Item 1. Business

### **OVERVIEW**

Lincoln National Corporation ("LNC," which also may be referred to as "Lincoln," "we," "our" or "us") is a holding company, which operates multiple insurance and retirement businesses through subsidiary companies. Through our business segments, we sell a wide range of wealth protection, accumulation and retirement income products and solutions. These products include fixed and indexed annuities, variable annuities, universal life insurance ("UL"), variable universal life insurance ("VUL"), linked-benefit UL, term life insurance, mutual funds, employer-sponsored defined contribution ("DC") plans and group life, disability and dental. LNC was organized under the laws of the state of Indiana in 1968. We currently maintain our principal executive offices in Radnor, Pennsylvania. "Lincoln Financial Group" is the marketing name for LNC and its subsidiary companies. As of December 31, 2010, LNC had consolidated assets of \$193.8 billion and consolidated stockholders' equity of \$12.8 billion.

We provide products and services in two operating businesses and report results through four segments as follows:

Corresponding

Business Segments

Retirement

Solutions Annuities

**Defined Contribution** 

Insurance

Solutions Life Insurance

**Group Protection** 

We also have Other Operations, which includes the financial data for operations that are not directly related to the business segments.

As a result of entering agreements of sale for Lincoln National (UK) plc ("Lincoln UK") and Delaware Management Holdings, Inc. ("Delaware") during 2009, we have reported the results of these businesses as discontinued operations on our Consolidated Statements of Income (Loss) for all periods presented and the assets and liabilities, prior to the sale, as held for sale on our Consolidated Balance Sheets. For further information, see "Acquisitions and Dispositions" below.

The results of Lincoln Financial Network ("LFN") and Lincoln Financial Distributors ("LFD"), our retail and wholesale distributors, respectively, are included in the segments for which they distribute products. LFD distributes our

individual products and services, DC plans and corporate-owned UL and VUL ("COLI") and bank-owned UL and VUL ("BOLI") products and services. The distribution occurs primarily through consultants, brokers, planners, agents, financial advisors, third party administrators ("TPAs") and other intermediaries. Insurance Solutions – Group Protection distributes its products and services primarily through employee benefit brokers, TPAs and other employee benefit firms. As of December 31, 2010, LFD had approximately 550 internal and external wholesalers (including sales managers). As of December 31, 2010, LFN offered LNC and non-proprietary products and advisory services through a national network of approximately 8,000 active producers who placed business with us within the last twelve months.

Financial information in the tables that follow is presented in conformity with accounting principles generally accepted in the United States of America ("GAAP"), unless otherwise indicated. We provide revenues, income (loss) from operations and assets attributable to each of our business segments and Other Operations, as well as revenues derived inside and outside the U.S. for the last three fiscal years, in Note 23.
