NEWS RELEASE

**TEEKAY ANNOUNCES \$250 MILLION INCREASE
TO SHARE REPURCHASE PROGRAM**

Nassau, The Bahamas, July 27, 2005 Teekay Shipping Corporation (*Teekay* or *the Company*) today announced that its Board of Directors has authorized a \$250 million increase to the existing share repurchase program.

In January 2005, the Company completed a three million share buyback program for a total cost of approximately \$129 million. On April 20, 2005, the Company announced an additional \$225 million share repurchase program, of which approximately \$170 million (or 3.9 million shares) had been repurchased as of July 26, 2005. With \$55 million remaining under the existing share repurchase program, the \$250 million increase announced today results in a total remaining share repurchase authorization of approximately \$305 million. If the remaining \$305 million repurchase program is completed at an average price of \$45.01 per share (Teekay's closing share price on July 26, 2005), the Company will have repurchased over 16%, or approximately \$604 million, of its outstanding shares since November 2004 when the first share repurchase program was announced.

Shares are expected to be repurchased in the open market at times and prices considered appropriate by the Company. The timing of any purchases and the exact number of shares to be purchased will be dependent on market conditions.
