PROXY STATEMENT

Your vote is very important. For this reason, the Board of Directors is requesting that you allow your Entergy Corporation Common Stock to be represented at the Annual Meeting by J. Wayne Leonard, Robert v.d.Luft and William A. Percy II, the persons named as proxies on the enclosed proxy card. This proxy statement has been prepared for the Board by our management. The terms "we", "our", "Entergy" and the "Corporation" each refer to Entergy Corporation. This proxy statement is being sent to our stockholders on or about April 10, 2001.

GENERAL INFORMATION ABOUT VOTING

WHO CAN VOTE. You are entitled to vote your Common Stock if our records show that you held your shares as of March 13, 2001. At the close of business on March 13, 2001, 220,237,541 shares of Common Stock were outstanding and entitled to vote. Each share of Common Stock has one vote. The enclosed proxy card shows the number of shares that you are entitled to vote.

VOTING BY PROXIES. Of course, you may come to the meeting and vote your shares in person. If your Common Stock is held by a broker, bank or other nominee, you will receive instructions from them as to how your shares may be voted in accordance with your instructions. Follow those instructions carefully. If you hold your shares in your own name, you may instruct the proxies as to how to vote your Common Stock

Edgar Filing: ENTERGY CORP /DE/ - Form DEF 14A

by using the toll free telephone number listed or accessing the Internet address on the proxy card or by signing, dating and mailing the proxy card in the postage paid envelope provided to you. Proxies granted by these methods are valid under applicable state law. When you use the telephone or Internet voting system, the system verifies that you are a stockholder through the use of a Personal Identification Number assigned to you. The telephone and Internet voting procedures allow you to instruct the proxies as to how to vote your shares and confirm that your instructions have been properly recorded. Your Personal Identification Number and specific directions for using the telephone and Internet voting system are on the proxy card. Whether you send your instructions by mail, telephone or the Internet, the proxies will vote your shares in accordance with those instructions. If you sign and return a proxy card without giving specific voting instructions, your shares will be voted as recommended by our Board of Directors. We are not currently aware of any matters to be presented to the Annual Meeting other than those described in this proxy statement. If any other matters are presented at the meeting, the proxies will use their own judgment in determining how to vote your shares. If the meeting is adjourned, your Common Stock may be voted by the proxies on the new meeting date.

HOW YOU MAY REVOKE YOUR PROXY INSTRUCTIONS. To revoke your proxy instructions, you must either advise the Secretary in writing before your shares have been voted by the proxies at the meeting, deliver to us later proxy instructions, or attend the meeting and vote your shares in person.

QUORUM REQUIREMENT. The Annual Meeting cannot be held unless a quorum equal to a majority of the outstanding shares entitled to vote is represented at the meeting. If you have returned valid proxy instructions or attend the meeting in person, your shares will be counted to determine whether there is a quorum, even if you wish to abstain from voting on some or all matters introduced at the meeting. "Broker non-votes" also count for quorum purposes. If you hold your Common Stock through a broker, bank or other nominee, it may only vote those shares in accordance with your instructions. However, if it has not received your instructions by a specified date, it may vote on matters that the New York Stock Exchange has determined to be routine. All matters to be voted on at the Annual Meeting are considered to be routine.

VOTES NECESSARY FOR ACTION TO BE TAKEN. Thirteen directors will be elected at the meeting, meaning that the thirteen nominees receiving the most votes will be elected. Abstentions will have no effect on the outcome of the election of directors.

COST OF THIS PROXY SOLICITATION. We will pay the cost of this proxy solicitation. In addition to soliciting proxies by mail, we expect that certain of our employees may solicit stockholders for their proxies, personally and by telephone. None of these employees will receive any additional or special compensation for doing so. We have retained Morrow & Co. Inc. for a fee of \$12,500 plus reasonable out-of-pocket costs and expenses, to assist in the solicitation of proxies. We will, upon request, reimburse brokers, banks and other nominees for their expenses in sending proxy materials to their principals and obtaining their proxies.

ATTENDING THE ANNUAL MEETING. If you are a holder of record and you plan to attend the Annual Meeting, please come to the registration desk before the meeting. If you are a beneficial owner of Common Stock held by a bank or broker (i. e., in "street name"), you will

Edgar Filing: ENTERGY CORP /DE/ - Form DEF 14A

need proof of ownership of your Common Stock as of March 13, 2001 to be admitted to the meeting. A recent brokerage statement or letter from a bank or broker are examples of proof of ownership. If you want to vote in person your shares of Common Stock held in street name, you must obtain a proxy in your name from the registered holder.

STOCKHOLDERS WHO OWN AT LEAST FIVE PERCENT. A stockholder "beneficially owns" Common Stock by having the power to vote or dispose of the Common Stock, or to acquire the Common Stock within 60 days. Stockholders who beneficially own at least five percent of the Common Stock are required to file certain reports with the Securities and Exchange Commission. Edgar Filing: ENTERGY CORP /DE/ - Form DEF 14A

attendance at committee meetings scheduled in conjunction with Board meetings, and \$2,000 for attendance at committee meetings not scheduled in conjunction with a Board meeting. Directors also receive \$1,000 for participation in any inspection trip or conference not held in conjunction with a Board or Committee meeting. In addition, committee chairpersons are paid an additional \$5,000 annually. Directors receive only one-half the fees set forth above for telephone attendance at Board or committee meetings. All non-employee directors receive on a quarterly basis 150 shares of Common Stock and one-half the value of the 150 shares in cash. Mr. Luft is paid \$200,000 annually to serve as Chairman of the Board. In January 2001, the non-employee Directors were granted the opportunity to receive annually an executive physical examination either from their local physician or at the Mayo Clinic's Jacksonville, Florida location. The Corporation will pay the cost of the physical examination, and, if at Mayo, travel and living expenses.

SERVICE AWARDS FOR DIRECTORS. All non-employee directors are credited with 800 "phantom" shares of Common Stock for each year of service on the Board up to a maximum of ten years. The "phantom" shares are credited to a specific account for each director that is maintained solely for accounting purposes. After separation from Board service, these directors receive an amount in cash equal to the value of their accumulated "phantom" shares. Payments are made in at least five but no more than 15 annual payments. Each "phantom" share is assigned a value on its payment date equal to the value of a share of Common Stock on that date. Dividends are earned on each "phantom" share from the date of original crediting.

RETIREMENT FOR DIRECTORS. Before Entergy Gulf States, Inc. became a subsidiary of Entergy, it established a deferred compensation plan for its officers and non-employee directors. A director could defer a maximum of 100% of his salary, and an officer could defer up to a maximum of 50% of his salary. Both Dr. Murrill, as an officer, and Mr. Steinhagen, as a director, deferred their salaries. The directors' right to receive this deferred compensation is an unsecured obligation of the Corporation, which accrues simple interest compounded annually at the rate set by Entergy Gulf States, Inc. in 1985. In addition to payments received prior to 1997, on January 1, 2000, Dr. Murrill began to receive his deferred compensation plus interest in equal installments annually for 15 years. Beginning on the January 1 after Mr. Steinhagen turns 70, he will receive his deferred compensation plus interest in equal installments annually for 10 years.

PERSONNEL COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Messrs. Francis (Chairman), Davis, Percy, and Reilley served during 2000 as members of the Personnel Committee of the Board. None of these directors was, during 2000, an officer or employee of Entergy or any of its subsidiaries.

SHARE OWNERSHIP OF DIRECTORS AND OFFICERS

The table below shows how much Common Stock each current director, nominee, and executive officer named in the "Summary Compensation Table" on page 18 beneficially owned as of December 31, 2000, as well as how much they and the other executive officers beneficially owned as a group. This information has been furnished by each individual. Each individual has sole voting and investment power, unless otherwise

Edgar Filing: ENTERGY CORP /DE/ - Form DEF 14A

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE. Directors and certain executive officers must file reports with the Securities and Exchange Commission indicating their ownership of any equity securities of the Corporation at the time they became a director or executive officer. Thereafter, reports must be filed to update any changes in ownership. In 2000, all directors' and officers' reports were correctly filed, except that Hugh T. McDonald and Michael P. Childers, officers of subsidiaries of the Corporation, were late in filing their Form 3s and that Joseph T. Henderson, an officer of the Corporation, did not initially report on his Form 3 a grant to him of 4,000 restricted shares. All reports have now been correctly filed.

AUDIT COMMITTEE REPORT

The Entergy Corporation Board of Directors' Audit Committee is comprised of five directors who are not officers of the Company. All members meet the criteria for independence as defined by the New York Stock Exchange. The Board of Directors has adopted a written charter for the Audit Committee, which was published in the 2000 Proxy Statement.

The Committee held eight meetings during 2000. The meetings were designed to facilitate and encourage private communication between the Committee and management, the internal auditors and the Company's independent public accountants, PricewaterhouseCoopers LLP.

Edgar Filing: ENTERGY CORP /DE/ - Form DEF 14A

During these meetings, the Committee reviewed and discussed the audited financial statements with management and PricewaterhouseCoopers. The Audit Committee believes that management maintains an effective system of internal controls which results in fairly presented financial statements. Based on these discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in Entergy's Annual Report on Form 10-K.

The discussions with PricewaterhouseCoopers also included the matters required by Statement on Auditing Standards No. 61 and No. 90. The Audit Committee received from PricewaterhouseCoopers written disclosures and the letter regarding its independence as required by Independence Standards Board Standard No. 1. This information was discussed with PricewaterhouseCoopers. The Audit Committee also has considered whether the provision of the non-audit services described below by PricewaterhouseCoopers is compatible with maintaining their independence and has concluded that it is.

INDEPENDENT ACCOUNTANTS

On the recommendation of the Audit Committee, the Executive Committee (acting between board meetings) has appointed PricewaterhouseCoopers LLP as independent accountants for the Corporation for the year 2001. PricewaterhouseCoopers LLP (or its predecessor Coopers & Lybrand LLP) has been the Corporation's auditors since 1994, and of Entergy Gulf States, Inc., an operating subsidiary, since 1933. A representative of PricewaterhouseCoopers LLP will be present at the meeting and will be available to respond to questions by stockholders and will be given an opportunity to make a statement if the representative desires to do so.

During 2000, PricewaterhouseCoopers billed Entergy Corporation and its subsidiaries the following fees for its services:

REPORT OF PERSONNEL COMMITTEE ON EXECUTIVE COMPENSATION

The Personnel Committee of the Entergy Corporation Board of Directors (Committee) reviews and makes recommendations to the Board regarding all aspects of executive compensation including the adoption of, or amendments to, the various compensation, incentives and benefit plans/programs maintained for officers and other key management employees of the Corporation.

The Corporation's executive compensation programs provide competitive rewards designed to attract, retain and motivate key management employees who are critical to the Corporation's success. For 2000, the Committee assessed the competitiveness of its compensation programs to a peer group of similar-sized energy services companies (based on revenue).

For 2000, this peer group was used for all components of Entergy's compensation including base salary and incentives (both annual and long-term). An executive's total compensation package was targeted at the median of total compensation within this peer group. Incentive plans provided opportunities for executives to earn compensation at a level above or below the median level for this peer group, based upon performance targets approved by the Board. The total executive compensation package consisted of the following four major components:

1. Base Salary

Base salary was set through a comparison with companies in the compensation peer group. As a result of this comparison, the Board of Directors granted to Mr. Leonard an increase, during 2000, as reflected in the "Summary Compensation Table" on page 18.

2. Benefits and Perquisites

Executives were eligible to participate in Entergy's pension plan(s), in addition to Entergy's standard medical, dental, life insurance and long-term disability coverage. Executives were not provided executive perquisites during 2000, because all perquisites were eliminated in August 1998.

3. Annual Incentive Compensation

Each executive's annual incentive compensation is based on the attainment of key strategic goals and objectives including improvement in earnings per share, operating cash flows, control of operation and maintenance costs, customer satisfaction and transition to a competitive environment. These measures have varying weights and are specifically tailored to each executive's responsibilities. For his performance in the year 2000, Mr. Leonard received an annual incentive award of \$1,190,000.

4. Long-Term Incentive Compensation

In 1998, the Board of Directors adopted a three-year, performance-based, Long-Term Incentive Plan, which spanned the period of 1998 through 2000. Under this Long-Term Incentive Plan, the Corporation was required to achieve pre-set levels of performance measured against a selected group of other companies in the area of total return to shareholders and pre-set levels of return on capital over the three-year performance period. Mr. Leonard's award under this program was \$2,410,413.

In December 1999, the Board of Directors adopted a second three-year, performance-based, Long-Term Incentive Plan, which spans the period of 2000 through 2002. Under this Long-Term Incentive Plan, the Corporation is required to achieve pre-set levels of performance measured against a selected group of other companies in the area of total return to shareholders.

Stock option grants are considered on an annual cycle (i.e., in

Edgar Filing: ENTERGY CORP /DE/ - Form DEF 14A

January of each year) and are based upon each executive's (i.e. grantee's) performance, as reviewed by the Committee. Mr. Leonard received a 330,600 stock option grant in January 2000, based on his 1999 performance. The award was funded under the 1998 Equity Ownership Plan.

- Total Compensation

As reported in the "Summary Compensation Table," during 2000, Mr. Leonard's participation in each of Entergy's compensation components was as follows:

- Base Salary	14%
- Bonus	21%
- Long-Term Incentive Compensation	
- Performance Shares (LTIP)	41%
- Stock Options*	24%
- All Other Compensation	0%

* Please note that this number includes the 330,600 stock options granted for 2000. A Black Scholes model price of \$4.31 is assumed for the stock options.

- Retention Agreement

In connection with the proposed merger with FPL Group, the Board of Directors determined that it was in the best interest of Entergy and its Shareholders to retain the services of Mr. Leonard. The Board of Directors therefore entered into a retention agreement whereby Mr. Leonard was granted 200,000 restricted stock units pursuant to Entergy's Equity Ownership Plan. 50,000 of the restricted stock units (without dividends) will vest on each of December 31, 2001, December 31, 2002, December 31, 2003 and December 31, 2004. In addition, the restricted units will vest upon the termination of Mr. Leonard's employment by Entergy without "cause" or by Mr. Leonard for "good reason" (as defined in the retention agreement between Mr. Leonard and Entergy).

- Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code generally disallows an income tax deduction to public companies for individual compensation over one million dollars, paid to Entergy's Chief Executive Officer and to the four other most highly paid executives, unless certain requirements are met. Key requirements include that 1) compensation over \$1 million must be performance-based and 2) incentive plans must be approved by shareholders.

All of Entergy's incentive plans are intended to meet the requirements of the Internal Revenue Code for deductibility. As a result, we do not believe that any executive officers earned compensation in excess of \$1 million in 2000 that was not tax deductible. Although Entergy intends generally to comply with requirements of Code Section 162(m) when consistent with Entergy's objectives, executives may be paid compensation that is not deductible under Code Section 162(m).

(a) Amounts include the value of restricted shares that vested in 2000 (see note (c) below) under Entergy's Equity Ownership Plan.

(b) Includes the following:

Edgar Filing: ENTERGY CORP /DE/ - Form DEF 14A

- (1) 2000 benefit accruals under the Defined Contribution Restoration Plan as follows: Mr. Gallaher \$8,810; Mr. Hintz \$13,618; Mr. Jackson \$10,269; and Mr. Wilder \$9,393.
- (2) 2000 employer contributions to the System Savings Plan as follows: Mr. Gallaher \$5,100; Mr. Hintz \$4,882; Mr. Jackson \$4,893; and Mr. Wilder \$4,526.
- (3) 2000 reimbursements for moving expenses as follows: Mr. Hintz \$8,016.
- (c) Restricted unit (equivalent to shares of Entergy Corporation common stock) awards in 2000 are reported under the "Long-Term Incentive Plan Awards" table, and reference is made to that table for information on the aggregate number of restricted units awarded during 2000 and the vesting schedule for such units. At December 31, 2000, the number and value of the aggregate restricted unit holdings were as follows: Mr. Gallaher 11,800 units, \$499,288; Mr. Hintz 28,500 units, \$1,205,906; Mr. Jackson 12,700 units, \$537,369; Mr. Leonard 58,000 units, \$2,454,125; and Mr. Wilder 21,367 units, \$904,091. Accumulated dividends are paid on restricted units when vested. The value of restricted unit holdings as of December 31, 2000 are determined by multiplying the total number of units awarded by the closing market price of Entergy Corporation common stock on the New York Stock Exchange Composite Transactions on December 31, 2000 (\$42.3125 per share). The value of stock for which restrictions were lifted in 2000, and the applicable portion of accumulated cash dividends, are reported in the LTIP payouts column in the above table.
- (d) In addition to the restricted units granted under the Equity Ownership Plan, in 1998 Mr. Leonard and Mr. Wilder were granted 30,000 and 26,000 additional restricted units, respectively. Restricted units awarded will vest in equal increments, annually, over a three-year period, beginning in 1999, based on continued service with Entergy. The value that Mr. Leonard and Mr. Wilder may realize is dependent upon both the number of units that vest and the future market price of Entergy common stock. Accumulated dividends are not paid on Mr. Leonard's 30,000 units and 21,000 units of Mr. Wilder's restricted units when vested. Accumulated dividends will be paid on 5,000 units of Mr. Wilder's restricted units when vested.

Long-Term Incentive Plan Awards in 2000

The following Table summarizes the awards of restricted units (equivalent to shares of Entergy Corporation common stock) granted under the Equity Ownership Plan in 2000 to the Named Executive Officers.

Name	Number of Units	Performance Period Until Maturation or Payout	Estimated Future Payouts Under Non-Stock Price-Based Plans (a) (b)		
			Threshold	Target	Maximum
J. Wayne Leonard	48,000	1/1/00-12/31/02	16,000	32,000	48,000
Frank F. Gallaher	11,800	1/1/00-12/31/02	4,000	7,917	11,800

C. John Wilder	12,700	1/1/00-12/31/02	4,300	8,500	12,700

- (a) Restricted units awarded will vest at the end of a three-year period, subject to the attainment of approved performance goals for Entergy. Restrictions are lifted based upon the achievement of the

Edgar Filing: ENTERGY CORP /DE/ - Form DEF 14A

cumulative result of these goals for the performance period. The value any Named Executive Officer may realize is dependent upon both the number of units that vest and the future market price of Entergy Corporation common stock.

- (b) The threshold, target, and maximum levels correspond to the achievement of 50%, 100%, and 150%, respectively, of Equity Ownership Plan goals. Achievement of a threshold, target, or maximum level would result in the award of the number of units indicated in the respective column. Achievement of a level between these three specified levels would result in the award of a number of units calculated by means of interpolation.

RETIREMENT INCOME PLAN. The Corporation has a defined benefit plan for employees, including executive officers, that provides for a retirement benefit calculated by multiplying the number of years of employment by 1.5% which is then multiplied by the final average pay. A single employee receives a lifetime annuity and a married employee receives a reduced benefit with a 50% surviving spouse annuity. Retirement benefits are not subject to any deduction for social security or other offset amounts. The credited years of service under the plan, as of December 31, 2000, were for Mr. Gallaher (31), for Mr. Jackson (21), and for Mr. Leonard (2). Because they entered into supplemental retirement agreements, the credited years of service under this plan were for Mr. Hintz (29) and for Mr. Wilder (17).

The following table shows the annual retirement benefits that would be paid at normal retirement (age 65 or later) and includes covered compensation for the executive officers included in the salary column of the summary compensation table on page 18.

Annual Covered Compensation	Years of Service				
	15	20	25	30	35
\$100,000	\$ 22,500	\$ 30,000	\$ 37,500	\$ 45,000	\$ 52,500

300,000	67,500	90,000	112,500	135,000	157,500
400,000	90,000	120,000	150,000	180,000	210,000
500,000	112,500	150,000	187,500	225,000	262,500
650,000	146,250	195,000	243,750	292,500	341,250
950,000	213,750	285,000	356,250	427,500	498,750

- (1) Benefits are shown for various rates of final average pay, which is the highest salary earned in any consecutive 60 months during the last 120 months of employment.

PENSION EQUALIZATION PAYMENTS. Supplemental retirement benefits are provided to all executive officers and other participants whose benefits are limited under the qualified plans by applicable federal tax laws and regulations equal to the difference between the benefits that would have been payable under the qualified plans but for the applicable limitations and the benefits that are indicated in the above referenced pension table.

SUPPLEMENTAL RETIREMENT PLANS. Two other supplemental plans are offered to executive officers. Executives may participate in one or the other of these supplemental plans at the invitation of the Corporation. These plans provide that a participant may receive a monthly payment for 120 months. The amount of monthly payment shall not exceed 2.5% or 3.33%, depending upon the plan, of the

Edgar Filing: ENTERGY CORP /DE/ - Form DEF 14A

participant's average basic annual pay (as defined in the plans). Current estimates indicate that the annual payments to any executive officer under either of these two plans would be less than the payments to that officer under the System Executive Retirement Plan discussed below.

SYSTEM EXECUTIVE RETIREMENT PLAN (SERP). This executive plan is an unfunded defined benefit plan for senior executives, that includes all of the executive officers named in the Summary Compensation Table (except for Mr. Leonard). Executive officers can choose, at retirement, between the retirement benefits paid under provisions of this plan or those payable under the supplemental retirement plans discussed above. The plan was amended in 1998 to provide that covered pay is the average of the highest three years annual base pay and incentive compensation earned by the executive during the ten years immediately preceding his retirement. Benefits are calculated by multiplying the covered pay times the maximum pay replacement ratios of 55%, 60%, or 65% (dependent on job rating at retirement) that are attained at 30 years of credited service. The ratios are reduced for each year of employment below 30 years. The amended plan provides that the single employee receives a lifetime annuity and a married employee receives the reduced benefit with a 50% surviving spouse annuity. These retirement payments are guaranteed for ten years, but are offset by any and all defined benefit plan payments from the Corporation and from prior employers. These payments are not subject to social security offsets.

Receipt of benefits under any of the supplemental retirement plans described above is contingent upon several factors. The participant must agree not to take any employment after retirement with any entity that is in competition with or similar in nature to the Corporation or any affiliated company. Benefits are forfeitable for various reasons, including a violation of an agreement with the Corporation or resignation or termination of employment for any reason without the Corporation's permission.

The credited years of service for the Named Executive Officers under this plan are as follows: Mr. Gallaher (31), Mr. Hintz (29), Mr. Jackson (27), and Mr. Wilder (17).

The following table shows the annual retirement benefits that would be paid at normal retirement (age 65 or later).

System Executive Retirement Plan Table (1)

1,000,000	300,000	450,000	500,000	550,000	600,000

- (1) Covered pay includes the average of the three highest years of annual base pay and incentive awards earned by the executive during the ten years immediately preceding retirement. Benefits shown are based on a replacement ratio of 50% based on the years of service and

Edgar Filing: ENTERGY CORP /DE/ - Form DEF 14A

covered pay shown. The benefits for 10, 15, and 20 or more years of service at 45% and 55% replacement levels would decrease (in the case of 45%) or increase (in the case of 55%) by the following percentages: 3.0%, 4.5%, and 5.0%, respectively.

EXECUTIVE EMPLOYMENT CONTRACTS AND RETIREMENT AGREEMENTS. Upon completion of a transaction resulting in a change-in-control of Entergy (a "Merger"), benefits already accrued under Entergy's System Executive Retirement Plan, Post-Retirement Plan, Supplemental Retirement Plan and Pension Equalization Plan will become fully vested if the participant is involuntarily terminated without "cause" or terminates employment for "good reason" (as such terms are defined in such plans).

EXECUTIVE RETENTION AGREEMENTS

Retention Agreement with Mr. Leonard - The retention agreement with Mr. Leonard provides that upon a termination of employment while a Merger is pending (a) by Entergy without "cause" or by Mr. Leonard for "good reason", as such terms are defined in the agreement, other than a termination of employment described in the next paragraph, or (b) by reason of his death or disability:

- Entergy will pay to him a lump sum cash severance payment equal to three times (in limited circumstances, five times) the sum of Mr. Leonard's base salary and target annual incentive award;
- Entergy will pay to him a pro rata annual incentive award, based on an assumed maximum annual achievement of applicable performance goals;
- his supplemental retirement benefit will fully vest, will be determined as if he had remained employed with Entergy until the attainment of age 55, and will commence upon his attainment of age 55;
- he will be entitled to immediate payment of performance awards, based upon an assumed target achievement (in limited circumstances, maximum annual achievement) of applicable performance goals;
- all of his stock options will become fully vested and will remain outstanding for their full ten-year term; and
- Entergy will pay to him a "gross-up" payment in respect of any excise taxes he might incur.

If Mr. Leonard's employment is terminated by Entergy for "cause" at any time, or by Mr. Leonard without "good reason" and without Entergy's permission prior to his attainment of age 55, Mr. Leonard will forfeit his supplemental retirement benefit. If Mr. Leonard's employment is terminated by Mr. Leonard without "good reason" with Entergy's permission prior to his attainment of age 55, Mr. Leonard will be entitled to a supplemental retirement benefit, reduced by 6.5% for each year that the termination date precedes his attainment of age 55, payable commencing upon Mr. Leonard's attainment of age 62. If Mr. Leonard's employment is terminated by Mr. Leonard without "good reason" following his attainment of age 55, Mr. Leonard will be entitled to his full supplemental retirement benefit.

Additionally, the Board of Directors has approved a grant to Mr. Leonard of 200,000 restricted stock units pursuant to Entergy's Equity Ownership Plan. 50,000 of the restricted stock units (without

Edgar Filing: ENTERGY CORP /DE/ - Form DEF 14A

dividends) will vest on each of December 31, 2001, December 31, 2002, December 31, 2003 and December 31, 2004. In addition, the restricted stock units will vest upon the termination of Mr. Leonard's employment by Entergy without "cause" or by Mr. Leonard for "good reason" (as defined in the retention agreement between Mr. Leonard and Entergy).

Retention Agreement with Mr. Gallaher - The retention agreement with Mr. Gallaher provides that upon termination of employment while a Merger is pending and for two years after completion of a Merger (a) by Mr. Gallaher for "good reason" or by Entergy without "cause", as such terms are defined in the agreement or (b) by reason of Mr. Gallaher's death or disability:

- Entergy will pay to him a lump sum cash severance payment equal to four times the sum of his base salary and maximum annual incentive award;
- Entergy will pay to him a pro rata annual incentive award, based on an assumed maximum achievement of applicable performance goals;
- he will be entitled to immediate payment of performance awards, based upon an assumed maximum achievement of applicable performance goals;
- all of his stock options will become fully vested and will remain outstanding for their full ten-year term;
- he may elect to receive either a lump sum supplemental retirement benefit equal to \$3.8 million or the benefit he would have earned under the terms of the SERP applicable to individuals who became participants on or after March 25, 1998; and
- Entergy will pay to him a "gross-up" payment in respect of any excise taxes he might incur.

Retention agreement with Mr. Hintz - The retention agreement with Mr. Hintz provides that Mr. Hintz will be paid an initial retention payment of approximately \$2.8 million on the date on which a Merger is completed and an additional retention payment of approximately \$2.3 million on the second anniversary of the completion of a Merger if he remains employed on each of those dates. The agreement also provides that upon termination of employment while a Merger is pending and for two years after completion (a) by Mr. Hintz for "good reason" or by Entergy without "cause", as such terms are defined in the agreement or (b) by reason of Mr. Hintz's death or disability:

- Entergy will pay to him a lump sum cash severance payment equal to \$2.8 million if such termination occurs prior to completion of a Merger or equal to \$2.3 million if such termination occurs following completion of a Merger;
- Entergy will pay to him a pro rata annual incentive award, based on an assumed maximum achievement of applicable performance goals, if such termination occurs following completion of a Merger;
- he will be entitled to immediate payment of performance awards based upon an assumed target achievement of applicable performance goals, if such termination occurs prior to completion of a Merger, or based upon an assumed maximum achievement of applicable performance goals, if such termination occurs following completion of a Merger;
- all of his stock options will become fully vested and will remain

Edgar Filing: ENTERGY CORP /DE/ - Form DEF 14A

outstanding for their full ten-year term;

- he will be entitled to receive a supplemental retirement benefit that, when combined with Mr. Hintz's SERP benefit, equals the benefit he would have earned under the terms of the SERP as in effect immediately prior to March 25, 1998; and
- Entergy will pay to him a "gross-up" payment in respect of any excise taxes he might incur.

Retention Agreement with Mr. Jackson - The retention agreement with Mr. Jackson provides that upon termination of employment (a) by him for "good reason" or by Entergy without "cause", as such terms are defined in the agreement, or by reason of his death or disability, in each case while a Merger is pending but prior to completion of a Merger, or (b) for any reason following completion of a Merger:

- Entergy will pay to him a lump sum cash severance payment equal to four times the sum of his base salary and maximum annual incentive award;
- Entergy will pay to him a pro rata annual incentive award, based on an assumed maximum achievement of applicable performance goals;
- Entergy will pay to him a "gross-up" payment in respect of any excise taxes he might incur;
- he will be entitled to immediate payment of performance awards, based upon an assumed maximum achievement of applicable performance goals;
- he may elect to receive either a lump sum supplemental retirement benefit equal to (a) \$4.3 million or (b) the benefit that he would have earned under the terms of the SERP applicable to individuals who became participants on or after March 25, 1998; and
- all of his stock options will become fully vested and will remain outstanding for their full ten-year term.

Retention Agreement with Mr. Wilder - The retention agreement with Mr. Wilder provides that upon termination of employment (a) by Mr. Wilder for "good reason" or by Entergy without "cause", as such terms are defined in the agreement, in each case while a Merger is pending, (b) by reason of Mr. Wilder's death or disability while a Merger is pending and for two years after completion of a Merger, or (c) for any reason following completion of a Merger:

- Entergy will pay to him a lump sum cash severance payment equal to four times (in limited circumstances, three times) the sum of the his base salary and maximum annual incentive award;
- Entergy will pay to him a pro rata annual incentive award, based on an assumed maximum achievement of applicable performance goals;
