## PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS TO BE HELD MAY 1, 2001

Your proxy, represented by the accompanying Proxy Card, is solicited by the Board of Directors of Graco Inc. ("Graco" or the "Company") in connection with the Annual Meeting of the Shareholders of the Company to be held on May 1, 2001, and any adjournments of that meeting.

The costs of the solicitation, including the cost of preparing and mailing the Notice of Meeting and this Proxy Statement, will be paid by the Company. Solicitation will be primarily by mailing this Proxy Statement to all shareholders entitled to vote at the meeting. Proxies may be solicited by officers of the Company personally, but at no compensation in addition to their regular compensation as officers. The Company may reimburse brokers, banks and others holding shares in their names for third parties, for the cost of forwarding proxy material to, and obtaining proxies from, third parties. The Proxy Statement and accompanying Proxy Card will be first mailed to shareholders on or about March 29, 2001.

Proxies may be revoked at any time prior to being voted by giving written notice of revocation to the Secretary of the Company. All properly executed proxies received by management will be voted in the manner set forth in this Proxy Statement or as otherwise specified by the shareholder giving the proxy.

Shares voted as abstentions on any matter (or a "withhold vote for" as to directors) will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum at the meeting and as unvoted, although present and entitled to vote, for purposes of determining the approval of each matter as to which the shareholder has abstained. If a broker submits a proxy which indicates that the broker does not have discretionary authority as to certain shares to vote on one or more matters, those shares will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum at the meeting, but will not be considered as present and entitled to vote with respect to such matters.

Only shareholders of record as of the close of business on March 5, 2001, may vote at the meeting or at any adjournment. As of that date, there were issued and outstanding 30,747,876 common shares of the Company, the only class of securities entitled to vote at the meeting. Each share registered to a shareholder of record is entitled to one vote. Cumulative voting is not permitted.

## PROPOSAL 1

### ELECTION OF DIRECTORS

#### NOMINEES AND OTHER DIRECTORS

The number of directors of the Company is currently set at 12 members. The directors are divided into three classes as equal in number as reasonably possible. Vacancies that occur during a term may be filled by a majority vote of the directors then in office, though less than a quorum, and directors so chosen hold office for a term expiring at the next Annual Meeting of Shareholders. Board policy states that no director may continue to serve on the Board after the last day of the month of his/her seventieth (70th) birthday.

At the forthcoming Annual Meeting, three persons are to be elected to the Company's Board of Directors. The Board has nominated William G. Van Dyke, Mark H. Rauenhorst and J. Kevin Gilligan for three-year terms expiring in the year 2004. One nominee, William G. Van Dyke, has previously been elected as a director of the Company by the shareholders.

Unless otherwise instructed not to vote for the election of directors, proxies will be voted to elect the nominees. A director candidate must receive the vote of a majority of the voting power of shares present in order to be elected. Unless the Board reduces the number of directors, the enclosed proxy will be voted to elect the replacement nominee designated by the Board in the event that a nominee is unable or unwilling to serve.

The following information is given as of March 5, 2001 with respect to the nominees for election and the seven directors whose terms of office will continue after the Annual Meeting.
