Item 3. Foreign Listing and Primary Trading Market

A. Identify the exchange or exchanges outside the United States, and the foreign jurisdiction in which the exchange or exchanges are located, on which you have maintained a listing of the class of securities that is the subject of this Form, and which, either singly or together with the trading of the same class of the issuer's securities in another foreign jurisdiction, constitutes the primary trading market for those securities.

Extendicare REIT's Trust Units are listed on the Toronto Stock Exchange (TSX) in Toronto, Canada, which currently constitutes the single and primary trading market for the Trust Units. Prior to the Plan of Arrangement, all of the securities of Extendicare Inc. were listed on the TSX, and the Subordinate Voting Shares of Extendicare Inc. were also listed on the NYSE. Extendicare Inc. delisted from the NYSE on November 10, 2006, as part of the Plan of Arrangement. The TSX was the primary trading market of the Subordinate Voting Shares for the 12-month period from November 9, 2005 to November 9, 2006.

B. Provide the date of initial listing on the foreign exchange or exchanges identified in response to Item 3.A. In addition, disclose whether you have maintained a listing of the subject class of securities on one or more of those foreign exchanges for at least the 12 months preceding the filing of this Form.

Extendicare Inc.'s common shares were listed on the TSX in 1974. The class of shares that ultimately became the Subordinate Voting Shares were listed on the TSX in 1979. The Trust Units of Extendicare REIT began trading on the TSX on November 10, 2006.

C. Disclose the percentage of trading in the subject class of securities that occurred in the identified jurisdiction or jurisdictions of your foreign listing as of a recent 12-month period.

For the 12-month period from June 1, 2006 to May 31, 2007 the percentage of trading in Subordinate Voting Shares of Extendicare Inc. and the Trust Units of Extendicare REIT on the TSX was 98.97% of the worldwide volume traded during that period (see Exhibit 99.3).

C. For the same recent 12-month period, disclose the average daily trading volume of the subject class of securities in the United States as a percentage of the average daily trading volume for that class of securities on a worldwide basis. For the 12-month period from June 1, 2006 to May 31, 2007, the percentage of the average daily trading volume of the Subordinate Voting Shares of Extendicare Inc. and the Trust Units of Extendicare REIT on a worldwide basis that were traded in the United States was 1.03% (see Exhibit 99.3).
