Under the terms of the Series C Preferred Stock, the Company's ability to declare and pay (or set aside for payment) dividends or distributions on shares of its Junior Stock (as defined below) or Parity Stock (as defined below) is subject to certain restrictions in the event that the Company does not pay dividends in full (or declare and set aside a sum sufficient for payment) on the Series C Preferred Stock. The Company's ability to purchase, redeem or otherwise acquire shares of its Junior Stock is similarly limited.

The term Parity Stock means any other class or series of the Company's stock that ranks equally with the Series C Preferred Stock either or both as to the payment of dividends (whether such dividends are cumulative or non-cumulative) and/or as to the distribution of assets on the Company's liquidation, dissolution or winding up.

The terms of the Series C Preferred Stock are more fully set forth in the Certificate of Designations described in Item 5.03 below and filed as Exhibit 3.1 to this Current Report on Form 8-K and incorporated herein by reference.
