Explanation of Responses:

(1) The filing individual engaged in a "Stock for Stock" exercise of 18,067 options. The exercise price, tax withholding and commission price were paid by surrendering 9,199 shares to the Company, which the filing individual purchased on the open market on February 28, 2003 (a total purchase of 9,400 shares was made on February 28, 2003). Following the exercise, the filing individual received 9,199 shares plus his gain (8,868 shares), the value of which 8,868 shares was deferred into phantom Entergy units held in a brokerage account. The deferral is until the earlier of January 3, 2005 or retirement from the Company. The reporting person did not realize profit in connection with purchases and sales as reported in this Form 4 and in the previous Form 4's filed during past six months. Additional information concerning "Stock for Stock" exercises can be found in a Form 8-K filed by the Company on May 1, 2002.
