Item 2. Acquisition or Disposition of Assets.

On October 25, 2002, Five Star Quality Care, Inc. ("we," "us" or "Five Star," which term includes our consolidated subsidiaries unless the context requires otherwise), Senior Housing Properties Trust ("Senior Housing"), Constellation Health Services, Inc. and certain of its subsidiaries (collectively "CHSI") completed the transactions contemplated by a Purchase and Sale Agreement dated August 26, 2002, between Senior Housing and CHSI, as amended by the First Amendment to Purchase and Sale Agreement dated October 25, 2002, among Five Star, Senior Housing and CHSI (as amended, the "Purchase Agreement"). Under the Purchase Agreement, we and SNH acquired assets of CHSI consisting of 15 senior living communities that have an aggregate of 1,016 units, as more fully described below.

Edgar Filing: FIVE STAR QUALITY CARE INC - Form 8-K

We acquired seven senior living communities directly from CHSI (collectively, the "Five Star Communities"). Senior Housing acquired eight other senior living communities (the "Leased Communities") and we acquired certain operating assets and liabilities of the Leased Communities and entered into a lease with Senior Housing for the Leased Communities.

We and Senior Housing are jointly and severally liable for the obligations and liabilities under the Purchase Agreement. Except as otherwise provided in our lease for the Leased Communities, we and Senior Housing have agreed that we will each have all of the rights and remedies, perform all of the obligations, and assume the liabilities, each under the Purchase Agreement, relating to the Five Star Communities and the Leased Communities, respectively.

The purchase price paid to CHSI pursuant to the Purchase Agreement was \$77.15 million, comprised of cash and the assumption of certain liabilities relating to the 15 senior living communities. We paid \$27 million of the Purchase Agreement's total purchase price by assuming \$15.8 million of HUD insured mortgage debt encumbering one of the Five Star Communities and by paying CHSI the balance of \$11.2 million in cash.

Simultaneously with the closing under the Purchase Agreement: (i) we sold to Senior Housing our senior living community located in Overland Park, Kansas, for approximately \$12.7 million in cash; and (ii) we leased from Senior Housing the Leased Communities and the property located in Overland Park, Kansas.

The material terms of our lease with Senior Housing for the Leased Communities and Overland Park are substantially the same as our existing leases with Senior Housing, except as follows: We are required to pay to Senior Housing for the Leased Communities and Overland Park minimum rent equal to \$6.285 million per year. In addition, starting in 2005, we are required to pay additional rent with respect to each lease year in an amount equal to four percent (4%) of net patient revenues at each leased facility in excess of net patient revenues at such facility during 2004. The initial term of the lease is for 17 years, expiring December 31, 2019. We have the option to renew the lease for all, but not less than all, of the Leased Communities and Overland Park for one renewal term of 15 years thereafter.

We intend to continue to operate the 15 CHSI communities acquired as senior living communities.

All of our directors, except for Dr. Bruce M. Gans, are trustees of Senior Housing. Our president and treasurer are also employees of Reit Management & Research LLC ("RMR"), the investment manager to Senior Housing. RMR also provides certain administrative services to us. Gerard M. Martin and Barry M. Portnoy, our two managing directors, are directors and 50% owners of RMR. Substantially all of our properties are leased from Senior Housing. Messrs. Martin and Portnoy also own the building in which our headquarters are located, and we lease the headquarters under a lease expiring in 2011. We have previously disclosed other relationships between us, Messrs. Martin and Portnoy and Senior Housing in our Annual Report on Form 10-K for the year ended December 31, 2001.

Edgar Filing: FIVE STAR QUALITY CARE INC - Form 8-K

INTRODUCTION TO UNAUDITED PRO FORMA FINANCIAL STATEMENTS

The unaudited pro forma balance sheet at June 30, 2002, presents the financial position of Five Star as if the sale/leaseback of its facility located in Overland Park, Kansas had been completed as of June 30, 2002, as described in the notes thereto. The unaudited pro forma statement of operations for the six months ended June 30, 2002, presents the results of operations of Five Star as if its acquisition of five senior living communities and the sale/leaseback of its facility located in Overland Park, Kansas had been completed as of January 1, 2001, as described in the notes thereto. The unaudited pro forma statement of operations for the year ended December 31, 2001, presents the results of operations of Five Star as if the events described in the immediately preceding sentence, its merger with FSQ, Inc., the commencement of its lease of 31 facilities from Senior Housing Properties Trust managed by Marriott Senior Living Services, Inc., its offering of 3,823,300 shares of its common stock, and its spin-off from Senior Housing had been completed as of January 1, 2001, as described in the notes thereto.

The unaudited pro forma financial statements and related notes do not reflect our acquisition of seven senior living communities from CHSI and our lease of eight additional senior living communities from Senior Housing, each of which were formerly owned and operated by CHSI (the "CHSI Transaction"). Our sale/leaseback of the Overland Park facility with Senior Housing was done in order to finance our acquisition of the seven senior living communities previously owned and operated by CHSI.

These unaudited pro forma financial statements do not represent our financial condition or results of operations for any future date or period. Actual future results may be materially different from pro forma results. Differences could arise from many factors, including, but not limited to, those related to our operations as a separate public company, competition in our business, the impact of changes to rates under Medicare and Medicaid reimbursement programs, our ability to successfully attract residents to our facilities, our ability to control operating expenses and our capital structure and other changes. These unaudited pro forma financial statements should be read in connection with our audited financial statements and the related Management's discussion and analysis of financial condition and results of operations included in our Annual Report on Form 10-K for the year ended December 31, 2001. In addition, in connection with these unaudited pro forma financial statements, you should read the financial statements of the 31 Marriott facilities, as owned and operated by Crestline Capital Corporation and which are entitled CSL Group, Inc. and Subsidiaries as Partitioned For Sale to SNH/CSL Properties Trust, as well as the financial statements of ILM II Senior Living, Inc. and ILM II Lease Corporation, the owner and operator, respectively, of the five communities we acquired, each of which are included in our Registration Statement on Form S-1, File No. 333-83648.
