A listing of the shareholders of an investment company registered under the Investment Company Act of 1940 or the beneficiaries of employee benefit plan, pension fund or endowment fund is not required.

Pursuant to the terms of the ESOP, dividends paid with respect to shares are allocated to participants' accounts in the ESOP as of the record date for the dividend payment and may be paid in cash to the participants, pursuant to the directions of the Board of Directors of the Corporation. Absent such direction by the Board of Directors, cash from the payment of dividends is retained in the accounts of participants or, to the extent permitted by law, may be used to repay the ESOP loan.
