(1) This Registration Statement on Form S-8 (this Registration Statement) shall also cover any additional ordinary shares, nominal value Euro 0.40 per share (Ordinary Shares), of Publicis Groupe S.A. (the Company) (a) which become issuable under the plans covered by this Registration Statement (the Plans) by reason of any of stock dividend, stock split, recapitalization or other similar event or as otherwise provided for in the Plans and (b) which become issuable under the Plans by reason of a change in the euro-dollar exchange rate or the closing price of the Ordinary Shares on the date on which the Effective Time occurs from that used in the calculations above and which results in a greater number of Ordinary Shares being granted or issuable pursuant to the restricted stock and option adjustment provisions contained in the Merger Agreement (as defined below).

(2) The amount of Ordinary Shares being registered represents the estimated maximum aggregate amount of Ordinary Shares to be issuable in connection with the Plans.

(3) In accordance with Rule 457(h), the maximum offering price per share was calculated by multiplying the weighted average exercise price at which options granted pursuant to the Plans may be exercised (Euros 14.049), converted into U.S. dollars at the noon buying rate as of January 29, 2007.

(4) In accordance with Rule 457(f), the registration fee was calculated upon the basis of the market value of the securities to be converted in the transaction, as determined in accordance with Rule 457(c).

INTRODUCTORY STATEMENT

On or about January 31, 2007, Publicis Groupe S.A. (the Company) is expected to complete (the time and date of such completion, the Effective Time) a business combination transaction with Digitas Inc. (Digitas) pursuant to which Digitas will become an indirect, wholly owned subsidiary of the Company. As part of that transaction, each share of Digitas common stock, par value \$0.01 per share (the Digitas Share), that is a restricted Digitas Share issued under the Plans and outstanding immediately prior to the Effective Time will become an adjusted number of restricted Ordinary Shares (which are subject to the same restrictions as the restricted Digitas Shares from which they were converted). The formula for the adjustment is set forth in the Agreement and Plan of Merger, dated as of December 20, 2006, by and among the Company, Digitas and Pacific Acquisition Corp. (the Merger Agreement). In addition, as part of that transaction, each option to purchase Digitas Shares under the Plans that is outstanding and unexercised immediately prior to the Effective Time will be converted into an option to purchase Ordinary Shares subject to the terms of the Plans and the agreements evidencing grants thereunder, with such appropriate adjustments, as provided in the Merger Agreement, to the number of Ordinary Shares underlying each option and the exercise price of each option.

This Registration Statement is being filed to register the Ordinary Shares that are to be granted pursuant to the conversion of restricted Digitas Shares into restricted Ordinary Shares and that may be issued pursuant to the conversion of Digitas stock options under the Plans into options to purchase Ordinary Shares.

(a) The undersigned Company hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement;

(iii) To include any material information with respect to the Plans not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the SEC by the Company pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement,

(2) That, for the purpose of determining any liability under the Securities Act of 1933, as amended, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Company hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, as amended, each filing of the Company's annual

report pursuant to Section 13(a) or 15(d) of Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933, as amended, may be permitted to directors, officers and controlling persons of the Company pursuant to the provisions described in Item 6, or otherwise, the Company has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable.
