(f) Mr. Drapkin and Mr. Taylor are each United States citizens.

### **Item 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION**

The Reporting Persons used a total of approximately \$200,784,000 (including brokerage commissions) in the aggregate to acquire the shares of Common Stock reported in this Schedule 13D.

The source of funding for the purchase of the Common Stock is cash on hand and working capital of the Accounts. The shares of Common Stock reported herein are or may be held from time to time in margin accounts established by the Accounts with their respective brokers or banks and a portion of the purchase price for the Common Stock may be obtained through margin borrowing. Securities positions which may be held in the margin accounts, including the Common Stock, may be pledged as collateral security for the repayment of debit balances in the margin accounts.

#### **Item 4. PURPOSE OF TRANSACTION**

The shares of Common Stock reported in this Schedule 13D have been purchased and held for investment purposes in the ordinary course of business on behalf of client accounts over which the Reporting Persons have shared discretionary investment or voting power. The Reporting Persons initially invested in the Issuer because they believed the stock was undervalued and represented a potentially profitable investment opportunity.

The Reporting Persons and their representatives have, from time to time, engaged in discussions with management and the board of directors of the Issuer (the "Board") regarding, among other things, the Issuer's business, management, Board composition and strategic alternatives and direction. At such meetings, certain representatives of the Reporting Persons expressed their view that the Issuer is significantly undervalued and recommended several steps the Issuer should take to increase stockholder value.

On January 27, 2014, the Reporting Persons sent a letter (the "Letter") to the Board. In the Letter, the Reporting Persons expressed their disappointment in the Issuer's historical financial underperformance and further clarified their recommendations for the Board that if implemented would, in the Reporting

Persons' view, materially increase the Issuer's valuation. Specifically, the Reporting Persons recommended that the Issuer (i) spin off Bloom Lake, together with Asia Pacific and its other international assets; (ii) double the dividend issued to its stockholders and convert the U.S. Iron Ore business and North American Coal business to an entity structured as a master limited partnership; (iii) significantly cut its SG&A and exploration expenses; (iv) optimize its cash costs and operating profitability; (v) divest its infrastructure and other non-core assets; and (vi) set identifiable milestones and objective targets for return on capital, which should be clearly articulated to the market. Concurrently with the filing of this Schedule 13D, the Reporting Persons issued a press release (the "Press Release") containing the full text of the Letter. The foregoing summary of the Letter and Press Release is qualified in its entirety by reference to the full texts of the Letter and Press Release, copies of which are attached hereto as Exhibit 1 and Exhibit 2, respectively, and are incorporated by reference herein.

The Reporting Persons intend to continue to discuss the matters described above, including but not limited to the foregoing specific recommendations, with the Issuer's management and the Board as well as other stockholders of the Issuer and third parties and may take other steps seeking to bring about changes to increase shareholder value as well as pursue other plans or proposals that relate to or could result in any of the matters set forth in clauses (a)-(j) of Item 4 of Schedule 13D.

Depending on various factors including, without limitation, the Issuer's financial position and strategic direction, actions taken by the Board, price levels of the Common Stock, other investment opportunities available to the Reporting Persons, conditions in the securities market and general economic and industry conditions, the Reporting Persons may in the future take such actions with respect to their investment in the Issuer as they deem appropriate including, without limitation, purchasing additional shares of Common Stock and/or other equity, debt, notes, instruments or other securities of the Issuer (collectively, "Securities"), disposing of any or all of their Securities, in the open market or otherwise, at any time and from time to time, and engaging in any hedging or similar transactions with respect to the Securities. The Reporting Persons reserve the right to change their intention with respect to any and all matters referred to in subparagraphs (a) – (j) of Schedule 13D.
