On October 25, 2007, Cott Corporation (the Company) issued a press release reporting the Company's financial results for the fiscal quarter ended September 29, 2007. This press release is furnished herewith as Exhibit 99.1 to this Form 8-K and is incorporated by reference into this Item 2.02 as if fully set forth herein.

Item 2.05. Costs Associated with Exit or Disposal Activities.

On September 29, 2005, as previously reported in the Current Report on Form 8-K filed on October 4, 2005 (the Announcement 8-K), the Company announced a plan to realign the management of its Canadian and United States businesses to a North American basis (the Realignment Plan). In the Announcement 8-K, the Company reported that it expected to record certain pre-tax charges of \$60 to \$80 million over the 12 to 18 month period following the announcement of the Realignment Plan, that the largest of the charges would be related to asset impairment and that there would also be additional charges for severance, termination and other costs. In the Current Report on Form 8-K/A filed on October 26, 2006, the Company announced that it had revised the range of expected charges from \$60 to \$80 million to \$115 to \$125 million, to reflect the effect of additional plant closures, office consolidation and organizational streamlining.

On October 25, 2007, the Company announced that in connection with its previously announced closure of its plant in Wyomissing, Pennsylvania and office consolidations, it recorded pre-tax restructuring and asset impairment charges of \$15.1 million during the quarter ended September 29, 2007. To date, including the charges taken in the third quarter of 2007, the Company has recorded pre-tax restructuring and asset impairment charges of \$110.5 million.

A copy of the press release dated October 25, 2007 is filed as Exhibit 99.1 to this report and is incorporated herein by reference.
