**Global Industries, Ltd. Announces Operating Results for the Second Quarter and Six Months Ended June 30, 2005**

*Carlyss, Louisiana*, (August 3, 2005) **Global Industries, Ltd.** (NASDAQ: **GLBL**) announced results for the quarter ended June 30, 2005. Revenues were \$209.4 million for the second quarter of 2005, an improvement of \$127.1 million, or 154%, over the same period a year ago. Gross profit was \$37.5 million for the quarter, an improvement of \$36.6 million compared to last year's second quarter. Income from continuing operations, net of taxes, increased \$21.9 million to \$12.4 million, or \$0.11 per diluted share, for the second quarter, as compared to a loss of \$9.5 million or (\$0.09) per diluted share for the same period last year. The Company reported diluted earnings per share, including discontinued operations, of \$0.11 for the second quarter of 2005 compared to a loss per share of (\$0.09) for the comparable period in 2004.

Included in the second quarter 2005 income from continuing operations is approximately \$2.5 million or \$0.02 per diluted share, related to the gain on the disposition of one cargo barge and two other assets. Second quarter 2005 income from continuing operations, net of taxes, was reduced by losses on two projects in our Latin America segment of approximately \$5.6 million or (\$0.05) per diluted share and a \$2.5 million charge, or (\$0.02) per diluted share, related to penalties and fees associated with an unfavorable 1999 income tax audit assessment in our Latin America segment.

Revenues for the six months ended June 30, 2005 increased \$184.9 million, or 114%, to \$346.6 million from the same period last year. Gross profit was \$61.8 million for the six months, an improvement of \$57.8 million compared to the first six months of last year. Income from continuing operations, net of taxes, was \$19.8 million, an improvement of \$36.7 million over the comparable period in the prior year. Diluted earnings per share from continuing operations were \$0.17 for the first six months of 2005 compared to a diluted loss per share of (\$0.16) for the same period last year. Earnings per diluted share from discontinued operations were \$0.00 compared to a diluted loss per share of (\$0.01) for the same period last year.

William J. Doré, Global's Chairman and Chief Executive Officer, said, "I am pleased to announce our fourth consecutive quarter of positive earnings and our highest level of second quarter earnings since 1998. Although our OCD Latin America segment margins were lower than anticipated for the second quarter 2005, our earnings for the quarter increased substantially compared to the same period last year. Positively impacting our results were continued Hurricane Ivan repair work in our Gulf of Mexico segments and increased activity in our Asia Pacific and Middle East OCD segments. During the second quarter, we booked \$286.0 million of new work resulting in a June 30, 2005 backlog of \$436.0 million, the largest backlog in the Company's history, as compared to a backlog of \$277.1 million at the end of the same period last year."

A conference call will be held at 10:00 a.m. Central Daylight Saving Time on Thursday, August 4, 2005.
