Section 145 of the General Corporation Law of the State of Delaware contains provisions permitting Delaware corporations to indemnify directors, officers, employees or agents against expenses, including attorneys' fees, judgments, fines, and amounts paid in settlement actually and reasonably incurred in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that such person was or is a director, officer, employee or agent of the corporation provided that (i) such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the corporation's best interest and (ii) in the case of a criminal proceeding such person had no reasonable cause to believe his or her conduct was unlawful. In the case of actions or suits by or in the right of the corporation, no indemnification shall be made in a case in which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall have determined upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses. Indemnification as described above shall only be granted in a specific case upon a determination that indemnification is proper in the circumstances because the indemnified person has met the applicable standard of conduct. Such determination shall be made (a) by a majority vote of directors who were not parties to such proceeding, even though less than a quorum, or (b) by a committee of such directors designated by majority vote of such directors, even though less than a quorum, or (c) if there are no such directors or if such directors so direct, by independent legal counsel in a written opinion or (d) by the stockholders of the corporation. The Amended and Restated Certificate of Incorporation and the By-Laws of the Registrant provide for indemnification of its directors and officers to the

Re: Registration Statement on Form S-8

Gentlemen:

I have acted as counsel to Titanium Metals Corporation, a Delaware corporation (the "Company"), in connection with the preparation of the Form S-8 Registration Statement of the Company filed with the Securities and Exchange Commission (the "Registration Statement"), with respect to the registration of 200,000 additional shares of the Company's Common Stock, \$.01 par value per share (the "Shares"), issuable pursuant to the Amended and Restated 1996 Non-Employee Director Compensation Plan of Titanium Metals Corporation (the "Plan").

In connection with this opinion, I have made such inquiries, examined such documents and corporate records and relied upon such certificates of officers of the Company and public officials as I have considered necessary or appropriate for purposes of giving the opinions hereinafter set forth. In my examination, I have assumed the genuineness and authenticity of all signatures on original documents, the authenticity of all documents submitted to me as originals and the conformity to originals of all documents submitted to me as copies thereof. I have further assumed that the issuance, from time to time, of Shares will be in accordance with the terms of the Plan and the corresponding stock option agreement and in exchange for receipt by the Company of the option exercise price per Share, as set forth in such stock option agreement.

Edgar Filing: TITANIUM METALS CORP - Form S-8

On the basis of the foregoing and subject to the assumptions, qualifications, limitations and exceptions set forth herein, I am of the opinion that, assuming the Registration Statement shall have become effective pursuant to the provisions of the Securities Act of 1933, as amended, the Shares being offered under the Plan have been duly authorized and, when duly issued in accordance with the Registration Statement and the terms of the Plan and any agreement, resolution or other instrument governing such issuance, the Shares so issued will be validly issued, fully paid and nonassessable.

I consent to the use of this opinion as an Exhibit to the Registration Statement.

Very truly yours,

/s/ Robert E. Musgraves
