For the purposes of establishing whether a quorum is present, all shares present and entitled to vote, including abstentions and broker non-votes (i.e., shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or the persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter), shall be counted. Any meeting of shareholders may be postponed prior to the meeting with notice to the shareholders entitled to vote at that meeting. Any meeting of shareholders may, by action of the chairman of the meeting, be adjourned to permit further solicitation of proxies without further notice with respect to one or more matters to be considered at such meeting to a designated time and place, whether or not a quorum is present with respect to such matter. In addition, upon motion of the chairman of the meeting, the question of adjournment may be submitted to a vote of the shareholders, and in that case, any adjournment with respect to one or more matters must be approved by the vote of holders of a majority of the shares present and entitled to vote with respect to the matter or matters adjourned, and without further notice. Unless a proxy is otherwise limited in this regard, any shares present and entitled to vote at a meeting including broker non-votes, may, at the discretion of the proxies named therein, be voted in favor of such an adjournment or adjournments.

The close of business on _____, 2007 has been fixed as the record date (the "Record Date") for the determination of shareholders entitled to notice of and to vote at the Meeting and any adjournments or postponements thereof.

The Fund has one class of shares of beneficial interest, par value \$0.01 per share, known as common shares ("Shares"). On the Record Date, the Fund had ____ Shares outstanding. Shares of the Fund are listed on the New York Stock Exchange under the ticker symbol "FGB."

The vote of a majority of the outstanding voting securities will be required for the approval of the new investment sub-advisory agreement for the

Fund. The "vote of a majority of the outstanding voting securities" is defined in the Investment Company Act of 1940, as amended (together with the rules and regulations thereunder, the "1940 Act"), as the vote of the lesser of (i) 67% or more of the shares of the Fund present at the Meeting if the holders of more than 50% of the outstanding shares of the Fund are present in person or represented by proxy; or (ii) more than 50% of the outstanding shares of the Fund. Abstentions and broker non-votes will have the effect of a vote against the proposal. Shareholders of record on the Record Date are entitled to one vote for each Share the shareholder owns and a proportionate fractional vote for any fraction of a Share the shareholder owns.

In order that your Shares may be represented at the Meeting, you are requested to:

- o indicate your instructions on the proxy card;

PROPOSAL 1: APPROVAL OF A NEW INVESTMENT SUB-ADVISORY AGREEMENT FOR THE FUND

As described below, the Fund's original investment sub-advisory agreement among the Fund, the Adviser and Gallatin (the "Original Sub-Advisory Agreement") automatically terminated on October 1, 2007. In anticipation of the termination of the Original Sub-Advisory Agreement, on September 21, 2007, the Board approved, subject to shareholder approval, a new investment sub-advisory agreement among the Fund, the Adviser and Gallatin (the "New Sub-Advisory Agreement"). In addition, as permitted by the 1940 Act, on September 21, 2007, to avoid a disruption in the provision of sub-advisory services to the Fund, the Board of Trustees of the Fund, including a majority of the Trustees who are not "interested persons" of the Fund as that term is defined in the 1940 Act (such Trustees, the "Independent Trustees"), approved an interim investment sub-advisory agreement among the Fund, the Adviser and Gallatin (the "Interim Sub-Advisory Agreement"), which is currently in effect and will continue to be in effect for 150 days after the closing of the transaction described below or until shareholders approve the New Sub-Advisory Agreement, whichever occurs first (unless terminated sooner in accordance with its terms). The Board recommends that shareholders approve the New Sub-Advisory Agreement.

BACKGROUND AND REASON FOR VOTE

On May 24, 2007, the Fund entered into the Original Sub-Advisory Agreement with the Adviser and Gallatin, which was then a wholly-owned subsidiary of A.G. Edwards, Inc. ("A.G. Edwards"). On May 31, 2007, A.G. Edwards and Wachovia Corporation ("Wachovia Corp.") announced that they had agreed that Wachovia Corp. would acquire A.G. Edwards, and that A.G. Edwards & Sons, Inc. (another wholly-owned subsidiary of A.G. Edwards) would be combined with Wachovia Securities, LLC ("Wachovia Securities"), a subsidiary of Wachovia Corp. (the "Transaction"). As described in the proxy statement-prospectus dated August 28, 2007 which was mailed to shareholders of A.G. Edwards in late August, 2007 (the "Transaction Proxy Statement-Prospectus"), the Transaction was to be effected pursuant to an Agreement and Plan of Merger among Wachovia Corp., White Bird Holdings, Inc. ("White Bird"), a wholly-owned subsidiary of Wachovia Corp. that was formed for purposes of effecting the Transaction, and A.G. Edwards (the "Transaction Agreement"). More specifically, as described in the Transaction Proxy Statement-Prospectus, under the Transaction Agreement, Wachovia Corp. was to acquire A.G. Edwards by merging A.G. Edwards with and into White Bird. Following the Transaction, White Bird would continue to be a subsidiary of Wachovia Corp., and Wachovia Corp. would combine the retail securities businesses of A.G. Edwards & Sons, Inc. with Wachovia Corp's retail securities brokerage businesses under the name "Wachovia Securities."

On September 28, 2007, A.G. Edwards announced that its shareholders had approved the Transaction Agreement. On October 1, 2007, Wachovia Corp. announced that it had completed its acquisition of A.G. Edwards and indicated that the merger integration process was scheduled to be completed in early 2009. Although as of the date of this Proxy Statement the strategic plan for Gallatin in connection with the Transaction is in development, it is anticipated that Gallatin will become an operating unit of Evergreen Investments, the investment management division of Wachovia Corp. In addition, it is anticipated that the key personnel at Gallatin supporting the Fund will remain with the firm. Evergreen Investments, a family of affiliated investment advisers, is a leading asset management firm with over 70 years of experience serving institutional and individual investors through a broad range of investment products. As of June 30, 2007, Evergreen Investments managed [approximately] \$281.5 billion in assets.

-4-

The consummation of the Transaction resulted in a change of control of the Sub-Adviser, which constituted an "assignment" of the Original Sub-Advisory Agreement, as that term is used in the 1940 Act. Pursuant to the terms of the Original Sub-Advisory Agreement and the requirements of the 1940 Act, the Original Sub-Advisory Agreement automatically terminated upon its assignment on October 1, 2007. At a meeting of the Board held on September 21, 2007, the Board, after careful consideration (see "BOARD CONSIDERATIONS" below), determined that following the Transaction, it was in the best interests of the Fund for Gallatin to continue to act as sub-adviser to the Fund. Accordingly, as permitted under the 1940 Act, the Board approved the Interim Sub-Advisory Agreement to ensure the continuation of investment advisory services to the Fund upon the termination of the Original Sub-Advisory Agreement. The Interim Sub-Advisory Agreement has been in effect since October 1, 2007 and, pursuant to Rule 15a-4 under the 1940 Act, will be in effect no longer than through February 28, 2008 (i.e., 150 days after the termination of the Original Sub-Advisory Agreement) (see "THE INTERIM SUB-ADVISORY AGREEMENT" below). In addition, at its meeting on September 21, 2007, the Board approved, subject to shareholder approval, the New Sub-Advisory Agreement among the Fund, the Adviser and Gallatin. To permit Gallatin to continue to serve as the Fund's sub-adviser

after the expiration of the Interim Sub-Advisory Agreement, shareholders of the Fund are being asked to approve the New Sub-Advisory Agreement. The terms of the New Sub-Advisory Agreement are substantially identical to the terms of the Original Sub-Advisory Agreement except for the effective date and the initial term (as described below under "COMPARISON OF THE NEW SUB-ADVISORY AGREEMENT AND ORIGINAL SUB-ADVISORY AGREEMENT -- Continuance").

THE SUB-ADVISER, A.G. EDWARDS, INC. AND WACHOVIA CORP.

General and Organizational Information

Gallatin, a Delaware corporation and registered investment adviser, was organized in 2005. It provides asset management services to high net worth individuals and institutional investors. As of August 31, 2007, Gallatin had approximately \$10.2 billion of assets under management. Of these, approximately \$_____ billion were managed in equity and investment grade fixed income portfolios. Gallatin also manages approximately \$_____ billion in portfolios of selected exchange-traded funds ("ETFs") that are guided by proprietary asset allocation models. These models are driven by the firm's analysis of cyclical changes within the economy and financial markets combined with quantitative modeling.

The names, addresses and principal occupations of the persons who are currently directors and/or principal executive officers of Gallatin are set forth below :

As described above, prior to the consummation of the Transaction, Gallatin was a wholly-owned subsidiary of A.G. Edwards. As a result of the Transaction, the separate corporate existence of A.G. Edwards terminated by merger into a wholly-owned subsidiary of Wachovia Corp. which was renamed A.G. Edwards, Inc. ("New A.G. Edwards"). Gallatin is now a wholly-owned subsidiary of New A.G. Edwards. The address of New A.G. Edwards and Wachovia Corp. is One Wachovia Center, Charlotte, North Carolina 28288. Wachovia Corp. is one of the nation's largest diversified financial services companies, with assets of \$719.9 billion and market capitalization of \$97.5 billion at June 30, 2007. Wachovia Corp. provides a broad range of retail banking and brokerage, asset and wealth management, and corporate and investment banking products and services. Wachovia Corp. has 3,400 retail financial centers in 21 states and nationwide retail brokerage, mortgage lending and auto finance businesses. Globally, clients are

served in selected corporate and institutional sectors and through more than 40 international offices. Wachovia Corp.'s retail brokerage operations manage more than \$1 trillion in client assets.

[There are currently no officers or trustees of the Fund who are also officers, employees or directors of, or owners of an interest in, Gallatin or its parents or subsidiaries. No officers or trustees of the Fund have had any material interest, direct or indirect, in any material transactions since the inception of the Fund, or in any material proposed transactions, to which Gallatin or any of its parents or subsidiaries were or are to be a party. Since the inception of the Fund, no officer or trustee of the Fund has purchased or sold any interest in Gallatin or in any of its parents or subsidiaries.]

Portfolio Manager Information

Since the Fund's inception in May 2007, the portfolio managers identified below have been responsible for the day-to-day management of the Fund's portfolio. It is expected that they will continue to act as the Fund's portfolio managers if shareholders approve the New Sub-Advisory Agreement.

Mark A. Keller. Mark Keller serves as Vice President and Chief Investment Officer of Gallatin. Beginning in 1994, Mr. Keller led the Asset Management program for A.G. Edwards and its affiliates and continues in this capacity now as part of Gallatin. Prior to 1994, he served for 15 years in A.G. Edwards' Securities Research Department ("Securities Research") as an analyst covering a variety of industries. During his last five years in Securities Research, Mr. Keller served as equity strategist and manager of the firm's Focus List.

David B. Miyazaki. David Miyazaki, a Vice President of Gallatin, serves as a portfolio manager for Gallatin where he manages equity portfolios with a value discipline. Prior to joining A.G. Edwards in 1999, Mr. Miyazaki managed a short-term interest rate arbitrage portfolio while at Koch Industries from 1996 to 1999. He worked as an analyst for Prudential Capital's private placement group from 1993 to 1996 and traded mortgage-backed securities for a boutique firm in Dallas, Texas, from 1991 to 1993.

Daniel T. Winter. Daniel Winter, a Vice President of Gallatin, serves as a portfolio manager for Gallatin where he manages equity portfolios with a value discipline. He previously served A.G. Edwards and its affiliates in an equity portfolio manager capacity beginning in 1992, first for A.G. Edwards Trust Co., then with A.G. Edwards Asset Management Department (the "Asset Management Department"), and continues in this capacity now as part of Gallatin. During his tenure with A.G. Edwards Trust Co., Mr. Winter specialized in the management of a variety of portfolios, including charitable remainder trusts,

-6-

foundations, endowments, employee benefits, and rabbi and personal trusts; in 1996 he formally joined the Asset Management Department. He also directs the daily trading for the equity portfolios.

[To come if applicable]

THE ORIGINAL SUB-ADVISORY AGREEMENT

The Original Sub-Advisory Agreement dated May 24, 2007, was originally approved by the Board of Trustees, including a majority of the Independent Trustees, on April 16, 2007 and by the initial shareholder of the Fund on May 17, 2007. The Original Sub-Advisory Agreement provided for its automatic termination in the event of an "assignment," as defined in the 1940 Act. A change in ownership and control of the Sub-Adviser therefore terminated the Original Sub-Advisory Agreement on October 1, 2007.

THE INTERIM SUB-ADVISORY AGREEMENT

The terms of the Interim Sub-Advisory Agreement are substantially similar to those of the Original Sub-Advisory Agreement and the New Sub-Advisory Agreement except with respect to effective date, termination and compensation.

The Interim Sub-Advisory Agreement is currently in effect and will continue to be in effect through February 28, 2008 (i.e., 150 days after the closing of the Transaction) or until shareholders of the Fund approve the New Sub-Advisory Agreement, whichever occurs first (unless terminated sooner in accordance with its terms). If shareholders of the Fund do not approve the New Sub-Advisory Agreement by February 28, 2008, the Interim Sub-Advisory Agreement will remain in effect until that date, and the Board will take such action as it deems to be in the best interests of the Fund, which might include seeking approval of a new sub-advisory agreement or taking any other steps deemed appropriate by the Board. In addition, the Interim Sub-Advisory Agreement may be terminated by the Fund by action of the Board or by a vote of the outstanding voting securities of the Fund upon 10 calendar days' written notice.

The rate of compensation paid to Gallatin is the same under the Original Sub-Advisory Agreement, the Interim Sub-Advisory Agreement and the New Sub-Advisory Agreement. However, the compensation accrued under the Interim Sub-Advisory Agreement is to be held in an interest-bearing escrow account with the Fund's custodian or another bank mutually agreeable to the Adviser, the Fund and Gallatin. If the New Sub-Advisory Agreement is approved by shareholders by February 28, 2008, the amount in the escrow account (including the interest earned) will be paid to Gallatin. However, if shareholders do not approve the New Sub-Advisory Agreement by such date, Gallatin will be paid, out of the escrow account, the lesser of (i) any costs incurred by Gallatin in performing services under the Interim Sub-Advisory Agreement (plus interest earned on that amount while in escrow); or (ii) the total amount in the escrow account (plus interest earned).

COMPARISON OF THE NEW SUB-ADVISORY AGREEMENT AND ORIGINAL SUB-ADVISORY AGREEMENT

The terms of the Fund's New Sub-Advisory Agreement, including fees payable to the Sub-Adviser by the Adviser thereunder, are substantially identical to those of the Fund's Original Sub-Advisory Agreement, except for the effective date and the differences noted below under "Continuance."

Below is a brief comparison of certain terms of the Original Sub-Advisory Agreement to the corresponding terms of the New Sub-Advisory Agreement. For a more complete understanding of the New Sub-Advisory Agreement, please refer to the form of the New Sub-Advisory Agreement provided in Appendix A hereto.

Advisory Services. The advisory services to be provided by the Sub-Adviser to the Fund under the New Sub-Advisory Agreement will be identical to those advisory services provided by the Sub-Adviser to the Fund under the Original Sub-Advisory Agreement. Both the Original Sub-Advisory Agreement and the New Sub-Advisory Agreement provide that the Sub-Adviser will furnish an investment program in respect of, make investment decisions for, and place all orders for the purchase and sale of securities for the Fund's investment portfolio, all on behalf of the Fund and subject to the supervision of the Fund's Board and the Adviser. As was the case under the Original Sub-Advisory Agreement, under the New Sub-Advisory Agreement, the Sub-Adviser is required to monitor the Fund's investments and to comply with the provisions of the Fund's Declaration of Trust and By-Laws and the stated investment objectives, policies and restrictions of the Fund. It is not anticipated that the Transaction will have any adverse effect on the performance of the Sub-Adviser's obligations under the New Sub-Advisory Agreement, but the Fund will be subject to substantial restrictions with respect to its ability to engage in agency and principal transactions with Wachovia Corp. and its affiliates.

Brokerage. As was the case under the Original Sub-Advisory Agreement, the New Sub-Advisory Agreement authorizes the Sub-Adviser to select the brokers or dealers that will execute the purchases and sales of portfolio investments for the Fund, and directs the Sub-Adviser to use its commercially reasonable efforts to obtain best execution, which includes most favorable net results and execution of the Fund's orders, taking into account all appropriate factors, including price, dealer spread or commission, size and difficulty of the transaction and research or other services provided.

Fees. As was the case under the Original Sub-Advisory Agreement, under the New Sub-Advisory Agreement, the Adviser pays the Sub-Adviser a portfolio management fee on a monthly basis. Both the Original Sub-Advisory Agreement and the New Sub-Advisory Agreement provide that for services provided and expenses assumed, the Adviser will pay the Sub-Adviser a fee equal to the annual rate of 0.50% of the Fund's "Managed Assets." The term "Managed Assets" means the average daily gross asset value of the Fund (including assets attributable to the Fund's preferred shares, if any, and the principal amount of borrowings, if any), minus the sum of the Fund's accrued and unpaid dividends on any outstanding preferred shares and accrued liabilities (other than the principal amount of any borrowings incurred, commercial paper or notes issued by the Fund). For purposes of determining Managed Assets, the liquidation preference of any outstanding preferred shares of the Fund is not treated as a liability. In addition, under both the Original Sub-Advisory Agreement and the New Sub-Advisory Agreement, the Sub-Adviser agrees to pay one-half of certain organizational costs and offering costs.

The first fiscal year of the Fund ended on November 30, 2007. As of September 30, 2007, the aggregate fees paid to Gallatin under the Original Sub-Advisory Agreement were \$424,765.

-8-

Payment of Expenses. As was the case under the Original Sub-Advisory Agreement, under the New Sub-Advisory Agreement, the Sub-Adviser agrees to pay all expenses it incurs in connection with its activities under such Agreement other than the cost of securities and other assets (including brokerage commissions, if any) purchased for the Fund.

Limitation on Liability. As was the case under the Original

Sub-Advisory Agreement, the New Sub-Advisory Agreement provides that the Sub-Adviser will not be liable for, and the Fund and the Adviser will not take any action against the Sub-Adviser to hold the Sub-Adviser liable for, any error of judgment or mistake of law or for any loss suffered by the Fund or the Adviser in connection with the performance of the Sub-Adviser's duties under the Agreement, except for a loss resulting from willful misfeasance, bad faith or gross negligence on the part of the Sub-Adviser in the performance of its duties under such Agreement, or by reason of its reckless disregard of its obligations and duties under such Agreement.

Continuance. The Original Sub-Advisory Agreement was originally in effect for an initial term of two years and could be continued thereafter for successive one-year periods if such continuance was specifically approved at least annually in the manner required by the 1940 Act. If the shareholders of the Fund approve the New Sub-Advisory Agreement, the New Sub-Advisory Agreement will expire on June 30, 2009, unless continued. Thereafter, the New Sub-Advisory Agreement may be continued for successive one-year periods if such continuance is specifically approved at least annually in the manner required by the 1940 Act.

Termination. As was the case under the Original Sub-Advisory Agreement, the New Sub-Advisory Agreement provides for termination at any time without the payment of any penalty by the Adviser or the Sub-Adviser upon 60 days' written notice to the other parties, and also provides for termination by the Fund by action of the Board or by a vote of a majority of the outstanding voting securities of the Fund upon 60 days' written notice to the Sub-Adviser without the payment of any penalty.

In addition, the Original Sub-Advisory Agreement was, and the New Sub-Advisory Agreement is, terminable at any time without the payment of any penalty by the Adviser, by the Board or by vote of a majority of the outstanding voting securities of the Fund in the event that it is established by a court of competent jurisdiction that the Sub-Adviser or any of its officers or directors has taken any action that results in a breach of the material covenants of the Sub-Adviser set forth in the Agreement.

BOARD CONSIDERATIONS

The Board, including a majority of the Independent Trustees, approved the Interim Sub-Advisory Agreement and the New Sub-Advisory Agreement (collectively, the "Agreements") at a meeting held on September 21, 2007. The Board determined that the terms of the Agreements are fair and reasonable and in the best interests of the Fund. Based on information provided by First Trust Advisors and Gallatin, the Board concluded that it believes that the scope and quality of services to be provided to the Fund under the Agreements will be at least equivalent to the scope and quality of services provided under the Original Sub-Advisory Agreement.

In late May 2007, shortly after the launch of the Fund, the Board was informed that A.G. Edwards, Inc., the parent company of Gallatin, had entered into the Transaction Agreement with Wachovia Corp. and that, if the Transaction was consummated, the Original Sub-Advisory Agreement would terminate pursuant to

its terms and the requirements of the 1940 Act. On June 13, 2007, counsel to the Independent Trustees forwarded to Gallatin a request for information regarding the Transaction. In late August 2007, the Board was informed that the Transaction was expected to close on October 1, 2007. In light of the expected consummation of the Transaction, the Board held a special meeting on September 21, 2007, to consider the information provided by Gallatin in response to the Independent Trustees' request for information and to consider the approval of the Agreements. As part of its considerations, the Board reviewed information regarding: the structure of the Transaction, the organizational structure of Wachovia Corp., the strategic plan for Gallatin following the Transaction, benefits to Wachovia Corp. from the Transaction, conflicts of interests arising in connection with the Transaction and regulatory issues relating to Wachovia Corp. and its affiliates. The Board also met on several occasions, prior to September 21, 2007, with representatives of First Trust Advisors to discuss the Transaction. Throughout the entire process, the Independent Trustees were advised by their independent legal counsel.

To reach its determination, the Board considered its duties under the 1940 Act, as well as under the general principles of state law in reviewing and approving advisory contracts; the requirements of the 1940 Act in such matters; the fiduciary duty of investment advisers with respect to advisory agreements and compensation; the standards used by courts in determining whether investment company boards have fulfilled their duties; and the factors to be considered by the Board in voting on such agreements. In connection with its deliberations regarding the Agreements, the Board noted First Trust Advisors' representation that apart from their effective and termination dates and any provisions of the Interim Sub-Advisory Agreement required by Rule 15a-4 under the 1940 Act, the Agreements were the same in all material respects as the Original Sub-Advisory Agreement. The Board considered that it had recently considered Gallatin's capabilities and the terms of the Original Sub-Advisory Agreement at a meeting held on April 16, 2007. Because the Board determined that any differences between the Original Sub-Advisory Agreement and the Agreements were immaterial, the Board determined that much of its previous analysis in approving the Original Sub-Advisory Agreement applied to its review and consideration of the Agreements. Accordingly, the Board took note of such prior analysis and supplemented it with the additional considerations noted below.

In reviewing the Agreements, the Board considered the nature, quality and extent of services to be provided by Gallatin under the Agreements. The Board noted the background and experience of Gallatin's portfolio managers and Gallatin's investment style. The Board considered that the Fund's portfolio managers were expected to remain the same following the Transaction and that no changes to the services provided by Gallatin to the Fund were expected as a result of the Transaction. Due to the limited operating history of the Fund and the volatility of the markets since the Fund's launch, the Board did not give extensive consideration to the investment performance of the Fund. In light of the information presented and the considerations made, the Board concluded that the nature, quality and extent of services to be provided to the Fund by Gallatin under the Agreements are expected to be satisfactory.

The Board considered the sub-advisory fees to be paid under the Agreements, noting that they would be the same as the fees paid under the Original Sub-Advisory Agreement. The Board also considered how the sub-advisory fee relates to the overall management fee structure of the Fund, noting that the sub-advisory fee is paid by the Adviser from its advisory fee. The Board reviewed its prior consideration of the fees that Gallatin charges to other clients for a similar investment strategy, noting that such fees are higher than the Fund's sub-advisory fee. The Board concluded that the sub-advisory fees were

reasonable and appropriate in light of the nature, quality and extent of services expected to be provided by Gallatin under the Agreements.

The Board considered that Gallatin was unable to estimate the profitability of the Agreements to Gallatin, but the Board noted that the sub-advisory fee rate was negotiated at arm's length between the Adviser and Gallatin, and that Gallatin would be paid by the Adviser. The Board noted its previous determination that the overall management fee structure reflects an appropriate level of sharing of any economies of scale. The Board also considered the fall-out benefits expected to be realized by Gallatin and Wachovia Corp. from Gallatin's relationship with the Fund. The Board considered that Wachovia Corp. would benefit to the extent that the Fund executes portfolio securities transactions with affiliates of Wachovia Corp., but that the Fund will be subject to substantial restrictions with respect to its ability to engage in investment transactions with Wachovia Corp. or its affiliates. The Board noted that Gallatin does not utilize soft dollars in connection with its management of the Fund's portfolio. The Board considered that the Fund would not bear any costs associated with soliciting shareholder approval of the New Sub-Advisory Agreement and that such costs would be borne by Wachovia Corp. or its affiliates.

Based on all of the information considered and the conclusions reached, the Board, including a majority of the Independent Trustees, determined that the terms of the Agreements are fair and reasonable and that the approval of the Agreements is in the best interests of the Fund. No single factor was determinative in the Board's analysis.

SHAREHOLDER APPROVAL AND REQUIRED VOTE

To become effective, the New Sub-Advisory Agreement must be approved by a vote of a majority of the outstanding voting securities of the Fund. The "vote of a majority of the outstanding voting securities" is defined in the 1940 Act as the vote of the lesser of (i) 67% or more of the Shares of the Fund present at the Meeting if the holders of more than 50% of the outstanding Shares of the Fund are present in person or represented by proxy; or (ii) more than 50% of the outstanding Shares of the Fund. For purposes of determining the approval of the New Sub-Advisory Agreement, abstentions and broker non-votes will have the effect of a vote against the proposal.

THE BOARD OF TRUSTEES OF THE FUND RECOMMENDS THAT SHAREHOLDERS VOTE FOR PROPOSAL 1. APPENDIX A

FORM OF NEW INVESTMENT SUB-ADVISORY AGREEMENT

AGREEMENT made as of this ____ day of _____, 2008 by and among First Trust/Gallatin Specialty Finance and Financial Opportunities Fund, a Massachusetts business trust (the "Fund"), First Trust Advisors L.P., an Illinois limited partnership (the "Manager") and a registered investment adviser with the Securities and Exchange Commission ("SEC"), and Gallatin Asset Management, Inc., a Delaware Corporation and a registered investment adviser with the SEC (the "Sub-Adviser").

WHEREAS, the Fund is a closed-end management investment company registered under the Investment Company Act of 1940, as amended (the "1940 Act");

WHEREAS, the Fund has retained the Manager to serve as the investment manager for the Fund pursuant to an Investment Management Agreement between the Manager and the Fund (as such agreement may be modified from time to time, the "Management Agreement");

WHEREAS, the Management Agreement provides that the Manager may, subject to the initial and periodic approvals required under Section 15 of the 1940 Act, appoint a sub-adviser at its own cost and expense for the purpose of furnishing certain services required under the Management Agreement;

WHEREAS, the Fund and the Manager desire to retain the Sub-Adviser to furnish investment advisory services for the Fund's investment portfolio, upon the terms and conditions hereafter set forth;

NOW, THEREFORE, in consideration of the mutual covenants herein contained, the parties hereto agree as follows:

1. Appointment. The Fund and the Manager hereby appoint the Sub-Adviser

to provide certain sub-investment advisory services to the Fund for the period and on the terms set forth in this Agreement. The Sub-Adviser accepts such appointment and agrees to furnish the services herein set forth for the compensation herein provided. The Sub-Adviser shall, for all purposes herein provided, be deemed an independent contractor and, unless otherwise expressly provided or authorized, shall have no authority to act for nor represent the Fund or the Manager in any way, nor otherwise be deemed an agent of the Fund or the Manager.

2. Services to Be Performed. Subject always to the supervision of the Fund's Board of Trustees and the Manager, the Sub-Adviser will act as sub-adviser for, and manage on a discretionary basis the investment and reinvestment of the assets of the Fund, furnish an investment program in respect of, make investment decisions for, and place all orders for the purchase and sale of securities for the Fund's investment portfolio, all on behalf of the Fund and as described in the Fund's initial registration statement on Form N-2 (File No. 333-141457) as declared effective by the SEC, and as the same may thereafter be amended from time to time. In the performance of its duties, the Sub-Adviser will in all material respects (a) satisfy any applicable fiduciary duties it may have to the Fund, (b) monitor the Fund's investments, and (c) comply with the provisions of the Fund's Declaration of Trust and By-laws, as amended from time to time and communicated by the Fund or the Manager to the Sub-Adviser in writing, and the stated investment objectives, policies and restrictions of the Fund as such objectives, policies and restrictions may subsequently be changed by the Fund's Board of Trustees and communicated by the Fund or the Manager to the Sub-Adviser in writing. The Fund or the Manager has

A-1

provided the Sub-Adviser with current copies of the Fund's Declaration of Trust, By-laws, prospectus, statement of additional information and any amendments thereto, and any objectives, policies or limitations not appearing therein as they may be relevant to the Sub-Adviser's performance under this Agreement.

The Sub-Adviser is authorized to select the brokers or dealers that will execute the purchases and sales of portfolio investments for the Fund, and is directed to use its commercially reasonable efforts to obtain best execution, which includes most favorable net results and execution of the Fund's orders, taking into account all appropriate factors, including price, dealer spread or commission, size and difficulty of the transaction and research or other services provided. Subject to approval by the Fund's Board of Trustees and compliance with the policies and procedures adopted by the Board of Trustees for the Fund and to the extent permitted by and in conformance with applicable law (including Rule 17e-1 of the 1940 Act), the Sub-Adviser may select brokers or dealers affiliated with the Sub-Adviser. It is understood that the Sub-Adviser will not be deemed to have acted unlawfully, or to have breached a fiduciary duty to the Fund, or be in breach of any obligation owing to the Fund under this Agreement, or otherwise, solely by reason of its having caused the Fund to pay a member of a securities exchange, a broker or a dealer a commission for effecting a securities transaction for the Fund in excess of the amount of commission another member of an exchange, broker or dealer would have charged if the Sub-Adviser determined in good faith that the commission paid was reasonable in relation to the brokerage or research services provided by such member, broker or dealer, viewed in terms of that particular transaction or the Sub-Adviser's overall responsibilities with respect to its accounts, including the Fund, as to which it exercises investment discretion.

In addition, the Sub-Adviser may, to the extent permitted by applicable law, aggregate purchase and sale orders of securities placed with respect to the assets of the Fund with similar orders being made simultaneously for other accounts managed by the Sub-Adviser or its affiliates, if in the Sub-Adviser's reasonable judgment such aggregation shall result in an overall economic benefit to the Fund, taking into consideration the selling or purchase price, brokerage commissions and other expenses. In the event that a purchase or sale of an asset of the Fund occurs as part of any aggregate sale or purchase orders, the objective of the Sub-Adviser and any of its affiliates involved in such transaction shall be to allocate the securities so purchased or sold, as well as expenses incurred in the transaction, among the Fund and other accounts in a fair and equitable manner. Nevertheless, the Fund and the Manager acknowledge that under some circumstances, such allocation may adversely affect the Fund with respect to the price or size of the securities positions obtainable or salable, and neither the Fund nor the Manager shall object to any such fair and equitable allocation. Whenever the Fund and one or more other investment advisory clients of the Sub-Adviser have available funds for investment, investments suitable and appropriate for each will be allocated in a manner believed by the Sub-Adviser to be equitable to each, although such allocation may result in a delay in one or more client accounts being fully invested that would not occur if such an allocation were not made. Moreover, it is possible that due to differing investment objectives or for other reasons, the Sub-Adviser and its affiliates may purchase securities of an issuer for one client and at approximately the same time recommend selling or sell the same or similar types of securities for another client.

The Sub-Adviser will not arrange purchases or sales of securities between the Fund and other accounts advised by the Sub-Adviser or its affiliates unless (a) such purchases or sales are in accordance with applicable law (including Rule 17a-7 of the 1940 Act) and the Fund's policies and procedures, (b) the Sub-Adviser reasonably believes the purchase or sale is in the best interests of the Fund, and (c) the Fund's Board of Trustees has approved these types of transactions.

A-2

The Fund may adopt policies and procedures that modify or restrict the Sub-Adviser's authority regarding the execution of the Fund's portfolio transactions provided herein. However, no such policy or procedure shall be binding on the Sub-Adviser unless it is communicated to the Sub-Adviser in writing.

The Sub-Adviser will communicate to the officers and Trustees of the Fund such information relating to transactions for the Fund as they may reasonably request. In no instance will the Fund's portfolio securities be knowingly purchased from or sold to the Manager, the Sub-Adviser or any affiliated person of either the Fund, the Manager, or the Sub-Adviser, except as may be permitted under the 1940 Act.

The Sub-Adviser further agrees that it:

(a) will use the same degree of skill and care in providing such services as it uses in providing services to other accounts for which it has investment responsibilities under the Investment Advisers Act of 1940;

(b) will (i) conform in all material respects to all

applicable rules and regulations of the SEC, (ii) comply in all material respects with all policies and procedures adopted by the Board of Trustees for the Fund and communicated to the Sub-Adviser in writing and (iii) conduct its activities under this Agreement in all material respects in accordance with any applicable law and regulations of any governmental authority pertaining to its investment advisory activities;

(c) will report to the Manager and to the Board of Trustees of the Fund on a quarterly basis and will make appropriate persons available for the purpose of reviewing with representatives of the Manager and the Board of Trustees on a regular basis at such times as the Manager or the Board of Trustees may reasonably request in writing regarding the management of the Fund, including, without limitation, review of the general investment strategies of the Fund, the performance of the Fund's investment portfolio in relation to relevant standard industry indices and general conditions affecting the marketplace and will provide various other reports from time to time as reasonably requested by the Manager or the Board of Trustees of the Fund; and

(d) will prepare and maintain such books and records with respect to the Fund's securities and other transactions for the Fund's investment portfolio as required for registered investment advisers under applicable law or as otherwise reasonably agreed to by the parties and will prepare and furnish the Manager and the Fund's Board of Trustees such periodic and special reports as the Board or the Manager may reasonably request. The Sub-Adviser further agrees that all records that it maintains for the Fund are the property of the Fund and the Sub-Adviser will surrender promptly to the Fund any such records upon the request of the Manager or the Fund (provided, however, that the Sub-Adviser shall be permitted to retain copies thereof); and shall be permitted to retain originals (with copies to the Fund) to the extent required under Rule 204-2 of the Investment Advisers Act of 1940 or other applicable law.

3. Expenses. During the term of this Agreement, the Sub-Adviser will pay all expenses incurred by it in connection with its activities under this Agreement other than the cost of securities and other assets (including brokerage commissions, if any) purchased for the Fund.

A-3

4. Additional Sub-Advisers. Subject to obtaining the initial and periodic approvals required under Section 15 of the 1940 Act and the approval of the Manager, the Sub-Adviser may retain one or more additional sub-advisers at the Sub-Adviser's own cost and expense for the purpose of furnishing one or more of the services described in Section 2 hereof with respect to the Fund. Retention of a sub-adviser hereunder shall in no way reduce the responsibilities or obligations of the Sub-Adviser under this Agreement and the Sub-Adviser shall be responsible to the Fund for all acts or omissions of any sub-adviser in connection with the performance of the Sub-Adviser's duties hereunder.

5. Compensation. For the services provided and the expenses assumed pursuant to this Agreement, the Manager will pay the Sub-Adviser, and the Sub-Adviser agrees to accept as full compensation therefor, a portfolio management fee (the "Management Fee") equal to the annual rate of 0.50% of the

Fund's Managed Assets (as defined below), subject to paragraph 6 below. For purposes of calculating the Management Fee, Managed Assets means the average daily gross asset value of the Fund (including assets attributable to the Fund's Preferred Shares (as such term is defined in the Fund's prospectus), if any, and the principal amount of borrowings, if any), minus the sum of the Fund's accrued and unpaid dividends on any outstanding Preferred Shares and accrued liabilities (other than the principal amount of any borrowings incurred, commercial paper or notes issued by the Fund). For purposes of determining Managed Assets, the liquidation preference of any outstanding Preferred Shares of the Fund is not treated as a liability. The Management Fee shall be payable in arrears on or about the first day of each month during the term of this Agreement.

For the month and year in which this Agreement becomes effective or terminates, there shall be an appropriate proration on the basis of the number of days that the Agreement is in effect during the month and year, respectively.

6. Expense Reimbursement. The Sub-Adviser agrees to pay the Manager one-half of (i) all organizational costs and (ii) all offering costs of the Fund (other than sales load, but including the reimbursement of underwriting expenses as described in the Fund's prospectus) that exceed \$0.04 per Common Share (as such term is defined in the Fund's prospectus). The term "organizational costs" and "offering costs" shall have the meanings ascribed to them in Sections 8.18-8.25 of the AICPA Audit and Accounting Guide, Audits for Investment Companies, with Conforming Changes as of May 1, 2002.

7. Services to Others. The Fund and the Manager acknowledge that the Sub-Adviser now acts, or may in the future act, as an investment adviser to other managed accounts and as investment adviser or sub-investment adviser to one or more other investment companies. In addition, the Fund and the Manager acknowledge that the persons employed by the Sub-Adviser to assist in the Sub-Adviser's duties under this Agreement will not devote their full time to such efforts. It is also agreed that the Sub-Adviser may use any supplemental research obtained for the benefit of the Fund in providing investment advice to its other investment advisory accounts and for managing its own accounts.

8. Limitation of Liability. The Sub-Adviser shall not be liable for, and the Fund and the Manager will not take any action against the Sub-Adviser to hold the Sub-Adviser liable for, any error of judgment or mistake of law or for any loss suffered by the Fund or the Manager (including, without limitation, by reason of the purchase, sale or retention of any security) in connection with the performance of the Sub-Adviser's duties under this Agreement, except for a loss resulting from willful misfeasance, bad faith or gross negligence on the part of the Sub-Adviser in the performance of its duties under this Agreement, or by reason of its reckless disregard of its obligations and duties under this Agreement.

A-4

9. Term; Termination; Amendment. This Agreement shall become effective on _____, 2008 (the "Effective Date") provided that it has been approved in the manner required by the 1940 Act, and shall remain in full force until June 30, 2009 unless sooner terminated as hereinafter provided. This Agreement shall continue in force from year to year thereafter, but only as long as such continuance is specifically approved for the Fund at least annually in the manner required by the 1940 Act and the rules and regulations thereunder; provided, however, that if the continuation of this Agreement is not approved for the Fund, the Sub-Adviser may continue to serve in such capacity for the

Fund in the manner and to the extent permitted by the 1940 Act and the rules and regulations thereunder.

This Agreement shall automatically terminate in the event of its assignment and may be terminated at any time without the payment of any penalty by the Manager or the Sub-Adviser upon sixty (60) days' written notice to the other parties. This Agreement may also be terminated by the Fund by action of the Board of Trustees of the Fund or by a vote of a majority of the outstanding voting securities of the Fund upon sixty (60) days' written notice to the Sub-Adviser by the Fund without payment of any penalty.

This Agreement may be terminated at any time without the payment of any penalty by the Manager, the Board of Trustees of the Fund or by vote of a majority of the outstanding voting securities of the Fund in the event that it shall have been established by a court of competent jurisdiction that the Sub-Adviser or any officer or director of the Sub-Adviser has taken any action that results in a breach of the material covenants of the Sub-Adviser set forth herein.

The terms "assignment" and "vote of a majority of the outstanding voting securities" shall have the meanings set forth in the 1940 Act and the rules and regulations thereunder.

Termination of this Agreement shall not affect the right of the Sub-Adviser to receive payments on any unpaid balance of the compensation described in Section 5 earned prior to such termination and for any additional period during which the Sub-Adviser serves as such for the Fund, subject to applicable law.

10. Compliance Certification. From time to time the Sub-Adviser shall provide such certifications with respect to Rule 38a-1 under the 1940 Act, as are reasonably requested by the Fund or the Manager. In addition, the Sub-Adviser will, from time to time, provide a written assessment of its compliance program in conformity with current industry standards that is reasonably acceptable to the Fund to enable the Fund to fulfill its obligations under Rule 38a-1 under the 1940 Act.

11. Notice. Any notice under this Agreement shall be sufficient in all respects if given in writing and delivered by commercial courier providing proof of delivery and addressed as follows or addressed to such other person or address as such party may designate for receipt of such notice.
