Item 1.01. Entry into a Material Definitive Agreement

On June 1, 2006, Nephros, Inc. (“Nephros”) entered into a Subscription Agreement with each of Southpaw Credit Opportunity Master Fund LP, 3V Capital Master Fund Ltd and Distressed/High Yield Trading Opportunities, Ltd. (collectively, the “Investors”), pursuant to which the Investors agreed to purchase an aggregate of \$5 million principal amount (\$2 million, \$1.5 million and \$1.5 million, respectively) of 6% Secured Convertible Notes due 2012 (“Notes”) of Nephros, for the face value thereof.

The Notes accrue interest at a rate of 6% per annum, compounded annually and payable in arrears at maturity. Principal and accrued interest on the Notes are convertible at any time at the holder’s option into shares of common stock, par value \$0.001 per share, of Nephros (“Common Stock”) at an initial conversion price of \$2.10 per share (subject to anti-dilution adjustments upon the occurrence of certain events). The Notes are secured by substantially all of Nephros’s assets.

Outstanding principal and interest on the Notes may be prepaid by Nephros at any time, subject to applicable premiums. In addition to the applicable prepayment premium, upon any prepayment of the Notes occurring on or before June 1, 2008, Nephros must issue the holder of such Notes warrants (“Prepayment Warrants”) to purchase a quantity of Common Stock equal to three shares for every \$20 principal amount of Notes prepaid at an exercise price of \$0.01 per share (subject to adjustment). Unless and until Nephros’s stockholders approve the issuance of shares of Common Stock in excess of such amount, the number of shares of Common Stock issuable upon conversion of the Notes and exercise of the Prepayment Warrants, in the aggregate, is limited to 2,451,280 shares, which equals approximately 19.9% of the number of shares of Common Stock outstanding immediately prior to the issuance of the Notes. Nephros may cause the Notes to be converted at their then effective conversion price, if the Common Stock achieves average last sales prices of at least 240% of the then effective conversion price and average daily volume of at least 35,000 shares (subject to adjustment) over a prescribed time period.

In connection with the sale of the Notes, Nephros and the Investors have entered into a Registration Rights Agreement pursuant to which Nephros granted the Investors certain demand and piggy-back registration rights with respect to the shares of Common Stock issuable upon conversion of the Notes or exercise of Prepayment Warrants, if any.

The forms of the Subscription Agreement, the Note and the Prepayment Warrant, and a copy of the Registration Rights Agreement, are being filed as exhibits to this Current Report on Form 8-K, and the descriptions of such documents set forth herein are summary only and are qualified in their entirety by reference to such exhibits, which are incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

Certain disclosure required by this item is included in Item 1.01 above and is incorporated herein by reference.

Subject to certain terms and conditions, the outstanding principal of and accrued interest on the Notes may become immediately due and payable upon the occurrence of any of the following events of default: Nephros's failure to pay principal or interest on the Notes when due; certain bankruptcy-related events with respect to Nephros; material breach of any representation, warranty or certification made by Nephros in or pursuant to the Note, or under the Registration Rights Agreement or the Subscription Agreement; Nephros's incurrence of Senior Debt (as defined in the Note); the acceleration of certain other debt of Nephros; or the rendering of certain judgments against Nephros.

Item 3.02. Unregistered Sales of Equity Securities.

Certain disclosure required by this item is included in Item 1.01 above and is incorporated herein by reference.

Nephros has determined that the issuance of the Notes and any securities issuable upon conversion or prepayment of the Notes or exercise of Prepayment Warrants are exempt from registration under the Securities Act of 1933, as amended, in reliance on Section 4(2) thereof and/or Regulation D promulgated thereunder. The Investors represented their status as sophisticated investors, as well as their intention to acquire the Notes and any Common Stock issuable upon conversion thereof for investment only and not with a view to or for sale in connection with any distribution thereof, and appropriate legends have been affixed to the Notes and will be affixed to the share certificates for any such Common Stock. Moreover, each Investor either received adequate information about Nephros or had access to such information.

Item 8.01. Other Events.

On June 2, 2006, Nephros, Inc. issued a press release entitled "Nephros Completes \$5 Million Private Placement" announcing the transactions discussed above. A copy of such press release is attached hereto as Exhibit 99.1.
