Revocation of Proxy

Your presence at the Annual Meeting will not automatically revoke your proxy. However, you may revoke a proxy at any time prior to its exercise by:

- >> Delivering a written notice of revocation to Atlantic BancGroup; or
- >> Delivering a duly executed proxy bearing a later date to Atlantic BancGroup; or,
- >> Attending the Annual Meeting and choosing to vote in person.

Voting Procedures

Our Articles of Incorporation do not provide for cumulative voting. Under the Florida Business Corporation Act ("Act"), directors are elected by a plurality of the votes cast at a meeting at which a quorum is present. Our Bylaws provide that a majority of shares entitled to vote and represented in person or by proxy at a shareholder meeting constitutes a quorum. Therefore, each shareholder of record on the record date has the right to vote, in person or by proxy, the number of shares owned by him or her for as many director nominees as there are directors to be elected. For example, if you own five shares, you may vote a maximum of five shares for each director to be elected.

Other matters are approved if affirmative votes cast for a proposal exceed the votes cast against that proposal at a meeting at which a quorum is present, unless a greater number of affirmative votes or voting by classes is required by the Act or our Articles of Incorporation. Abstentions and broker non-votes have no effect under the Act.

If your shares are held in "street name," under certain circumstances your brokerage firm may vote your shares. Brokerage firms have authority to vote their customers' shares on certain "routine" matters, including the election of directors. When a brokerage firm votes its customers' shares on routine matters, these shares are also counted for purposes of establishing a quorum to conduct business at the meeting. A brokerage firm cannot vote its customers' shares on non-routine matters. Accordingly, these shares are not counted as votes against a non-routine matter, but rather are not counted at all for these matters. There are no non-routine matters to vote upon at this Annual Meeting.

Edgar Filing: ESPEY MFG & ELECTRONICS CORP - Form DEF 14A

The close of business on February 27, 2004, has been fixed by the Board of Directors as the "record date" for determination of shareholders entitled to notice of, and to vote at, the Annual Meeting, and any adjournment thereof. On the record date, there were 1,247,516 shares of Atlantic BancGroup common stock outstanding which were held by approximately 650 shareholders.

MARKET INFORMATION

Our common stock is quoted on the NASDAQ SmallCap Market under the symbol "ATBC". Our primary market maker in the stock is Advest, Inc. BOARD OF DIRECTORS MEETINGS

During the year ended December 31, 2003, Atlantic BancGroup's Board of Directors held four regular and two special meetings. All directors attended at least 75% of the total meetings of the Board of Directors and any committees on which he or she served, except Mr. Dubberly, who attended 70% and Messrs. Cervone and Wolfson, who each attended 67%. Atlantic BancGroup currently does not pay directors' fees. The Directors of the Bank receive \$750 for each Board meeting. Members of the Loan Committee receive \$250 per month for serving on the Committee.

COMMITTEES OF THE BOARD OF DIRECTORS

General

Atlantic BancGroup does not have a standing Nominating or Compensation Committee. The Board of Directors acts as a Nominating Committee for the annual selection of nominees for the election of directors. While the Board of Directors will consider nominees recommended by shareholders, it has not actively solicited such recommendations nor has it to date established any director nominee criteria or shareholder nominee procedures. The Board of Directors is reviewing the requirements of new Securities and Exchange Commission rules to determine if a Nominating Committee should be established and to set forth Atlantic BancGroup's position regarding shareholder nominations.

In 2003, Atlantic BancGroup had only one standing committee, the Audit Committee, which was comprised of the same members that serve on the Bank's Audit Committee. Atlantic BancGroup's Audit Committee met four times during the year. The standing committees of the Bank are the: Audit Committee, Loan Committee, Asset/Liability/Investment Committee, and Compensation Committee. The following table lists the members of each Committee in 2003.

REPORT OF THE AUDIT COMMITTEE

The audit functions of the Audit Committee are focused on three areas:

- o The adequacy of Atlantic BancGroup's and the Bank's internal controls and financial reporting process and the reliability of Atlantic BancGroup's and the Bank's financial statements.
- o The performance of Atlantic BancGroup's and the Bank's internal auditors and the independence and performance of Atlantic BancGroup's and the Bank's independent auditors.
- o Atlantic BancGroup's and the Bank's compliance with legal and regulatory requirements.

The Audit Committee met with management periodically to consider the adequacy of Atlantic BancGroup's and the Bank's internal controls and the objectivity of their financial reporting. These matters were discussed with Atlantic BancGroup's and the Bank's independent auditors.

The Audit Committee met with the independent auditors without management present. The independent auditors have unrestricted access to the members of the Audit Committee. The Audit Committee also recommends to the Board the appointment of the independent auditors and periodically reviews their performance, fees and independence from management.

The Board of Directors has determined that none of the members of the Audit Committee has a relationship to Atlantic BancGroup or the Bank that may interfere with their independence from Atlantic BancGroup or the Bank and their management.

Ms. Robin Scheiderman, a Certified Public Accountant, with extensive auditing experience, has the requisite financial expertise to qualify as an "audit committee financial expert" as defined by Securities and Exchange Commission Rules. Accordingly, the Board has designated her to hold that position.

Management has primary responsibility for Atlantic BancGroup's and the Bank's financial statements and the overall reporting process, including the system of internal controls. The independent auditors audit the annual financial statements prepared by management, express an opinion as to whether those financial statements fairly present the financial position, results of

Edgar Filing: ESPEY MFG & ELECTRONICS CORP - Form DEF 14A

operations and cash flows of Atlantic BancGroup and the Bank in conformity with accounting principles generally accepted in the United States of America and discuss with the Audit Committee any issues they believe should be raised or addressed. The Audit Committee monitors these processes, relying without independent verification, on the information provided to the Audit Committee and on the representations made by management and the independent auditors.

This year, the Audit Committee reviewed Atlantic BancGroup's and the Bank's audited financial statements as of, and for, the fiscal year ended December 31, 2003, and met with both management and independent auditors of Atlantic BancGroup and the Bank to discuss those

4

financial statements. Management has represented to the Audit Committee that the financial statements were prepared in accordance with accounting principles generally accepted in the United States of America.

The Audit Committee has received from, and discussed with, Stevens, Powell & Company, P.A. the written disclosure and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). These items relate to that firm's independence from Atlantic BancGroup and the Bank. The Audit Committee also discussed with Stevens, Powell & Company, P.A. any matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that Atlantic BancGroup's audited financial statements be included in Atlantic BancGroup's and the Bank's annual report on Form 10-KSB for the fiscal year ended December 31, 2003. The Audit Committee met four times in 2003. No Audit Committee member attended less than 75% of the meetings.

Asset/Liability/Investment Committee

The Asset/Liability/Investment Committee at the Bank establishes the asset and liability management policies of the Bank, monitors and sets limitations for interest-rate risk and reviews asset and liability reports relating to Atlantic BancGroup's balance sheet mix. The Committee met four times during the year. No member of the Asset/Liability/Investment Committee attended less than 75% of Committee meetings.

Loan Committee

The Loan Committee of the Bank meets as required to act upon significant loan requests made to the Bank. The Committee met 29 times during the year. No Loan Committee member attended less than 75% of Committee meetings, except Mr. Wolfson who attended 72% of the meetings.

Compensation Committee

The Bank's Compensation Committee meets as required to consider the adequacy of the Bank's compensation policies in meeting the goals of the Bank. The Compensation Committee met once in 2003, with all members in attendance.

Loans made to these individuals are governed under the provisions of Section 22(h) of the Federal Reserve Act. Section 22(h) requires that any loans made by the Bank to such individuals, or to any related interest of such individuals, must: (i) be on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with non-affiliated parties and; (ii) not

involve more than the normal risk of repayment or present other unfavorable features. These restrictions do not affect preferential loans to full-time employees who are not directors or executive officers of Atlantic BancGroup or the Bank. Atlantic BancGroup has no loans outstanding to its directors or officers. As of December 31, 2003, the Bank's total loans to directors, executive officers and principal shareholders of Atlantic BancGroup and the Bank was \$2,568,000.

PROPOSAL II. RATIFICATION OF THE APPOINTMENT OF THE INDEPENDENT AUDITOR FOR THE FISCAL YEAR ENDING DECEMBER 31, 2004

Following consultation with the Audit Committee, the Board of Directors intends to retain the accounting firm of Stevens, Powell & Company, P.A. ("Stevens, Powell"), as the independent auditors for Atlantic BancGroup and the Bank for the fiscal year ending December 31, 2004. A representative from the firm is expected to be present at the Annual Meeting to make a statement and to respond to shareholder questions.

Audit Fees: The aggregate fees billed for professional services by Stevens, Powell, in connection with the audit of the annual financial statements and the reviews of the financial statements included in Atlantic BancGroup's quarterly filings with the Securities and Exchange Commission for the fiscal years ended December 31, 2002, and December 31, 2003, were \$70,717 and \$89,870, respectively.

Audit-Related Fees: In 2002 and 2003, Stevens, Powell also billed Atlantic BancGroup \$542 and \$412, respectively for fees reasonably related to the performance of its audit and reviews of financial statements. Such fees included travel and postage and courier related fees.

Tax Fees: In 2002 and 2003, Stevens, Powell also billed Atlantic BancGroup \$7,443 and \$4,160, respectively for tax compliance and advice, including the preparation of Atlantic BancGroup's corporate tax returns.

All Other Fees: In addition to those fees described above, Stevens, Powell also billed Atlantic BancGroup \$1,900 and \$1,000 in 2002 and 2003, respectively. Such fees were for consultation related to branch profitability, director fees,

Edgar Filing: ESPEY MFG & ELECTRONICS CORP - Form DEF 14A

and budget analysis for 2002 and attendance at strategic planning session and related consultation for 2003.

In all instances, Stevens, Powell performance of those services was pre-approved by Atlantic BancGroup's Audit Committee, except for the category of All Other Fees, which is less than 5% of the total fees, and in 2003 was directly related to an invitation to attend a meeting of Atlantic BancGroup's Board of Directors.

In order to be adopted, this item must be approved by the holders of a majority of the outstanding shares of Atlantic BancGroup's common stock present or represented by proxy and entitled to vote at the Annual Meeting. If the shareholders do not vote in favor of the appointment of Stevens, Powell, the Board of Directors will consider the selection of other auditors.
