Item 3. SOURCE AND AMOUNT OF FUNDS.

The Reporting Persons used approximately \$8,203,057.27 (including brokerage commissions) in the aggregate to purchase the Common Stock reported in this Schedule 13D.

The source of the funds used to acquire the Common Stock reported herein is the working capital of the Funds and margin borrowings described in the following sentence. Such shares of Common Stock are held by the Reporting Persons in commingled margin accounts, which may extend margin credit to the Reporting Persons from time to time, subject to applicable federal margin regulations, stock exchange rules and credit policies. In such instances, the positions held in the margin account are pledged as collateral security for the repayment of debit balances in the account. The margin accounts bear interest at a rate based upon the broker's call rate from time to time in effect.

Because other securities are held in the margin accounts, it is not possible to determine the amounts, if any, of margin used to purchase the Common Stock reported herein.

Item 4. PURPOSE OF TRANSACTION.

The Reporting Persons acquired the Common Stock to which this Schedule 13D relates for investment purposes in the ordinary course of business, and not with the purpose nor with the effect of changing or influencing the control or management of the Issuer. The Reporting Persons acquired the Common Stock because they believed that the Common Stock reported herein, when purchased, represented an attractive investment opportunity.

Except as set forth herein, the Reporting Persons have no present plan or proposal that would relate to or result in any of the matters set forth in subparagraphs (a)–(j) of Item 4 of Schedule 13D. The Reporting Persons have not entered into any agreement with any third party to act together for the purpose of acquiring, holding, voting or disposing of the Common Stock reported herein. The Reporting Persons intend to review their investment in the Issuer on a continuing basis and may from time to time engage in discussions with management, the Board of Directors, other shareholders of the Issuer and other relevant parties, including representatives of any of the foregoing, concerning matters with respect to the Reporting Persons' investment in the Common Stock, including, without limitation, the business, operations, governance, management, strategy and future plans of the Issuer. Depending on various factors, including, without limitation, the outcome of any discussions referenced above, the Issuer's financial position and strategic direction, actions taken by the Board of Directors, price levels of the Common Stock, other investment opportunities available to the Reporting Persons, conditions in the securities market and general economic and industry conditions, the Reporting Persons may in the future take such actions with respect to their investment in the Company as they deem appropriate, including, without limitation, purchasing additional Common Stock or selling some or all of their Common Stock, engaging in hedging or similar transactions with respect to the Common Stock and/or otherwise changing their intention with respect to any and all matters referred to in Item 4 of Schedule 13D.

Item 5. INTEREST IN SECURITIES OF THE ISSUER.

(a) and (b)

The Reporting Persons may be deemed to beneficially own in the aggregate 296,300 shares of Common Stock. Based upon a total of 5,829,464 shares of Common Stock outstanding as of November 1, 2011, as reported in the Issuer's Quarterly Report on Form 10-Q filed with the Securities and Exchange Commission on November 9, 2011, the Reporting Persons' shares represent approximately 5.1% of the outstanding shares of Common Stock.

Carlson Capital, Asgard and Mr. Carlson have the power to vote and direct the disposition of (i) the 272,588 shares of Common Stock reported herein as owned by Double Offshore and (ii) the 23,712 shares of Common Stock reported herein as owned by Offshore.
