COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

POLICY

The Compensation Committee of the Board of Directors has the responsibility for the design and implementation of the Company's executive compensation program. The Compensation Committee is composed entirely of independent non-employee directors.

The Company's executive compensation program is designed to be closely linked to corporate performance. To this end, the Company has developed an overall compensation strategy that links compensation directly to the achievement of operational goals, and also ties a portion of an executive's aggregate compensation to the appreciation in stock price. The overall objective of this strategy is to attract and retain the best possible executive talent and to motivate these executives to achieve the goals inherent in the Company's business strategy, thereby seeking to enhance the Company's profitability and

Edgar Filing: ATX COMMUNICATIONS INC - Form DEF 14A

value.

In furtherance of the Company's incentive-oriented compensation goals, historically cash compensation such as annual base salary and bonus has generally been set below levels paid by comparable sized telecommunications companies and was supplemented by equity-based option grants. However, in part due to the significant downturn in the financial markets, the elimination of value associated with stock options generally, as well as the uncertainty and changes relating to the Company's business in this environment, the Compensation Committee determined to increase the level of cash compensation paid to several of its senior executives in order to retain them. In assessing these compensation levels, the Compensation Committee, which is composed of independent directors, recognizes the fact that some executives have participated in the development of the Company's business from its earliest stages, have preserved significant value in an extremely challenging environment, and are very important to retain for the future success of our business.

In determining the annual compensation for the Chief Executive Officer, the Compensation Committee uses the same criteria as it does for the other named executives.

STOCK OPTIONS

In December 2001, the Company's Board of Directors adopted, and the Company's sole stockholder approved, the CoreComm Holdco, Inc. 2001 Stock Option Plan (the "2001 Option Plan") reserving thereunder shares for issuances to employees and directors.

The 2001 Option Plan is intended to encourage stock ownership by employees of the Company and its divisions and subsidiary corporations and other affiliates, so that they may acquire or increase their proprietary interest in the Company, and to encourage such employees and directors who are employees to remain in the employ of the Company or its affiliates and to put forth maximum efforts for the success of the business. The 2001 Option Plan

7

provides for grants of options to acquire shares of Common Stock, which options may be "incentive stock options" within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"). The terms of options granted pursuant to the 2001 Option Plan, including provisions regarding vesting, exercisability, exercise price and duration, are generally set by the Compensation Committee.

In determining individual options grants, the Compensation Committee takes into consideration the number of options previously granted to that individual, the amount of time and effort dedicated to the Company during the preceding year and expected commitment to the Company on a forward-looking basis. The Compensation Committee also strives to provide each option recipient with an appropriate incentive to increase stockholder value, taking into consideration their cash compensation levels.

COMPENSATION DEDUCTION CAP POLICY

The 2001 Option Plan is intended to comply with the requirements regarding exemption from non-deductibility of compensation derived from stock options in excess of \$1 million under sec. 162(m) of the Internal Revenue Code of 1986, as

Edgar Filing: ATX COMMUNICATIONS INC - Form DEF 14A

amended (the "Code"). Any compensation realized from the exercise of such stock options granted at fair market value as of the date of grant thus generally would be exempt from the deduction limitations under sec. 162(m) of the Code. The Compensation Committee does retain the ability to make awards that may not comply with sec. 162(m), whether or not made under the 2001 Option Plan.

and Chief Operating Officer	1999	206,250	100,435	--	450,001

 * The amounts in the table above represent the amounts directly paid by the Company to the named executives. In addition, during the fiscal year ended December 31, 2001, the Company shared resources with NTL related to corporate activity, including a corporate office and corporate employees. In conjunction with this arrangement, some employees of NTL provided management, financial, legal and technical services to the Company. Under this arrangement, NTL charged the Company the salaries of these employees and other expenses of the shared resources, such as an office expense. In 2001, 2000 and 1999, NTL charged the Company \$325,000, \$919,000 and \$2,268,000, respectively, net of the Company's charges to NTL. These charges are not included in the above table. It is not practicable to determine the amounts of these expenses that would have been incurred had the Company operated without these services. However, in the opinion of the Company's management, the allocated method is reasonable. The named executives, except for Mr. Gravina, received salaries from NTL and spent portions of their time providing executive management to us. See the section of this Proxy Statement entitled "Certain Relationships and Related Transactions."

(1) Amounts in this column are CoreComm Limited stock option grants. In December 2001, the CoreComm Limited Board of Directors, in connection with the Company's recapitalization, accelerated all outstanding options to acquire shares of CoreComm Limited Common Stock so that all are presently fully vested and are exercisable into shares of CoreComm Limited common stock. ITEM 2

RATIFICATION OF REAPPOINTMENT OF INDEPENDENT AUDITORS

Subject to ratification by the stockholders, the Board of Directors has reappointed Ernst & Young LLP as independent auditors to audit the financial statements of the Company for the year ending December 31, 2002. The Board of Directors, pursuant to a recommendation from the Audit Committee, has considered the provision of services from Ernst & Young LLP to be compatible with maintaining Ernst & Young LLP's independence relative to the Company.

Representatives of the firm of Ernst & Young LLP are expected to be present at the Annual Meeting, will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

AUDIT FEES

The aggregate fees billed to the Company's predecessor for professional services rendered by Ernst & Young LLP in connection with the audit of the annual financial statements for the year ended December 31, 2001 included in the Form 10-K of the Company's predecessor and the review of the interim financial statements included in the Company's predecessor's quarterly reports on Form 10-Q for the same year were \$350,000.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES

There were no fees billed to the Company's predecessor for professional services rendered by Ernst & Young LLP for the year ended December 31, 2001 relating to financial systems design and implementation.

12

ALL OTHER FEES

The aggregate fees for all other services rendered by Ernst & Young LLP for the year ended December 31, 2001 fiscal year were approximately \$693,600, which includes tax planning and the preparation of tax returns and other SEC filings.

RATIFICATION OF REAPPOINTMENT

The ratification of the selection of Ernst & Young LLP as the Company's independent auditors for the year ending December 31, 2002 will require the affirmative vote of the holders of a majority of the outstanding shares of Common Stock present at the Annual Meeting, in person or represented by proxy, and entitled to vote. In determining whether the proposal has received the requisite number of affirmative votes, abstentions will be counted and will have the same effect as a vote against the proposal; broker non-votes will be disregarded and will have no effect on the outcome of the vote.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR
SUCH RATIFICATION

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Some of the officers and directors of the Company are also officers or directors

of NTL. In April 2001 the Company issued to NTL \$15 million aggregate principal amount of 10.75% Unsecured Convertible PIK Notes Due April 2011. At June 30, 2002 and December 31, 2001, the total amount of the notes outstanding, less the unamortized discount of \$347,000 and \$367,000, respectively, was \$16,696,000 and \$15,807,000, respectively.

NTL provided the Company with management, financial, legal and technical services, and continues to provide access to office space and equipment and use of supplies. Amounts charged to the Company by NTL consisted of salaries and direct costs allocated to the Company where identifiable, and a percentage of the portion of NTL's corporate overhead, which cannot be specifically allocated to NTL. It is not practicable to determine the amounts of these expenses that would have been incurred had the Company operated as an unaffiliated entity. In the opinion of management, this allocation method is reasonable. These methods are currently being reviewed and it is expected that the charges for these services provided by NTL will be reduced following such review. NTL charged the Company \$88,000 and \$136,000 for the three months ended June 30, 2002 and 2001, respectively, and \$172,000 and \$240,000 for the six months ended June 30, 2002 and 2001, respectively, which are included in corporate expenses.

Until the third quarter of 2001, CoreComm Limited provided NTL with access to office space and equipment and the use of supplies for which it charged NTL a percentage of the its total rent and supplies expense. It is not practicable to determine the amounts of these expenses that would have been incurred had CoreComm Limited operated as an unaffiliated entity. In the opinion of management, this allocation method was reasonable. CoreComm Limited charged NTL \$40,000 and \$107,000 for the three and six months ended June 30, 2001, respectively, which reduced corporate expenses.

A subsidiary of the Company provides billing and software development services to subsidiaries of NTL. The Company charges an amount in excess of its costs to provide these services. General and administrative expenses were reduced \$254,000 and \$332,000 for the three months ended June 30, 2002 and 2001, respectively, and \$566,000 and \$799,000 for the six months ended June 30, 2002 and 2001, respectively, as a result of these charges.

In 2001, CoreComm Limited and NTL entered into a license agreement whereby NTL was granted an exclusive, irrevocable, perpetual license to certain billing software developed by CoreComm Limited for telephony rating, digital television events rating, fraud management and other tasks. The sales price was cash of \$12.8 million. The billing software was being used by NTL at the time of this agreement, and was being maintained and modified by the Company under an ongoing software maintenance and development outsourcing arrangement between the companies. CoreComm Limited recorded the aggregate \$12.8 million as deferred revenue, to be recognized over three years, of which \$1,069,000 and \$2,137,000 was recognized by the Company during the three and six months ended June 30, 2002, respectively.

13

The Company leases office space from entities controlled by an individual who beneficially owns 34% of the outstanding shares of Common Stock. Rent expense for these leases was approximately \$450,000 and \$400,000 for the three months ended June 30, 2002 and 2001, respectively and approximately \$900,000 and \$800,000 for the six months ended June 30, 2002 and 2001, respectively.

STOCKHOLDER PROPOSALS FOR 2003 ANNUAL MEETING

Edgar Filing: ATX COMMUNICATIONS INC - Form DEF 14A

The Company expects to hold its 2003 annual meeting of stockholders more than 30 days from November 5, 2003. The Company will provide stockholders with notice of the deadline for the submission of proposals at our principal executive offices intended to be presented at the 2003 annual meeting pursuant to Rule 14a-8 under the Exchange Act a reasonable time before the Company begins to print and mail its proxy materials for the 2003 annual meeting of stockholders in order to allow such stockholders an opportunity to make proposals in accordance with the rules and regulations of the SEC. The proposals must otherwise comply with the requirements of Rule 14a-8 in order to be considered for inclusion in the 2003 proxy statement and proxy. The Company expects to provide the notice of the deadline for the submission of stockholder proposals for the 2003 annual meeting in the Form 10-Q to be filed by the Company with the SEC for the quarter ended September 30, 2002. A proposal, including any accompanying supporting statement, may not exceed 500 words. The rules of the SEC set forth standards for the exclusion of some stockholder proposals from a proxy statement for an annual meeting.

OTHER BUSINESS

The Board of Directors is not aware of any matters other than those set forth in this proxy statement that will be presented for action at the Annual Meeting and does not intend to bring any other matters before the Annual Meeting. However, if any other matters should properly come before the Annual Meeting, or at any adjournment or postponement thereof, it is the intention of the persons named in the accompanying proxy to vote on such matters as they, in their discretion, may determine.

APPENDIX A

CHARTER OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS OF ATX COMMUNICATIONS, INC.

I. AUTHORITY

The Audit Committee (the "Committee") of the Board of Directors (the "Board") of ATX Communications, Inc. (the "Company") is established pursuant to Article III, Section 9 of the Company's Bylaws. The Committee shall be comprised of three or more directors as determined from time to time by resolution of the Board. Consistent with the appointment of other Board committees, the members of the Committee shall be elected by the Board at the annual organizational meeting of the Board or at other time as may be determined by the Board. The Chairman of the Committee shall be designated by the Board, provided that if the Board does not so designate a Chairman, the members of the Committee, by majority vote, may designate a Chairman. The presence in person or by telephone of a majority of

Edgar Filing: ATX COMMUNICATIONS INC - Form DEF 14A

the Committee's members shall constitute a quorum for any meeting of the Committee. All actions of the Committee will require the vote of a majority of its members present at a meeting of the Committee at which a quorum is present.

II. PURPOSE OF THE COMMITTEE

The Committee's purpose is to provide assistance to the Board in fulfilling its legal and fiduciary obligations with respect to matters involving the accounting, auditing, financial reporting, internal control functions of the Company and its subsidiaries.

The Committee shall oversee the audit efforts of the Company's independent auditors and internal auditors and, in that regard, shall take such actions as it may deem necessary to satisfy itself that the Company's auditors are independent of management. It is the objective of the Committee to maintain free and open means of communications among the Board, the independent auditors, the internal auditors and the financial and senior management of the Company.

III. COMPOSITION OF THE COMMITTEE

- (a) Each member of the Committee shall be an "independent" director within the meaning of the Nasdaq rules and, as such, shall be free from any relationship that may interfere with the exercise of his or her judgment as a member of the Committee. Notwithstanding the foregoing, as permitted by the rules of Nasdaq, under exceptional and limited circumstances, one director who does not meet certain of the criteria for "independence" may be appointed to the Committee if the Board determines in its business judgment that membership on the Committee by such person is required by the best interests of the Company and its stockholders and the Company discloses in the annual proxy statement the nature of such person's relationship and the reasons for the Board's determination. Current employees or officers, or their immediate family members, however, are not able to serve on the audit committee under this exception.
- (b) All members of the Committee shall be financially literate at the time of their election to the Committee or shall become financially literate within a reasonable period of time after their appointment to the Committee. "Financial Literacy" shall be determined by the Board in the exercise of its business judgment, and shall include an ability to read and understand fundamental financial statements. Committee members, if they or the Board deem it appropriate, may enhance their understanding of finance and accounting by participating in educational programs conducted by the Company or an outside consultant or firm.
- (c) At least one member of the Committee shall have accounting or related financial management expertise, as such qualification may be determined in the business judgment of the Board. This requirement shall be deemed satisfied by past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which results in the individual's financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities.

IV. MEETINGS OF THE COMMITTEE

Edgar Filing: ATX COMMUNICATIONS INC - Form DEF 14A

The Committee shall meet with such frequency and at such intervals as it shall determine is necessary to carry out its duties and responsibilities. As part of its purpose to foster open communications, the Committee shall meet at least annually with management, the head of the internal auditing department and the Company's independent auditors in separate executive sessions to discuss any matters that the Committee or each of these groups or persons believe should be discussed privately. In addition, the Committee (or the Chairman) should meet or confer with the independent auditors and management quarterly to review the Company's periodic financial statements prior to their filing with the Securities and Exchange Commission ("SEC"). The Chairman should work with the Chief Financial Officer and management to establish the agendas for Committee meetings. The Committee, in its discretion, may ask members of management or others to attend its meetings (or portions thereof) and to provide pertinent information as necessary. The Committee shall maintain minutes of its meetings and records relating to those meetings and the Committee's activities and provide copies of such minutes to the Board.

V. DUTIES AND RESPONSIBILITIES OF THE COMMITTEE

In carrying out its duties and responsibilities, the Committee's policies and procedures should remain flexible, so that it may be in a position to best react or respond to changing circumstances or conditions. The Committee should review and reassess annually the adequacy of the Committee's charter. As required by Nasdaq rules, the charter must specify: (1) the scope of the Committee's responsibilities and how it carries out those responsibilities, (2) the ultimate accountability of the Company's independent auditors to the Board and the Committee, (3) the responsibility of the Committee and the Board for selection, evaluation and replacement of the Company's independent auditors, and (4) that the Committee is responsible for ensuring that the Company's independent auditors submit on a periodic basis to the Committee a formal written statement delineating all relationships between the independent auditors and the Company and that the Committee is responsible for actively engaging in a dialogue with the independent auditors and for recommending that the Board take appropriate action to ensure the independence of the independent auditors.

While there is no "blueprint" to be followed by the Committee in carrying out its duties and responsibilities, the following should be considered within the authority of the Committee:

Selection and Evaluation of Independent Auditors

- (a) Make recommendations to the Board as to the selection of the firm of independent public accountants to audit the books and accounts of the Company and its subsidiaries for each fiscal year;
- (b) Review and approve the Company's independent auditors' annual engagement letter, including the proposed fees contained therein;
- (c) Review the performance of the Company's independent auditors and make recommendations to the Board regarding the replacement or termination of the independent auditors when circumstances warrant;
- (d) Oversee the independence of the Company's independent auditors by, among other things:
 - (i) requiring the independent auditors to deliver to the Committee on a periodic basis a formal written statement, consistent with Independence Standards Board Standard No. 1, delineating all relationships between the independent auditors and the Company; and
 - (ii) actively engaging in a dialogue with the independent auditors with respect to any disclosed relationships or services that may impact

Edgar Filing: ATX COMMUNICATIONS INC - Form DEF 14A

the objectivity and independence of the independent auditors and recommending that the Board take appropriate action to satisfy itself of the auditors' independence.

- (e) Instruct the Company's independent auditors that they are ultimately accountable to the Committee and the Board, and that the Committee and the Board are responsible for the selection (subject to Stockholder approval if determined by the Board), evaluation and termination of the Company's independent auditors.

Oversight of Annual Audit and Quarterly Reviews

- (f) Review and accept, if appropriate, the annual audit plan of the Company's independent auditors, including the scope of audit activities, and monitor such plan's progress and results during the year;
- (g) Confirm through private discussions with the Company's independent auditors and the Company's management that no management restrictions are being placed on the scope of the independent auditor's work;
- (h) Review the results of the year-end audit of the Company, including (as applicable):
 - (i) the audit report, the published financial statements, the management representation letter, the "Memorandum Regarding Accounting Procedures and Internal Control" or similar memorandum prepared by the Company's independent auditors, any other pertinent reports and management's responses concerning such memorandum;
 - (ii) the qualitative judgments of the independent auditors about the appropriateness, not just the acceptability, of accounting principles and financial disclosure practices used or proposed to be adopted by the Company and, particularly, about the degree of aggressiveness or conservatism of its accounting principles and underlying estimates;
 - (iii) the methods used to account for significant unusual transactions;
 - (iv) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus;
 - (v) management's process for formulating sensitive accounting estimates and the reasonableness of these estimates;
 - (vi) significant recorded and unrecorded audit adjustments;
 - (vii) any material accounting issues among management, the Company's internal auditing department and the independent auditors; and
 - (viii) other matters required to be communicated to the Committee under generally accepted auditing standards, as amended, by the independent auditors;
- (i) Review with management and the Company's independent auditors such accounting policies (and changes therein) of the Company, including any financial reporting issues which could have a material impact on the

Edgar Filing: ATX COMMUNICATIONS INC - Form DEF 14A

Company's financial statements, as are deemed appropriate for review by the Committee prior to any interim or year-end filings with the SEC or other regulatory body;

- (j) Confirm that the Company's interim financial statements included in Quarterly Reports on Form 10-Q have been reviewed by the Company's independent auditors;

Oversight of Financial Reporting Process and Internal Controls

- (k) Review the adequacy and effectiveness of the Company's accounting and internal control policies and procedures through inquiry and discussions with the Company's independent auditors and management of the Company;
- (l) Review with management the Company's administrative, operational and accounting internal controls, including controls and security of the computerized information systems, and evaluate whether the Company is operating in accordance with its prescribed policies, procedures and codes of conduct;
- (m) Review with management and the independent auditors any reportable conditions and material weaknesses, as defined by the American Institute of Certified Public Accountants, affecting internal control;
- (n) Receive periodic reports from the Company's independent auditors and management of the Company to assess the impact on the Company of significant accounting or financial reporting developments proposed by the Financial Accounting Standards Board or the SEC or other regulatory body, or any other significant accounting or financial reporting related matters that may have a bearing on the Company;
- (o) Establish and maintain free and open means of communication between and among the Board, the Company's independent auditors, the Company's internal auditing department and management;

Other Matters

- (p) Meet annually with the general counsel, and outside counsel when appropriate, to review legal and regulatory matters, including any matters that may have a material impact on the financial statements of the Company;
- (q) Prepare a report to be included in each annual proxy statement (or, if not previously provided during the fiscal year, any other proxy statement or consent statement relating to the election of directors) of the Company commencing after December 15, 2000 which states, among other things, whether:
 - (i) the Committee has reviewed and discussed with management the audited financial statements to be included in the Company's Annual Report on Form 10-K;
 - (ii) the Committee has discussed with the Company's independent auditors the matters that the auditors are required to discuss with the Committee by ABS Statement on Auditing Standard No. 61, as it may be modified or supplemented;
 - (iii) the Committee has received the written disclosures and the letter from the Company's independent auditors required by Independence Standards Board Standard No. 1, as may be modified or supplemented, and has discussed with the independent auditors their independence; and

Edgar Filing: ATX COMMUNICATIONS INC - Form DEF 14A

- (iv) based on the review and discussions described in subsections (i), (ii) and (iii) above, the Committee has recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the last fiscal year for filing with the SEC;
- (r) Obtain from the independent auditors assurance that Section 10A of the Private Securities Litigation Reform Act of 1995 has not been implicated;
- (s) Conduct or authorize investigations into any matters within the Committee's scope of responsibilities, including retaining outside counsel or other consultants or experts for this purpose; and
- (t) Perform such additional activities, and consider such other matters, within the scope of its responsibilities, as the Committee or the Board deems necessary or appropriate.

With respect to the duties and responsibilities listed above, the Committee should:

- (2) Exercise reasonable diligence in gathering and considering all material information;
- (3) Understand and weigh alternative courses of conduct that may be available;
- (4) Focus on weighing the benefit versus the harm to the Company and its Stockholders when considering alternative recommendations or courses of action;
- (5) If the Committee deems it appropriate, secure independent expert advice and understand the expert's findings and the basis for such findings, including retaining independent counsel, accountants or others to assist the Committee in fulfilling its duties and responsibilities; and
- (6) Provide management, the Company's independent auditors and internal auditors with appropriate opportunities to meet privately with the Committee.

* * *

While the Committee has the duties and responsibilities set forth in this charter, the Committee is not responsible for planning or conducting the audit or for determining whether the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. Similarly, it is not the responsibility of the Committee to resolve disagreements, if any, between management and the independent auditors or to ensure that the Company complies with all laws and regulations.
