Item 5. Other Events and Regulation FD Disclosure.

On July 15, 2004, TETRA Technologies, Inc. ("TETRA") announced that it had completed its previously announced acquisition of Compressco, Inc., of Oklahoma City, Oklahoma, a provider of natural gas and oil well production enhancement strategies and equipment. The acquisition was effected through the merger of TETRA Acquisition Sub, Inc. into Compressco, Inc. ("Compressco") resulting in Compressco becoming a wholly owned subsidiary of TETRA. The cost of the acquisition was approximately \$94 million in cash, including transaction costs. In addition, concurrent with the acquisition, TETRA also repaid approximately \$15.8 million of indebtedness previously incurred by Compressco. The cash portion of the consideration and payoff of the Compressco indebtedness was financed, in part, by borrowings under TETRA's existing credit facility with a bank syndicate led by Bank of America. The press release is filed herewith as Exhibit 99.1 and is incorporated herein by reference.
