**Item 1.01 Entry into a Material Definitive Agreement.**

The Compensation Committee of the CTS Corporation Board of Directors approves qualitative and quantitative performance measures to be used to determine the amount of the cash bonus awards that may be paid to certain executive officers of the corporation under the CTS Corporation Management Incentive Plan each fiscal year. Qualitative performance measures are determined each year based on specific strategic objectives related to the individual's position within the corporation. At its February 7, 2006 meeting, the Committee approved targeted levels of earnings per share, net sales and strategic business unit operating earnings as the quantitative performance measures for the fiscal year 2006 CTS Corporation Management Incentive Plan. Cash bonuses to named executive officers may not exceed 200% of their annual salaries based on the achievement of specified goals related to these performance measures. After completion of the 2006 fiscal year, the Committee will determine the extent to which performance measures have been achieved and will determine the actual bonus amounts to be paid. The CTS Corporation Management Incentive Plan has been previously filed by the corporation as an exhibit to its Annual Report on Form 10-K.
