Section 2 - Financial Information

Item 2.02. Results of Operations and Financial Condition.

On October 28, 2015, PTC Inc. announced its financial results for its fourth quarter and fiscal year ended September 30, 2015. PTC also posted a copy of its supplemental prepared remarks about the completed periods on the Investor Relations section of its website at [www.ptc.com](http://www.ptc.com). Copies of the press release and the prepared remarks are furnished herewith as Exhibits 99.1 and 99.2, respectively.

Item 2.05. Costs Associated with Exit or Disposal Activities.

On October 23, 2015, PTC committed to a plan to restructure its workforce and consolidate select facilities in order to reduce its cost structure and to realign our investments with our highest growth opportunities. The restructuring is expected to result in a charge of approximately \$40 million to \$50 million, which is primarily attributable to termination benefits, substantially all of which will be recorded in PTC's first fiscal quarter ending January 2, 2016. The restructuring will result in cash expenditures of approximately \$40 million to \$50 million, which we expect will primarily be paid over the first three quarters of fiscal 2016. PTC expects that the annualized effect of the expense reductions, offset by investments in our business, will be approximately \$17 million.
