Item 1.01 Entry into a Material Definitive Agreement.

On May 17, 2006, Quintek Technologies, Inc. (the "Company") entered into a Securities Purchase Agreement (the "Purchase Agreement") with Cornell Capital Partners L.P. ("Cornell") providing for the sale by the Company to Cornell of secured convertible debentures in the aggregate principal amount of \$2,000,000 (the "Debentures"), of which \$750,000 was advanced immediately. The second installment of \$750,000 will be funded two business days prior to the date the

registration statement is filed by the Company with the Securities and Exchange Commission (the "Commission"). The last installment of \$500,000 will be funded on the date that the Registration Statement is declared effective by the Commission.

In connection with the Purchase Agreement, the Company issued to Cornell warrants to purchase an aggregate of 56,397,000 shares of common stock (the "Common Stock"); warrants to purchase 17,857,000 shares of Common Stock of the Company exercisable for a period of five years at an exercise price of \$0.07 (the "\$0.07 Warrants"), warrants to purchase 15,625,000 shares of Common Stock of the Company exercisable for a period of five years at an exercise price of \$0.08 (the "\$0.08 Warrants"), warrants to purchase 12,500,000 shares of Common Stock of the Company exercisable for a period of five years at an exercise price of \$0.10 (the "\$0.10 Warrants") and warrants to purchase 10,415,000 shares of Common Stock of the Company exercisable for a period of five years at an exercise price of \$0.12 (the "\$0.12 Warrants" and together with the \$0.07 Warrants, \$0.08 Warrants and \$0.10 Warrants, the "Warrants"). All of the Warrants were issued upon closing. The Company has the option to force the holder to exercise the Warrants, as long as the shares underlying the Warrants are registered pursuant to an effective registration statement, if the Company's closing bid price trades above certain levels. In the event that the closing bid price of the Company's Common Stock is greater than or equal to \$0.14 for a period of 20 consecutive days prior to the forced conversion, the company can force the warrant holder to exercise the \$0.07 Warrant. In the event that the closing bid price of the Company's Common Stock is greater than or equal to \$0.16 for a period of 20 consecutive days prior to the forced conversion, the Company can force the warrant holder to exercise the \$0.08 Warrant. In the event that the closing bid price of the Company's Common Stock is greater than or equal to \$0.20 for a period of 20 consecutive days prior to the forced conversion, the company can force the warrant holder to exercise the \$0.10 Warrant. In the event that the closing bid price of the Company's Common Stock is greater than or equal to \$0.24 for a period of 20 consecutive days prior to the forced conversion, the company can force the warrant holder to exercise the \$0.12 Warrant. In the event all warrants are exercised, it would result in an additional \$5,000,000 in funding to the Company.

The Debentures mature on the third anniversary of the date of issuance (the "Maturity Date") and bear interest at the annual rate of 10%. The Company is not required to make any payments until the Maturity Date.

In connection with the Purchase Agreement, the Company also entered into a registration rights agreement (the "Registration Rights Agreement") providing for the filing of a registration statement (the "Registration Statement") with the Securities and Exchange Commission registering the Common Stock issuable upon conversion of the Debentures and exercise of the Warrants. The Company is obligated to use its best efforts to cause the Registration Statement to be declared effective no later than 90 days from August 14, 2006 and to insure that the registration statement remains in effect until all of the shares of common stock issuable upon conversion of the Debentures have been sold. In the event of a default of its obligations under the Registration Rights Agreement, including its agreement to file the Registration Statement with the Securities and Exchange Commission no later than August 14, 2006, or if the Registration Statement is not declared effective within 90 days following August 14, 2006, it is required to pay to Cornell, as liquidated damages, for each month that the registration statement has not been filed or declared effective, as the case may be, either a cash amount or shares of our common stock equal to 2% of the liquidated value of the Debentures.
