TCA acts as an investment advisor to certain closed-end investment companies registered under the Investment Company Act of 1940, including TYG. However, despite their delegation of investment and voting power to TCA, these investment companies may be deemed to be the beneficial owner under Rule 13d-3 of the Act, of the securities they own of record because they have the right to acquire investment and voting power through termination of their investment advisory agreement with TCA. Thus, TCA has reported that it shares voting power and dispositive power over the securities owned of record by these investment companies, and TYG has reported that it shares voting power and dispositive power over the securities owned of record by it. TCA also acts as
