PROXY STATEMENT FOR THE IEH CORPORATION

ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD ON THURSDAY, OCTOBER 23, 2014

This proxy statement and the accompanying form of proxy have been mailed on or about Tuesday, September 23, 2014 to the holders of record on Monday, September 15, 2014 (the "Record Date") of the common stock, par value \$.01 per share ("Common Stock") of IEH CORPORATION, a New York corporation ("IEH" or the "Company") in connection with the solicitation of proxies by the Board of Directors of IEH for use at the Annual Meeting of Shareholders to be held on Thursday, October 23, 2014 at 10:00 a.m., New York time, at IEH's offices at 140 58th Street, Suite 8E, Brooklyn, New York 11220, and at any adjournment thereof.

SOLICITATION, VOTING AND REVOCABILITY OF PROXIES

Shares of IEH's Common Stock represented by an effective proxy in the accompanying form will, unless contrary instructions are specified in the proxy, be voted:

1. **FOR** the election of the ONE (1) person nominated by the Board of Directors to serve as Class I Director (Proposal 1).
2. **FOR** the resolution approving the compensation of the named executive officers, as disclosed in this proxy statement pursuant to the compensation disclosure rules of the SEC (Proposal 2).
3. **FOR** the recommendation with respect to the frequency for shareholder approval of an advisory vote on executive compensation to be held every year (Proposal 3).

4. **FOR** the ratification of Jerome Rosenberg, CPA P.C., as our independent registered public accounting firm for the fiscal year ending March 27, 2015 (Proposal 4);

5. **FOR** such other matters as may properly come before the Annual Meeting (including any vote to adjourn the meeting) or any adjournment thereof and for which the persons named on the enclosed proxies determine, in their sole discretion, to vote in favor.

Any such proxy may be revoked at any time before it is voted. A shareholder may revoke this proxy by notifying the Secretary of IEH either in writing prior to the Annual Meeting or in person at the Annual Meeting, by submitting a proxy bearing a later date or by voting in person at the Annual Meeting.

On September 15, 2014, the Record Date, there were issued and outstanding 2,303,468 shares of the Company's Common Stock. Only holders of Common Stock of record at the close of business on the Record Date are entitled to receive notice of and to vote at the Annual Meeting and postponement thereof. Each share of Common Stock is entitled to one vote on each matter submitted to shareholders.

Quorum

The presence of a majority of the holders of the outstanding shares of Common Stock entitled to vote, in person or represented by proxy, will constitute a quorum for the transaction of business. Shares are counted as present at the Annual Meeting if you are present in person at the Annual Meeting, or if you have properly submitted a proxy. In addition, abstentions and broker non-votes are counted as present at the Annual Meeting for the purpose of determining the presence of a quorum. A "broker non-vote" occurs when a broker, bank or other nominee holding shares for a beneficial owner in "street name" does not vote on a particular proposal because the broker, bank or other nominee does not have discretionary voting power with respect to that proposal and has not received voting instructions from the beneficial owner.

Voting Required

Election of Directors (Proposal 1) is by a plurality of the votes cast at a meeting of the shareholders by the holders of shares entitled to vote in the election with the one (1) nominee receiving the highest vote totals to be elected as a Class I Director of IEH. Broker non-votes and properly executed proxies marked "WITHHOLD" with respect to the election of a director will not be voted with respect to the director indicated. Votes that are withheld and broker non-votes will not affect the outcome of the election of directors.

Table of Contents

The affirmative vote of a majority of the shares of Common Stock represented in person or by proxy and entitled to vote is required to approve the advisory vote on executive compensation in Proposal 2. Because this vote is advisory and is not binding on our Board of Directors, the directors will take into account the outcome of the vote when considering future executive compensation arrangements as it deems appropriate. Abstentions will have the same effect as voting against the resolution. Because broker non-votes are not counted as votes for or against this resolution, they will have no effect on the outcome of the vote.

With respect to Proposal 3, the advisory vote on the frequency of future advisory votes on executive compensation, the proxy card provides spaces for a shareholder to vote for the option of every one year, two years or three years as the frequency with which shareholders will have an advisory vote on executive compensation, or to abstain. If none of the three frequency options receives the vote of the holders of a majority of the votes cast, we will consider the frequency option (one year, two years or three years) receiving the highest number of votes cast by shareholders to be the frequency that has been recommended by shareholders. This vote is advisory only and not binding on the company. The Board of Directors may decide that it is in the best interest of our shareholders and the Company to hold future executive compensation advisory votes more or less frequently, but in no case less frequently than every three years. Abstentions and broker non-votes will have no effect on the outcome of the vote for this proposal.

The ratification of the appointment of Jerome Rosenberg CPA, P.C. as our independent registered public accounting firm for fiscal year 2015 (Proposal 4) requires the affirmative vote by holders of at least a majority of the shares of IEH's common stock who attend the Annual Meeting in person or are represented at the meeting by proxy and who cast votes. Abstentions will have the effect of a vote against this proposal, while broker non-votes will not be taken into account in determining the outcome of the vote on this proposal.

Any other matter properly submitted to the shareholders will require the affirmative vote of a majority of the shares represented and entitled to vote, in person or by proxy, at the Annual Meeting, unless a greater percentage is required either through law or by our amended certificate of incorporation or bylaws. If you "abstain" from voting on any of these matters, your abstention will be considered as present and entitled to vote for purposes of determining the presence of a quorum, but will have the effect of a vote against the particular matter. In addition, the proxy confers discretionary authority to the persons named in the proxy authorizing those persons to vote, in their discretion, on any other matters properly presented at the Annual Meeting of shareholders. The Board of Directors is not currently aware of any such other matters. If any other matter does properly come before the Annual Meeting, the Board of Directors intends that the persons named in the enclosed form of proxy will vote on such matter in accordance with their judgment. The persons named as proxies may propose one or more adjournments of the Annual Meeting to permit further solicitations of proxies or for other reasons. Any such adjournment would require the affirmative vote of the majority of the outstanding shares present in person or represented by proxy at the Annual Meeting.

Manner of Voting

Shareholders whose shares of Common Stock are registered in their own names may vote by mailing a completed proxy card as an alternative to voting in person at the Annual Meeting. Instructions for voting by mail are set forth on the enclosed proxy card and are summarized below. For shares held in street name, please refer to the voting instruction card included by your broker, bank or other nominee. The Company does not offer voting by telephone or via the Internet. To vote by mail, please submit your proxy by signing your proxy card and mailing it in the enclosed, postage-prepaid envelope. If you choose to vote in person, you can attend the Annual Meeting and cast your vote in person.

If you are a registered holder, your shares will be voted in the manner that you indicate in your proxy. The proxy card provides spaces for you to vote "FOR," or to "WITHHOLD" your authority to vote your shares for the nominee for Class I Director (Proposal 1). The proxy card also provides spaces for you to vote "FOR" or "AGAINST" or "ABSTAIN" for voting

in connection with Proposals 2 and 4. For Proposal 3, the proxy card provides spaces for a shareholder to vote for the option of every one year, two years or three years as the frequency with which shareholders will have an advisory vote on executive compensation, or to abstain. If you sign and return your proxy card but do not specify how you want to vote your shares, the persons named as proxy holders on the proxy card will vote your shares in accordance with the recommendations of the Board of Directors as described below under the caption "Recommendations of the Board of Directors." If any other business properly comes before the shareholders for a vote at the Annual Meeting, or at any adjournments or any postponements of the meeting, your shares will be voted according to the discretion of the holders of the proxy.

Table of Contents

Shares Held in Street Name

If you hold your shares in street name, you should follow the directions provided by your broker, bank or other nominee regarding how to instruct your broker or nominee. If you provide specific voting instructions, your shares will be voted as you instruct. If you sign but do not provide instructions, your shares will be voted as described below. Many banks and brokerage firms have a process for their beneficial holders to provide instructions over the phone or via the Internet. If Internet or telephone voting is unavailable from your bank or brokerage firm, please complete and return the enclosed voting instruction card in the addressed, postage paid envelope provided. If you hold your shares in “street name” through a broker, bank or other nominee, then the broker who holds your shares has the authority under the applicable stock exchange rules to vote on certain items when they have not received instructions from you. If you hold your shares in street name it is critical that you cast your vote if you want it to count in the Election of Directors (Proposal 1) and with respect to Proposal 2 (advisory vote on executive compensation) and Proposal 3 (advisory vote on the frequency of future advisory votes on executive compensation). In prior years, if you held your shares in street name and you did not indicate how you wanted your shares voted in the Election of Directors, your bank, broker or other nominee was allowed to vote those shares on your behalf in the Election of Directors as they felt appropriate. Recent changes in the proxy rules and regulations were made to take away the ability of your bank, broker or other nominee to vote your uninstructed shares in the Election of Directors on a discretionary basis. Thus, if you hold your shares in street name and you do not instruct your bank, broker or other nominee how to vote in the Election of Directors, no votes will be cast on your behalf. Your bank, broker or other nominee will, however, continue to have discretion to vote any uninstructed shares on the ratification of the appointment of the Company’s independent registered public accounting firm (Proposal 4).

Revocation of Proxies

Any proxy may be revoked at any time before it is voted at the Annual Meeting. A shareholder may revoke a proxy by submitting a proxy bearing a later date or by notifying the Secretary of IEH either in writing prior to the Annual Meeting or in person at the Annual Meeting. Revocation is effective only upon receipt of such notice by the Secretary of IEH. Shareholders who hold their shares through a broker, bank or other nominee and wish to vote at the Annual Meeting must bring to the meeting a letter from the broker, bank or other nominee confirming their beneficial ownership of the shares to be voted.

Solicitation of Proxies

IEH will bear the cost of the solicitation of proxies by the Board of Directors. The Board of Directors may use the services of its executive officers and certain directors to solicit proxies from shareholders in person and by mail, telegram and telephone. Arrangements may also be made with brokers, fiduciaries, custodians and nominees to send proxies, proxy statements and other material to the beneficial owners of IEH’s Common Stock held of record by such persons, and IEH may reimburse them for reasonable out-of-pocket expenses incurred by them in so doing. Rules adopted by the Securities and Exchange Commission (“SEC”) allow companies to send shareholders a notice of Internet availability of proxy materials, rather than mail them full sets of proxy materials. This year, we chose to mail full packages of materials to our shareholders. However, in the future we may take advantage of this new distribution

option. If, in the future, we choose to send such notices, they would contain instructions on how shareholders can access our notice of annual meeting and proxy statement via the Internet. It would also contain instructions on how shareholders could request to receive their materials electronically or in printed form on a one-time or ongoing basis. For this year's Annual Meeting, the Company does not offer voting by telephone or via the Internet.

Annual Report

The Annual Report to Shareholders on Form 10-K for the fiscal year ended March 28, 2014, including financial statements, accompanies this proxy statement. Any reference in this proxy statement to the "year" or the "fiscal year" means IEH's fiscal year commencing March 30, 2013 to and including March 28, 2014, unless otherwise specifically indicated. This proxy statement and the Annual Report to Shareholders for the fiscal year ended March 28, 2014, are available at: <http://www.cfpproxy.com/0795>

Recommendation of the Board of Directors

Table of Contents

The recommendations of our Board of Directors are set forth in the description of the matters to be acted on in this proxy statement. In summary, our Board of Directors recommends a vote:

FOR election of the one (1) nominee for Class I Director (See Proposal 1);

FOR the resolution approving the compensation of the named executive officers, as disclosed in this proxy statement pursuant to the compensation disclosure rules of the SEC (See Proposal 2);

FOR the recommendation of an advisory vote regarding the frequency of shareholder approval on executive compensation every year (See Proposal 3); and

FOR the ratification of Jerome Rosenberg CPA, P.C. as our independent registered public accounting firm for fiscal year 2015 (See Proposal 4).

With respect to any other matter that properly comes before the Annual Meeting, including any motion to adjourn the Annual Meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, they will vote in their own discretion. If you sign and return your proxy card but do not specify how you want to vote your shares, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board of Directors.

QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS

Why am I receiving this proxy statement?

This proxy statement describes the proposal on which our Board of Directors of IEH Corporation would like you, as a shareholder, to vote at the Annual Meeting of the Shareholders of the Company, which will take place on Thursday, October 23, 2014 at 10:00 a.m. at the Company's offices. It also gives you information on this proposal so that you can make an informed decision. We intend to mail this proxy statement and accompanying proxy card on or about Tuesday, September 23, 2014 to all shareholders of record entitled to vote at the Annual Meeting as of Monday, September 15, 2014, the Record Date.

In this proxy statement, we refer to IEH Corporation as "IEH," the "Company," "we," "us" or "our."

Who can vote at the Annual Meeting of Shareholders?

Shareholders who owned shares of Common Stock on Monday, September 15, 2014, the Record Date, may attend and vote at the Annual Meeting. Each share is entitled to one vote. There were 2,303,468 shares of the Company's Common Stock outstanding on Monday, September 15, 2014. All shares of Common Stock shall vote together as a single class. Information about the shareholdings of our directors and executive officers is contained in the section of this proxy statement entitled "**Voting Securities and Security Ownership of Certain Beneficial Owners and Management**" on pages 20 through 21 of this proxy statement.

What is the proxy card?

The proxy card enables you to appoint Michael Offerman, our President and Chief Executive Officer, and Robert Knoth, our Chief Financial Officer and Secretary, as your representatives at the Annual Meeting. By completing and returning the proxy card, you are authorizing each of these persons to vote your shares at the Annual Meeting in accordance with your instructions on the proxy card. This way, your shares will be voted whether or not you attend the Annual Meeting. Even if you plan to attend the Annual Meeting, it is a good idea to complete and return your proxy card before the Annual Meeting date just in case your plans change. If a proposal comes up for vote at the Annual Meeting that is not on the proxy card, the proxies will vote your shares, under your proxy, according to their best judgment.

What am I voting on?

At the Annual Meeting you are being asked to vote on four (4) specific items as follows:

First is the election of Michael Offerman as Class I Director on the Board of Directors of IEH. Mr. Offerman is currently a Director of the Company.

Second, you are being asked to vote on and approve a resolution approving the compensation of the named executive officers, as disclosed in this proxy statement pursuant to the compensation disclosure rules of the SEC.

Table of Contents

Third, you are being asked to vote on and approve the recommendation of the Board of Directors regarding the frequency for a non-binding advisory vote by shareholders on executive compensation to be taken every year.

Fourth, at the Annual Meeting you are also being asked to ratify Jerome Rosenberg CPA, P.C. as our independent registered public accounting firm for the fiscal year ending March 27, 2015.

We are unaware of any other possible business to be addressed at the Annual Meeting; however, we will also transact any other business that properly comes before the Annual Meeting in accordance with our By-Laws.

How does the Board of Directors recommend that I vote?

Our Board of Directors unanimously recommends a vote FOR election of the nominee for Class I Director (See Proposal 1).

Our Board of Directors unanimously recommends a vote FOR the resolution approving the compensation of the named executive officers, as disclosed in this proxy statement pursuant to the compensation disclosure rules of the SEC (See Proposal 2).

Our Board of Directors unanimously recommends regarding the frequency for shareholder approval that a non-binding advisory vote by shareholders on executive compensation be taken every year (See Proposal 3).

Our Board of Directors unanimously recommends a vote FOR the ratification of Jerome Rosenberg CPA, P.C. as our independent registered public accounting firm for fiscal year 2015 (See Proposal 4).

With respect to any other matter that properly comes before the Annual Meeting, the proxy holders (Michael Offerman and Robert Knoth) will vote as recommended by the Board of Directors, or if no recommendation is given, they will vote in their own discretion. If you sign and return your proxy card but do not specify how you want to vote your shares, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board of Directors.

What is the difference between holding shares as a shareholder of record and as a beneficial owner?

Most of our shareholders hold their shares beneficially in an account at a brokerage firm, bank or other nominee holder, rather than holding share certificates in their own name. As summarized below, there are some distinctions between shares held record and those owned beneficially.

Shareholder of Record

If on Monday, September 15, 2014, the Record Date, your shares were registered directly in your name with our transfer agent, Registrar and Transfer Company, you are a shareholder of record who may vote at the Annual Meeting, and we are sending these proxy materials directly to you. As the shareholder of record, you have the right to direct the voting of your shares by returning the enclosed proxy card to us or to vote in person at the Annual Meeting. Whether or not you plan to attend the Annual Meeting, please complete, date and sign the enclosed proxy card to ensure that your vote is counted.

Beneficial Owner

If on Monday, September 15, 2014, the Record Date, your shares are held in an account at a brokerage firm or at a bank or other nominee holder, you are considered the beneficial owner of shares held “in street name,” and these proxy materials are being forwarded to you by your broker, bank or other nominee holder who is considered the shareholder of record for purposes of voting at the Annual Meeting. As the beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote your shares and to attend the Annual Meeting. If your shares are registered in the name of a bank, other nominee holder or brokerage firm you will receive instructions from your holder of record that must be followed in order for the record holder to vote the shares per your instructions. If you provide specific voting instructions your shares will be voted as you instruct. If you sign but do not provide instructions, your shares will be voted as described below. Many banks and brokerage firms have a process for their beneficial holders to provide instructions over the phone or via the Internet. If Internet or telephone voting is unavailable from your bank or brokerage firm, please complete and return the enclosed voting instruction card in the addressed, postage paid envelope provided. If you hold your shares “in street name” through a broker, bank or other nominee holder, then the broker, bank or other nominee holder who holds your shares has the authority under the applicable stock exchange rules to vote on certain items when they have not received instructions from you. If you hold your shares “in street name” it is critical that you cast your vote, if you want it to count in the election of directors (Proposal 1) and with respect to Proposal 2 (advisory vote on executive compensation) and Proposal 3 (advisory vote on the frequency of future advisory votes on executive compensation). In the prior years, if you held your shares “in street name” and you did not indicate how you wanted your shares voted in the election of directors, your bank, broker or other nominee was allowed to vote your shares on your behalf in the election of directors as they felt appropriate. Recent changes in regulation were made to take away the ability of your bank, broker or other nominee to vote your uninstructed shares in the election of directors on a discretionary basis. Thus, if you hold your shares “in street name” and you do not instruct your bank, broker or other nominee how to vote in the election of directors, no votes will be cast on your behalf. Your bank, broker or other nominee will, however, continue to have discretion to vote your uninstructed shares on the ratification of the appointment of the Company’s independent registered public accounting firm (Proposal 4). **If you are a beneficial owner, please complete the voting instruction card and return it as instructed to your brokerage firm, bank or other nominee holder so your shares of Common Stock will be**

counted toward a quorum and voted at the Annual Meeting.

Table of Contents

How do I vote?

There are two methods to vote at the Annual Meeting – either by mail or by attending the meeting in person. The Company does not offer voting by telephone or via the Internet.

(1) You may vote by mail.

You may vote by mail by completing, signing and dating your proxy card and returning it in the enclosed, postage-paid and addressed envelope. If you mark your voting instructions on the proxy card, your shares will be voted:

as you instruct; and

according to the best judgment of Messrs. Offerman or Knoth if a proposal comes up for a vote at the Annual Meeting that is not on the proxy card.

If you return a signed card, but do not provide voting instructions, your shares will be voted:

- to approve the election of the nominated person as a Class I Director to the Company's Board of Directors;
- to approve the resolution approving the compensation of the named executive officers, as disclosed on this proxy statement pursuant to the compensation disclosure rules of the SEC;
- to approve the recommendation of the Board of Directors regarding the frequency for shareholder approval that a non-binding advisory vote on executive compensation to be taken every year;
- to ratify the appointment of the Company's independent registered public accounting firm for the fiscal year ending March 27, 2015; and

according to the best judgment of Messrs. Offerman and Knoth if a proposal comes up for a vote at the Annual Meeting that is not on the proxy card.

(2) You may vote in person at the Annual Meeting.

We will pass out written ballots to anyone who wants to vote at the Annual Meeting. However, if you hold your shares in street name, you must bring to the Annual Meeting a valid proxy from the broker, bank or other nominee holding your shares that confirms your beneficial ownership of the shares and gives you the right to vote your shares. Holding shares in street name means you hold them through a brokerage firm, bank or other nominee, and therefore the shares are not held in your individual name. We encourage you to examine your proxy card closely to make sure you are voting all of your shares in the Company.

What does it mean if I receive more than one proxy card?

You may have multiple accounts at the transfer agent and/or with stockbrokers. Please sign and return all proxy cards to ensure that all of your shares are voted.

What if I change my mind after I return my proxy?

You may revoke your proxy and change your vote at any time before the polls close at the Annual Meeting. You may do this by:

8

Table of Contents

· sending a written notice to the Secretary of the Company, Mr. Robert Knoth, stating that you would like to revoke your proxy of a particular date; and

· signing another proxy card with a later date and returning it before the polls close at the Annual Meeting, or attending the Annual Meeting and voting in person.

Please note, however, that if your shares are held of record by a brokerage firm, bank or other nominee, you must instruct your broker, bank or other nominee that you wish to change your vote by following the procedures on the voting form provided to you by the broker, bank or other nominee. If your shares are held in street name, and you wish to attend the Annual Meeting and vote at the Annual Meeting, you must bring to the Annual Meeting a legal proxy from the broker, bank or other nominee holding your shares, confirming your beneficial ownership of the shares and giving you the right to vote your shares.

Will my shares be voted if I do not sign and return my proxy card?

If your shares are held in street name or in your name and you do not sign and return your proxy card, your shares will not be voted unless you vote in person at the Annual Meeting. Therefore, we urge you to fully execute your proxy card and return it so your vote will be counted.

How are votes counted?

You may vote “For” or “Withhold Authority” on electing the nominated person to be Class I Director on the Board of Directors (Proposal 1), and “For” or “Against” or “Abstain” with respect to the: (i) non-binding advisory vote on the compensation of our named executive officers (Proposal 2); (ii) non-binding advisory vote on the frequency of future advisory votes on the compensation of our named executive officers (Proposal 3); and (iii) ratification of Jerome Rosenberg CPA, P.C., as our independent registered public accounting firm for fiscal year 2015 (Proposal 4).

How many shareholders are needed either in person or by proxy to hold the Annual Meeting?

To hold the Annual Meeting and conduct business, a majority of the Company’s outstanding shares of Common Stock entitled to vote, in person or represented by proxy, must be present at the Annual Meeting. This is called a quorum.

What happens if I don't indicate how to vote my proxy?

If you just sign your proxy card without providing further instructions, your shares will be counted as a “**FOR**” vote for the election of the person nominated to be Class I Director (See Proposal 1). Your shares will also be counted as a “**FOR**” vote: (i) to approve the resolution approving the non-binding advisory vote on the compensation of the named executive officers (See Proposal 2); (ii) to approve the recommendation of the Board of Directors regarding the frequency of shareholder approval that a non-binding advisory vote on executive compensation to be taken every year (See Proposal 2); and (iii) to ratify the appointment of the Company's independent registered public accounting firm for the fiscal year ending March 27, 2015 (See Proposal 4).

PROPOSAL 1

ELECTION OF DIRECTORS

Board Structure and Nominees

IEH's Certificate of Incorporation provides that the directors of IEH are to be elected in two (2) classes; each class to be elected to a staggered two (2) year term and until their successors are duly elected and qualified. The Board of Directors currently consists of three (3) members divided into two (2) classes with one Class I Member and two Class II Members. The Bylaws of IEH provide that the Board shall consist of between three and eleven persons, and the Board has currently set the number of persons on the Board at four (4) members. The person nominated for election to IEH's Board of Directors at the Annual Meeting is Michael Offerman who will serve, if elected, as Class I Director of the Board. The nominee currently serves on the Board of Directors.

The affirmative vote of a plurality of the votes cast at a meeting of the shareholders by the holders of shares of Common Stock entitled to vote in the election is required to elect each Director. All proxies received by the Board of Directors will be voted for the election as Directors of the nominee as indicated below if no direction to the contrary is given. In the event that the nominee is unable to serve, the proxy solicited hereby may be voted, in the discretion of the holder of the proxy, for the election of another person in his stead. The Board of Directors knows of no reason to anticipate this will occur. No family relationships exist between any Director or nominee for election as a Director.

Table of Contents

Officers, directors and greater than 10% shareholders are required under federal law to furnish the Company with copies of all Section 16(a) reports that they file. Based solely on review of the copies of such reports received by the Company, the Company believes that filing requirements applicable to officers, directors and 10% shareholders were complied with during the 2014 fiscal year.

Board Committees and Compensation, Board Meetings, and Director Independence

Our Board of Directors currently consists of three individuals. We believe that two (2) of our directors, Allen Gottlieb and Gerald Chafetz, would both qualify as “independent directors” within the meaning of the term as applied by the Nasdaq Stock Market Rule 4200(a)(15). Our shares of Common Stock are not listed on the Nasdaq Stock Market.

Since the Board of Directors has historically and will in the immediate future consist of only a small number of directors, we have not formed any Board committees. All matters relating to audit, compensation, nominations and corporate governance are considered and acted upon by our Board of Directors. Each Director receives an annual fee of \$2,000 for serving as a member of the Board of Directors each fiscal year.

During the fiscal year ended March 28, 2014, the Board of Directors held one meeting by telephone conference call. All Directors participated in such meeting of the Board. In addition, during the fiscal year ended March 28, 2014, the Board of Directors took action by unanimous written consent on two occasions.

Compensation Committee Interlocks and Insider Participation in Compensation Decisions

The Board does not have a Compensation Committee. There are no interlocks between our Directors and Directors of other companies.

Audit Committee and Audit Committee Financial Expert

We do not have an Audit Committee of the Board. Because of our small size of operations and because our shares of Common Stock are not traded on an exchange or on the Nasdaq Stock Markets, we are not required by law or applicable regulations to have an Audit Committee. The Board of Directors acts as a whole with respect to matters which might otherwise be acted upon by an Audit Committee. Further, as a result of our financial condition, and limited financial resources to obtain directors’ and officers’ insurance and to provide financial incentives to Board members, we have been unable to attract other qualified persons to serve on our Board.

Nominations to the Board of Directors

Given the small size of our operations, we do not have a separate Nominating Committee of our Board of Directors. As a result, our Board acts as a whole with respect to the consideration of additional candidates for service on the Board. The Board considers candidates for election to our Board of Directors, whether recommended by security holders or otherwise, in accordance with the following criteria, applicable to all candidates:

- Nominees shall have a reputation for integrity, honesty and adherence to high ethical standards;

Nominees should have demonstrated business acumen, experience and the ability to exercise sound judgment in matters that relate to current and long-term objectives of IEH and should be willing and able to contribute positively to our decision-making process;

Nominees should have a commitment to understand IEH and its industries and to regularly attend and participate in meetings of the Board and its committees;

Nominees should have the interest and ability to understand the sometimes conflicting interests of the various constituencies of IEH, which include shareholders, employees, customers, governmental units, creditors and the general public, and to act in the interests of all shareholders;

Nominees should not have, nor appear to have, a conflict of interest that would impair the nominees' ability to represent the interests of all of IEH shareholders and to fulfill the responsibilities of a director; and

Nominees shall not be discriminated against on the basis of race, religion, national origin, sex, disability or any other basis proscribed by applicable law.

Table of Contents

The renomination of existing directors is not viewed as automatic, but is based on continuing qualification under the criteria set forth above. In addition, the Board considers the existing directors' performance on the Board and any committee thereof. The Board also considers the backgrounds and qualifications of the directors considered as a group and our ability to attract other persons to serve in light of our industry, financial condition and financial resources. The Board desires to ensure that the Board, when taken as a whole, should provide a significant breadth of experience, knowledge and abilities that shall assist the Board in fulfilling its responsibilities. The one person standing for election at the Annual Meeting is being renominated by the Company.

Procedure to be Followed by Shareholders in Submitting Director Candidate Recommendations

Any shareholder who desires the Board to consider one or more candidates for nomination as a director should either by personal delivery or by United States mail, postage prepaid, deliver a written recommendation addressed to the Chairman of the Board of Directors, at 140 58th Street Building B, Suite 8E, Brooklyn, New York 11220, not later than: (i) with respect to an election to be held at an Annual Meeting of Shareholders, 120 days prior to the anniversary date of the immediately preceding Annual Meeting; and (ii) with respect to an election to be held at a special meeting of shareholders for the election of directors, the close of business on the 10th day following the date on which notice of such meeting is first given to shareholders. Each written recommendation should set forth: (a) the name and address of the shareholder making the recommendation and of the person or persons recommended; (b) the consent of such person(s) to serve as a director(s) of IEH if nominated and elected; (c) description of how the person(s) satisfy the general criteria for consideration as a candidate referred to above; and (d) a biography or similar information regarding the person being nominated as would satisfy the information requirements required under the rules and regulations of the SEC for inclusion in a proxy statement.

Communications with the Board of Directors

Any shareholder who wishes to communicate with the Board of Directors should send a written letter to the Secretary of the Company, at the Company's principal address. Letters may be directed to the Board as a whole or to individual members.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE ONE (1) NOMINEE FOR CLASS I DIRECTOR AS DESCRIBED IN THIS PROPOSAL 1.

PROPOSAL 2

ADVISORY VOTE ON EXECUTIVE COMPENSATION

We are providing our shareholders the opportunity to vote to approve, on an advisory, non-binding basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the SEC's rules. This proposal, which is commonly referred to as "say-on-pay," is required by the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, which added Section 14A to the Exchange Act. Section 14A of the Exchange Act also requires that shareholders have the opportunity to cast an advisory vote with respect to whether future executive compensation advisory votes will be held every one, two or three years, which is the subject of Proposal No. 3.

Our executive compensation programs are designed to attract, motivate, and retain our executive officers, who are critical to our success. Under these programs, our named executive officers are rewarded for the achievement of our near-term and longer-term financial and strategic goals and for driving corporate financial performance and stability. The programs contain elements of cash and equity-based compensation and are designed to align the interests of our executives with those of our shareholders.

The "Executive Compensation and Related Information" section of this proxy statement describes in detail our executive compensation programs and the decisions made by the Board of Directors with respect to the fiscal year ended March 27, 2015. As we describe in this section of the proxy statement, our executive compensation program incorporates a pay-for-performance philosophy that supports our business strategy and aligns the interests of our executives with our shareholders. The Board believes this link between compensation and the achievement of our near- and long-term business goals will help drive our performance over time. At the same time, we believe our program does not encourage excessive risk-taking by management.

Our Board of Directors is asking shareholders to approve a non-binding advisory vote on the following resolution:

RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the disclosure under "Executive Compensation and Related Information," the compensation tables and accompanying narrative disclosure, and any related material disclosed in this proxy statement, is hereby approved.

Table of Contents

As an advisory vote, this proposal is not binding. Neither the outcome of this advisory vote nor that of the advisory vote included in Proposal 3 overrules any decision by the Company or the Board of Directors, creates or implies any change to the fiduciary duties of the Company or the Board of Directors, or creates or implies any additional fiduciary duties for the Company or the Board of Directors. However, our Board of Directors value the opinions expressed by our shareholders in their vote on this proposal and will consider the outcome of the vote when making future compensation decisions for named executive officers.

Vote Required and Board Recommendation

On this non-binding matter, the affirmative vote of the holders of at least a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote is required to approve this Proposal 2. **THE BOARD OF DIRECTORS BELIEVES THAT VOTING FOR THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS IS IN THE BEST INTERESTS OF THE COMPANY AND ITS SHAREHOLDERS, AND RECOMMENDS A VOTE FOR THIS PROPOSAL 2.**

PROPOSAL 3

ADVISORY VOTE ON THE FREQUENCY OF FUTURE EXECUTIVE COMPENSATION ADVISORY VOTES

In Proposal 2, we are providing our shareholders the opportunity to vote to approve, on an advisory, non-binding basis, the compensation of our named executive officers. In this Proposal 3, we are asking our shareholders to cast a non-binding advisory vote regarding the frequency of future executive compensation advisory votes. Shareholders may vote for a frequency of every one, two, or three years, or may abstain.

After careful consideration, the Board of Directors believes that an executive compensation advisory vote should be held every year, and therefore our Board of Directors recommends that you vote for a frequency of every ONE YEAR for future executive compensation advisory votes. The Board of Directors believes that an annual executive compensation advisory vote will facilitate more direct shareholder input about executive compensation. An annual executive compensation advisory vote is consistent with our policy of reviewing our compensation program annually, as well as seeking frequent input from our shareholders on corporate governance and executive compensation matters. We believe an annual vote would be the best governance practice for our Company at this time.

The proxy card provides shareholders with the opportunity to choose among four options (holding the vote once every year, every two years or every three years, or abstaining). Therefore, the shareholder vote under this Proposal is not to approve the Board's recommendation but is instead a direct advisory vote on the particular frequency at which each shareholder would like future advisory votes on executive officer compensation to be conducted. You may cast your vote on your preferred voting frequency by choosing the option of one year, two years, three years or you may abstain

from voting on this Proposal 3.

The shareholder vote on this Proposal 3 is advisory and not binding on our Board or the Company and the Board of Directors will take into consideration the outcome of this vote in making a determination about the frequency of future executive compensation advisory votes. Accordingly, the Board may decide that it is in the best interests of our shareholders and the Company to hold the advisory vote to approve executive compensation more or less frequently, but no less frequently than once every three years, as required by the Dodd-Frank Act. However, unless our Board should decide otherwise, the particular frequency that receives the highest number of votes cast by shareholders will be the frequency for future advisory votes on executive compensation. In the future, we will propose an advisory vote on the frequency of the executive compensation advisory vote at least once every six calendar years as required by the Dodd-Frank Act.

Table of Contents

Vote Required and Board Recommendation

On this non-binding matter, a shareholder may vote to set the frequency of the “say on pay” vote to occur every year, every two years, or every three years, or the shareholder may vote to abstain. The choice among those four choices that receives the highest number of votes will be deemed the choice of the shareholders.

THE BOARD OF DIRECTORS BELIEVES THAT AN ANNUAL EXECUTIVE COMPENSATION ADVISORY VOTE IS IN THE BEST INTERESTS OF THE COMPANY AND ITS SHAREHOLDERS AND RECOMMENDS A VOTE FOR EVERY ONE YEAR ON THIS PROPOSAL 3.

PROPOSAL 4

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Jerome Rosenberg CPA, P.C. has served as our independent registered public accounting firm since April 1991. The Board of Directors has reappointed Jerome Rosenberg CPA, P.C. as our independent registered public accountants for the fiscal year ending March 27, 2015, and has further directed that management submit the selection of Jerome Rosenberg CPA, P.C. as our independent registered public accountants for ratification by the shareholders at the Annual Meeting. Shareholder ratification of the selection of Jerome Rosenberg CPA, P.C., our independent registered public accounting firm, is not required by our bylaws, New York corporate law or otherwise. The Board of Directors has elected to seek such ratification as a matter of good corporate practice. Should the shareholders fail to ratify the selection of Jerome Rosenberg CPA, P.C. as our independent registered public accounting firm, the Board of Directors will reconsider whether to retain that firm for fiscal year 2015. Even if the selection is ratified, the Board of Directors in its discretion may direct the appointment of a different independent registered accounting firm at any time during the year if they determine that such a change would be in the best interests of our shareholders and the Company. Representatives of Jerome Rosenberg CPA, P.C. are expected to be present at the Annual Meeting, will have an opportunity to make a statement if they so desire, and will be available to respond to appropriate questions.

Principal Accountant Fees and Services

The Board of Directors has reappointed Jerome Rosenberg CPA, P.C. as our independent registered public accounting firm for the fiscal year ending March 27, 2015. During the fiscal year ended March 28, 2014, the audit services provided by Jerome Rosenberg CPA, P.C. consisted of examination of financial statements, services relative to filings with the SEC, and consultation in regard to various accounting matters.

During the fiscal years ended March 28, 2014 and March 29, 2013, respectively, the total fees billed for professional audit, non-audit services and other services rendered by our independent registered public accounting firm were as follows:

Audit Fees. During the fiscal years ended March 28, 2014 and March 29, 2013, respectively, IEH paid an aggregate of \$50,000 and \$46,400, respectively, each year to Jerome Rosenberg, CPA, P.C. for fees related to the audit of its financial statements.

Audit Related Fees; Financial Systems Design and Implementation. During the fiscal years ended March 28, 2014 and March 29, 2013, respectively, no fees were paid to Jerome Rosenberg, CPA, P.C. with respect to financial systems design or implementation.

Tax Fees. During the fiscal years ended March 28, 2014 and March 29, 2013, respectively, the Company paid to Jerome Rosenberg, CPA, P.C. the sums of \$4,000 and \$4,000, respectively, for tax compliance, tax advice and tax planning services.

All Other Fees. During the fiscal years ended March 28, 2014 and March 29, 2013, respectively, IEH did not pay any other fees for services to its auditor.

The Board of Directors has determined that the services provided by Jerome Rosenberg, CPA, P.C. and the fees paid to it for such services during the fiscal year ended March 28, 2014 has not compromised the independence of Jerome Rosenberg, CPA, P.C. We do not have an Audit Committee of the Board. Because of our small size of operations and because we are not traded on an exchange or on the Nasdaq Stock Markets, we are not required by law or applicable regulations to have an Audit Committee. The Board acts as a whole with respect to all matters which might otherwise be acted upon by an Audit Committee.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has approved a rule governing the delivery of disclosure documents. This rule allows us to send a single copy of this proxy statement to any household at which two or more of our shareholders reside, if we believe that the shareholders are members of the same family. Some banks, brokers and other intermediaries may be participating in this practice of “householding” proxy statements and annual reports. This rule benefits both the Company and its shareholders as it reduces the volume of duplicate information received at a shareholder’s house and helps reduce our expenses. Each shareholder, however, will continue to receive individual proxy cards or voting instructions forms. Shareholders that have previously received a single set of disclosure documents may request their own copy by contacting their bank, broker or other nominee record holder. We will also deliver a separate copy of this proxy statement to any shareholder upon written request to Corporate Secretary, IEH Corporation, 140 58th Street, Suite 8E, Brooklyn, New York 11220.

SHAREHOLDER PROPOSALS

Presentation at Meeting. Rule 14a-4(c) under the Exchange Act provides that if a proponent of a proposal fails to notify us at the address below at least 45 days prior to the month and day of mailing of the prior year's proxy statement (or any date specified in an advance notice provision), then the management proxy holders will be allowed to use their discretionary voting authority with respect to the voting of proxies when the proposal is presented at the meeting, without any discussion of the matter in the proxy statement. With respect to our 2015 annual meeting of shareholders, if we are not provided notice of a stockholder proposal, which the shareholder has not previously sought to include in our proxy statement, by September 2, 2015, the management proxy holders will be allowed to use their discretionary authority with respect to the voting of proxies.
