PROXY STATEMENT

Annual Meeting of Stockholders
To be held on May 29, 2019

General

We are providing these proxy materials in connection with the solicitation by the Board of Directors of Pharma-Bio Serv, Inc. of proxies to be voted at our 2019 Annual Meeting of Stockholders and at any and all postponements or adjournments thereof. Our Annual Meeting will be held on Wednesday, May 29, 2019, at 9:30 a.m. local time at the Hilton Philadelphia at Penn's Landing located at 201 South Christopher Columbus Boulevard, Philadelphia, Pennsylvania 19106. This proxy statement and the enclosed form of proxy are first being sent to stockholders on or about April 26, 2019. In this proxy statement Pharma-Bio Serv, Inc. and its subsidiaries are referred to as the "Company," "we," "our" or "us."

Purposes of the Meeting

At the Annual Meeting, our stockholders will consider and vote upon the following matters:

- (1) The election of two directors as Class III directors to serve for a term until the 2022 Annual Meeting of Stockholders or until successors are duly elected and qualified (the "Election of Directors Proposal");
- (2) The ratification of the selection of Crowe PR PSC as the Company's independent certified public accountants for the fiscal year ending October 31, 2019;
- (3) A non-binding advisory vote on the compensation of the named executive officers of the Company ("Say on Pay");
- (4) A non-binding advisory vote on the frequency of the advisory vote on Say on Pay in future years; and
- (5) The transaction of such other and further business as may properly come before the meeting or any, adjournments or postponements of the meeting.

Outstanding Securities and Voting Rights

Only holders of record of the Company's common stock at the close of business on April 18, 2019, the record date, will be entitled to notice of, and to vote at, the Annual Meeting. On that date, we had 22,996,481 shares of common stock outstanding. Each share of common stock is entitled to one vote at the Annual Meeting.

A majority of the outstanding shares of our common stock constitutes a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes will be included in determining the presence of a quorum at the Annual Meeting. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner. . Under New York Stock Exchange rules, a broker does not have

the discretion to vote on Proposal 1 – Election of Directors, Proposal 3 – Say on Pay and Proposal 4 – Frequency of the Vote on Say on Pay. As a result, any broker that is a member of the NYSE will not have the discretion to vote Proposals 1, 3 and 4. A broker non-vote or an abstention will have no effect on the Proposals 1, 3 and 4.

Proxy Voting

Shares for which proxy cards are properly executed and returned will be voted at the Annual Meeting in accordance with the directions given or, in the absence of directions, will be voted “FOR” Proposal 1 – the Election of Directors Proposal, “FOR” Proposal 2 – the Auditor Ratification Proposal, “FOR” Proposal 3 - the approval of the Say on Pay proposal, and for the selection of “3 YEARS” as the frequency with which stockholders are provided an advisory vote on Say on Pay. If, however, other matters are properly presented, the person named in the proxies in the accompanying proxy card will vote in accordance with their discretion with respect to such matters.

The manner in which your shares may be voted depends on how your shares are held. If you own shares of record, meaning that your shares are represented by certificates or book entries in your name so that you appear as a stockholder on the records of American Stock Transfer & Trust Company, our transfer agent, a proxy card for voting those shares will be included with this proxy statement. If you own shares in street name, meaning that your shares are held by a bank or brokerage firm or other nominee, you may instead receive a voting instruction form from that institution with this proxy statement to instruct it how to vote your shares.

The Board of Directors urges you to promptly date, sign and mail your proxy or to use the internet voting system set forth in the proxy, in the form enclosed with this proxy statement, to make certain that your shares are voted at the Annual Meeting. Proxies in the enclosed or other acceptable form that are received in time for the Annual Meeting will be voted. However, you may revoke your proxy at any time prior to its use by a revocation in writing to the Corporate Secretary at the Company's principal executive offices at #6 Road 696 Dorado, Puerto Rico, 00646 or a later dated proxy that is received in sufficient time by the Company prior to the Annual Meeting; and, if you attend the Annual Meeting, you may vote your shares in person.

Attendance and Voting at the Annual Meeting

If you own common stock of record, you may attend the Annual Meeting and vote in person, regardless of whether you have previously voted by proxy card or by internet. If you own common stock in street name, you may attend the Annual Meeting but in order to vote your shares at the Annual Meeting, you must obtain a "legal proxy" from the bank or brokerage firm that holds your shares. You should contact your bank or brokerage account representative to learn how to obtain a legal proxy. We encourage you to vote your shares in advance of the Annual Meeting, even if you plan on attending the Annual Meeting. If you have already voted prior to the Annual Meeting, you may nevertheless change or revoke your vote at the Annual Meeting in the manner described below. To obtain directions to the Annual Meeting, please visit the hotel's website at <http://www3.hilton.com/en/hotels/pennsylvania/hilton-philadelphia-at-penns-landing-PHLPNHH/maps-directions/index.html#>

Revocation

If you own common stock of record, you may revoke a previously granted proxy at any time before it is voted by delivering to Pedro J. Lasanta, Chief Financial Officer, Vice President - Finance and Administration and Secretary of the Company, a written notice of revocation or a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person. Any stockholder owning common stock in street name may change or revoke previously granted voting instructions by contacting the bank or brokerage firm holding the shares or by obtaining a legal proxy from such bank or brokerage firm and voting in person at the Annual Meeting.

PROPOSAL 1: ELECTION OF DIRECTORS

Our Board of Directors is currently comprised of five (5) directors divided into three separate classes, as nearly equal in number as possible, with one class being elected each year to serve a staggered three-year term.

At the 2013 Annual Meeting of Stockholders, our stockholders approved an amendment to our Certificate of Incorporation, which phased-in the classification of our Board of Directors which began at the 2013 Annual Meeting of Stockholders. At this Annual Meeting of Stockholders and each Annual Meeting of Stockholders thereafter, the successors to the class of directors whose terms expire at that meeting would be elected for a term of office to expire at the third succeeding Annual Meeting of Stockholders after their election, and until their successors have been duly elected and qualified.

Board Meetings; Annual Meeting Attendance; Independence

The Board oversees our business and affairs and monitors the performance of management. The Board met regularly during the fiscal year ended October 31, 2018 (“fiscal 2018”) and continues to meet regularly to review matters affecting our Company and to act on matters requiring Board approval. The Board also holds special meetings whenever circumstances require and may act by unanimous written consent. During fiscal 2018, the Board of Directors held five (5) meetings, and took two (2) actions by written consent. During fiscal 2018, all directors attended at least 75% of all Board and committee meetings held during this period. The Board of Directors encourages, but does not require, its directors to attend the Company’s annual meeting. Ms. Plaza and Mr. Perlysky attended the 2018 Annual Meeting of Stockholders.

The Board has determined that the following directors are independent pursuant to Nasdaq Rule 5605 (“Nasdaq Rules”) (even though the Company’s securities are not traded on the Nasdaq market): Kirk Michel, Dov Perlysky, Howard Spindel and Irving Wiesen.

Code of Ethics

We have adopted a Code of Ethics that applies to all our senior management, including our principal executive officer, principal financial officer and principal accounting officer, and directors. We intend to post amendments to or waivers from our Code of Ethics (to the extent applicable to our Principal Executive Officer, Principal Financial Officer, Principal Accounting Officer or controller, or persons performing similar functions) on our website, www.pharmabioserv.com. Our website is not part of this proxy statement.

Board Leadership Structure

The Board of Directors has no policy regarding the need to separate or combine the offices of Chairman of the Board and Principal Executive Officer and instead the Board of Directors remains free to make this determination from time to time in a manner that seems most appropriate for the Company. Currently, the positions of Chairman and Chief Executive Officer are separate at Pharma-Bio Serv, Inc. Elizabeth Plaza serves as our Chairman and Victor Sanchez serves as our President and Chief Executive Officer. At this time, the Company believes this segregation allows the Board of Directors to effectively provide guidance to and oversight of its management. Also, this structure allows Ms. Plaza the opportunity to focus on the Company's strategic expansion into new markets and mergers and acquisition activities.

Currently, the Company has not designated a lead independent director and executive sessions of the Board of Directors are presided over by the Chairman of the Board Committee having authority over the subject matter discussed at the executive session, as appropriate. We believe this leadership structure is appropriate based on the Company's size and characteristics and its commitment to a strong, independent Board of Directors, exemplified by four out of five of its directors qualifying as an independent director.

Board Oversight of Enterprise Risk

The Board of Directors is actively involved in the oversight and management of risks that could affect the Company. This oversight and management is conducted primarily through the committees of the Board of Directors identified below but the full Board of Directors has retained responsibility for general oversight of risks. The Audit Committee is primarily responsible for overseeing the risk management function, specifically with respect to management's assessment of risk exposures (including risks related to liquidity, credit, operations and regulatory compliance, among others), and the processes in place to monitor and control such exposures. The other committees of the Board of Directors consider the risks within their areas of responsibility. The Board of Directors satisfies their oversight responsibility through full reports by each committee chair regarding the committee's considerations and actions, as well as through regular reports directly from officers responsible for oversight of particular risks within the Company.

Committees

The standing committees of the Board of Directors are the Audit Committee, the Compensation Committee, the Mergers and Acquisition Committee, and the Nominating Committee.

Audit Committee

The members of the Audit Committee are Howard Spindel, Chairman, Kirk Michel and Irving Wiesen, all of whom are independent directors as determined by the Nasdaq Rules. The responsibilities and duties of the Audit Committee consist of but are not limited to: (1) overseeing the financial reporting process; (2) meeting with our external auditors regarding audit results; (3) engaging and ensuring independence of our outside audit firm and (4) reviewing the effectiveness of the Company's internal controls. The Audit Committee met three (3) times during fiscal 2018, and took one (1) action by written consent.

Our Board has determined that Mr. Spindel qualifies as an "Audit Committee financial expert" within the meaning of applicable regulations of the SEC, promulgated pursuant to the Sarbanes-Oxley Act of 2002. Our Board of Directors has adopted a written charter for the Audit Committee which the Audit Committee reviews and reassesses for adequacy on an annual basis. A copy of the Audit Committee's charter is located on our website at www.pharmabioserv.com.

Compensation Committee

The members of the Compensation Committee are Kirk Michel, Chairman, Howard Spindel and Irving Wiesen, all of whom are independent directors as determined by the Nasdaq Rules. The responsibilities and duties of the Compensation Committee consist of, but are not limited to: (1) approving salaries and incentive compensation of executive officers, as well as the compensation of our Board members; (2) reviewing compensation plans, policies and benefit programs for employees, generally and (3) administering the employee stock option and benefit plans, when designed by the Board. While performing its duties, the Compensation Committee receives substantial input from the Principal Executive Officer regarding the appropriate level and type of compensation for our executives, excluding the compensation paid to the Principal Executive Officer. The Compensation Committee has determined that no risks exist rising from the Company's compensation policies and practices for its employees that are reasonably likely to have a material adverse effect on the Company. The Compensation Committee did not retain a compensation consultant to review our policies and procedures with respect to executive compensation for fiscal 2018. The Compensation Committee took held four (4) meetings during fiscal 2018. A copy of the Compensation Committee's charter is located on our website at www.pharmabioserv.com.

Mergers and Acquisitions Committee

The members of the Mergers and Acquisitions Committee are Dov Perlysky, Kirk Michel and Irving Wiesen. Messrs. Michel, Perlysky and Wiesen are independent directors as determined by the Nasdaq Rules. The responsibilities and duties of the Mergers and Acquisitions Committee consist of (1) reviewing and providing guidance to management and the Board with respect to business development activities including acquisitions, investment and divestiture strategies, (2) assisting management in the assessment of potential transactions, and (3) advising management and the Board in the selection and use of financial, legal and other advisors.

Nominating Committee

The members of the Nominating Committee are Dov Perlysky, Elizabeth Plaza and Irving Wiesen. We have not adopted a written charter for this committee at the present time. If the Nominating Committee identifies a need to replace a current member of the Board, to fill a vacancy on the Board, or to expand the size of the Board, the Nominating Committee considers candidates from a variety of sources. The process followed by the Nominating Committee to identify and evaluate candidates include (a) meetings to evaluate biographical information and background material relating to candidates, (b) requiring candidates to complete questionnaires to elicit information of the type required to be disclosed by us in reports filed with the SEC, (c) conducting background investigations by qualified independent organizations experienced in conducting criminal and civil investigatory reviews, (d) interviews of selected candidates by members of the Board and (e) such other personal and financial reviews and analyses as the Nominating Committee may deem appropriate in connection with the consideration of candidates. While the Nominating Committee does not have a formal policy on diversity, when considering the selection of director nominees, the Nominating Committee considers individuals with diverse backgrounds, viewpoints, accomplishments, cultural background and professional expertise, among other factors.

Recommendations by the Nominating Committee of candidates for inclusion in the Board slate of director nominees are based upon criteria such as business experience and skills, independence as defined by the Nasdaq listing requirements (even though the Company's securities are not traded on the Nasdaq market) or other independence standard deemed appropriate by the Nominating Committee, distinction in their activities, integrity, the ability to commit sufficient time and attention to the Board's activities and the absence of potential conflicts with the Company's interests. The Nominating Committee also considers any other relevant factors that it may from time to time deem appropriate, including the current composition of the Board, the balance of management and independent directors, the need for Audit Committee expertise and the evaluation of all prospective nominees. The Nominating Committee considers candidates for Board membership, including those suggested by stockholders applying the same criteria to all candidates. We intend to adopt a stockholder nomination policy in the near future. The Nominating Committee took one action by written consent and held no meetings during fiscal 2018.

PROPOSAL 2: SELECTION OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

We are asking our stockholders to ratify the Audit Committee's selection of Crowe PR PSC (formerly known as Horwath Velez & Co. PSC) ("Crowe") as our independent certified public accountants for the year ending October 31, 2019. If the stockholders do not ratify the appointment of Crowe, the selection of our independent certified public accountants may be reconsidered by our Audit Committee.

We engaged Crowe as our independent public accountants on September 25, 2006. Crowe audited the Company's consolidated financial statements for the fiscal years ended October 31, 2018 and 2017, which are included in our Annual Report for the year ended October 31, 2018. Representatives of Crowe are expected to be present at the Annual Meeting and will have the opportunity to make a statement if they desire to do so. It is also expected that they will be available to respond to appropriate questions.

Principal Accountant Fees and Services

Description of services: Fiscal 2018 Fiscal 2017

Audit Fees	\$45,500	\$45,500
Audit-Related Fees	28,700	27,900
Tax Fees	9,674	10,824
All Other Fees	6,000	6,000
Total Fees	\$89,874	\$90,224

Audit fees above are professional services associated with the integrated audit of our consolidated financial statements. Audit-Related fees are primarily attributable to services rendered in connection to reviews of our quarterly condensed financial statements. Tax fees are attributable to international tax compliance services. All other fees are primarily attributable to retirement plan compliance audit services.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors

The Audit Committee's policy is to pre-approve all audit and permissible non-audit services provided by the independent public accountants. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. Crowe and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent public accountants in accordance with this pre-approval, and the fees for the services performed to date. The Audit Committee may also pre-approve particular services on a case by case basis. The Audit Committee approved one hundred percent (100%) of all services provided by Crowe during fiscal 2018 and 2017.

The Audit Committee has considered the nature and amount of the fees billed by Crowe, and believes that the provision of the services for activities unrelated to the audit is compatible with maintaining Crowe's independence.

Vote Required and Recommendation

The proposal to approve the selection of Crowe as our independent accountant for the fiscal year ending October 31, 2019 requires the affirmative vote of a majority of the votes cast.

The Board of Directors recommends a vote "FOR" the proposal.

PROPOSAL 3: NON-BINDING ADVISORY VOTE ON SAY ON PAY

Background of the Proposal

The Dodd–Frank Act requires all public companies to hold a separate non-binding advisory shareholder vote to approve the compensation of executive officers as described in the executive compensation tables and any related information in each such company’s proxy statement (commonly known as a “Say on Pay” proposal). Pursuant to Section 14A of the Securities Exchange Act of 1934, as amended, we are holding a separate non-binding advisory vote on Say on Pay at the Annual Meeting.

Executive Compensation

The Board of Directors believes that our executive compensation programs are designed to secure and retain the services of high quality executives and to provide compensation to our executives that are commensurate and aligned with our performance and advances both short and long-term interest of ours and our shareholders. We seek to achieve these objectives through two principal compensation programs: a base salary and long-term equity incentives, in the form of grants of stock options. Base salaries are designed primarily to attract and retain talented executives. Grants of stock options are designed to provide a strong incentive for achieving long-term results by aligning interests of our executives with those of our stockholders, while at the same time encouraging our executives to remain with us. The Board of Directors believes that our compensation program for our executive officers is appropriately based upon our performance and the individual performance and level of responsibility of the executive officer.

This Say on Pay proposal is set forth in the following resolution:

RESOLVED, that the stockholders of Pharma-Bio Serv, Inc. approve, on an advisory basis, the compensation of its named executive officers, as disclosed in the Pharma-Bio Serv, Inc.'s Proxy Statement for the 2019 Annual Meeting of Shareholders, pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the compensation tables, and any related information found in the proxy statement of Pharma-Bio Serv, Inc.

Because your vote on this proposal is advisory, it will not be binding on the Board of Directors, the Compensation Committee or the Company. However, the Compensation Committee will take into account the outcome of the vote when considering future executive compensation arrangements.

Vote Required and Recommendation

The advisory vote on the Say on Pay proposal requires the affirmative vote of a majority of the votes cast.

The Board of Directors recommends a vote “FOR” the Say on Pay proposal.

PROPOSAL 4: NON BINDING ADVISORY VOTE ON THE FREQUENCY OF THE ADVISORY VOTE ON SAY ON PAY IN FUTURE YEARS

Background of the Proposal

The Dodd–Frank Act also requires all public companies to hold a separate non–binding advisory shareholder vote with respect to the frequency of the vote on the Say on Pay proposal thereafter. Companies must give stockholders the choice of whether to cast an advisory vote on the Say on Pay proposal every year, every two years, or every three years (commonly known as the “Frequency Vote on Say on Pay”). Shareholders may also abstain from making a choice, pursuant to proposed rules recently issued by the SEC. After such initial votes are held, the Dodd–Frank Act requires all public companies to submit to their shareholders no less often than every six years thereafter the Frequency Vote on Say on Pay. The Company’s stockholders first voted on this resolution at the 2013 Annual Meeting of Stockholders at which time more than a majority of the votes cast were voted to have the say on pay proposal presented every three years. Pursuant to Section 14A of the Securities Exchange Act of 1934, as amended, we are holding a separate non-binding advisory vote on the frequency of Say on Pay in future years at the Annual Meeting.

Frequency Vote on Say on Pay

As discussed above, the Board of Directors believes that our executive compensation programs are designed to secure and retain the services of high quality executives and to provide compensation to our executives that are commensurate and aligned with our performance and advances both short and long-term interest of ours and our shareholders. The Board of Directors believes that giving our stockholders the right to cast an advisory vote every three years on their approval of the compensation arrangements of our named executive officers provides the Board of Directors sufficient time to thoughtfully evaluate and respond to shareholder input and effectively implement changes, as needed, to our executive compensation program.

Although the Board of Directors recommends that the Say on Pay proposal be voted on every three years, our shareholders will be able to specify one of four choices for the frequency of the vote on the Say on Pay proposal as follows: (i) one year, (ii) two years, (iii) three years, or (iv) abstain. This is an advisory vote and will not be binding on the Board of Directors or the Company, the Board of Directors may determine that it is in the best interests of our shareholders and the Company to hold an advisory vote on executive compensation more or less frequently than may be indicated by this advisory vote of our shareholders. Nevertheless, the Compensation Committee will take into account the outcome this advisory vote when considering how frequently to seek an advisory vote on Say on Pay in future years.

Vote Required and Recommendation

The option receiving the highest number of votes will be deemed to be the preferred frequency of our stockholders.

The Board of Directors recommends the selection of every “THREE YEARS” as your preference for the frequency with which shareholders are provided an advisory vote on Say on Pay.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Related Party Transactions

In February 2007, we entered into an agreement for our main resource facilities in Dorado, Puerto Rico with Plaza Professional Center, Inc., a company controlled by Elizabeth Plaza, our Chairman of the Board. These facilities accommodate our Puerto Rico consulting and headquarters offices, and accommodated our testing laboratory through September 2018. The agreement is for a five year term, with initial monthly installments of \$18,750, which will increase by 5% annually. The agreement also requires the payment of utilities, property taxes, insurance and a portion of expenses incurred by the affiliate in connection with the maintenance of common areas. The agreement provided for a renewal option under the same terms, which became effective February 2012 for a period of five additional years. In July 2016, with effective date January 1, 2016, the Company renegotiated the lease agreement. It incorporated additional space for a laboratory testing facility expansion, is for a five-year term, with a renewal option of five years, and monthly rental payments of \$30,316 for the term of the lease agreement and renewal option. The lease agreement also requires the payment of utilities, property taxes, insurance and expenses incurred by the affiliate in connection with the maintenance of common areas. As part of the Company's sale of substantially all of its laboratory business assets ("Laboratory Assets") in September 2018, this lease was amended to (i) allow the Company to sublease to the Laboratory Assets purchaser (the "Subtenant") the laboratory leased space area, and (ii) if Subtenant defaults under the sublease or terminates the sublease, the Company shall have the option to either (a) terminate the sublease and re-occupy the subleased premises pursuant to the terms of the lease, or (b) modify the lease to terminate the lease for the portion of the premises that is the subleased premises only, without penalty. During the years ended October 31, 2018 and October 31, 2017, we paid approximately \$363,800 for each year, respectively, to Plaza Professional Center, Inc. in connection with the lease of these facilities.

Also, see Employment Agreements and Consulting Agreement - Elizabeth Plaza - Consulting Agreement above for a description of the Consulting Agreement. Under the Consulting Agreement we paid for the year ended October 31, 2018, consulting fees, an incentive fee, a bonus and company lease payments for the vehicle under Elizabeth Plaza's use in the amount of \$421,000, \$120,000, \$125,000 and 15,502, respectively. For the year ended October 31, 2017, we paid consulting fees and company lease payments in the amount of \$483,000 and \$17,792, respectively.

Plaza provides independent services with project deliverables as requested by Pharm-Bio PR at a rate ranging from \$90 to \$125 per hour. During the years ended October 31, 2018 and 2017, Ms. N.
