A Summary of Important Plan Features

Investing in Dominion

As you know, investing in the stock market will always entail risk. There may be risks associated with Dominion stock in particular that may be outlined from time to time in our periodic reports that are filed with the SEC.

Before you invest in Dominion, we encourage you to review the company's latest reports including the most recent Annual Report on Form 10-K. Keep in mind that these reports contain forward-looking statements that are subject to various risks and uncertainties that could cause actual results to differ materially from management's projections, forecasts and estimates. We outline some of these risks and uncertainties periodically in our public filings with the SEC, including those described under "Cautionary Factors That May Affect Future Results" in our most recent Form 10-K, Item 1. (Also see, Where You Can Find More Information).

You should recognize that neither Dominion nor the Administrator can assure a profit or protect against a loss on Dominion common stock purchased under Dominion Direct.

If your share balance fails to meet the minimum five share requirement after 12 months of participation, your account may automatically be terminated at the discretion of the Administrator.

How Shares Are Purchased

- At Dominion's discretion, shares purchased through Dominion Direct will be either newly issued or purchased in the open market. There are no fees to purchase shares. If Dominion is funding the plan with open market purchases rather than newly issued shares, then it will pay any commissions for these purchases. The commissions paid by Dominion will be taxable income to you and reported as dividends on your 1099-DIV form.
- Open market purchases are made by an independent agent selected by the Administrator.
- Shares will be purchased on the 5th and 20th of each month or the next business day. Checks must be received two business days prior to a purchase. *Note: Shareholders who send checks or cash drafts that are returned for insufficient funds will be charged an administrative fee of \$25.*
- Reinvested dividends will be used to purchase shares beginning on the 20th of the month or the next business day on which a dividend is paid.
- Due to regulatory requirements, Dominion Direct may be required to make open market purchases over two or more consecutive business days.

You will not earn interest on any cash investments. You can get a refund on any cash investment up to 48 hours prior to the purchase of any shares by writing to the Administrator.

How Shares Are Priced

The price of shares purchased through Dominion Direct will be either:

- For newly issued shares - the average of the high and low sales prices as reported on the New York Stock Exchange Composite Tape and reported on The Wall Street Journal's website at www.wsj.com, or
- For open market purchases - the average cost of all shares purchased on a particular day or the average cost of all shares purchased over the course of several days if the purchase cannot be completed in one day. *(Note: Due to regulatory requirements, Dominion Direct may be required to make open market purchases over two or more consecutive business days).*

You cannot instruct the Administrator to purchase shares at a specific time or at a specific price under Dominion Direct.

Dividends

Dividends, if declared, are generally paid on the 20th of March, June, September and December.

By completing a dividend authorization you may select one of the following options:

- Full dividend reinvestment
- Partial dividend reinvestment
- Cash dividends

You can receive a check or have your dividends directly deposited to your bank account by completing a direct deposit authorization form.

4

Sales

You can sell some or all of the shares you have accumulated in Dominion Direct or shares you currently hold in certificate form by completing and mailing the withdrawal form that is attached to your statement, along with any certificates. Sign the withdrawal form exactly as the name(s) appear on your account. Shares are generally sold at least once a week at the then current market price. *Sale dates can vary or be suspended for up to two weeks for administrative purposes.*

Proceeds you receive will be less a fee that is expected to be no more than 13 cents per share and covers brokers fees and a portion of our administrative costs of this plan.

When you make a sale request you must specify the number of shares you want sold not the dollar amount you would like to receive. Your written request must be received by the Administrator by the close of business on the business day before a sale date. You may call the Administrator at 1-800-552-4034 for exact sale dates. You may fax your request to sell shares to the Administrator at (804) 771-6768. Please follow-up by calling the Administrator at the 800 number to confirm receipt of your fax.

The Administrator cannot accept instructions to sell on a specific day or at a specific price. If you prefer to have more control over the timing and sales prices, you can request a certificate for your shares and sell them through a broker of your choosing.

When selling shares, please note that a five (5) share minimum must be maintained in order to keep your account open. The Administrator reserves the right to sell, without notification, any and all shares that fall below this five (5) share minimum requirement

Statements

The Administrator will send you a confirmation statement for each transaction. Each statement includes a form that you may use to make additional investments, sell shares, or issue certificates. A Year-to-Date Summary that details the entire year's transactions is mailed at the end of each year.

Stock Certificates

To get a stock certificate for any of the shares held in your plan account, send written instructions to the Administrator. All certificates will be issued in the account holder's name.

Please note: Five shares must remain in your account to keep it open. Otherwise, the Administrator reserves the right to sell, without notification, any and all shares that fall below this five (5) share minimum.

Share Safekeeping

Your stock certificates are valuable and expensive to replace if lost or stolen. Dominion Direct offers you the convenience of depositing your certificates for safekeeping.

To deposit your stock certificates into your Dominion Direct account, send them to the Administrator with a completed and signed letter of transmittal that can be obtained by calling the Administrator.

Do not endorse the certificate(s)

When mailing certificates, we recommend that you use Registered Mail, insured for 2% of the market value of the certificates.

Share Transfers

To transfer some or all of your shares to another name, call the Administrator to request "Transfer Instructions." Signatures must be Medallion Guaranteed by a financial institution. Once your completed transfer instructions are received, your request will be processed promptly by the Administrator. This service is free.

Note: A new Dominion Direct account can only be opened with a transfer of five shares or more.

Changes to Your Account

To make changes to your account, send the Administrator written instructions signed exactly as the name(s) appear on your account.

Please be sure to include your social security number and daytime phone number on all correspondence.

Closing Accounts

To close your Dominion Direct account, give written notice to the Administrator or complete and return the withdrawal form attached to your confirmation statement. If you terminate your account, future dividends on shares you hold will be paid in cash.

Tax Consequences

All dividends paid to you - whether or not they are reinvested - are considered taxable income including any brokerage fees we paid for open market purchases. These fees are not expected to be more than seven cents per share. The total amount will be reported to you, and to the Internal Revenue Service, shortly after the end of each year.

Any sale of shares made through the Administrator will also be reported to the IRS as required by law. Any profit or loss you incur should be reflected when you file your income tax returns.

Dividends on Dominion Direct shares held for non-resident aliens or non-U.S. entities are generally subject to withholding taxes. Any dividend reinvestment will be made net of any withholding taxes.

Cost Basis

Dominion does not calculate your cost basis.

We urge you to consult your own tax advisor for assistance with the calculation. Special tax issues may apply to some participants.

Be sure to keep your statements for income tax purposes.

You may obtain copies of statements for the previous five years for a fee of \$5 per year. You should submit a written request along with your check payable to Dominion Resources Services, Inc. Historical pricing is available at www.dom.com.

Edgar Filing: DOMINION RESOURCES INC /VA/ - Form POS AM

Each share of common stock is entitled to one vote in the election of directors or any matter submitted to shareholders. Common shareholders are not entitled to preemptive or cumulative voting rights.

For any shareholder meeting you will receive a proxy that will cover all the Dominion shares you hold, both in Dominion Direct and in the form of stock certificates. The proxy allows you to indicate how you want your shares to be voted. We will vote your shares as you indicate. If you do not vote your Dominion Direct shares, the Administrator will vote your shares according to the recommendation of Dominion's Board.

Stock Splits and Other Distributions

If Dominion declares a stock split or stock dividend, we will credit your account with the appropriate number of shares on the payment date.

If Dominion decides to distribute shares in book-entry form (rather than certificates), these shares will be added to your Dominion Direct account. The Administrator will serve as custodian of your shares. You will be entitled to all the rights and privileges outlined in this prospectus.

In the event of a stock subscription or other offering of rights to shareholders, your rights will be based on your total registered holdings (the shares held in Dominion Direct plus any certificate shares held by you).

Changes to Dominion Direct

We may add to, modify or terminate Dominion Direct and its administrative procedures at any time. We will send you written notice of any significant changes.

Responsibilities of Dominion and the Administrator

Dominion Shareholder Services will administer Dominion Direct. The Administrator will respond to inquiries from participants, maintain records, send statements of accounts, and perform other duties related to Dominion Direct. In addition, the Administrator will administer the nominee account of Dominion shares held for the benefit of Dominion Direct participants and will appoint an independent agent who will be responsible for purchasing and selling Dominion shares in the open market.

Dominion believes its serving as Administrator to Dominion Direct rather than a registered broker-dealer or federally insured bank poses no material risk to any participating investor.

You should recognize that neither Dominion nor the Administrator can assure a profit or protect against a loss on Dominion common stock purchased under Dominion Direct. The continuation of Dominion Direct by Dominion does not constitute an assurance with respect to either the value of Dominion common stock or whether Dominion will continue to pay dividends on its common stock or at what rate.

In acting under the terms and conditions of Dominion Direct as described in this prospectus, neither Dominion nor any of its agents or subsidiaries shall be liable with respect to the price at which Dominion common stock is purchased for your account or with respect to any fluctuation in the market value before or after the purchase of Dominion common stock.

Governing Law

The laws of the Commonwealth of Virginia govern the terms and conditions of Dominion Direct.

Use of Proceeds

The proceeds from the sale by Dominion of newly issued common shares offered by Dominion Direct will be added to the general corporate funds of Dominion and will be used to meet its working capital requirements and the working capital requirements of its subsidiaries.

Experts

The financial statements and the related financial statement schedules incorporated in this prospectus supplement by reference from the Company's Annual Report on Form 10-K for the year ended December 31, 2000 have been audited by Deloitte & Touche LLP, independent auditors, as stated in their reports, which are incorporated herein by reference (which reports express an unqualified opinion and include an explanatory paragraph referring to a change in the method of accounting used to develop the market-related value of pension plan assets and a change in the method of accounting for oil and gas exploration and production activities to the full cost method of accounting), and have been so incorporated in reliance upon the reports of such firm given upon their authority as experts in accounting and auditing.

Legal Matters

Mr. James F. Stutts, Esq., Vice President and General Counsel of Dominion, has passed upon the legality of the securities being offered pursuant to Dominion Direct

Limitations of Liability and Indemnification Under the Securities Act

Neither Dominion nor the Administrator will be liable for any act, or for any failure to act, as long as they have made good faith efforts to carry out the terms of Dominion Direct as described in this prospectus and on the forms that accompany each investment or activity. The SEC believes that this liability limitation does not cover violations of federal securities laws.

We indemnify our officers and directors to the fullest extent permitted under Virginia law against all liabilities incurred in connection with their service to us. The SEC believes that indemnification of officers and directors for liabilities arising under the Securities Act of 1933 is against public policy and unenforceable.

Item 15. Indemnification of Directors and Officers.

Article VI of Dominion's Articles of Incorporation mandates indemnification of its directors and officers to the full extent permitted by the Virginia Stock Corporation Act (the Virginia Act) and any other applicable law. The Virginia Act permits a corporation to indemnify its directors and officers against liability incurred in all proceedings, including derivative proceedings, arising out of their service to the corporation or to other corporations or enterprises that the officer or director was serving at the request of the corporation, except in the case of willful misconduct or a knowing violation of a criminal law. Dominion Resources is required to indemnify its directors and officers in all such proceedings if they have not violated this standard.

In addition, Article VI of Dominion's Articles of Incorporation limits the liability of its directors and officers to the full extent permitted by the Virginia Act as now and hereafter in effect. The Virginia Act places a limit on the liability of a director or officer in derivative or shareholder proceedings equal to the lesser of (i) the amount specified in the corporation's articles of incorporation or a shareholder-approved bylaw; or (ii) the greater of (a) \$100,000 or (b) twelve months of cash compensation received by the director or officer. The limit does not apply in the event the director or officer has engaged in willful misconduct or a knowing violation of a criminal law or a federal or state securities law. The effect of Dominion's Articles of Incorporation, together with the Virginia Act, is to eliminate liability of directors and officers for monetary damages in derivative or shareholder proceedings so long as the required standard of conduct is met.

Dominion has purchased directors' and officers' liability insurance policies. Within the limits of their coverage, the policies insure (1) the directors and officers of the Company against certain losses resulting from claims against them in their capacities as directors and officers to the extent that such losses are not indemnified by the Company and (2) the Company to the extent that it indemnifies such directors and officers for losses as permitted under the laws of Virginia.

Item 17. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high and of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b), if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the

II-2

Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange

Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

II-3
