ITEM 8.01. Other Events

Bill Ayer, chairman and chief executive officer of Alaska Air Group, has adopted a plan for trading Alaska Air Group shares in accordance with the guidelines specified by Rule 10b5-1 under the Securities and Exchange Act of 1934.

Under the plan, Ayer will sell Alaska Air Group shares according to a prearranged five-month trading schedule beginning in August 2010 when certain conditions are met. The shares will be sold on the open market at prevailing market prices as part of a portfolio diversification plan. Ayer will continue to hold a sizable stake in Alaska Air Group.

Rule 10b5-1 permits corporate officers, directors and others to adopt written, pre-arranged stock trading plans when they are not in possession of material, non-public information. These plans allow insiders to have shares sold for their accounts over a period of time regardless of any material, non-public information they may receive after adopting their plans.

In accordance with 10b5-1 rules, Ayer will have no discretion over sales under his plan.
