## MANAGEMENT INFORMATION CIRCULAR

### SOLICITATION OF PROXIES BY MANAGEMENT

**This Management Information Circular (the Circular ) is furnished in connection with the solicitation by the management of Intertape Polymer Group Inc. (the Corporation ) of proxies to be used at the Special Meeting of shareholders (the Meeting ) of the Corporation to be held at the time and place and for the purposes set forth in the Notice of Meeting and all adjournments thereof.** Except as otherwise stated, the information contained herein is given as of August 1, 2007. The solicitation will be made primarily by mail. However, officers and employees of the Corporation may also solicit proxies by telephone, telecopier, email or in person. The total cost of solicitation of proxies will be borne by the Corporation.

### APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the enclosed form of proxy are directors and officers of the Corporation. **Each shareholder is entitled to appoint a person, who need not be a shareholder, to represent him or her at the Meeting other than those whose names are printed on the accompanying form of proxy by inserting such other person's name in the blank space provided in the form of proxy and signing the form of proxy or by completing and signing another proper form of proxy.** To be valid, the duly completed form of proxy must be deposited at the offices of CIBC Mellon Trust Company, Banking Hall, 320 Bay Street, Toronto, Ontario M5H 4A6 before the commencement of the Meeting or at any adjournment thereof, or with the Chairman of such Meeting before the commencement of the Meeting or any adjournment thereof. The instrument appointing a proxy-holder must be executed by the shareholder or by his attorney authorized in writing or, if the shareholder is a corporate body, by its authorized officer or officers.

A shareholder who has given a proxy may revoke it, as to any motion on which a vote has not already been cast pursuant to the authority conferred by it, by an instrument in writing executed by the shareholder or by the shareholder's attorney authorized in writing or, if the shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized. The revocation of a proxy, in order to be acted upon, must be deposited with CIBC Mellon Trust Company, Banking Hall, 320 Bay Street, Toronto, Ontario M5H 4A6 before the commencement of the Meeting or at any adjournment thereof, or with the Chairman of such Meeting before the commencement of the Meeting or any adjournment thereof, or in any other manner permitted by law.

### EXERCISE OF DISCRETION BY PROXIES

**In the absence of any direction to the contrary, shares represented by properly executed proxies in favour of the persons designated in the enclosed form of proxy will be voted for: (i) the election of directors; (ii) the resolution waiving the application of section 3.1 of the Corporation's Amended and Restated Shareholder Protection Rights Plan Agreement as it relates to the purchase by three shareholders of common shares pursuant to the Corporation's rights offering; and (iii) the resolution amending the Executive Stock Option Plan of the Corporation so as to set the maximum number of common shares that may be issued thereunder at a number equal to ten percent of the issued and outstanding common shares of the Corporation from time-to-time, as stated under such headings in this Circular.** Instructions with respect to voting will be respected by the persons designated in the enclosed form of proxy. With respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters that may properly come before the Meeting, such shares will be voted by the persons so designated in their discretion. At the time of printing this Circular, management of the Corporation knows of no such amendments, variations or other matters.

### NON-REGISTERED SHAREHOLDERS

Only registered shareholders or the persons they appoint as their proxies are permitted to vote at the Meeting. However, in many cases, shares beneficially owned by a non-registered shareholder (a **Non-Registered Holder** ) are

registered either: (i) in the name of an intermediary (an **Intermediary** ) that the Non-Registered Holder deals with in respect of the common shares (such as securities dealers or brokers, banks, trust companies, and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans) or (ii) in the name of a clearing agency of which the Intermediary is a participant. In accordance with National Instrument 54-101 of the Canadian Securities Administrators, entitled *Communication with Beneficial Owners of Securities of a Reporting Issuer* , the Corporation has distributed copies of the Notice of Meeting and this Circular (collectively, the **Meeting Materials** ) to the clearing agencies and Intermediaries for distribution to Non-Registered Holders. Intermediaries are required to forward the Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive it. Intermediaries often use service companies to forward meeting

materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive this Circular will either:

(a)

typically, be provided with a computerized form (often called a voting instruction form ) which is not signed by the Intermediary and which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary or its service company, will constitute voting instructions which the Intermediary must follow. In order for the applicable computerized form to validly constitute a voting instruction form, the Non-Registered Holder must properly complete and sign the form and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or service company. In certain cases, the Non-Registered Holder may provide such voting instructions to the Intermediary or its service company through the Internet or through a toll-free telephone number; or

(b)

less commonly, be given a proxy form which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted to the number of shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. In this case, the Non-Registered Holder who wishes to submit a proxy should properly complete the proxy form and submit it to CIBC Mellon Trust Company, Banking Hall, 320 Bay Street, Toronto, Ontario M5H 4A6.

In either case, the purpose of these procedures is to permit Non-Registered Holders to direct the voting of the Common Shares which they beneficially own.

Should a Non-Registered Holder who receives a voting instruction form wish to vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should print his or her own name, or that of such other person, on the voting instruction form and return it to the Intermediary or its service company. Should a Non-Registered Holder who receives a proxy form wish to vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should strike out the names of the persons set out in the proxy form and insert the name of the Non-Registered Holder or such other person in the blank space provided and submit it to CIBC Mellon Trust Company at the address above.

**In all cases, Non-Registered Holders should carefully follow the instructions of their Intermediary, including those regarding when, where and by what means the voting instruction form or proxy form must be delivered.**

A Non-Registered Holder may revoke voting instructions which have been given to an Intermediary at any time by written notice to the Intermediary.

## VOTING SHARES

As at August 1, 2007, there were 40,986,940 common shares of the Corporation issued and outstanding. Each common share entitles the holder thereof to one vote. The Corporation has fixed August 7, 2007 as the record date (the **Record Date** ) for the purpose of determining shareholders entitled to receive notice of the Meeting. Pursuant to the *Canada Business Corporations Act*, the Corporation is required to prepare, no later than ten days after the Record Date, an alphabetical list of shareholders entitled to vote as of the Record Date that shows the number of shares held by each shareholder. A shareholder whose name appears on the list referred to above is entitled to vote the shares shown opposite his or her name at the Meeting. The list of shareholders is available for inspection during usual business hours at the head office of the Corporation, 9999 Cavendish Blvd., Suite 200, Ville-St-Laurent, Québec H4M 2X5 and at the Meeting.

**ELECTION OF DIRECTORS**

The Board of Directors currently consists of four directors, namely Eric E. Baker, Melbourne F. Yull, George J. Bunze and H. Dale McSween. Messrs. Baker, Yull and McSween were elected to the Board of Directors at the annual and special meeting of shareholders held on June 28, 2007 while Mr. Bunze was appointed to the Board of Directors at a meeting of the Board held immediately thereafter, pursuant to the Corporation's Articles and section 106(8) of the *Canada Business Corporations Act*. **WAIVER OF SHAREHOLDER PROTECTION RIGHTS PLAN AGREEMENT**

On July 31, 2007, the Corporation filed a preliminary short form prospectus with the securities commissions of each of the provinces of Canada with respect to a rights offering to the shareholders of the Corporation (the **Rights Offering** ). In connection with the Rights Offering, the Corporation entered into Standby Purchase Agreements dated July 30, 2007 with each of Letko, Brosseau & Associates Inc., Brandes Investment Partners, L.P. and Wells Capital Management, Inc. (collectively, the **Standby Purchasers** ), each of which exercises control or direction over more than 10% of the issued and

outstanding common shares of the Corporation. See **Principal Shareholders** . Under their respective Standby Purchase Agreements, the Standby Purchasers have agreed, subject to certain terms and conditions, to exercise rights and purchase, or cause to be purchased, shares upon the exercise thereof, and to purchase, or cause to be purchased, certain shares offered pursuant to the Rights Offering and that are not otherwise purchased pursuant thereto, all for investment only and not with a view to resale or distribution. Pursuant to their respective Standby Purchase Agreements, the Standby Purchasers have committed to purchase shares in an aggregate amount of US\$56.6 million. The Standby Purchasers may also purchase additional shares pursuant to the Rights Offering.

Pursuant to the Corporation's Amended and Restated Shareholder Protection Rights Plan Agreement (the **Rights Plan** ), the purchase by the Standby Purchasers of common shares pursuant to the Rights Offering, whether under the Standby Purchase Agreements or otherwise (the **Shares** ), may trigger the application of the Rights Plan in that one or more of the Standby Purchasers may as a result hold more than 20% of the issued and outstanding common shares of the Corporation. Under the Rights Plan, the Board of Directors of the Corporation may waive the application thereof, subject to the prior consent of the shareholders of the Corporation. The Board of Directors intends to waive the application of the Rights Plan with respect to the purchase of Shares by the Standby Purchasers, as the Board of Directors is of the view that the issuance of Shares to the Standby Purchasers pursuant to the Standby Purchase Agreements, or otherwise under the Rights Offering, is in the best interests of the Corporation, and results in part from direct negotiations between the Corporation and each of the Standby Purchasers.

In order for shareholders to provide such consent, an affirmative vote of a majority of the votes cast by all holders of common shares represented in person or by proxy at the Meeting is required. If shareholders do not consent to the foregoing waiver of the Rights Plan, the Standby Purchasers and the Corporation will be entitled to terminate their respective obligations under the Standby Purchase Agreements. The text of the resolution with respect to the waiver of the Rights Plan is annexed to this Circular as Schedule A.

#### AMENDMENT TO EXECUTIVE STOCK OPTION PLAN

In 1992, the Corporation established the Executive Stock Option Plan (the **ESOP** ) in respect of the common shares of the Corporation, which has been amended from time-to-time. The ESOP is administered by the Board of Directors of the Corporation. The maximum number of common shares that may be issued under the ESOP is currently 4,094,538, representing 10% of the number of issued and outstanding shares.

The purpose of the ESOP is to promote a proprietary interest in the Corporation among the executives, key employees and directors of the Corporation and its subsidiaries, in order to both encourage such persons to further the development of the Corporation and to assist the Corporation in attracting and retaining key personnel necessary for the Corporation's long-term success. The Board of Directors designates from time-to-time those persons to whom options are to be granted and determines the number of common shares covered by such options. Generally, participation in the ESOP is limited to persons holding positions that can have an impact on the Corporation's long-term results.

The number of common shares to which the options relate is determined by taking into account, *inter alia*, the market value of the common shares and each optionee's base salary.

The following is a description of certain features of the ESOP, as required by the Toronto Stock Exchange:

(a)

options expire not later than ten years after the date of grant and, unless otherwise determined by the Board of Directors, all vested options under a particular grant expire 24 months after the vesting date of the last tranche of such grant;

(b)

options vest at the rate of 25% per year, beginning, in the case of options granted to employees, on the first anniversary date of the grant and, in the case of options granted to non-management directors, on the date of the grant;

(c)

the aggregate number of options that may be granted to directors who are not part of management may not exceed 1% of the number of issued and outstanding common shares of the Corporation;

(d)

the exercise price of the options is determined by the Board of Directors, but cannot be less than the Market Value of the common shares of the Corporation, defined in the ESOP as the average of the closing price of the common shares on the Toronto Stock Exchange and New York Stock Exchange for the day immediately preceding the effective date of the grant;

(e)

notwithstanding the foregoing, Market Value cannot be lower than the closing price of the common shares on the Toronto Stock Exchange for the day immediately preceding the effective date of the grant;

(f)

the number of common shares reserved for issuance to any person cannot exceed 5% of the number of issued and outstanding common shares of the Corporation;

(g)

the number of common shares issuable to any one insider of the Corporation and such insider's associates within a one-year period cannot exceed 5% of the number of issued and outstanding common shares of the Corporation;

(h)

the number of common shares reserved for issuance pursuant to stock options granted to insiders under the ESOP or any other compensation arrangement of the Corporation cannot exceed 10% of the number of issued and outstanding common shares of the Corporation, and the number of common shares issuable to insiders within a one-year period under the ESOP or any other compensation arrangement of the Corporation cannot exceed 10% of the number of issued and outstanding common shares of the Corporation;

(i)

options granted under the ESOP may not at any time be repriced;

(j)

options granted under the ESOP may not be assigned;

(k)

in the event that a *bona fide* offer to purchase all or part of the outstanding shares is made to all shareholders, notice thereof must be given by the Corporation to all optionees and all options will become immediately exercisable, but only to the extent necessary to enable an optionee to tender his or her shares should the optionee so desire;

(l)

when a director of the Corporation ceases to be a director, all non-vested options are immediately cancelled and the former director is entitled to exercise, within a period of three months from such event, options that had vested at the time the director ceased to be a director;

(m)

in the case of retirement, all non-vested options are immediately cancelled and the former employee is entitled to exercise, within a period of twelve months from retirement, options that had vested at the time of retirement;

(n)

in the case of an optionee's or director's death, all non-vested options are immediately cancelled and the estate is entitled to exercise, within a period of twelve months from death, options that had vested at the time of death; and

(o)

when a optionee ceases to be an employee of the Corporation or a subsidiary for any reason other than retirement or death, all non-vested options are immediately cancelled and the optionee is entitled to exercise, within a period of three months from the termination of employment, options that had vested at the time of termination of employment.

As at August 8, 2007, there were options outstanding under the ESOP to purchase an aggregate of 2,824,028 common shares, representing 6.89% of the issued and outstanding common shares of the Corporation, and a total of 1,218,644 common shares were available for future grants of stock options, representing 2.97% of the issued and outstanding common shares of the Corporation.

The Board of Directors amended the ESOP on August 7, 2007 so as to set the maximum number of common shares that may be issued thereunder at a number equal to ten percent of the issued and outstanding common shares of the Corporation from time-to-time. The Board of Directors amended the ESOP in light of the number of common shares expected to be issued pursuant to the Rights Offering.

At the Meeting, shareholders will be called upon to vote on the resolution annexed to this Circular as Schedule B. In order for the resolution to be adopted, it must be approved by a majority of the votes cast at the Meeting by shareholders represented in person or by proxy. The amendment to the Plan is subject to regulatory approval, including that of the Toronto Stock Exchange.
