### WHITMAN EDUCATION GROUP, INC. AND SUBSIDIARIES NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED)

#### 1. GENERAL

The accompanying unaudited condensed consolidated financial statements have been prepared in accordance with the instructions to Form 10-Q and, in the opinion of the management, include all adjustments, which are of a normal recurring nature, necessary for a fair presentation of financial position and the results of operations and cash flows for the periods presented. However, the financial statements do not include all information and footnotes required for a presentation in accordance with accounting principles generally accepted in the United States of America. These condensed consolidated financial statements should be read in conjunction with the consolidated financial statements and the notes thereto included or incorporated by reference in our Form 10-K for the fiscal year ended March 31, 2001. The results of operations for the interim periods are not necessarily indicative of the results of operations to be expected for the full year.

The accompanying financial statements include the accounts of Whitman Education Group, Inc., and its wholly-owned subsidiaries, Ultrasound Technical Services, Inc. ("Ultrasound Diagnostic Schools"), Sanford Brown College, Inc. ("Sanford-Brown College") and CTU Corporation ("Colorado Technical University"). All intercompany accounts and transactions have been eliminated. Hereafter, reference to "Whitman" shall include collectively Whitman Education Group, Inc. and its operating subsidiaries, Ultrasound Diagnostic Schools, Sanford-Brown College and Colorado Technical University.

Whitman experiences seasonality in its quarterly results of operations as a result of changes in the level of student enrollment. New enrollment in

Whitman's schools tends to be lower in the first and second fiscal quarters covering the summer months which are traditionally associated with recess from school. Costs are generally not significantly affected by seasonal factors on a quarterly basis. Accordingly, quarterly variations in net revenues will result in fluctuations in income from operations on a quarterly basis.

### 2. RECLASSIFICATION

Certain prior year amounts have been reclassified to conform to the fiscal 2002 presentation. These changes had no effect on previously reported net income (loss).

### WHITMAN EDUCATION GROUP, INC. AND SUBSIDIARIES NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED)

#### 4. NEW ACCOUNTING PRONOUNCEMENTS

In April 2001, Whitman adopted Statement of Financial Accounting Standards No. 133, "Accounting for Derivative Instruments and Hedging Activities" ("SFAS 133"). SFAS 133 establishes accounting and reporting standards for derivative instruments, including certain derivative instruments embedded in other contracts and for hedging activities. It requires that an entity recognize all derivatives as either assets or liabilities in the statement of financial position and measure those instruments at fair value. Because Whitman does not use derivatives, the adoption of SFAS 133 did not have any effect on Whitman's earnings or financial position.

#### 5. GOODWILL

In June 2001, the Financial Accounting Standards Board issued Statements of Financial Accounting Standards No. 141, "Business Combinations", and No. 142, "Goodwill and Other Intangible Assets" ("SFAS 141 and 142"), effective for fiscal years beginning after December 15, 2001. Under the new rules, goodwill (and intangible assets deemed to have indefinite lives) will no longer be amortized but will be subject to annual impairment tests. Other intangible assets will continue to be amortized over their useful lives.

Whitman has elected to adopt the provisions of SFAS 141 and 142 effective April 1, 2001. Application of the nonamortization provision of SFAS 142 resulted in an increase in net income of \$43,000 net of taxes for the three months ended June 30, 2001. Pro forma net loss and net loss per basic and diluted share amounts, for the three months ended June 30, 2000, had SFAS 141 and 142 been applied retroactively, are approximately (\$823,000) and (\$.06), respectively.

During fiscal 2002, Whitman will perform the first of the required impairment tests of goodwill. Whitman has not yet determined what, if any, effect this test will have on the earnings and financial position of Whitman.

#### 6. INCOME (LOSS) PER SHARE

Basic income (loss) before cumulative effect of change in accounting principle, cumulative effect of change in accounting principle, net of tax and net income (loss) per common share is computed using the weighted average number of common shares outstanding during the period. Diluted income (loss) before cumulative effect of change in accounting principle, cumulative effect of change in accounting principle, net of tax and net income (loss) per share is computed using the weighted average number of common and common equivalent shares outstanding during the period.

### WHITMAN EDUCATION GROUP, INC. AND SUBSIDIARIES NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED)

#### 7. COMPREHENSIVE INCOME (LOSS)

Whitman complies with the provisions of Statement of Financial Accounting Standards No. 130, "Reporting Comprehensive Income" ("SFAS 130"). SFAS 130 establishes rules for the reporting and display of comprehensive income and its components. SFAS 130 requires unrealized gains or losses on Whitman's available-for-sale securities to be included in "other comprehensive loss."

## Edgar Filing: WHITMAN EDUCATION GROUP INC - Form 10-Q

For the three months ended June 30, 2001 and June 30, 2000, total comprehensive income was \$97,027 and comprehensive loss was \$865,737, respectively.

### 8. CONTINGENCIES

On May 4, 2000, Whitman, in conjunction with its insurance carriers, reached an agreement in principle to settle the class action lawsuit, Cullen, et. al. v. Whitman Education Group, Inc., et. al. The settlement agreement covers students who attended Whitman's Ultrasound Diagnostic Schools any time from August 1, 1994 to August 1, 1998 in either the general ultrasound program or the non-invasive cardiovascular technology program. The settlement agreement provided for payment of \$5,970,000 in cash and approximately \$1,346,000 in loan forgiveness of delinquent obligations owed by students to Whitman's Ultrasound Diagnostic Schools. The actual cash payment of approximately \$5,970,000 was funded by Whitman contributing \$1,170,000 and Whitman's insurance carriers contributing \$4,800,000. Whitman also contributed \$1,346,000 in debt forgiveness, all of which was fully reserved or previously written-off at March 31, 2000. Whitman also provided for a reserve for potential claims from members of the class action lawsuit who elected not to participate in the settlement. This reserve was estimated based on historical student settlement experience. As a result of the cash settlement payment and estimated reserves, Whitman recorded a one-time, after-tax charge to earnings of approximately \$930,000, or \$.07 per share in the fiscal quarter ended March 31, 2000. Although management denied the allegations of the lawsuit, and believed the key allegations to be without merit, Whitman entered into the settlement to resolve litigation in a satisfactory business manner, to avoid disruption of Whitman's business, and to allow Whitman to pursue its mission of providing quality education to its students.

### 9. SEGMENT AND RELATED INFORMATION

Whitman complies with the provisions of Statement of Financial Accounting Standards No. 131, "Disclosures About Segments of an Enterprise and Related Information" ("SFAS 131"). SFAS 131 establishes standards for the way that public business enterprises report information about operating segments in annual financial statements and requires that those enterprises report selected information about operating segments in interim financial reports. It also establishes standards for related disclosures about products and services, geographic areas and major customers.

### 9. SEGMENT AND RELATED INFORMATION - CONTINUED

Whitman is organized into two reportable segments, the University Degree Division and the Associate Degree Division. The University Degree Division primarily offers bachelor, master and doctorate degrees through Colorado Technical University. The Associate Degree Division offers associate degrees and diplomas or certificates through Sanford-Brown College and Ultrasound Diagnostic Schools.

Whitman's revenues are not materially dependent on a single customer or small group of customers.

#### THREE MONTHS ENDED JUNE 30, 2001 COMPARED TO THE THREE MONTHS ENDED JUNE 30, 2000

Net revenues increased by \$1.6 million or 8.7% to \$20.5 million for the three months ended June 30, 2001 from \$18.9 million for the three months ended June 30, 2000. This increase was primarily due to a 4.2% increase in average student enrollment and an increase in tuition rates.

The University Degree Division experienced a 9.3% increase in average student enrollment and the Associate Degree Division experienced a 1.7% increase in average student enrollment. The increase in student enrollment in the University Degree Division was primarily due to increased enrollment at Colorado

## Edgar Filing: WHITMAN EDUCATION GROUP INC - Form 10-Q

Technical University's Colorado Springs and Sioux Falls campuses. The increase in student enrollment in the Associate Degree Division was primarily due to increased enrollment in the medical assisting program and the health information specialist program offered by the Ultrasound Diagnostic Schools.

12

### RESULTS OF OPERATIONS - CONTINUED

Instructional and educational support expenses increased by \$0.8 million or 6.4% to \$13.7 million for the three months ended June 30, 2001 from \$12.9 million for the three months ended June 30, 2000. As a percentage of net revenues, instructional and educational support expenses decreased to 67.0% for the three months ended June 30, 2001 as compared to 68.4% for the three months ended June 30, 2000. The increase in instructional and educational support expenses was primarily due to an increase in payroll and related benefits for faculty and student support personnel to support the increase in enrollment.

Selling and promotional expenses remained consistent at \$3.4 million for the three months ended June 30, 2001 and June 30, 2000. As a percentage of net revenues, selling and promotional expenses decreased to 16.4% for the three months ended June 30, 2001 as compared to 17.8% for the three months ended June 30, 2000.

General and administrative expenses increased by \$0.1 million or 4.5% to \$3.1 million for the three months ended June 30, 2001 from \$3.0 million for the three months ended June 30, 2000. As a percentage of net revenues, general and administrative expenses decreased to 15.0% for the three months ended June 30, 2001 as compared to 15.7% for the three months ended June 30, 2000.

We reported income from operations of \$0.3 million for the three months ended June 30, 2001 as compared to a loss from operations of \$0.4 million for the three months ended June 30, 2000. This increase in profitability was primarily due to an increase in income from operations of \$0.7 million in the Associate Degree Division.

We reported net income of \$0.1 million for the months ended June 30, 2001 and a net loss of \$0.9 million for the three months ended June 30, 2000. The increase in net profits was primarily due to the \$0.7 million increase in operating profits in the Associate Degree Division and the implementation of SEC Staff Accounting Bulletin No. 101 effective April 1, 2000, which resulted in a one-time charge after taxes of \$0.6 million for the three months ended June 30, 2000.

### SEASONALITY

We experience seasonality in our quarterly results of operations as a result of changes in the level of student enrollment. New enrollment in our schools tends to be lower in the first and second fiscal quarters covering the summer months which are traditionally associated with recess from school. Costs are generally not significantly affected by the seasonal factors on a quarterly basis. Accordingly, quarterly variations in net revenues will result in fluctuations in income from operations on a quarterly basis.

### LIQUIDITY AND CAPITAL RESOURCES

Cash and cash equivalents at June 30, 2001 and March 31, 2001 were \$3.0 million and \$5.9 million, respectively. Our working capital totaled \$6.3 million at June 30, 2001 and \$8.5 million at March 31, 2001.

Net cash of \$0.1 million and \$1.2 million were used in operating activities for the three months ended June 30, 2001 and 2000, respectively. The decrease in cash used in operating activities of \$1.1 million was primarily due to an increase in net profits of \$1.0 million.

Net cash of \$0.4 million and \$0.8 million were used in investing activities for the three months ended June 30, 2001 and 2000, respectively. The decrease in cash used in investing activities of \$0.4 million was due to a decrease in cash used for capital expenditures.

Net cash of \$2.4 million and \$3.6 million were used in financing activities for the three months ended June 30, 2001 and 2000, respectively. The decrease in cash used in financing activities was due to a decrease of \$1.3 million in net payments on long-term debt and capitalized lease obligations.

We have a \$2.0 million line of credit which expires on June 30, 2002. At June 30, 2001, we had no outstanding balance under this facility and letters of credit outstanding of \$0.2 million which reduced the amount available for borrowing. The amounts borrowed under this facility for the three months ended June 30, 2001 were primarily used for operations, repayment of debt and capital expenditures.

On November 5, 1999, our Board of Directors authorized the repurchase of up to \$1.0 million of our common stock. Any repurchases may be made from time to time in the open market or through privately negotiated transactions. We anticipate that any repurchase of shares will be funded through cash from operations. During the three months ended June 30, 2001, we did not repurchase any shares of our common stock and during the three months ended June 30, 2000, we repurchased 90,000 shares of our common stock for approximately \$128,000. Since the inception of the repurchase program, we have repurchased 285,100 shares of our common stock for approximately \$498,000.

Our primary source of operating liquidity is the cash received from payments of tuition and fees. Most students attending our schools receive some form of financial aid under Title IV Programs. We receive approximately 71% of our funding from the Title IV Programs. Disbursements under each program are subject to disallowance and repayment by the schools.

We believe that with our working capital, our cash flow from operations, our line of credit and our expected increased financings under capital lease obligations to fund capital expenditures, we will have adequate resources to meet our anticipated operating requirements for the foreseeable future.

### NEW ACCOUNTING PRONOUNCEMENT

In June 2001, the Financial Accounting Standards Board issued Statements of Financial Accounting Standards No. 141, "Business Combinations", and No. 142, "Goodwill and Other Intangible Assets" ("SFAS 141 and 142"), effective for fiscal years beginning after December 15, 2001. Under the new rules, goodwill (and intangible assets deemed to have indefinite lives) will no longer be amortized but will be subject to annual impairment tests. Other intangible assets will continue to be amortized over their useful lives.

## Edgar Filing: WHITMAN EDUCATION GROUP INC - Form 10-Q

Whitman has elected to adopt the provisions of SFAS 141 and 142 effective April 1, 2001. Application of the nonamortization provision of the Statement resulted in an increase in net income of \$43,000 net of taxes for the three months ended June 30, 2001. Pro forma net loss and net loss per basic and diluted share amounts, for the three months ended June 30, 2000, had SFAS 141 and 142 been applied retroactively, were approximately (\$823,000) and (\$.06), respectively.

During fiscal 2002, Whitman will perform the first of the required impairment tests of goodwill. Whitman has not yet determined what the effect of this test will be on its earnings and financial position of Whitman.
