Explanatory Note

On April 19, 2012, Lowe's Companies, Inc. (the "Company") issued a press release announcing that Gregory M. Bridgeford, Executive Vice President of Business Development, and Rick D. Damron, Executive Vice President of Store Operations, have been promoted to the newly created positions of Chief Customer Officer (CCO) and Chief Operating Officer (COO), respectively, effective May 5, 2012. On April 20, 2012, the Company filed a current report on Form 8-K to report these events. This Amendment provides additional information required by Item 5.02(c)(3) of Form 8-K that was not included in the Company's current report on Form 8-K filed April 20, 2012. The disclosure included in the current report on Form 8-K filed April 20, 2012 otherwise remains unchanged.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Effective May 5, 2012, Mr. Damron's and Mr. Bridgeford's annual base salaries will be increased to \$750,000 to reflect their increased duties and responsibilities as the Company's CCO and COO, respectively. The target and maximum annual incentive award Mr. Damron and Mr. Bridgeford may earn based on the Company's achievement of short-term operational and strategic performance goals was also increased from 90% to 100% and from 180% to 200%, respectively, of their base salaries. For the first quarter of the current fiscal year, the amounts of their annual incentive awards will be determined using their current base salaries and their previously-approved target and maximum opportunities. For the balance of the current fiscal year, their increased base salaries and their new target and maximum opportunities will be used.

The Compensation Committee of the Board has also approved an increase in the target values of the annual equity incentive awards to be made to these two executive officers from 300% to 400% of their base salaries. This increase will be effective for the equity incentive awards to be made by the Committee to all of the Company's executive officers effective as of March 1, 2013. The actual value of the awards realized by Mr. Damron and Mr. Bridgeford (as well as the Company's other executive officers) will be based on the degree of achievement of performance vesting goals or satisfaction of vesting requirements based on continued employment with the Company and the value of the Company's common stock when the awards are earned and become vested.
