annual meeting. Only holders of record of USAC's common stock and preferred stock on that date are entitled to notice of and to vote at the annual meeting. You are entitled to one vote for each share of USAC common stock and each share of preferred stock you own. On the Record Date, the following shares were outstanding and entitled to vote at the annual meeting: (1) 67,488,153 shares of common stock, (2) 177,904 shares of Series C preferred stock, and (3) 1,751,005 shares of Series D preferred stock. The Company's Series B preferred stock does not have voting rights.

How Do I Vote at the Annual Meeting?

You have several voting options. You may vote by:

Completing your proxy card over the internet at the following website: <http://www.columbiastock.com/voting4>;

Faxing your proxy card to Columbia Stock Transfer at 855-644-3544, Attention Michelle Janshen;

Emailing your proxy card to Columbia Stock Transfer at michelle@columbiastock.com;

Downloading or requesting a proxy card (as detailed below), signing your proxy and mailing it to the attention of Alicia Hill, Secretary, at P.O. Box 643, Thompson Falls, Montana 59873;

Signing and faxing your proxy card to our Secretary for proxy voting to 406-827-3543; or

Attending the annual meeting and voting in person.

Proxies are solicited to provide all shareholders of record on the Record Date with an opportunity to vote on matters scheduled for the annual meeting and described in these materials. You are a shareholder of record if your shares of USAC common stock and/or preferred stock are held in your name. If you are a beneficial owner of USAC common stock or preferred stock held by a broker, bank or other nominee (i.e., in "street name"), please see the instructions in the following question.

Shares of USAC common stock and preferred stock can only be voted if the shareholder is present in person or by proxy at the annual meeting. To ensure your representation at the annual meeting, we recommend you vote by proxy even if you plan to attend the annual meeting. You can always change your vote at the meeting if you are a shareholder of record.

Shares of USAC common stock and preferred stock represented by properly executed proxies will be voted by the individuals named on the proxy card in accordance with the shareholder's instructions. Where properly executed proxies are returned to us with no specific instruction as how to vote at the annual meeting, the persons named in the proxy will vote the shares "FOR" the election of each of our six named director nominees and "FOR" ratification of the selection of DeCoria, Maichel & Teague P.S. as our independent auditor for 2018. If any other matters are

properly presented at the annual meeting for action, the persons named in the enclosed proxy and acting thereunder will have the discretion to vote on these matters in accordance with their best judgment. We do not currently expect that any other matters will be properly presented for action at the annual meeting.

You may receive more than one proxy card depending on how your shares are held. For example, you may hold some of your shares individually, some jointly with your spouse and some in trust for your children. In this case, you will receive three separate proxy cards to vote.

What if My Shares Are Held in Street Name?

If you are the beneficial owner of shares held in “street name” by a broker, your broker, as the record holder of the shares, is required to vote the shares in accordance with your instructions. If you do not give instructions to your broker, your broker may nevertheless vote the shares with respect to discretionary items, but will not be permitted to vote your shares with respect to non-discretionary items, pursuant to current industry practice. In the case of non-discretionary items, the shares not voted will be treated as “broker non-votes.”

If your shares are held in street name, you will need proof of ownership to be admitted to the annual meeting. A recent brokerage statement or letter from the record holder of your shares are examples of proof of ownership. If you want to vote your shares of common stock or preferred stock held in street name in person at the annual meeting, you will have to get a written proxy in your name from the broker, bank or other nominee who holds your shares.

How Many Shares Must Be Present to Hold the Meeting?

A quorum must be present at the meeting for any business to be conducted. The presence at the meeting, in person or by proxy, of at least a majority of the shares of USAC common stock and preferred stock entitled to vote at the annual meeting as of the Record Date will constitute a quorum. Proxies received but marked as abstentions or broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

What if a Quorum Is Not Present at the Meeting?

If a quorum is not present at the scheduled time of the meeting, a majority of the shareholders present or represented by proxy may adjourn the meeting until a quorum is present. The time and place of the adjourned meeting will be announced at the time the adjournment is taken, and no other notice will be given unless the meeting is adjourned for 120 days or more. An adjournment will have no effect on the business that may be conducted at the meeting.

Vote Required to Approve Proposal 1: Election of Directors

Directors are elected by a majority of the votes cast, in person or by proxy, at the annual meeting by holders of a plurality of outstanding shares entitled to vote which are present in person or by proxy at the annual meeting. Pursuant to our Bylaws and Montana law, shareholders are permitted to cumulate their votes for the election of directors. Under cumulative voting, each holder of voting stock has a number of votes that is equal to the number of shares of voting stock he or she owns multiplied by the number of directors to be elected. The holder may cast all of those votes for one nominee or distribute them among all or less than all of the nominees as the shareholder sees fit. Since six directors are to be elected at the meeting, the total votes which may be cast in the election of directors is calculated as follows:

Number of shares of voting stock owned by you [___] x 6 (number of directors to be elected) = total votes.

Shareholders may allocate their votes among the six nominees described below. Votes may be cast for or withheld from each nominee.

Vote Required to Approve Proposal 2: Ratification of the Selection of the Independent Auditor

Ratification of the selection of DeCoria, Maichel & Teague P.S. as our independent auditor for the fiscal year ending December 31, 2018 requires the affirmative vote of a majority of the outstanding shares entitled to vote which are present in person or by proxy at the annual meeting. Abstentions will have the same effect as a vote against the proposal.

May I Revoke My Proxy?

You may revoke your proxy before it is voted by:

submitting a new proxy with a later date;

notifying the Secretary of USAC in writing before the annual meeting that you have revoked your proxy; or

voting in person at the annual meeting.

If you plan to attend the annual meeting and wish to vote in person, we will give you a ballot at the annual meeting. However, if your shares are held in "street name," you must bring a validly executed proxy from the nominee (i.e., your broker) indicating that you have the right to vote your shares.

How can I obtain a copy of the 2017 Annual Report on Form 10-K?

The Company's 2017 Annual Report on Form 10-K, including financial statements, is available on the internet with this Proxy Statement at <http://www.usantimony.com>. The Form is also available through the SEC's website at <http://www.sec.gov>.

At the written request of any shareholder who owns shares on the Record Date, the Company will provide to such shareholder, without charge, a paper copy of the Company's 2017 Annual Report on Form 10-K as filed with the SEC, including the financial statements, but not including exhibits.

If requested the Company will provide copies of the exhibits for a reasonable fee.

What is the current compensation of the Board?

Our Board of Directors currently consists of seven members.

All of our nominees currently serve as USAC directors. Each nominee has consented to being named in this Proxy Statement and has agreed to serve if elected. If a nominee is unable to stand for election, the Board of Directors may either reduce the number of directors to be elected or select a substitute nominee. If a substitute nominee is selected, the proxy holders will vote your shares for the substitute nominee, unless you have withheld authority. At this time, we are not aware of any reason why a nominee might be unable to serve if elected.

How are nominees elected?

Directors are elected by a majority of the votes cast, in person or by proxy, at the annual meeting by holders of a plurality of outstanding shares entitled to vote which are present in person or by proxy at the annual meeting. Pursuant to our Bylaws and Montana law, shareholders are permitted to cumulate their votes for the election of directors.

Audit Committee and Audit Committee Financial Experts

Our Audit Committee was established in accordance with Section 3(a)(58)(A) of the Exchange Act. During 2017, our Audit Committee was composed of the following four (4) directors each of whom, in the opinion of the Board, was independent (in accordance with Rule 10A-3 of the Exchange Act and the requirements of Section 803A of the NYSE MKT Company Guide) and financially literate (pursuant to the requirements of Section 803B of the NYSE MKT Company Guide): Gary D. Our Audit Committee appoints our external auditors, monitors their qualifications and independence and determines the appropriate level of their remuneration. The external auditors report directly to the Audit Committee. Our Audit Committee has the authority to terminate our external auditors’ engagement and approve in advance any services to be provided by the external auditors that are not related to the audit.

During the fiscal year ended December 31, 2017, the Audit Committee met four (4) times. A copy of the Audit Committee charter is available on our website at www.usantimony.com.

The Committee operates under a written charter adopted by the Board.

In the course of providing its oversight responsibilities regarding the 2017 financial statements, the Committee reviewed the 2017 audited financial statements, which appear in the 2017 Annual Report on Form 10-K, with management and our independent auditors. The Committee reviewed accounting principles, practices, and judgments as well as the adequacy and clarity of the notes to the financial statements.

The Committee reviewed the independence and performance of the independent auditors who are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States, and such other matters as required to be communicated by the independent auditors in accordance with Statement of Auditing Standards 61, as superseded by Statement of Auditing Standard 114—the Auditor’s Communication With Those Charged With Governance, as modified or supplemented.

Compensation Committee

During 2017, we had a Compensation Committee composed of the following four (4) directors, each of whom, in the opinion of our Board of Directors, was independent (under Section 803A of the NYSE MKT Company Guide): Gary D. Babbitt (Chairman), Hartmut W. Baitis, Whitney H. Ferer and Jeffrey D. Wright.

We have a Compensation Committee charter that complies with the requirements of the NYSE MKT. Our Compensation Committee is responsible for considering and authorizing terms of employment and compensation of executive officers and providing advice on compensation structures in the various jurisdictions in which we operate. Our Chief Executive Officer may not be present during the voting determination or deliberations of his or her compensation; however, our Compensation Committee does consult with our Chief Executive Officer in determining and recommending the compensation of directors and other executive officers.

In addition, our Compensation Committee reviews both our overall salary objectives and significant modifications made to employee benefit plans, including those applicable to executive officers, and proposes awards of stock options, if any. The Compensation Committee has determined that the Company's compensation policies and practices for its employees generally, not just executive officers, are not reasonably likely to have a material adverse effect on the Company.

The Compensation Committee does not and cannot delegate its authority to determine director and executive officer compensation. Due to budgetary constraints, neither the Company nor the Compensation Committee has engaged the services of an external compensation consultant.

During the fiscal year ended December 31, 2017, the Compensation Committee met two (2) times. A copy of the Compensation Committee charter is available on our website at www.usantimony.com.

Corporate Governance and Nominating Committee

During 2017, we had a Corporate Governance and Nominating Committee composed of the following three (3) directors, each of whom, in the opinion of our Board of Directors, was independent (under Section 803A of the NYSE MKT Company Guide): Gary D. Babbitt (Chairman), Hartmut W. Baitis and Whitney H. Ferer. We have a Corporate Governance and Nominating Committee charter that complies with the requirements of the NYSE MKT.

Our Corporate Governance and Nominating Committee is responsible for developing our approach to corporate governance issues. The Committee evaluates the qualifications of potential candidates for director and recommends to the Board nominees for election at the next annual meeting or any special meeting of shareholders, and any person to be considered to fill a Board vacancy resulting from death, disability, removal, resignation or an increase in Board size. The Committee has adopted a Director Nominating Process and Policy which sets forth the criteria the Board will assess in connection with the consideration of a candidate, including the candidate's integrity, reputation, judgment, knowledge, independence, experience, accomplishments, commitment and skills, all in the context of an assessment of the perceived needs of the Board at that time. A copy of the Director Nominating Process and Policy is available on our website at www.usantimony.com.

We do not have a formal policy regarding diversity in the selection of nominees for directors. The Corporate Governance and Nominating Committee does, however, consider diversity as part of its overall selection strategy. In considering diversity of the Board as a criteria for selecting nominees, the Corporate Governance and Nominating Committee takes into account various factors and perspectives, including differences of viewpoint, professional experience, education, personal and professional skills and other individual qualities and attributes that contribute to Board heterogeneity, as well as race, gender and national origin. The Corporate Governance and Nominating Committee seeks persons with leadership experience in a variety of contexts. The Corporate Governance and Nominating Committee believes that this conceptualization of diversity is the most effective means to implement Board diversity. The Corporate Governance and Nominating Committee will assess the effectiveness of this approach as part of its annual review of its charter.

The Committee will consider recommendations for director nominees made by shareholders and others if these individuals meet the criteria set forth in the Director Nominating Process and Policy. For consideration by the Committee, the nominating shareholder or other person must provide the Corporate Secretary's Office with information about the nominee, including a detailed background of the suggested candidate that will demonstrate how the individual meets our director nomination criteria. If a candidate proposed by a shareholder meets the criteria, the individual will be considered on the same basis as other candidates. No shareholder or shareholders holding 5% or more of our outstanding stock, either individually or in aggregate, has recommended a nominee for election to the Board.

All of the six nominees included on the proxy card accompanying this proxy statement were nominated by the Corporate Governance and Nominating Committee and were recommended by our current Board.

During the fiscal year ended December 31, 2017, the Corporate Governance and Nominating Committee met one (1) time. A copy of the Corporate Governance and Nominating Committee charter is available on our website at www.usantimony.com.

Board Leadership Structure

The Board has reviewed our current Board leadership structure in light of the composition of the Board, our size, the nature of our business, the regulatory framework under which we operate, our shareholder base, our peer group and other relevant factors. Considering these factors we have determined not to have a separate Chief Executive Officer and Chairman of the Board, and to have John C. Lawrence fill both roles. We have determined that this structure is currently the most appropriate Board leadership structure for us. The Board noted the following factors in reaching its determination:

The Board acts efficiently and effectively under its current structure.

A structure of a combined Chief Executive Officer and Chairman of the Board is in the best position to be aware of major issues facing us on a day-to-day and long-term basis, and is in the best position to identify key risks and developments facing us to be brought to the Board's attention.

This structure eliminates the potential for confusion and duplication of efforts, including among employees.

Companies within our peer group utilize similar Board structures.

We do not have a lead independent director. Given the size of the Board, the Board believes that the presence of five independent directors out of the seven directors on the Board in 2017, with independent directors sitting on the Board's committees, is sufficient independent oversight of the Chairman and Chief Executive Officer. The independent directors work well together in the current structure and the Board does not believe that selecting a lead independent director would add significant benefits to the Board oversight role.

The Board of Director's Role in Risk Management Oversight

The understanding, identification and management of risk are essential elements for the successful management of the Company. Risk oversight begins with the Board and the Audit Committee. During 2017, the Audit Committee consisted of Mr. Babbitt (Chairman), and Messrs. Ferer, Wright and Thomas, each of whom was an independent director.

The Audit Committee reviews and discusses policies with respect to risk assessment and risk management. The Audit Committee also has oversight responsibility with respect to the integrity of our financial reporting process and systems of internal control regarding finance and accounting, as well as our financial statements.

At the management level, an internal audit provides reliable and timely information to the Board and management regarding our effectiveness in identifying and appropriately controlling risks. Annually, management presents to the Audit Committee a report summarizing the review of our methods for identifying and managing risks.

Additionally, our Corporate Governance and Nominating Committee reviews the risks related to succession planning and the independence of the Board. The Compensation Committee reviews the risks related to our various compensation plans.

In the event that a committee is allocated responsibility for examining and analyzing a specific risk, such committee reports on the relevant risk exposure during its regular reports to the entire Board to facilitate proper risk oversight by the entire Board.

Based on a review of the nature of operations, we do not believe that any areas of the Company are incentivized to take excessive risks that would likely have a material adverse effect on our operations.

Compensation Committee Compensation Discussion and Analysis

This discussion and analysis provides you with an understanding of our executive compensation philosophy, plans and practices, and gives you the context for understanding and evaluating the more specific compensation information contained in the tables and related disclosures set forth above.

United States Antimony Corporation (USAC or the Company) mines and processes zeolite, antimony and precious metals. A wholly owned subsidiary, Bear River Zeolite, operates a zeolite mine and plant near Preston, Idaho. Wholly owned subsidiaries in Mexico operate the Los Juarez antimony mine in the state of Queretaro, Mexico, a mill in Guanajuato, Mexico, an antimony smelter in Coahuila, Mexico, and mines in Guadalupe, Soyatal and Wadley. The Company's headquarters, primary smelter and refinery are located in Thompson Falls, Montana.

In analyzing executive compensation the committee recognized the hardship and risk which the CEO, John Lawrence, and the Executive Vice Presidents, John Gustavsen and Russell Lawrence, have faced and continue to endure in working in Mexico. Employment at the management level has been static from 2013 through 2018, both in the Company and in all of its subsidiaries. The Company does not intend to make any changes in management level positions in 2019.

Oversight of the Executive Compensation Program

Role of the Compensation Committee. The Compensation Committee (Committee) reviews and oversees the Company's compensation programs. The Committee recommends the compensation levels for management level officers. The Compensation Committee also makes recommendations to the Board concerning salary guidelines and reviews compensation matters concerning all other executive officer and director compensation, including salaries, bonuses, stock-based awards and grants, and the terms and conditions of employment contracts.

The Compensation Committee meets annually to consider recommendations to the Board. Typically, the CEO of the Company makes recommendations to the Committee concerning individual salary levels and other compensation for the executives based on his knowledge of the work requirements and their effort and success. The CEO does not make any recommendation concerning his own salary or compensation. The Compensation Committee balances the Company's compensation levels with the present operational goals and objectives of the Company.

The Compensation Committee is currently comprised of Hart Baitis, Jeffrey Wright, Craig W. Thomas and Gary Babbitt, Chairman. The Compensation Committee did not engage a compensation consultant in either the preparation or review of this report. The Board of Directors fixes director compensation based on the Committee's recommendations.

Role of Executive Officers

The Chief Executive Officer makes recommendations to the Committee concerning executive officers' total compensation.

At this time, the Company does not have a qualified or non-qualified stock plan.

The Committee reviews the executive officer recommendations for compensation and exercises its discretion in amending, accepting or modifying the recommendations for compensation.

Executive Compensation Principles

The following principles assist and guide the Committee in fulfilling its responsibilities as set forth in the Compensation Committee Charter and administration of the continuing executive compensation program:

Compensation should be transparent so that both the Company shareholders and executives understand the executive compensation program.

Compensation programs should correspond with the Company's financial interest as well as the interests of shareholders.

Compensation should be flexible and rational in cyclical or volatile commodity markets.

Compensation should account for the inherent risks in certain geographical environments.

Compensation should be responsive to retaining qualified, high caliber executives and management.

Executive Management receives only a base salary and health insurance. The Company does not have annual performance based salary plans, or long term performance based cash incentives, deferred compensation, retirement benefits or disability benefits. The CEO, John Lawrence, and Russell Lawrence, the Vice President of Latin American Operations, are Board members and receive compensation in the form of restricted Company common stock for serving on the Board.

The Committee recommends no change in Executive Management base salaries in 2018, and salaries have remained static from the 2016 levels, except for a decrease in the salary for the CFO. The remainder of executive salaries remain unchanged from 2016.

The Board of Directors rescinded the historical annual permitted grant of 26,000 shares of restricted common stock to the directors as of May 13, 2012. The directors' new compensation was limited in the future not to exceed a value of \$25,000 unless circumstances otherwise permit a different award. The Company does not have percentile projections, incentives or goals of compensation for any executive officers or directors of the Company. The Board of Directors will wait until 2019 to consider any changes in compensation for the 2019 calendar year.

Market Assessments

The Committee reviews market compensation levels for the Board of Director and Executive compensation. At the present time the continuing development of the Mexican program requires that changes in base salary of the executives and compensation of directors will be carefully determined and on a case by case basis annually.

Personal Benefits for Executives

The Company does not have:

- Change in control agreements
- Supplemental compensation policies
- Employment contracts
- Separation or Severance Agreements
- Any other type of compensation arrangements

Board of Director Compensation Guidance

The following compensation guidance will continue until changed by the Board of Directors:

In August of 2012 the Board of Directors changed the maximum award of stock to the Directors to be not more than \$25,000 per director in value unless circumstances otherwise permitted a different amount. Thus, the stock awards for 2012 and 2013 are authorized for the Directors' and shall be delivered at subsequent date with a value not to exceed \$25,000 as authorized or as circumstances may merit. All stock awards for John Lawrence and Russell Lawrence for 2012 through 2014 were included in this compensation report as part of executive salary to follow industry custom and to make the comparisons with the peer group more consistent, even though the stock was not delivered at that time.

The following table sets forth information concerning the compensation of the Company Directors for the fiscal year ended December 31, 2016. The table lists all compensation received by the independent directors. The stock received by executives who were also directors, John Lawrence and Russell Lawrence, was counted under executive compensation.

PROPOSAL 2 – RATIFICATION OF SELECTION OF INDEPENDENT AUDITOR

What am I voting on?

The Board of Directors and the Audit Committee have selected DeCoria, Maichel & Teague P.S. as our independent auditor for the year ending December 31, 2018 and that selection is being submitted to shareholders for ratification. Although ratification is not required by our bylaws or otherwise, the Board is submitting the selection of DeCoria, Maichel & Teague P.S. to our shareholder for ratification as a matter of good corporate practice. If the selection is not ratified, the Board will consider whether it is appropriate to select another registered public accounting firm. Even if the selection is ratified, the Board in its discretion may select a different registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of USAC and our shareholders. DeCoria, Maichel & Teague P.S. served as our independent auditor for the year ended December 31, 2017.

Recommendation of the Board of Directors

The Board of Directors unanimously recommends that you vote “FOR” the ratification of the appointment of DeCoria, Maichel & Teague P.S. as our independent auditor for 2018.

Accountant Fees and Services

The following table sets forth the aggregate fees billed to the Company by DeCoria, Maichel & Teague P.S. for professional services rendered for the fiscal years ended December 31, 2017 and 2016.

Other Fees		
Totals	\$128,970	\$147,680

Audit Fees

Audit fees consist of fees billed for professional services rendered for the audit of our financial statements and review of interim consolidated financial statements included in quarterly reports and services that are normally provided by the principal accountants in connection with statutory and regulatory filings or engagements.

Tax Fees

Tax fees consist of fees billed for professional services for tax compliance, tax advice and tax planning.

Audit-Related Fees

There were no other fees billed by DeCoria, Maichel & Teague P.S. during the last two fiscal years for assurance and related services that were reasonably related to the performance of the audit or review of the Company's financial statements and not reported under "Audit Fees" above.

The Audit Committee of the Board of Directors determined that all of the services performed by DeCoria, Maichel & Teague P.S. in fiscal year 2017 were not incompatible with DeCoria, Maichel & Teague P.S. maintaining its independence.

PROPOSAL 3. ADVISORY VOTE ON EXECUTIVE COMPENSATION

General

Pursuant to Section 14A(a)(1) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), our shareholders are entitled to vote at the Annual Meeting to approve the compensation of our named executive officers, commonly known as a “Say on Pay”, as disclosed in this Proxy Statement in accordance with the standards established under Item 402 of Regulation S-K under the Exchange Act. However, the shareholder vote on executive compensation is an advisory vote only, and it is not binding on USAC or our Board of Directors or the Compensation Committee of the Board.

Although the vote is non-binding, our Board of Directors and the Compensation Committee of the Board value the opinions of the shareholders and will consider the outcome of the vote when making future compensation decisions affecting the compensation of our executive officers.

We design our executive compensation program to implement our core objectives of attracting and retaining superior executive talent needed for the mining, milling, metallurgy and smelting of antimony metal and related antimony products, ensuring executive compensation is substantially dependent on our financial performance and provide incentives for the attainment of our strategic business objectives and aligning executives’ incentives with the creation of shareholder value. The key elements of the compensation program that were in effect during the 2017 fiscal year for USAC’s named executive officers are described in detail in the Compensation Discussion and Analysis section of this proxy statement.

Resolution

The shareholders are being asked to approve by advisory vote the following resolution relating to the compensation of the named executive officers as described in this Proxy Statement:

“RESOLVED, that USAC’s shareholders hereby approve the compensation paid to USAC executive officers named in the Summary Compensation Table of this Proxy Statement, as that compensation is disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, the various compensation tables and the accompanying narrative discussion included in this Proxy Statement.”

The vote on this resolution is not intended to address any specific element of compensation; rather the vote relates to the compensation of our named executive officers, as described in this Proxy Statement in accordance with the compensation disclosure rules of the Securities and Exchange Commission.

Recommendation of the Board of Directors

The Board of Directors unanimously recommends an advisory vote FOR the resolution to approve the compensation of the named executive officers as disclosed in this proxy statement in accordance with the standards established under Item 402 of Regulation S-K under the Exchange Act. Unless otherwise instructed, the proxy holders named in each proxy will vote the shares represented thereby FOR the approval of such resolution.

PROPOSAL 4. ADVISORY VOTE AS TO FREQUENCY OF THE ADVISORY SHAREHOLDER VOTE ON EXECUTIVE COMPENSATION

General

Pursuant to Section 14A(a)(2) of the Exchange Act, the Company's shareholders are also entitled to vote at the annual meeting regarding whether the shareholder vote to approve the compensation of the named executive officers as required by Section 14A(a)(1) of the Exchange Act (and as presented in Proposal 3 of this Proxy Statement) should occur every year, once every two years or once every three years. Shareholders will also have the option to abstain from voting on the matter. The shareholder vote on the frequency of the say-on-pay vote to approve executive compensation is an advisory vote only, and it is not binding on us or our Board of Directors. Such an advisory vote will be provided to the shareholders every six years.

Although the vote is non-binding, both the Board of Directors and the Compensation Committee value the opinions of the shareholders and will consider the outcome of the vote when setting the frequency of the shareholder vote on executive compensation.

Shareholders have four choices with respect to the frequency of the shareholder vote for the approval of the compensation of our named executive officers. The four choices are as follows:

Every year;

Every two years;

Every three years; or

Abstain

Recommendation of the Board

The Board of Directors has determined that an advisory shareholder vote on executive compensation once every three years is the best approach for USAC and its shareholders for a number of reasons, including the following:

A three-year cycle is in line with the long-term pay-for-performance objectives that the Compensation Committee seeks to attain in structuring executive officer compensation in a manner that focuses on long-term growth and sustained shareholder value.

—

A three-year cycle will provide shareholders with sufficient time and opportunity to evaluate the effectiveness of our short-term and long-term incentive programs, compensation strategies and pay-for-performance philosophy.

A three-year cycle will also provide the Board of Directors and the Compensation Committee with sufficient time to thoughtfully evaluate and respond to shareholder input and effectively implement appropriate changes or modifications to our executive compensation programs.

Accordingly, the Board of Directors unanimously recommends that the shareholders choose, on an advisory basis, a three-year frequency (a vote FOR EVERY THREE YEARS) for the advisory shareholder vote to approve the compensation of our named executive officers. Unless otherwise instructed, the proxy holders named in each proxy will vote the shares represented thereby FOR every three years as the frequency of the advisory shareholder vote on executive compensation described in this Proposal Four.

However, the shareholder vote under this Proposal 4 is not to approve the Board's recommendation but is instead a direct advisory vote on the particular frequency at which each shareholder would like the advisory vote on executive officer compensation to be conducted.

OTHER MATTERS

The Board of Directors is not aware of any business to come before the annual meeting other than those matters described in this Proxy Statement. However, if any other matters should properly come before the meeting, it is intended that proxies in the accompanying form will be voted in respect thereof in accordance with the judgment of the person or persons voting the proxies.

The Company will bear the cost of solicitation of proxies, and will reimburse brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to the beneficial owners of USAC's Common Stock and Preferred Stock. In addition to solicitations via the Internet and by mail, our directors, officers and regular employees may solicit proxies personally or by telecopy or telephone without additional compensation.

SHAREHOLDER PROPOSALS

Proposals of shareholders intended to be presented at our annual meeting to be held in 2019 must be received by us no later than July 28, 2018 to be considered for inclusion in the proxy materials and form of proxy relating to that meeting. Any such proposals shall be subject to the requirements of the proxy rules adopted under the Securities Exchange Act.
