This Amendment No. 8 amends and supplements the Statement on Schedule 13D ("Statement") filed by the parties named below on November 13, 2006, and the Amendment No. 1, Amendment No. 2, Amendment No. 3, Amendment No. 4, Amendment No. 5, Amendment No. 6 and Amendment No. 7 thereto filed by the parties named below on November 16, 2006, December 1, 2006, February 20, 2007, March 12, 2007, March 21, 2007, July 20, 2007 and July 27, 2007 respectively, with respect to the Class A common stock, par value \$0.01 per share ("Common Stock"), of Ampex Corporation, a corporation organized under the laws of the State of Delaware (the "Issuer"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Statement, as amended to date.

Item 4. Purpose of Transaction.

Item 4 is hereby amended by inserting the following paragraph as the sixteenth paragraph:

On July 19, 2007, the Issuer publicly disclosed that on July 13, 2007 it had received a notice from Hillside Capital Incorporated ("Hillside") alleging that the Issuer had breached the terms of the agreements pursuant to which the Issuer had borrowed funds from Hillside to make required contributions to pension funds covering current and former employees of the Issuer and its subsidiaries (collectively with any amounts it might borrow in the future under such agreements, the "Hillside Debt").

Item 4 is hereby further amended by inserting the following paragraphs after the paragraph describing the Investment Manager's letter sent to the Issuer on July 26, 2007:

Subsequent to the Issuer's public disclosure of July 19, 2007 regarding Hillside, Messrs. Bakar and Cariani of the Investment Manager have held discussions with both the Issuer and Hillside. The Issuer and Hillside have advised the Investment Manager that they are discussing a possible restructuring of the Hillside Debt. In this context, the Investment Manager has reviewed term sheets for some of the restructuring proposals, including a term sheet dated September 10, 2007.

On September 11, 2007, the Investment Manager sent a letter to the Issuer. That letter is reproduced below (salutation and signature omitted):

"We refer to the recent discussions held between management of Ampex Corporation (the "Company") and Hillside Capital Incorporated ("Hillside") with respect to the possible restructuring of the Company's debt to Hillside. We have reviewed the proposals made by Hillside to the Company with respect to that possible restructuring.

We write to place on the record our belief that the implementation of a restructuring which affords the Company sufficient time to generate additional value by improving its operations and increasing the commercial utilization of its intellectual property assets would be in the best interests of all parties, including the Company's shareholders. The most recent Hillside proposal represents an important step towards achieving that goal.

(Page 7 of 9 Pages)

We believe that the proposal, in its final form, has addressed any issues remaining between the Company and Hillside and that there are no further issues worth jeopardizing the consummation of this critical transaction. We view it as a commercially advisable agreement and hope that it will be promptly accepted.”

Hillside has indicated to the Issuer and to the Investment Manager that any restructuring that is entered into would be contingent upon the Issuer receiving new equity contributions and Hillside being satisfied with the Issuer’s future operating plans. While any restructuring of the Hillside Debt is ultimately a matter that must be negotiated and agreed between the Issuer and Hillside, if the terms and conditions ultimately agreed by the Issuer and Hillside are, in the Investment Manager’s sole discretion, commercially reasonable and viable, then the Investment Manager would be prepared to consider assisting the Issuer in raising any required new equity contributions. Any such assistance would, however, be contingent upon the Investment Manager being satisfied with the Issuer’s future operating plans, management and board of directors.
