FOR IMMEDIATE RELEASE

ALCAN OFFERS LIQUIDITY AGREEMENTS

TO PECHINEY OPTION HOLDERS

the consequences of such agreements on the calculation of the 95% threshold triggering payment of the Additional Consideration are described

Montreal, Canada - November 18, 2003 -

Alcan Inc. [NYSE, TSX: AL] today announced that Alcan and Pechiney have agreed on the terms of a liquidity agreement which will be made available to eligible beneficiaries of Pechiney subscription and purchase options. On exercise of options, holders having signed liquidity agreements and returned them by the agreed date, will, under the conditions set out in such agreements, receive Alcan shares instead of Pechiney shares based on the terms of Alcan's public offer for Pechiney shares.

As a result of the impact of duly received liquidity agreements on subscription options, Pechiney shares corresponding to such options should not be included in the computation of the number of fully-diluted Pechiney shares for purposes of the offer, and Alcan does not therefore intend to include them in the denominator of the formula for determining the 95% threshold triggering payment of the Additional Consideration.

Moreover, Pechiney has indicated to Alcan that it would tender into the Offer the shares it holds and that underlie share purchase options so that shares so tendered will be included in the calculation of tendered shares for purposes of determining the 95% threshold. This decision was possible on account of the fact that Alcan has agreed to make available to Pechiney the shares which would be required to satisfy the exercise of Pechiney share purchase options.

Alcan has filed with the Securities and Exchange Commission (the "SEC") a registration statement to register the Alcan Common Shares to be issued in the proposed U.S. offer, including related tender/exchange offer materials. Investors and holders of Pechiney securities are urged to read the Prospectus, dated October 24, 2003, relating to the exchange offer, as well as the documents incorporated by reference into the Prospectus and the related tender/exchange offer materials, because they contain important information and disclosures. Investors and holders of Pechiney securities may obtain a free copy of the registration statement, the documents incorporated by reference therein and the related tender/exchange offer materials at the SEC's Internet web site at <http://www.sec.gov>. The Prospectus and the tender/exchange offer materials have been mailed to holders of Pechiney securities. Additional copies of these transaction-related documents may be obtained at Alcan's expense by contacting the Information Agent for the offers, D.F. King & Co., Inc., toll-free at 1-800-488-8035 (North America), 0-800-90-2614 (France), 0-800-389-7892 (U.K.) or (44) 20-7920-9700 (collect in Europe).

This press release is for informational purposes only. It shall not constitute an offer to purchase or the solicitation of an offer to sell or exchange any securities, nor shall there be any sale of securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. The solicitation of offers to buy Alcan Common Shares will only be made pursuant to Alcan's Prospectus, dated October 24, 2003, and the related tender/exchange materials.

The U.S. offer is only open to holders of Pechiney securities (other than Pechiney American Depositary Shares or ADSs) who are located in the United States and Canada and to all holders of Pechiney ADSs, wherever located. Alcan's separate French offer is not being made in the United States or Canada.
