- \* Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

## Section 7 – Regulation FD

### Item 7.01 Regulation FD Disclosure.

On December 2, 2011, Chesapeake Energy Corporation (the “Company”) issued a press release announcing that the Company has received the Industry Leadership Award at the 13th Annual Platts Global Energy Awards program on December 1, 2011 in New York City and also received the Deal of the Year Award for its industry joint ventures in the Eagle Ford Shale and Denver-Julesburg and Powder River basins with a subsidiary of CNOOC Limited. A copy of this press release is attached as Exhibit 99.1 to this Current Report.

On December 5, 2011, the Company issued a press release announcing the closing of the sale of \$750 million of perpetual preferred shares in its wholly owned, unrestricted subsidiary, CHK Utica, L.L.C. A copy of the press release is attached as Exhibit 99.2 to this Current Report.

## Section 8 – Other Events

### Item 8.01 Other Events.

On December 2, 2011, the Company completed the sale of \$750 million of perpetual preferred shares of a newly formed entity, CHK Utica, L.L.C. CHK Utica is an unrestricted subsidiary of the Company that owns approximately 700,000 net leasehold acres within an area of mutual interest in the Utica Shale play in 13 counties primarily in eastern Ohio. The Company has retained all the common interests in CHK Utica.

This closing completes a financial transaction led by EIG Global Energy Partners (“EIG”) and results in total proceeds of \$1.25 billion from sales of CHK Utica preferred shares. As previously announced on November 3, 2011, EIG purchased \$500 million of perpetual preferred shares in CHK Utica.

The CHK Utica preferred shares issued in the second closing have identical terms to the initial shares sold to EIG, including an initial annual distribution of 7%, payable quarterly. The Company has retained an option exercisable prior to October 31, 2018 to repurchase the preferred shares for cash in whole or in part at any time at a valuation expected to equal the greater of a 10% internal rate of return or a return on investment of 1.4x. Investors in the combined \$1.25 billion of CHK Utica preferred shares will also proportionately receive a 3% overriding royalty interest in the first 1,500 net wells drilled on CHK Utica's leasehold, which is the equivalent of an approximate 0.45% overriding royalty interest across the Company's projected 10,000 inventory of net wells to be drilled. The Company's average net revenue interest on its Utica Shale leasehold is approximately 83%. As part of the transaction, the Company has committed to drill a minimum of 50 net wells per year through 2016 in the CHK Utica area of mutual interest, up to a minimum cumulative total of 250 net wells, for the benefit of CHK Utica.

The private placement of CHK Utica preferred shares was made pursuant to the exemption from the registration provisions of the Securities Act of 1933, as amended, provided by Section 4(2) of the Securities Act. The shares have not been registered under the Securities Act and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements.

## Section 9 – Financial Statements and Exhibits

### Item 9.01 Financial Statements and Exhibits.

(d) Exhibits. See “Exhibit Index” attached to this Current Report on Form 8-K, which is incorporated by reference herein.

SIGNATURE

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
