The transactions contemplated by the *Merger Agreement* are collectively referred to herein as the *Fiserv Merger*. In the *Fiserv Merger*, (i) each share of *IMSG* common stock issued and outstanding immediately prior to the *Fiserv Merger* (other than shares owned by Bankers Insurance Group, Inc. and its subsidiaries (the *Principal Shareholders*)) will be converted into the right to receive \$3.30 per share in cash, without interest, and (ii) each share of *IMSG* common stock owned by the *Principal Shareholders* will be converted into the right to receive \$3.26 per share in cash, without interest. A copy of the *Merger Agreement* (without exhibits and schedules) is attached as *Appendix A* to, and a description of the *Merger Agreement* is included in, the accompanying Proxy Statement.

In connection with its review and consideration of the *Fiserv Merger*, the Board of Directors of *IMSG* retained Houlihan Lokey Howard & Zukin Financial Advisors, Inc. (*Houlihan Lokey*) to render an opinion to the *IMSG* Board of Directors as to the fairness, from a financial point of view, to the shareholders of *IMSG* (other than the *Principal Shareholders*) of the consideration to be received in the *Fiserv Merger* by the shareholders of *IMSG* (other than the *Principal Shareholders*). A copy of the opinion of Houlihan Lokey is attached as *Appendix B* to, and a description of its opinion is included in, the accompanying Proxy Statement.

NOTICE OF SPECIAL MEETING OF SHAREHOLDERS

TO BE HELD SEPTEMBER 23, 2003

A Special Meeting of Shareholders of Insurance Management Solutions Group, Inc. (*IMSG*) will be held at *IMSG*'s offices at 801 94th Avenue North, St. Petersburg, Florida, on Tuesday, September 23, 2003. The Special Meeting will begin at 3:00 p.m. local time and will be held for the following purposes:

1. To consider and vote on a proposal to approve the merger by *IMSG* with a wholly-owned indirect subsidiary of Fiserv, Inc. (*Fiserv*), pursuant to an Agreement and Plan of Merger, dated as of April 9, 2003, by and among *IMSG*, Fiserv, Fiserv Solutions, Inc., a subsidiary of Fiserv (*Fiserv Solutions*), and Fiserv Merger Sub, Inc., a subsidiary of Fiserv Solutions (*Fiserv Merger Sub*). (The transactions contemplated by the Merger Agreement are collectively referred to herein as the *Fiserv Merger*.); and
2. To transact any other business as may properly come before the Special Meeting or any adjournment or postponement of the Special Meeting.

AFTER CAREFUL CONSIDERATION, THE BOARD OF DIRECTORS OF *IMSG* HAS UNANIMOUSLY APPROVED THE MERGER AGREEMENT AND THE FISERV MERGER AND HAS DETERMINED THAT THE MERGER AGREEMENT AND THE FISERV MERGER ARE FAIR TO, AND IN THE BEST INTERESTS OF, *IMSG* AND ITS SHAREHOLDERS. THE BOARD OF DIRECTORS OF *IMSG* RECOMMENDS THAT THE SHAREHOLDERS OF *IMSG* VOTE FOR THE APPROVAL OF THE MERGER AGREEMENT AND THE FISERV MERGER AT THE SPECIAL MEETING.

Under Florida law, approval of the Merger Agreement and the Fiserv Merger requires the affirmative vote of the holders of a majority of *IMSG*'s issued and outstanding shares of common stock, \$.01 par value per share (*IMSG* Common Stock). In addition, the Merger Agreement provides, as a condition to closing of the Fiserv Merger, that the Merger Agreement and Fiserv Merger be approved by at least 50.01% of the issued and outstanding shares of *IMSG* Common Stock that are not owned or controlled by Bankers Insurance Group, Inc. (*BIG*) and certain of its direct and indirect subsidiaries (together with *BIG*, the *Principal Shareholders*). Each share of *IMSG* Common Stock is entitled to one vote on all matters to come before the Special Meeting. The *IMSG* Common Stock constitutes the only outstanding class of capital stock of *IMSG*. The *Principal Shareholders* own, as of the record date for the Special Meeting, an aggregate of 8,354,884 shares, or approximately 68.2% of the total issued and outstanding shares, of *IMSG* Common Stock. The *Principal Shareholders* have agreed, pursuant to an Agreement to Facilitate Merger with Fiserv, Fiserv Solutions and Fiserv Merger Sub (a copy of which is attached (without schedules) as *Appendix C* to the accompanying Proxy Statement), to vote all of such shares of *IMSG* Common Stock FOR the Merger Agreement and the Fiserv Merger.

Florida law provides that you may dissent from the Fiserv Merger. To perfect your dissenters' rights under the Florida Business Corporation Act (the *FBCA*), you must first notify *IMSG* in writing prior to the Special Meeting that you intend to demand payment for your shares and you must

Edgar Filing: INSURANCE MANAGEMENT SOLUTIONS GROUP INC - Form DEF 14A

not vote your shares in favor of the Merger Agreement and the Fiserv Merger. If the Fiserv Merger is approved by IMSG's shareholders, IMSG will then notify you that you are entitled to demand payment for your shares and instruct you of the necessary steps in order to obtain such payment. If you do not comply with the procedures governing dissenters' rights set forth under Florida law and explained elsewhere in the accompanying Proxy Statement, you may not be entitled to payment for your shares. A copy of the relevant provisions of Florida law is attached as *Appendix D* to the accompanying Proxy Statement.

This proxy statement (the **Proxy Statement**) is being furnished to shareholders in connection with the solicitation of proxies on behalf of the Board of Directors (the **Board of Directors** or **Board**) of Insurance Management Solutions Group, Inc. (**IMSG**) for the Special Meeting (the **Special Meeting**) of Shareholders to be held at IMSG's offices at 801st Avenue North, St. Petersburg, Florida on Tuesday, September 23, 2003, at 3:00 p.m. local time, or any adjournment or postponement thereof.

If the accompanying proxy form is completed, signed and returned, the shares represented thereby will be voted at the Special Meeting. Your giving of a proxy does not affect your right to vote in person if you attend the Special Meeting. You may revoke your proxy at any time prior to the voting thereof.

Shares of IMSG common stock, \$.01 par value per share (**IMSG Common Stock**), are currently traded on the OTC Bulletin Board under the symbol **INMG.OB**. On April 8, 2003, the last trading day before IMSG and Fiserv announced the signing of the Merger Agreement, the last sale price of IMSG Common Stock reported on the OTC Bulletin Board was \$2.70 per share. On August 7, 2003, the most recent practicable trading day prior to the date of this Proxy Statement, the last sale price of IMSG Common Stock on the OTC Bulletin Board was \$3.15 per share.

As used in this Proxy Statement, unless the context otherwise requires, the term **IMSG** refers to Insurance Management Solutions Group, Inc. and its subsidiaries. All information regarding IMSG contained in this Proxy Statement has been supplied by IMSG. All information regarding Fiserv and its direct and indirect subsidiaries contained in this Proxy Statement has been supplied by Fiserv.

This Proxy Statement and the accompanying proxy are first being mailed on or about August 20, 2003 to shareholders entitled to vote at the Special Meeting.

Shareholders of record as of the close of business on August 11, 2003 (the **Record Date**) are entitled to notice of and to vote at the Special Meeting. At that date, there were 12,246,063 shares of IMSG Common Stock outstanding and entitled to vote. Each outstanding share of IMSG Common Stock is entitled to one vote on all matters submitted to a vote of shareholders.

Votes cast by proxy or in person at the Special Meeting will be tabulated by the inspector of elections appointed for the Special Meeting, who will also determine whether a quorum is present for the transaction of business. IMSG's Amended and Restated Bylaws provide that a quorum is present if the holders of a majority of the issued and outstanding shares of IMSG Common Stock entitled to vote at the meeting are present in person or represented by proxy. Abstentions will be counted as shares that are present and entitled to vote for purposes of determining whether a quorum is present. Shares held by nominees for beneficial owners will also be counted for purposes of determining whether a quorum is present if the nominee has the discretion to vote on at least one matter presented, even though the nominee may not exercise discretionary voting power with respect to other matters and even though voting instructions have not been received from the beneficial owner (a **broker non-vote**). Neither abstentions nor broker non-votes are counted in determining whether a proposal has been approved.

Under Florida law, approval of the Merger Agreement and the Fiserv Merger (each as hereinafter defined) requires the affirmative vote of the holders of a majority of the issued and outstanding shares of IMSG Common Stock. In addition, the Merger Agreement provides, as a condition to closing of the Fiserv Merger, that the Merger Agreement and Fiserv Merger be approved by at least 50.01% of the issued and outstanding shares of

You are requested to vote by completing the enclosed proxy and returning it signed and dated in the enclosed postage-paid envelope. You are urged to indicate your vote in the space provided on the proxy. Proxies solicited by the Board of Directors of IMSG will be voted in accordance with the directions given by the giver of the proxy. If no instructions are made, signed proxies will be voted **FOR** the approval of the Merger Agreement and the Fiserv Merger, as more fully described in this Proxy Statement. Returning your completed proxy will not prevent you from voting in person at the Special Meeting if you are present and wish to do so.

If you give a proxy you may revoke it at any time before it is exercised by: (i) filing with the Corporate Secretary of IMSG written notice that you wish to revoke your proxy; (ii) submitting a properly executed proxy bearing a later date; or (iii) appearing at the Special Meeting and giving the Corporate Secretary notice of your intention to vote in person. Proxies solicited by this Proxy Statement may be exercised only at the Special Meeting and any adjournment or postponement thereof and will not be used for any other meeting. Proxies solicited hereby will be returned to the Board of Directors and will be tabulated by the inspector of elections designated by the Board of Directors, who will not be employed by IMSG or any of its affiliates.

The cost of solicitation of proxies by mail on behalf of the Board of Directors will be borne by IMSG. Proxies also may be solicited by personal interview or by telephone, in addition to the use of the mails, by directors, officers and regular employees of IMSG without additional compensation for those activities. IMSG also has made arrangements with brokerage firms, banks, nominees and other fiduciaries to forward proxy solicitation materials for shares of IMSG Common Stock held of record to the beneficial owners of such shares. IMSG will reimburse such record holders for their reasonable out-of-pocket expenses.

Interests of IMMSG Directors and Officers in the Fiserv Merger (page 26)

IMMSG's shareholders should be aware that some directors and executive officers of IMMSG have interests in the Fiserv Merger that are different from, or in addition to, those of IMMSG shareholders generally. These interests include the following:

certain IMMSG directors are affiliates of the Principal Shareholders, which collectively beneficially own approximately 68.2% of the outstanding shares of IMMSG Common Stock and have entered into an agreement pursuant to which the Principal Shareholders have, among other things, agreed to vote their shares of IMMSG Common Stock in favor of the approval of the Merger Agreement and the Fiserv Merger; and

each of the directors and officers of IMMSG will be entitled to continued indemnification by IMMSG and Fiserv, as well as to continued director and officer insurance coverage.

The Merger Agreement (page 29)

The Merger Agreement (without exhibits and schedules) is attached to this Proxy Statement as *Appendix A*. We encourage you to read the Merger Agreement in its entirety, as it is the legal document that governs the Fiserv Merger. The closing of the Fiserv Merger is conditioned upon several conditions, some of which are summarized in this Proxy Statement and all of which are set forth in the Merger Agreement. We and Fiserv and its affiliates each made representations and warranties and other agreements, all of which are set forth in the Merger Agreement.

Consideration to be Received in the Fiserv Merger (page 29)

At the effective time of the Fiserv Merger, Fiserv Merger Sub will be merged with and into IMMSG, with IMMSG, as the surviving corporation, becoming a wholly-owned subsidiary of Fiserv Solutions. At the effective time of the Fiserv Merger, (i) each share of issued and outstanding IMMSG Common Stock (other than the 8,354,884 shares (the "BIG Shares") of IMMSG Common Stock owned by the Principal Shareholders) will be converted into the right to receive \$3.30 in cash, without interest, and (ii) each BIG Share shall be converted into the right to receive \$3.26 in cash, without interest.

Opinion of Houlihan Lokey (page 20)

The Board of Directors of IMMSG retained Houlihan Lokey to render a fairness opinion with respect to the consideration to be paid to IMMSG's shareholders (other than the Principal Shareholders) pursuant to the Fiserv Merger. On April 4, 2003, Houlihan Lokey delivered its opinion to the Board of Directors of IMMSG that, as of the date of its opinion, the consideration to be received in connection with the Fiserv Merger by the shareholders of IMMSG other than the Principal Shareholders is fair to those shareholders from a financial point of view. A copy of the opinion of Houlihan Lokey is attached as *Appendix B* to, and a description of its opinion is included in, this Proxy Statement. We encourage you to read this opinion carefully in its entirety for a description of the assumptions made, matters considered and limitations on the review undertaken. The opinion does not constitute a recommendation to any shareholder as to how to vote with respect to matters relating to the Fiserv Merger.

Table of Contents

Dissenters' Rights (page 40) The Florida Business Corporation Act grants dissenters' rights in the Fiserv Merger to the holders of IMMSG Common Stock. If you choose to exercise those rights and do so properly, you will be entitled to obtain payment of the fair value of your shares if and when the Fiserv Merger is effectuated. It is very important that you review your rights in detail. If you choose to exercise your dissenters' rights, you must carefully follow certain procedures set out in this Proxy Statement or you may permanently lose your right to exercise dissenters' rights.

Certain U.S. Federal Income Tax Consequences (page 27) The Fiserv Merger will be a taxable transaction for all United States taxpayers who hold shares of IMMSG Common Stock. If you are a United States taxpayer, any gain you recognize will be subject to United States federal income tax and also may be taxed under applicable state, local and foreign tax laws. In general, you will recognize gain or loss equal to the difference between the amount of cash you receive and the adjusted basis of the shares of IMMSG Common Stock you own. Tax matters are complicated, and the tax consequences of the Fiserv Merger to any particular IMMSG shareholder will depend on the shareholder's particular tax situation. You should consult your own tax advisor regarding the tax consequences of the Fiserv Merger to you.

Conduct of IMMSG's Business Prior to the Fiserv Merger (page 31) IMMSG has agreed that, except as otherwise contemplated by the Merger Agreement, IMMSG, including its subsidiaries, will use commercially reasonable efforts to conduct its operations in its ordinary and usual course of business.

No Solicitation (page 31) IMMSG has agreed, subject to limited exceptions set forth in the Merger Agreement, not to initiate or engage in discussions with any other party about a business combination with the other person or provide any nonpublic information to any other person prior to the termination of the Merger Agreement.

Shareholders' Meeting (page 32) IMMSG has agreed to use commercially reasonable efforts to convene the Special Meeting as soon as practicable. Under the Merger Agreement, IMMSG's Board of Directors is required to recommend the approval of the Merger Agreement and the Fiserv Merger by the shareholders at the Special Meeting, unless it complies with certain requirements under the Merger Agreement. The IMMSG Board may not withdraw, or modify in a manner adverse to Fiserv, its recommendation unless IMMSG has complied with the nonsolicitation covenants of the Merger Agreement and such withdrawal or modification is required under applicable law in order for the IMMSG Board to comply with its fiduciary duties.

Conditions to Completion of the Fiserv Merger (page 33) A number of conditions must be satisfied or waived before the Fiserv Merger will be completed, including, among others:

the absence of any order, decree or injunction that prevents or materially delays the completion of the Fiserv Merger or materially limits Fiserv Solution's ability to exercise full rights of ownership of IMMSG or its assets or business;

the approval of the Merger Agreement and the Fiserv Merger by (i) the holders of a majority of the outstanding shares of IMMSG Common Stock and (ii) the holders of at least 50.01% of the outstanding shares of IMMSG Common Stock not owned or controlled by the Principal Shareholders;

Termination of the Merger Agreement (page 34)

the accuracy of the respective representations and warranties of IMSG and Fiserv, subject to materiality exceptions;

the fulfillment in all material respects of the covenants of IMSG and Fiserv under the Merger Agreement; and

the absence of any action or proceeding arising by reason of the Fiserv Merger which is reasonably likely to have a material adverse effect on any party or prevent the consummation of the Fiserv Merger.

Fiserv and IMSG may mutually agree to terminate the Merger Agreement at any time. In addition, either Fiserv or IMSG may terminate the Merger Agreement if specified events do or do not occur. These events include:

if the Fiserv Merger is not completed by October 9, 2003, other than as a result of the failure by the party proposing to terminate the Merger Agreement to perform its obligations;

if a court or governmental body permanently prohibits the Fiserv Merger or a proceeding for it to do so is pending on and after April 9, 2004;

if the IMSG shareholders fail to approve the Merger Agreement and the Fiserv Merger at the Special Meeting; or

if a party has materially breached any of its representations, warranties or obligations and the other party has not materially breached its obligations under the Merger Agreement.

Fiserv may also terminate the Merger Agreement if:

IMSG has materially breached its nonsolicitation covenants under the Merger Agreement;

the IMSG Board of Directors has recommended to the IMSG shareholders, approved, accepted or entered into an agreement regarding an alternative transaction;

the IMSG Board of Directors has withdrawn or modified in a manner adverse to Fiserv its recommendation of the Fiserv Merger; or

a tender offer or exchange offer for 15% or more of the IMSG Common Stock is commenced and IMSG's Board of Directors, within ten business days thereafter, fails to recommend against acceptance thereof or takes no position with respect thereto.

IMSG may also terminate the Merger Agreement under certain circumstances if the IMSG Board of Directors reasonably determines in good faith, after consultation with its legal and financial advisors, that an alternative transaction is more favorable to IMSG's shareholders than the Fiserv Merger.

Termination Payment (page 35)

IMSG must pay Fiserv a termination fee of \$1,200,000 if the Merger Agreement is terminated under certain circumstances including: (i) the failure of IMSG's shareholders to approve the Merger Agreement and the Fiserv Merger at the Special Meeting and IMSG entering into an agreement for, or consummating, an alternative transaction within twelve months of termination of the Merger Agreement; (ii) IMSG materially breaching its nonsolicitation covenants under

A. The Board of Directors of Insurance Management Solutions Group, Inc. (**IMSG**).

Q. When and where is the Special Meeting being held?

A. The Special Meeting is being held at 3:00 p.m., local time, on Tuesday, September 23, 2003, at **IMSG**'s offices, 801 9th Avenue North, St. Petersburg, Florida.

Q. What am I being asked to vote upon at the Special Meeting?

A. You are being asked to vote to approve the Merger Agreement entered into among Fiserv, Fiserv Solutions, Fiserv Merger Sub and **IMSG** and the Fiserv Merger contemplated thereby. In the Fiserv Merger, Fiserv Merger Sub, a wholly-owned subsidiary of Fiserv Solutions, will be merged with and into **IMSG**. After the Fiserv Merger is completed, **IMSG**, which will be the company surviving the Fiserv Merger, will be a wholly-owned indirect subsidiary of Fiserv.

Q. Why is **IMSG proposing to merge?**

A. The Board of Directors of **IMSG** has thoroughly considered the advantages and disadvantages of the proposed Fiserv Merger. As described in greater detail in this Proxy Statement, the Board of Directors believes that it is in the best interests of **IMSG** and its shareholders to complete the Fiserv Merger. The **IMSG** Board of Directors has considered, among other factors, **IMSG**'s historical and projected financial performance, the highly competitive nature of the industry in which **IMSG** competes and **IMSG**'s position in that industry, the increased costs of operating as an independent public company, the decline in **IMSG**'s volume of outsourcing business and the difficulty of further reducing costs in the short run to mitigate the losses in revenues resulting therefrom, the market price of **IMSG** Common Stock and the merger consideration, the fairness opinion rendered by Houlihan Lokey, prior offers and negotiations with third parties, the terms of the Merger Agreement, the availability of dissenters' rights, and the likelihood of closing the Fiserv Merger. Based on its consideration of these and other factors, the **IMSG** Board believes that **IMSG** would not be able to compete effectively in this industry in the future as an independent company and that the Fiserv Merger is fair to, and in the best interests of, **IMSG** and its shareholders.

Q. What will I receive in the Fiserv Merger for each of my shares of **IMSG Common Stock?**

A. If the Fiserv Merger is completed, you will receive \$3.30 in cash for each of your shares of **IMSG** Common Stock (unless you are a Principal Shareholder, in which case you will receive \$3.26 in cash for each of your shares of **IMSG** Common Stock). No interest will be paid on this amount. Under some circumstances, this amount could be reduced by stock transfer and withholding taxes applicable to you.

Q. Has the Board of Directors obtained a fairness opinion in connection with the Fiserv Merger?

Edgar Filing: INSURANCE MANAGEMENT SOLUTIONS GROUP INC - Form DEF 14A

- A. Yes. The Board of Directors has obtained an opinion dated April 4, 2003 from Houlihan Lokey Howard & Zukin Financial Advisors, Inc., an independent investment banking firm, that the consideration to be received by the IMSG shareholders other than the Principal Shareholders in the Fiserv Merger is fair to those shareholders from a financial point of view.

Q. What is the determination and recommendation of the IMSG Board of Directors with respect to the Fiserv Merger?

- A. The IMSG Board of Directors unanimously determined that the terms of the Merger Agreement and the Fiserv Merger are advisable and fair to, and in the best interests of, IMSG and its shareholders and has

Table of Contents

unanimously approved the Merger Agreement and the Fiserv Merger. The IMSG Board of Directors unanimously recommends that the shareholders of IMSG vote **FOR** the approval of the Merger Agreement and the Fiserv Merger.

Q. Will shareholders have dissenters' rights?

- A. Yes. You will have the right to dissent from the proposed Fiserv Merger and to receive payment for the fair value of your shares of IMSG Common Stock, as provided by Florida state law. To exercise your dissenters' rights, you must follow the detailed procedures set forth in the Florida Business Corporation Act. See Dissenters' Rights.

Q. What vote is required for IMSG shareholders to approve the Merger Agreement and the Fiserv Merger?

- A. Approval of the Merger Agreement and the Fiserv Merger requires both (i) the affirmative vote of the holders of a majority of the shares of IMSG Common Stock outstanding on the Record Date and (ii) the affirmative vote of the holders of at least 50.01% of the shares of IMSG Common Stock outstanding on the Record Date that are not owned or controlled by the Principal Shareholders. Failures to vote, abstentions and broker non-votes will not be deemed to be cast either **FOR** or **AGAINST** the Merger Agreement and the Fiserv Merger. However, because approval of the Merger Agreement and the Fiserv Merger requires the affirmative vote of the holders of a majority of the outstanding shares of IMSG Common Stock and the holders of at least 50.01% of the shares of IMSG Common Stock that are not owned or controlled by the Principal Shareholders, failures to vote, abstentions and broker non-votes will have the same effect as a vote **AGAINST** the Merger Agreement and the Fiserv Merger. In connection with the Merger Agreement, the Principal Shareholders, which collectively beneficially own approximately 68.2% of the outstanding shares of IMSG Common Stock, entered into an Agreement to Facilitate Merger with Fiserv, pursuant to which they have agreed to vote their shares of IMSG Common Stock in favor of approval of the Merger Agreement and the Fiserv Merger. See The Fiserv Merger Interests of Certain Persons in the Merger Agreement to Facilitate Merger.

Q. What should I do now?

- A. Please carefully read this Proxy Statement, then mail your signed and dated proxy card in the enclosed envelope, as soon as possible, so that your shares of IMSG Common Stock will be represented at the Special Meeting. If you sign and send in your proxy and do not indicate how you want to vote, IMSG will count your proxy as a vote in favor of approval of the Merger Agreement and the Fiserv Merger. If you abstain from voting or do not vote your shares by proxy or in person, it will have the same effect as a vote against approval of the Merger Agreement and the Fiserv Merger.

Q. Should I send in my stock certificates now?

- A. No. Please do not send in your stock certificates with your proxy card. If the Fiserv Merger is completed, you will receive written instructions for exchanging your IMSG stock certificates for cash.

Q. Can I revoke or change my vote after I have mailed a signed proxy card?

- A. Yes. You can change your vote in one of three ways at any time before your proxy is used:

You can revoke your proxy by sending a written notice to the Corporate Secretary of IMSG stating that you would like to revoke your proxy;

You can complete and submit a new, later-dated proxy card; or

Table of Contents

You can attend the Special Meeting and vote in person. (You will not revoke your proxy simply by attending the Special Meeting unless you complete a ballot.)

You cannot change your vote by fax or telephone. If you have instructed a broker to vote your shares, then you must follow directions received from your broker to change your vote.

Q. How are shares held in street name by my broker or nominee voted?

- A. A broker or nominee will vote shares nominally held in its name (or in what is commonly called street name) *only* if you provide the broker or nominee with written instructions on how to vote. Without such instructions such shares will not be voted. If you hold shares in this manner, we urge you to instruct your broker or nominee in writing to vote shares held in street name for the Merger Agreement and the Fiserv Merger.

Q. What if I don't send back a proxy card or vote my shares in person at the Special Meeting?

- A. If you don't return your proxy card or vote your shares in person at the Special Meeting, each share of your IMSG Common Stock will be treated as a vote against approval of the Merger Agreement and the Fiserv Merger.

Q. Will I owe taxes as a result of the Fiserv Merger?

- A. The Fiserv Merger will be a taxable transaction for all United States taxpayers who hold shares of IMSG Common Stock. If you are a United States taxpayer, any gain you recognize will be subject to United States federal income tax and also may be taxed under applicable state, local and foreign tax laws. In general, you will recognize gain or loss equal to the difference between the amount of cash you receive and the adjusted tax basis of the shares of IMSG Common Stock you own. You should consult your tax advisor on how specific tax consequences of the Fiserv Merger apply to you.

Q. When do you expect the Fiserv Merger to be completed?

- A. IMSG and Fiserv are working to complete the Fiserv Merger as quickly as possible. If IMSG shareholders approve the Merger Agreement and the Fiserv Merger at the Special Meeting, then IMSG and Fiserv expect to complete the merger shortly after the Special Meeting.

Q. Who can help answer my questions?

- A. If you have questions about the Merger Agreement or the Fiserv Merger, including how to complete and return your proxy card, or if you need additional copies of this Proxy Statement or the enclosed proxy card, you should contact David M. Howard, Chairman of the Board, President and Chief Executive Officer of IMSG, at:

ITEM 1. APPROVAL OF MERGER AGREEMENT AND THE FISERV MERGER

At the Special Meeting, holders of IMSG Common Stock will be asked to consider and vote upon a proposal to approve the merger of IMSG with a wholly-owned indirect subsidiary of Fiserv pursuant to the Merger Agreement. A copy of the Merger Agreement (without exhibits and schedules) is attached as *Appendix A* to this Proxy Statement. See The Merger Agreement. Pursuant to the applicable provisions of the Florida Business Corporation Act (the "FBCA") and the Merger Agreement, IMSG is required to obtain the affirmative vote of the holders of a majority of the outstanding shares of IMSG Common Stock approving the Merger Agreement and the Fiserv Merger prior to consummating such transaction. In addition, the Merger Agreement provides, as a condition to consummating the Fiserv Merger, that the Merger Agreement and the Fiserv Merger be approved by at least 50.01% of the issued and outstanding shares of IMSG Common Stock that are not owned or controlled by the Principal Shareholders. The Principal Shareholders own, as of the Record Date, an aggregate of 8,354,884 shares, or approximately 68.2% of the total issued and outstanding shares, of IMSG Common Stock. Pursuant to an Agreement to Facilitate Merger between Fiserv and the Principal Shareholders, the Principal Shareholders have agreed to vote all of such shares FOR the approval of the Merger Agreement and the Fiserv Merger.

THE BOARD OF DIRECTORS HAS APPROVED THE MERGER AGREEMENT AND THE FISERV MERGER (SUBJECT TO SHAREHOLDER APPROVAL) AND RECOMMENDS A VOTE FOR THE APPROVAL OF THE MERGER AGREEMENT AND THE FISERV MERGER.

THE FISERV MERGER

General

The Merger Agreement, which was executed and delivered by IMSG, Fiserv and the other parties thereto on April 9, 2003, provides for the merger of Fiserv Merger Sub with and into IMSG. At the effective time of the Fiserv Merger, the separate existence of Fiserv Merger Sub will cease, and IMSG, as the surviving corporation, will continue to exist under, and be governed by, the FBCA. The Amended and Restated Articles of Incorporation and Amended and Restated Bylaws of IMSG will continue to be the Articles of Incorporation and Bylaws of the surviving corporation until amended in accordance with the provisions thereof and applicable law.

Background of the Merger Agreement and the Fiserv Merger

From the middle of 2001 through early 2002, IMMSG received a number of unsolicited indications of interest from third parties regarding potential transactions involving either an acquisition of IMMSG as a whole or the purchase of some portion of IMMSG's policy and claims administration services business. The IMMSG Board of Directors instructed David M. Howard, President and Chief Executive Officer of IMMSG, to lead a process of evaluating such potential transactions. During this period, IMMSG entered into discussions or preliminary negotiations with several of these unaffiliated third parties, none of which resulted in a definitive agreement.

During January 2002, IMMSG engaged in informal discussions with BIG regarding a potential purchase of IMMSG by BIG. BIG's management indicated that due to BIG's liquidity position and other issues, BIG was not interested in pursuing an acquisition of IMMSG at that time.

At a regularly-scheduled meeting held on January 30, 2002, the Board determined that it was appropriate to consider strategic alternatives for IMMSG, including selling IMMSG, selling certain assets of IMMSG, a debt or equity financing and/or a going-private transaction. To help ensure that potential strategic alternatives were evaluated and negotiations were conducted in the best interests of IMMSG's shareholders and without conflicts of interests, the Board established a Special Committee. The Special Committee was granted the power and authority to do any and all things deemed necessary or advisable to evaluate potential strategic alternatives and negotiate and approve or disapprove of the terms thereof, including the power to select and retain professional advisors at IMMSG's expense.

The Special Committee was originally comprised of five members, John A. Grant, Jr., William D. Hussey, John S. McMullen, Alejandro M. Sanchez and E. Ray Solomon, all directors of IMMSG who were not affiliated with BIG and who were not officers or employees of IMMSG. Mr. McMullen was appointed as Chairman of the Special Committee. Mr. Sanchez resigned as a director of IMMSG on May 21, 2002 to pursue other interests. Mr. Hussey resigned as a director of IMMSG on January 7, 2003 for health reasons.

Following the formation of the Special Committee, IMMSG proceeded to contact potential buyers of the flood processing services portion of IMMSG's business. At least six entities, including Fiserv, expressed an interest in pursuing the possible acquisition of this portion of IMMSG's business. Three of these entities, including Fiserv, made due diligence visits to IMMSG and submitted written indications of interest for the purchase of IMMSG's flood processing services business, ranging in present value from \$25.0 million to \$31.0 million. In addition, during this time, BIG began exploring the possible sale of its flood insurance book of business, which then represented IMMSG's largest source of revenue.

Table of Contents

The Special Committee held a number of meetings from mid-February to mid-March 2002, during which the Special Committee considered the retention of financial advisors, retained Fowler White Boggs Banker P.A. as its independent legal counsel, and considered various possible strategic alternatives for IMMSG, including the sale of IMMSG's flood processing services business to an unaffiliated third party and a going-private transaction. The Special Committee also reviewed in detail IMMSG's various relationships with BIG and its affiliates (collectively referred to, for purposes of this section only, as BIG), focusing on the fact that BIG was both IMMSG's majority shareholder and largest customer. Based upon the relationships between IMMSG and BIG, the Special Committee noted that it would be unrealistic for the Special Committee to proceed with any strategic alternative that was not supported by BIG.

In March 2002, the Special Committee identified and Mr. McMullen, the Chairman of the Special Committee, interviewed three firms to serve as its financial advisor. Based upon its review of the credentials of and interviews with each of the candidates, on March 27, 2002 the Special Committee selected Houlihan Lokey Howard & Zukin Financial Advisors, Inc. (Houlihan Lokey) to serve as its independent financial advisor.

Beginning in March 2002, representatives of BIG engaged in discussions with representatives of the Special Committee as to a possible transaction with BIG, including the potential terms on which BIG might purchase the shares of IMMSG Common Stock held by persons other than the Principal Shareholders or support a transaction between IMMSG and an unaffiliated third party which would result in a transfer by the Principal Shareholders of all of their shares of IMMSG Common Stock to such third party. These discussions continued until May 2002, at which time BIG advised IMMSG that it was not interested, at that time, in pursuing further discussions as to the terms of any proposal pursuant to which BIG would purchase the shares of IMMSG Common Stock owned by persons other than the Principal Shareholders (the Public Shares), but remained committed to considering terms upon which it would support a transaction involving the sale of all of the shares of IMMSG Common Stock held by the Principal Shareholders to a third party.

On April 3, 2002, Mr. Howard and Robert M. Menke, the Chairman of BIG and a member of IMMSG's Board, met with representatives of Fiserv, which had expressed a possible interest in acquiring the flood processing services business of IMMSG for a purchase price of approximately \$17.5 million, plus a contingent payment of up to \$7.5 million one year later based upon post-closing business retention. After this meeting, no further negotiations took place with Fiserv until late October 2002.

On May 3, 2002, IMMSG received a general, non-binding letter of intent from a third party interested in acquiring IMMSG's flood processing services business for a suggested purchase price between \$29.5 million and \$31.0 million. The letter of intent contained a number of provisions which were of concern to both management of IMMSG and the Special Committee, including a provision that would prevent IMMSG from continuing or initiating discussions regarding the sale of IMMSG or IMMSG's flood processing services business with anyone other than the party to the letter of intent. Following the receipt of this letter of intent, management of IMMSG discussed at length a possible transaction with the party proposing the letter of intent. At a meeting on May 15, 2002, the Special Committee reviewed the terms contained in the letter of intent and concluded that it was not in the best interests of IMMSG and its shareholders to execute the letter of intent in its then current form. The Special Committee instructed Mr. Howard to continue discussions with the interested party on behalf of IMMSG and to keep the Special Committee fully apprised of any developments.

IMMSG received a letter dated May 13, 2002 from another third party expressing its interest in a possible acquisition of all of the outstanding shares of IMMSG Common Stock in a stock-for-stock merger transaction pursuant to which shares of IMMSG Common Stock would be valued at \$3.75 per share. In discussions with this third party, Mr. McMullen was advised that this potential acquiror was interested in an acquisition of IMMSG as a part of the potential acquiror's attempts to purchase the flood insurance book of business owned by BIG.

In May 2002, Mr. McMullen, Chairman of the Special Committee, held additional discussions with both potential third-party purchasers in an attempt to reach an agreement on price and other significant terms. At a

Table of Contents

meeting of the Special Committee held on May 23, 2002, Mr. McMullen advised the Special Committee that both potential acquirors had conducted substantial due diligence with respect to IMSG and its business and expected to complete their due diligence efforts in the near future. The Special Committee instructed Mr. McMullen and Mr. Howard to continue IMSG's efforts to reach agreement on price and terms with such potential third-party purchasers.

By the end of June 2002, however, the Special Committee's efforts to reach an agreement on price and terms with the potential acquiror of all of the outstanding shares of IMSG Common Stock broke down because the potential acquirer was unable, based upon its continuing due diligence, to arrive at a determination of the value of IMSG in the range then under discussion.

On July 12, 2002, the Special Committee discussed the progress that had been made to date by Mr. McMullen and Mr. Howard in their continued discussions with the potential acquiror of IMSG's flood processing services business. Mr. Howard advised the Special Committee that this potential acquiror of IMSG's flood processing services business had recognized the need to coordinate its acquisition efforts with the potential acquiror of BIG's flood insurance book of business, since the acquiror of the flood book would become the largest customer of the acquiror of IMSG's flood processing services business. Mr. Howard noted that the potential acquiror of BIG's flood insurance book of business had expressed some reservations regarding the acquisition of IMSG's flood processing services business by the potential acquiror. These reservations related primarily to the potential acquiror's lack of prior processing experience.

The potential acquiror of IMSG's flood processing services business informed IMSG that it would likely be unable to reach an agreement with the party attempting to acquire BIG's flood insurance book of business. Consequently, the Special Committee reviewed its other alternatives, noting that there were no other third-party purchasers that continued to express an interest in acquiring IMSG or its flood processing services business. The Special Committee further determined that it would be unlikely to find a third-party purchaser for IMSG or its flood processing services business in light of the fact that it appeared likely that BIG would enter into an agreement to sell its flood insurance book of business. Accordingly, the Special Committee reviewed the strategic alternatives reasonably available to it and concluded that it should again explore a possible going-private transaction with BIG. Following its July 12, 2002 meeting, the Special Committee again asked BIG to consider a possible going-private transaction.

During July 2002, discussions began between representatives of BIG and representatives of the Special Committee regarding the possibility of a self-tender offer by IMSG for the Public Shares, including the offer price and probability of closing such tender offer. By letter dated July 17, 2002, BIG advised the Special Committee that it would be prepared to support a self-tender offer by IMSG at \$3.00 per share and would commit not to tender any shares owned by BIG, subject to certain conditions. Subsequent to the delivery of BIG's July 17 letter to the Special Committee, representatives of BIG from time to time held discussions with representatives of the Special Committee regarding the July 17 letter and the potential terms upon which BIG might support a self tender.

On August 16, 2002, IMSG announced an intention to commence a cash tender offer for all of the then-outstanding shares of IMSG Common Stock at a price of \$3.08 per share, net to the seller in cash. The tender offer was to have been made pursuant to an Agreement and Plan of Merger, dated August 15, 2002 (the "BIG Agreement"), by and among IMSG, BIG and certain direct and indirect subsidiaries of BIG. Pursuant to the BIG Agreement, BIG and certain of its subsidiaries had agreed not to tender their shares of IMSG Common Stock in response to the tender offer. Also pursuant to the BIG Agreement, IMSG agreed to loan BIG and/or Bankers Underwriters, Inc., a wholly-owned subsidiary of BIG ("BUI"), up to \$7.0 million under a revolving line of credit (the "Line of Credit"), secured by the insurance flood book of BUI. Houlihan Lokey was retained by the Special Committee specifically to analyze the fairness to the holders of Public Shares, from a financial point of view, of the proposed purchase price in the self-tender offer and follow-on merger, as well as the fairness, from a financial point of view, of the financial terms of the Line of Credit.

Table of Contents

In late October 2002, IMMSG was contacted by Fiserv regarding its potential interest in acquiring IMMSG or its business. Thereafter, the Special Committee of IMMSG's Board of Directors determined that it would be appropriate to further investigate this possibility. On October 29, 2002, Mr. McMullen and Mr. Howard met with Curt Lund, Vice President of Fiserv and President of National Flood Services, Inc. (NFS), a Fiserv subsidiary, to discuss Fiserv's interest in acquiring IMMSG.

On October 31, 2002, after several days of negotiations, Fiserv delivered to IMMSG an executed non-binding proposal, which contemplated the acquisition by Fiserv of all of the outstanding shares of IMMSG Common Stock (including the shares held by the Principal Shareholders) for \$3.40 per share, subject to the following conditions: (i) at closing, IMMSG would have a cash balance of \$26,500,000, and any shortfall would be made up from the proceeds otherwise to be received by the Principal Shareholders; (ii) FNF would agree to enter into a vendor agreement with NFS under similar terms to the then-current agreement between BIG and IMMSG; (iii) Fiserv would be adequately protected and/or assured that it would be protected against any existing lawsuits or lawsuits arising out of this transaction; and (iv) normal due diligence procedures would be completed by Fiserv. In early November 2002, Mr. McMullen met with Mr. Menke, on behalf of BIG, who indicated that BIG was not prepared to commit to the cash balance guaranty or the indemnity requirements contemplated by the proposal.

Thereafter, on November 21, 2002, the Board of Directors of IMMSG, upon the recommendation of the Special Committee, withdrew its approval of, and IMMSG terminated its intent to commence, the tender offer. IMMSG, the Special Committee and the Board of Directors took these actions because the Special Committee and the Board of Directors each concluded that termination of the tender offer and the BIG Agreement was in the best interests of IMMSG and its shareholders and was required by its fiduciary duties. In reaching this conclusion, the Special Committee and the Board of Directors considered, among other things: (a) IMMSG's ongoing negotiations with Fiserv regarding its possible acquisition of IMMSG or its business; (b) the results of further due diligence undertaken by the Special Committee based upon information not available to the Special Committee at the time it first determined to recommend approval of the tender offer; (c) ongoing concerns regarding whether IMMSG would have sufficient cash available in the event it proceeded with the tender offer; and (d) the fact that, on October 15, 2002, BIG had executed an agreement with Fidelity National Financial, Inc. (FNF), pursuant to which FNF would acquire First Community Insurance Company (FCIC), a subsidiary of BIG and a fifty-state licensed insurance carrier, and certain assets of BIG, including the rights to issue new and renewal flood insurance policies underwritten by BIG and certain of its subsidiaries.

During November and early December 2002, Fiserv performed extensive due diligence with respect to IMMSG and met with FNF to negotiate the terms of a service agreement to be entered into in the event Fiserv was to acquire IMMSG.

In mid-December 2002, Fiserv revised its non-binding proposal as follows: (i) the offer price was reduced to \$3.30 per share; (ii) at closing, IMMSG would be required to have a net worth of \$31,500,000, with any shortfall to be made up out of the proceeds otherwise to be received by BIG pursuant to the transaction; (iii) BIG would indemnify Fiserv for all lawsuits relating to IMMSG's initial public offering or in which BIG is a named defendant; (iv) Fiserv would obtain a perpetual software license for software utilized by IMMSG; and (v) the definitive agreement would contain a non-compete agreement relating to flood insurance processing. In late December 2002, after extensive negotiations, BIG and Fiserv reached a tentative agreement regarding certain obligations of BIG in connection with the proposed transaction. During this time, IMMSG and Fiserv continued to negotiate the terms of the proposed Merger Agreement.

On January 3, 2002, BIG consummated the sale of FCIC and certain assets of BIG, including, the rights to issue new and renewal flood insurance policies underwritten by BIG and certain of its subsidiaries, to FNF. The transaction involved more than 360,000 flood insurance policies originated through a nationwide network of approximately 10,000 independent agents in conjunction with the National Flood Insurance Program. At the time of consummation of this transaction between BIG and FNF, IMMSG received payment in full of all amounts due and owing (approximately \$6.7 million) from BIG under the Line of Credit established by IMMSG in favor of BIG and BUI in August 2002.

Table of Contents

Effective as of the consummation of the foregoing transaction between BIG and FNF, IMMSG entered into a new Service Agreement with FCIC, now a wholly-owned subsidiary of FNF, pursuant to which IMMSG continues to provide policy administration, claims administration, data processing and other related services to FCIC in connection with FCIC's WYO Flood Insurance Program. FCIC's WYO Program currently consists solely of the flood insurance book of business previously administered by IMMSG on behalf of BIG. The Audit Committee of the Board of Directors of IMMSG approved the new Service Agreement with FCIC on December 26, 2002.

On January 6, 2003, Mr. Howard informed the Special Committee that he believed Fiserv's offer to be the best proposal that had been presented to the Special Committee since its formation and that, in his opinion, no one was going to offer more for IMMSG in the foreseeable future than Fiserv was currently offering. In addition, he informed the Special Committee that Fiserv had indicated that it would cease its efforts to acquire IMMSG if the definitive terms of a transaction were not reached in the near future. Thereafter, IMMSG and Fiserv continued to negotiate the terms of the proposed Merger Agreement.

On January 20, 2003, the Special Committee determined that (i) the price under discussion was within an acceptable range of values for IMMSG, (ii) any delay in the current negotiations with Fiserv would cause Fiserv to discontinue negotiations, and (iii) the Special Committee was of the opinion that IMMSG should concentrate on its discussions with Fiserv to see if an acceptable transaction could be negotiated. In addition, the Special Committee unanimously determined that, in light of the fact that no material independence or conflict issues were apparent in allowing the full Board to carry out the current merger negotiations with Fiserv, all further discussions and negotiations should be directed by and under the supervision of the full Board. In reaching this conclusion, the Special Committee considered, among other things, (1) the fact that it was no longer considering a possible going private transaction, (2) the fact that it believed the interests of IMMSG and BIG with respect to the negotiation of the terms of the proposed merger agreement with Fiserv were substantially similar, (3) the importance of negotiating the proposed merger agreement and related documentation on a timely basis, (4) the continuing existence of the Special Committee in the event any material conflicts of interest between IMMSG and BIG arose in the course of the ongoing negotiations, and (5) the costs associated with the Special Committee continuing to meet as a separate body. On January 20, 2003, the Board unanimously authorized management of IMMSG to continue its negotiations with Fiserv. The Board also determined to maintain the Special Committee in the event any material conflicts of interest between IMMSG and BIG arose in the course of the ongoing negotiations with Fiserv.

At its January 20, 2003 meeting, the Board discussed the engagement of an investment banking firm to render a fairness opinion regarding the consideration to be received by the shareholders of IMMSG (other than the Principal Shareholders) in the proposed Fiserv Merger. After reviewing the credentials of, and the results of the interviews with, three firms, the Board selected Houlihan Lokey primarily because of its experience and expertise in performing valuation and fairness analyses.

During February and March 2003, Fiserv continued to negotiate the terms of the Merger Agreement and related documentation with IMMSG and the Agreement to Facilitate Merger with BIG.

At a Special Meeting held March 28, 2003, the Board received an in-depth presentation of Houlihan Lokey regarding its fairness opinion in connection with the proposed Fiserv Merger. Representatives of Houlihan Lokey stated that, in Houlihan Lokey's opinion, the consideration of \$3.30 per share to be received by the holders of IMMSG Common Stock (other than the Principal Shareholders) pursuant to the proposed Fiserv Merger was fair, from a financial point of view. Thereafter, the Board unanimously authorized management to move forward with the finalizing of the Merger Agreement and all related documentation. Houlihan Lokey subsequently delivered its written opinion to the Board on April 4, 2003.

On April 7, 2003, after extensive discussions with IMMSG management and its legal advisors regarding the terms of the Merger Agreement and the directors' legal duties and responsibilities, the Board unanimously approved the Merger Agreement and the Fiserv Merger and determined that the Fiserv Merger is advisable, fair to and in the best interests of IMMSG's shareholders. IMMSG and Fiserv subsequently executed the Merger

Agreement on April 9, 2003.

IMSG's Reasons for the Fiserv Merger; Recommendation of the Board Of Directors

THE BOARD OF DIRECTORS OF IMSG BELIEVES THAT THE FISERV MERGER IS IN THE BEST INTERESTS OF IMSG AND ITS SHAREHOLDERS. ACCORDINGLY, THE BOARD OF DIRECTORS HAS APPROVED THE MERGER AGREEMENT AND THE FISERV MERGER AND RECOMMENDS THAT IMSG'S SHAREHOLDERS VOTE FOR THE APPROVAL THEREOF.

As described above under Background of the Merger Agreement and the Fiserv Merger, the decision of the Board of Directors to approve the Merger Agreement and the Fiserv Merger followed months of exploring and analyzing the advantages and disadvantages of merging or otherwise selling IMSG. In evaluating the Merger Agreement and the Fiserv Merger, the members of the IMSG Board relied upon their knowledge of the business, financial condition and prospects of IMSG, as well as the advice of IMSG's legal and financial advisors. In making its recommendation to the shareholders of IMSG, the Board of Directors considered the following factors, which were determined by the Board to materially favor a decision to consummate the Fiserv Merger:

Historical and Projected Financial Performance. The Board considered IMSG's recent financial performance. The Board also considered the fact that, as a result of the Fiserv Merger, existing shareholders would be unable to benefit from any future growth of IMSG. In this regard, the Board considered the decline in IMSG's volume of outsourcing business and the difficulty of further reducing costs in the short run to mitigate the losses in revenues resulting therefrom.

Industry Trends and Competitive Conditions. The Board considered its belief that IMSG may be unable to compete effectively in the increasingly competitive flood insurance outsourcing services market without combining with a larger organization with more resources and greater market presence. Over the past year, the number of competitors in the market for flood insurance outsourcing services IMSG's principal market has been reduced due to several consolidating acquisitions by certain principal competitors. During the same period, entire books of business and related flood insurance policies were sold from one carrier to another as certain carriers exited the flood insurance market. This reduction in the number of carriers writing flood insurance policies would likely make it more difficult for IMSG to attract new customers for its flood insurance outsourcing services.

Increased Costs of Being a Public Company. The Board considered the costs of remaining an independent public company, including the increased costs of compliance related to the recent corporate governance rules adopted or proposed by the Securities and Exchange Commission and Nasdaq, auditing fees and directors' and officers' insurance.

Market Price and Premium. In evaluating the consideration payable to IMSG shareholders (other than the Principal Shareholders) pursuant to the Fiserv Merger, the Board of Directors noted that it represents a premium of approximately 18.9% to the average closing market price of IMSG Common Stock for the twenty trading days immediately prior to the announcement by IMSG, on April 9, 2003, of the execution of the Merger Agreement.

Houlihan Lokey Fairness Opinion. Prior to making its determination, the Board also received and considered the opinion of Houlihan Lokey that the consideration to be received in the Fiserv Merger by the shareholders of IMSG other than the Principal Shareholders is fair to those shareholders from a financial point of view, as of the date of the opinion. See Information Regarding Opinion of Houlihan Lokey. The full text of the Houlihan Lokey opinion is attached as *Appendix B* to this Proxy Statement.

Prior Offers. The Board considered the prior offers and negotiations with third parties (both by the Board and the Special Committee thereof), and the failure of those negotiations to result in a superior binding offer, in its decision to approve and recommend the Merger Agreement and the Fiserv Merger. See Background of the Merger Agreement and the Fiserv Merger.

Terms of the Merger Agreement. The Board considered the terms and conditions of the Merger Agreement, as well as the likelihood of consummating the Fiserv Merger, in reaching its determination.

Table of Contents

Availability of Dissenters' Rights. The Board of Directors also considered the fact that dissenters' rights will be available to holders of IMSG Common Stock in connection with the Fiserv Merger. See *Dissenters' Rights*.

Effect on Employees and Customers. As permitted under the FBCA, the Board considered the likely effects of the Fiserv Merger on IMSG's employees and customers.

The Board of Directors also considered the following potentially material negative factors in its deliberations concerning the Fiserv Merger:

Limited Ability to Consider Unsolicited Business Combination Proposals. The Board considered the limited ability of IMSG under the Merger Agreement to provide information to, or enter into discussions with, other potential business combination partners who might make an unsolicited proposal to acquire IMSG.

Costs Associated with the Fiserv Merger. The Board also considered the significant costs required to complete the Fiserv Merger, especially in light of the need to obtain the shareholder approvals required under Florida law and the Merger Agreement.

Disruption of Operations. The Board evaluated the substantial management time and effort required to effectuate the Fiserv Merger and the related disruption to IMSG's operations, including the disruption which would result if the Fiserv Merger were not consummated after the Merger Agreement had been entered into.

Inability to Benefit from Any Future Growth or Improved Operating Performance. The Board also considered the fact that, as a result of the Fiserv Merger, existing shareholders would be unable to benefit from any future growth or improved operating performance of IMSG, whether due to increased storm activity, increased business from existing customers or new customers, or any other factor.

Tax Effects of Fiserv Merger. The Board evaluated the likely tax effects of the Fiserv Merger on IMSG's shareholders. See *Certain U.S. Federal Income Tax Consequences*.

Potential Conflicts of Interest. The Board considered the fact that certain persons, including directors and officers of IMSG, have interests in the Fiserv Merger that are different from, or in addition to, those of IMSG shareholders generally. See *Interests of Certain Persons in the Fiserv Merger*.

The Board did not believe that the negative factors were sufficient, either individually or collectively, to outweigh the potential advantages of the Fiserv Merger.

The foregoing discussion of the information and factors considered by the Board of Directors is not intended to be exhaustive, but includes the material factors considered by the Board. The Board of Directors did not attempt to quantify or otherwise assign relative weights to the specific factors it considered nor did it determine that any factor was of particular importance. A determination of various weightings would, in the view of the Board of Directors, be impractical. In addition, individual members of the Board may have given different weight to different factors. Rather, the Board of Directors viewed its position and recommendations as being based on the totality of the information presented to, and considered by, the Board.

Information Regarding Opinion of Houlihan Lokey

Opinion of Financial Advisor

The Board of Directors of IMMSG retained Houlihan Lokey Howard & Zukin Financial Advisors, Inc. (Houlihan Lokey) to render an opinion as to the fairness, from a financial point of view, to the holders of IMMSG Common Stock (other than the Principal Shareholders) of the consideration to be received by them in connection with the Fiserv Merger (the Opinion). Houlihan Lokey is a nationally-recognized investment banking firm with special expertise in, among other things, valuing businesses and securities and rendering

Table of Contents

fairness opinions. Houlihan Lokey is continually engaged in the valuation of businesses and securities in connection with mergers and acquisitions, leveraged buyouts, private placements of debt and equity, corporate reorganizations, employee stock ownership plans, corporate and other purposes. Based upon a review of the credentials of, and interviews with, several candidates, IMMSG selected Houlihan Lokey primarily because of its experience and expertise in performing valuation and fairness analyses. Houlihan Lokey does not beneficially own nor has it ever beneficially owned any interest in IMMSG.

The preparation of a fairness opinion is a complex process and is not necessarily susceptible to partial analysis or summary description. The following is a brief summary and general description of the valuation methodologies utilized by Houlihan Lokey in formulating its Opinion. The summary does not purport to be a complete statement of the analyses and procedures applied, the judgments made or the conclusions reached by Houlihan Lokey or a complete description of its presentation. Houlihan Lokey believes, and so advised the IMMSG Board of Directors, that its analyses must be considered as a whole and that selecting portions of its analyses and of the factors considered by it, without considering all factors and analyses, could create an incomplete or misleading view of the process underlying its analyses and opinions.

The consideration to be received by IMMSG's shareholders in connection with the Fiserv Merger consists of: (i) \$3.30 per share in cash, without interest ("Public Shareholder Merger Consideration"), for all shares held by shareholders other than the Principal Shareholders; and (ii) \$3.26 per share in cash, without interest, for all shares held by the Principal Shareholders. For purposes hereof, "Public Shareholders" refers to the shareholders of IMMSG other than the Principal Shareholders.

The Opinion does not address IMMSG's underlying business decision to effect the Fiserv Merger and does not address the Principal Shareholders decision to accept consideration of \$3.26 per share. The Opinion does not constitute, and should not be construed as, a recommendation to any shareholder as to how such shareholder should vote on the Fiserv Merger. Houlihan Lokey has not acted as IMMSG's financial advisor. The IMMSG Board did not request, and accordingly, Houlihan Lokey did not undertake to negotiate any portion of the Merger Agreement or the Fiserv Merger, nor did Houlihan Lokey solicit alternative transactions.

THE COMPLETE TEXT OF HOULIHAN LOKEY'S WRITTEN OPINION TO THE IMMSG BOARD OF DIRECTORS DATED APRIL 4, 2003, WHICH SETS FORTH THE ASSUMPTIONS MADE, GENERAL PROCEDURES FOLLOWED, FACTORS CONSIDERED AND LIMITATIONS ON THE REVIEW UNDERTAKEN, IS ATTACHED HERETO AS *APPENDIX B*. THIS SUMMARY IS QUALIFIED IN ITS ENTIRETY BY REFERENCE TO THE FULL TEXT OF SUCH OPINION. THE SHAREHOLDERS OF IMMSG ARE URGED TO, AND SHOULD, READ SUCH OPINION CAREFULLY IN ITS ENTIRETY. THE ENGAGEMENT OF HOULIHAN LOKEY AND ITS OPINIONS ARE FOR THE BENEFIT OF THE BOARD. THE OPINION ADDRESSES ONLY THE FAIRNESS, FROM A FINANCIAL POINT OF VIEW, OF THE PUBLIC SHAREHOLDER MERGER CONSIDERATION TO THE PUBLIC SHAREHOLDERS.

For purposes of formulating the Opinion, Houlihan Lokey: (i) reviewed IMMSG's Annual Reports on Form 10-K for each of the three fiscal years ended December 31, 2000, December 31, 2001 and December 31, 2002; (ii) reviewed income statement and balance sheet projections and other projected financial data provided by the management of IMMSG ("Management") on or subsequent to February 25, 2003 for the fiscal years 2003 through 2005, which Management represented to Houlihan Lokey to be its best estimate of IMMSG's future expectations; (iii) reviewed the Full Service Vendor Agreement between IMMSG and First Community Insurance Company ("FCIC" or "Fidelity") as filed as an exhibit to IMMSG's Current Report on Form 8-K, dated January 3, 2003; (iv) reviewed industry analyses from various sources; (v) met with certain members of Management to discuss the operations, financial condition, future prospects and projected operations and performance of IMMSG, as well as the Fiserv Merger; (vi) reviewed drafts of documents pertaining to the Fiserv Merger, including the Merger Agreement and Agreement to Facilitate Merger, which Management attested were in substantially final form; (vii) reviewed the historical market prices and trading volume for IMMSG's publicly traded securities; (viii) reviewed certain other publicly available financial data for certain companies that it deemed comparable to

Table of Contents

IMSG, and publicly available prices and premiums paid in other transactions that it considered similar to the Fiserv Merger; and (ix) conducted such other studies, analyses and inquiries as it deemed appropriate.

In assessing the fairness from a financial point of view of the Public Shareholder Merger Consideration to be received by the Public Shareholders in connection with the Fiserv Merger, Houlihan Lokey: (i) analyzed the trading value of IMSG's publicly traded equity securities; (ii) independently valued the common equity of IMSG on a pre-transaction basis using widely accepted valuation methodologies; (iii) considered the fairness of the Fiserv Merger to the Public Shareholders from a financial point of view; and (iv) reviewed the valuation implications to the Public Shareholders of alternatives to the Fiserv Merger.

Independent Valuation of IMSG Common Stock

Houlihan Lokey independently analyzed the common equity of IMSG using widely accepted valuation methodologies. The current price of IMSG Common Stock, the Market Multiple Approach, the Comparable Transaction Approach, the Discounted Cash Flow Approach, and the Liquidation Approach were each considered as indications of value. Based on Houlihan Lokey's analysis, it was determined that the Market Multiple Approach, the Discounted Cash Flow Approach and the Liquidation Approach were all valid indicators of value to varying degrees.

Current Stock Price

This approach provides an indication of value based upon the current market price of IMSG Common Stock. Because of IMSG Common Stock's low trading volume and overall float turnover (as shown in the following tables), this approach was not relied upon as an accurate indicator of value. In addition, IMSG's intent to consummate a self-tender transaction at \$3.08 was announced in an SEC filing on August 15, 2002. The closing stock price five trading days prior to the announcement was \$1.75, and since the announcement the stock has traded at a relatively low volume and at a discount to the self-tender price. The average daily volume of shares traded was 6,860 for the 52 weeks ended August 8, 2002 and 6,220 for the 52 weeks ended March 25, 2003.

Table of Contents

Although this approach was not relied upon as an accurate indicator of value, the Public Shareholder Merger Consideration represents an 88.6% premium to the price five days prior to the announcement of the proposed self-tender transaction and a 20.9% premium to the price on March 25, 2003. The following charts and tables summarize the trading history of IMSG Common Stock.

Market Multiple Approach

This approach provides indications of value based upon comparisons of the subject operating company to market values and arm's-length pricing evidence of companies involved in the same or similar lines of business. The valuation process involves the determination of market ratios (pricing multiples) and performance fundamentals. For purposes of this analysis, Houlihan Lokey reviewed pricing evidence from a group of six publicly-traded companies (the Comparable Companies) engaged in the insurance services or outsourcing industries (industry). These multiples were calculated for the Comparable Companies based upon daily trading prices. A comparative risk analysis between IMSG and the Comparable Companies was conducted that incorporated both quantitative and qualitative risk factors which relate to, among other things, the nature of the industry in which IMSG and the Comparable Companies are engaged. One of the Comparable Companies, Crawford & Company, stood out as IMSG's closest public peer, while the others were less similar in terms of size or operational characteristics.

As a result of Houlihan Lokey's analysis, it was concluded that IMSG is a poorer performer than the Comparable Companies, including Crawford & Company, in almost all operational categories in addition to having a much greater customer concentration, implying greater inherent investment risk. Although Houlihan Lokey felt that it would not be unreasonable to take a significant discount to the multiples indicated from the Comparable Companies, including Crawford & Company, due to the greater relative risk of IMSG, the trading multiples of Crawford & Company were utilized in the analysis.

Table of Contents

Because of the fundamental changes in the operations of the business over the course of fiscal 2002, Houlihan Lokey determined that the earnings from the past year were inappropriate to use in determining the current value of IMSG. According to Management, the projections for fiscal 2003 provide the best representation of the current normalized operating level for IMSG. The projected fiscal 2003 revenue and EBITDA were applied to the chosen multiples to yield an indicated equity value per share range under the Market Multiple Approach of \$2.69 to \$2.76.

Comparable Transaction Approach

This approach involves an analysis of acquisitions of controlling interests in companies (Comparable Transactions) with operations deemed to be reasonably comparable to IMSG's principal business operations. For purposes of this analysis, Houlihan Lokey analyzed eight announced transactions between July 1996 and March 2003 where financial information was publicly disclosed. However, none of the transactions proved to be relevant in determining a value indication for IMSG because the transactions took place too long ago, were too small, or were executed based on perceived internet/software capabilities. Because of the lack of relevant transaction data, the Comparable Transaction Approach was considered to be inappropriate as part of this analysis.

Discounted Cash Flow Approach

This approach measures the present worth of anticipated future economic benefits (i.e., net income or net cash flow). The net income or net cash flow is forecasted into future years and converted to a present value equivalent using an appropriate discount rate. This discount rate should consider the time value of money, inflation, and the risk inherent in ownership of the company.

IMSG provided Houlihan Lokey with income statement projections for IMSG for the years ended December 31, 2003, December 31, 2004 and December 31, 2005 under both a base case and an aggressive case scenario, as well as balance sheet and capital expenditure forecasts. For purposes of this analysis, Houlihan Lokey determined debt-free cash flows by using the tax-affected operating income from the projections, subtracting necessary capital expenditures and adding depreciation and amortization as provided by Management, and subtracting the net working capital additions necessary to achieve IMSG's projected growth.

The approach utilized a discount rate range of 14.0 percent to 16.0 percent as determined by an industry-based weighted average cost of capital with an additional risk premium of 2.0 percent added to reflect company-specific risk factors. Houlihan Lokey believes that the company-specific risk premium is appropriate due to (i) IMSG's high customer concentration with Fidelity, (ii) IMSG's small size relative to other comparables and (iii) the limited historical data to support IMSG's most recent projections which show a significant improvement in operating margins. An exit multiple range of 5.0 to 6.0 times EBITDA was determined based on the market multiple of Crawford & Company.

Based on the foregoing assumptions, an indicated equity per share valuation range of \$2.59 to \$2.70 was determined from this approach under the base case, and an indicated equity value per share valuation range of \$2.79 to \$2.93 was determined from this approach under the aggressive case.

Liquidation Approach

Edgar Filing: INSURANCE MANAGEMENT SOLUTIONS GROUP INC - Form DEF 14A

This approach involves estimating the value of IMMSG on a liquidation basis. Houlihan Lokey analyzed the assets, liabilities and lease obligations of IMMSG to determine a reasonable estimate of the cash that would be available to shareholders subsequent to the sale of all of IMMSG's assets and payment of all of IMMSG's obligations. The Liquidation Approach yielded an indication of value of \$3.09 per share.

Fairness of the Transaction

Houlihan Lokey analyzed the fairness from a financial point of view of the Public Shareholder Merger Consideration to be received by the Public Shareholders in connection with the Fiserv Merger. Based on the foregoing valuation methodologies, and in reliance thereon, the Public Shareholder Merger Consideration met or exceeded the value of IMMSG on a per share basis as indicated by each of the methodologies utilized. Therefore, Houlihan Lokey has rendered its opinion that, subject to the assumptions and limiting conditions discussed previously and below, the Public Shareholder Merger Consideration to be received by the Public Shareholders in connection with the Fiserv Merger is fair from a financial point of view as of the date of Houlihan Lokey's Opinion.

Assumptions and Limiting Conditions

Houlihan Lokey relied upon the accuracy and completeness of all of the financial, accounting, legal, tax, operating and other information provided to it by IMMSG and assumed that all such information was complete and accurate in all material respects and that no material changes occurred in the information reviewed between the date the information was provided and the date of the Opinion. In particular, Houlihan Lokey relied upon and assumed, without independent verification, that (i) the financial forecasts and projections provided by IMMSG, and the related discussions with Management, were prepared in good faith and reflect the only available estimates of the future financial condition of IMMSG (as of the dates of such forecasts and projections), and (ii) there has been no material change in the assets, financial condition, results of operations, business or prospects of IMMSG since the date of the most recent financial statements made available to Houlihan Lokey. Houlihan Lokey also assumed that there are no facts or information regarding IMMSG that would cause the information supplied by IMMSG to be incomplete or misleading or fail to fairly represent the financial condition and results of operations of IMMSG in any material respect.

Houlihan Lokey has not independently verified the accuracy and completeness of the information supplied to it with respect to IMMSG and did not assume any responsibility with respect to it. Management has supplied Houlihan Lokey with all relevant information related to the Fiserv Merger and Houlihan Lokey has no duty to resolve any conflicts that may occur within such information. Houlihan Lokey has not made any physical inspection or independent appraisal of any of the properties or assets of IMMSG. Houlihan Lokey's Opinion was necessarily based on business, economic, market and other conditions as they existed and could be evaluated at the date of the Opinion.

Houlihan Lokey's Opinion is directed to the IMMSG Board of Directors, and does not constitute a recommendation to any shareholder of IMMSG or any other person. In addition, Houlihan Lokey has not acted as IMMSG's financial advisor, and the Opinion does not address IMMSG's underlying business decision to effect the Fiserv Merger, nor does it address the Principal Shareholders' decision to accept consideration of \$3.26 per share.

Fees and Expenses

Pursuant to an agreement dated February 21, 2003 (" Agreement "), Houlihan Lokey was retained by the IMMSG Board to analyze the fairness, from a financial point of view, of the consideration to be received by the Public Shareholders in connection with the Fiserv Merger. IMMSG has agreed to pay Houlihan Lokey a fee of \$150,000 for its services in connection with the Agreement, plus reasonable out-of-pocket expenses, not to exceed a maximum of \$12,000, that may be incurred by Houlihan Lokey in connection with the Agreement. In addition to its out-of-pocket expenses, Houlihan Lokey will be reimbursed for reasonable fees and expenses of its legal counsel in connection with the Agreement and Opinion. IMMSG has further agreed to indemnify Houlihan Lokey against certain liabilities and expenses in connection with the rendering of its services, including certain liabilities arising under the federal securities laws.

Interests of Certain Persons in the Fiserv Merger

Agreement to Facilitate Merger

On April 9, 2003, the Principal Shareholders entered into an Agreement to Facilitate Merger (the Agreement to Facilitate) with Fiserv, Fiserv Solutions and Fiserv Merger Sub. On August 5, 2003, the parties entered into Amendment No. 1 to the Agreement to Facilitate. The text of the Agreement to Facilitate, as amended (excluding schedules), is attached to this Proxy Statement as *Appendix C* and is incorporated by reference into this Proxy Statement.

Pursuant to the Agreement to Facilitate, as amended, the Principal Shareholders have agreed to, among other things:

vote all shares of IMMSG Common Stock presently owned or owned in the future by the Principal Shareholders for which the Principal Shareholders have voting power (i) in favor of the approval and adoption of the Merger Agreement and the Fiserv Merger, and (ii) against any action that could reasonably be expected to impede, interfere, delay or discourage the Fiserv Merger or result in a breach of representation, warranty, covenant or agreement of IMMSG;

not solicit, initiate, encourage or accept any acquisition proposal other than the Merger Agreement;

not participate in any discussions, conversations, negotiations and other communications regarding any acquisition proposal other than the Merger Agreement;

accept as consideration for their shares of IMMSG Common Stock \$3.26 per share in cash, without interest;

pay all amounts due IMMSG under the service agreement between IMMSG and BIG out of the consideration otherwise to be received by the Principal Shareholders for their shares of IMMSG Common Stock; and

not engage or invest in any competitive business relationship with IMMSG or Fiserv.

As of the Record Date, the Principal Shareholders collectively beneficially owned an aggregate of 8,354,884 shares of IMMSG Common Stock, representing approximately 68.2% of the outstanding shares of IMMSG Common Stock eligible to vote at the Special Meeting.

In light of the size of the Principal Shareholders' holdings in IMMSG Common Stock and the history of discussions as to a possible sale transaction, the Principal Shareholders agreed to accept \$3.26 per share in cash, without interest, as consideration for their shares of IMMSG Common Stock to increase the likelihood of the consummation of the Fiserv Merger. The Principal Shareholders believed that by agreeing to accept a reduced share price for their shares of IMMSG Common Stock and a higher relative price per share for the Public Shareholders, the Fiserv Merger was more likely to be approved by the requisite vote of the Public Shareholders at the Special Meeting.

Indemnification; D&O Insurance

The Merger Agreement provides that the articles of incorporation and bylaws of IMSG, as the surviving corporation in the Fiserv Merger, will have the provisions with respect to indemnification and exculpation from liability set forth in IMSG's Amended and Restated Articles of Incorporation and Amended and Restated Bylaws as of the date of the Merger Agreement, and that such provisions will not be amended, repealed or otherwise modified in any manner that would adversely affect the rights thereunder of individuals who at or prior to the effective time of the Fiserv Merger were directors, officers, employees or agents of IMSG or its subsidiaries.

The Merger Agreement further provides that IMSG, as the surviving corporation in the Fiserv Merger, will indemnify (and advance expenses as incurred to the fullest extent permitted under applicable law to) each current or former officer or director of IMSG or any of its subsidiaries (the Indemnified Persons) against all liabilities, losses, claims, damages, costs and expenses (including reasonable attorney's fees and expenses) arising out of or in connection with, in whole or in part, the Merger Agreement or Fiserv Merger or the fact that such Indemnified Person was or is an officer or director of IMSG or any of its subsidiaries. Pursuant to the Merger Agreement, Fiserv and Fiserv Solutions, jointly and severally, agreed to guarantee the payment and performance of IMSG, as the surviving corporation in the Fiserv Merger, under such indemnification provisions.

Table of Contents

The Merger Agreement also provides that, immediately prior to the effective time of the Fiserv Merger, IMMSG will obtain tail insurance coverage to continue in effect following the effective time of the Fiserv Merger the coverage provided to current and former directors and officers of IMMSG as of the date of the Merger Agreement, and naming BIG as an additional insured. IMMSG, as the surviving corporation in the Fiserv Merger, cannot cancel this tail insurance coverage prior to December 31, 2004, and the cost thereof is to be shared evenly by IMMSG and BIG (provided that BIG will also pay any additional premium as a result of its being named as an additional insured).

Administration Services

Following the consummation of the Fiserv Merger, IMMSG will continue to provide BIG and certain of its affiliated insurance company subsidiaries with certain administration services on a month-to-month basis in accordance with the terms of the existing service arrangements between such entities. Other than as described in the Proxy Statement, BIG and its affiliates have no present plans, agreements or understandings regarding any future relationships with Fiserv or any of its affiliates.

As of June 30, 2003, BIG owed IMMSG an aggregate of approximately \$5.7 million pursuant to the service agreement between IMMSG and BIG. Pursuant to Amendment No. 1 to the Agreement to Facilitate, this obligation will be paid in full following consummation of the Fiserv Merger out of the consideration otherwise to be received by the Principal Shareholders for their shares of IMMSG Common Stock.

Regulatory Approvals

The consummation of the Fiserv Merger does not require any significant federal or state regulatory filings or approvals other than the filing of Articles of Merger with the Department of State of the State of Florida and the federal filings required under applicable U.S. securities laws in connection with this Proxy Statement.

Certain U.S. Federal Income Tax Consequences

The following is a discussion of certain federal income tax consequences of the Fiserv Merger to holders of IMMSG Common Stock. The discussion is based upon the U.S. Internal Revenue Code of 1986, as amended (the Code), U.S. Treasury regulations, Internal Revenue Service (IRS) rulings and judicial and administrative decisions in effect as of the date of this Proxy Statement. Due to the complexity of the Code, the following discussion is limited to certain United States federal income tax aspects of the Fiserv Merger for a shareholder of IMMSG who is a citizen or resident of the United States and who, on the date on which the Fiserv Merger is completed, holds shares of IMMSG Common Stock as a capital asset. The general tax principles discussed below are subject to retroactive changes that may result from amendments to the Code after the date of this Proxy Statement. The following discussion does not address taxpayers subject to special treatment under the U.S. federal income tax laws, such as insurance companies, financial institutions, dealers in securities, tax-exempt organizations, S corporations and taxpayers subject to the alternative minimum tax. In addition, the following discussion may not apply to shareholders who hold their shares as part of a hedge, straddle or conversion transaction. The following discussion does not address potential foreign, state, local and other tax consequences of the Fiserv Merger. **ALL IMMSG SHAREHOLDERS ARE URGED TO CONSULT THEIR OWN TAX ADVISORS REGARDING THE U.S. FEDERAL INCOME TAX CONSEQUENCES, AS WELL AS THE FOREIGN, STATE AND LOCAL TAX CONSEQUENCES, OF THE DISPOSITION OF THEIR SHARES OF IMMSG COMMON STOCK IN THE FISERV MERGER.**

Edgar Filing: INSURANCE MANAGEMENT SOLUTIONS GROUP INC - Form DEF 14A

For U.S. federal income tax purposes, the Fiserv Merger will be treated as a taxable sale or exchange of IMMSG Common Stock for cash by each IMMSG shareholder (including any shareholder who properly exercises dissenters' rights). Accordingly, the federal income tax consequences to the IMMSG shareholders receiving cash will generally be as follows:

the shareholders may recognize a capital gain or loss by reason of the disposition of his, her or its shares of IMMSG Common Stock pursuant to the Fiserv Merger;

Table of Contents

the capital gain or loss, if any, will be long-term with respect to shares of IMSG Common Stock with a holding period of more than 12 months as of the effective time of the Fiserv Merger; and

the amount of capital gain or loss to be recognized by each shareholder will be measured by the difference between the amount of cash received by the shareholder in connection with the Fiserv Merger, or cash received in connection with the exercise of dissenters' rights, and the shareholder's tax basis in the shares of IMSG Common Stock at the effective time of the Fiserv Merger.

Cash payments made pursuant to the Fiserv Merger, including any cash paid to an IMSG shareholder who properly exercises dissenters' rights, will be reported to the extent required by the Code to IMSG shareholders and the IRS. These amounts will ordinarily not be subject to withholding of U.S. federal income tax. However, backup withholding of the tax at a rate of 28% may apply to certain non-corporate shareholders who fail to supply IMSG or EquiServe, Inc., as paying agent, certain certifications required by the IRS. Backup withholding will not apply to a shareholder who furnishes a taxpayer identification number and certifies that he or she is not subject to backup withholding on the substitute Form W-9 included in the letter of transmittal or who provides a certificate of foreign status on Form W-8BEN, or who is otherwise exempt from backup withholding.

Expenses and Other Fees in Connection with the Fiserv Merger

Each party will bear its own expenses in connection with the Fiserv Merger, whether or not the Fiserv Merger is actually consummated.

Fiserv Solutions is a wholly-owned subsidiary of Fiserv. Fiserv Merger Sub was created solely for the purpose of the Fiserv Merger and has no assets or operations other than in connection therewith. Exchange Procedures

Promptly after the effective time of the Fiserv Merger, EquiServe, Inc., as paying agent (the **Paying Agent**), will mail to each person who was, at the effective time, a holder of record of IMSG Common Stock a letter with instructions on how to exchange IMSG Common Stock certificates for the cash merger consideration.

Please do not send in your IMSG Common Stock certificates until you receive this letter of transmittal and instructions from the Paying Agent. **Do not return your IMSG Common Stock certificates with the enclosed proxy card.** If your shares of IMSG Common Stock are held through a broker, your broker will surrender your shares for cancellation.

After you deliver the letter of transmittal, duly executed and completed in accordance with its instructions, and your IMSG Common Stock certificates, to the Paying Agent, Fiserv will cause a check in the amount of

consideration that you are entitled to, less any required tax withholdings, to be made to you. The IMMSG Common Stock certificates you surrender will be canceled. After the completion of the Fiserv Merger, there will be no further transfers of IMMSG Common Stock, and IMMSG Common Stock certificates presented for transfer after the effective time of the Fiserv Merger will be canceled and exchanged for the merger consideration. If payment is to be made to a person other than the registered holder of the shares of IMMSG Common Stock, the certificate surrendered must be properly endorsed or in proper form for transfer and any transfer or similar taxes must be paid by the person requesting the transfer or that person must establish to IMMSG or the Paying Agent's satisfaction that such tax has been paid or is not applicable.

If your IMMSG Common Stock certificates have been lost, stolen or destroyed, you will have to prove your ownership of those certificates and that they were lost, stolen or destroyed before you receive any consideration for your shares, and, if requested, you must provide a bond or indemnity. The Paying Agent will send you instructions on how to provide such evidence.

If you do not return a completed letter of transmittal and your IMMSG Common Stock certificates to the Paying Agent within 180 days after the effective time of the Fiserv Merger, you may be required to look to Fiserv, as a general creditor, for payment of the cash merger consideration.

Conduct of IMSG's Business Prior to the Fiserv Merger

IMSG has agreed that, except as otherwise contemplated by the Merger Agreement, IMSG, including its subsidiaries, will use commercially reasonable efforts to conduct its operations in its ordinary and usual course of business. IMSG has also agreed to use its commercially reasonable efforts to preserve its business organization, retain its officers and employees and maintain existing relationships with licensors, suppliers, distributors, customers and others with whom it does business.

No Solicitation

Except as described below in this section, IMSG has agreed that it will not, and will cause its subsidiaries and their officers, directors, employees, financial advisors, counsel, representatives and agents not to:

directly or indirectly solicit, initiate, encourage or facilitate the making of an acquisition proposal;

participate or engage in or encourage negotiations or discussions with, or provide any nonpublic information to, any person relating to an acquisition proposal, or which may reasonably be expected to lead to an acquisition proposal; or

agree to or endorse any acquisition proposal;

The Merger Agreement provides that these restrictions will not prohibit IMMSG or its Board of Directors from taking and disclosing to IMMSG's shareholders a position contemplated by Rule 14e-2 under the Securities Exchange Act of 1934, as amended, or from making any legally required disclosure to IMMSG's shareholders.

An acquisition proposal is an offer or proposal for:

a transaction or series of related transactions pursuant to which:

any person who does not currently own 15% or more of the outstanding shares of IMMSG Common Stock acquires 15% or more of the outstanding shares of IMMSG Common Stock, including a tender offer or an exchange offer which, if completed, would result in any such person acquiring 15% or more of the outstanding shares of IMMSG Common Stock; or

any person who currently owns more than 15% of the outstanding shares of IMMSG Common Stock acquires 50% or more of the outstanding shares of IMMSG Common Stock, including a tender offer or an exchange offer which, if completed, would result in any such person acquiring 50% or more of the outstanding shares of IMMSG Common Stock (provided, however, that no transfer of IMMSG Common Stock permitted by the Agreement to Facilitate shall be deemed to constitute an acquisition proposal);

a merger or other business combination involving IMMSG pursuant to which:

any person who does not currently own 15% or more of the outstanding shares of IMMSG Common Stock acquires securities representing 15% or more of the aggregate voting power of all outstanding securities of the company surviving the merger or business combination; or

any person who currently owns more than 15% of the outstanding shares of IMMSG Common Stock acquires securities representing 50% or more of the aggregate voting power of all outstanding securities of the company surviving the merger or business combination; or

any other transaction pursuant to which any person or entity acquires control of assets, including the outstanding equity securities of any IMMSG subsidiary, having a fair market value equal to 15% or more of the fair market value of all of the assets of IMMSG immediately prior to such a transaction.

However, the Merger Agreement does not prohibit IMMSG's Board of Directors from, prior to obtaining shareholder approval of the Fiserv Merger, furnishing nonpublic information to or entering into discussions or negotiations with any person that makes an unsolicited superior proposal if:

the failure of IMMSG's Board of Directors to take action with respect to such superior proposal would be a breach of its fiduciary duties to its shareholders or otherwise under applicable law;

prior to first furnishing nonpublic information to or entering into substantive discussions and negotiations with such person, IMMSG:

provides prior written notice of at least three business days to Fiserv of its intention to so furnish information or enter into discussions or negotiations, and

receives from such person a confidentiality agreement; and

IMMSG provides Fiserv with all material nonpublic information regarding IMMSG that is to be provided to such person that Fiserv has not previously received and keeps Fiserv reasonably informed of the status and the material terms and conditions and all other material information with respect to any such discussions or negotiations.

In addition, IMMSG has agreed that it will notify Fiserv within three business days if it or its representatives receives an acquisition proposal or if any discussions or negotiations are sought to be initiated or continued concerning an acquisition proposal.

A superior proposal is a bona fide acquisition proposal that the IMMSG Board of Directors reasonably and in good faith determines, after consultation with its financial advisors and outside counsel, to be more favorable to IMMSG's shareholders than the Fiserv Merger.

The IMSG Board may not withdraw, or modify in a manner adverse to Fiserv, its recommendation unless:

IMSG has complied in all material respects with the nonsolicitation covenants of the Merger Agreement described above; and

such withdrawal or modification is required under applicable law in order for the IMSG Board to comply with its fiduciary duties.

Termination

The Merger Agreement may be terminated at any time prior to the effective time of the Fiserv Merger in any of the following circumstances:

by mutual consent of all the parties;

by either Fiserv (including Fiserv Solutions and Fiserv Merger Sub) or IMSG if:

the Fiserv Merger is not consummated by October 9, 2003, provided that this termination right is not available to any party whose failure to fulfill any obligation under the Merger Agreement or material breach of the Merger Agreement resulted in the failure to complete the Fiserv Merger on or before such date;

any court or governmental body has issued a final nonappealable order, decree or ruling (which order, decree or ruling the parties will use their commercially reasonable efforts to lift or reverse) permanently restraining or enjoining the Fiserv Merger or a proceeding that seeks such an order is pending on or after April 9, 2004, provided that the terminating party has used commercially reasonable efforts to cause any such proceeding to be dismissed as to all parties; or

Edgar Filing: INSURANCE MANAGEMENT SOLUTIONS GROUP INC - Form DEF 14A

the IMMSG shareholders have failed to approve the Merger Agreement and the Fiserv Merger at the Special Meeting (as described under Conditions to Completion of the Fiserv Merger above), provided that this termination right is not available to any party whose failure to perform any material obligation under the Merger Agreement has been the proximate cause of, or resulted in, the failure to obtain the requisite vote of shareholders of IMMSG;

by Fiserv (including Fiserv Solutions and Fiserv Merger Sub) if:

IMMSG has breached in any material respect its nonsolicitation covenants set forth in the Merger Agreement;

the Board of Directors of IMMSG has recommended to IMMSG's shareholders, approved, accepted or entered into an agreement regarding a superior proposal;

the Board of Directors of IMMSG has withdrawn or modified in a manner adverse to Fiserv its recommendation of the Fiserv Merger;

a tender offer or exchange offer for 15% or more of the outstanding shares of IMMSG Common Stock is commenced, and IMMSG's Board, within ten business days thereafter, fails to recommend against acceptance of such tender offer or exchange offer by IMMSG's shareholders or takes no position with respect to the acceptance of such tender offer or exchange offer by IMMSG's shareholders; or

IMMSG has materially breached any of its representations, warranties or obligations under the Merger Agreement such that the conditions to Fiserv's consummating the Fiserv Merger cannot be satisfied, and Fiserv (including Fiserv Solutions and Fiserv Merger Sub) has not materially breached its obligations under the Merger Agreement; and

by IMMSG if:

prior to the IMMSG shareholders approving the Merger Agreement and the Fiserv Merger, if IMMSG has not materially breached its nonsolicitation covenants and other obligations under the Merger Agreement, IMMSG's Board of Directors has authorized IMMSG to enter into a binding agreement concerning a transaction that constitutes a superior proposal and IMMSG notifies Fiserv that IMMSG intends to enter into such a binding agreement and Fiserv does not make, within ten days of receiving the notice described above, any offer that the IMMSG Board of Directors reasonably and in good faith determines, after consultation with its legal and financial advisors, is at least as favorable to IMMSG's shareholders as the superior proposal; or

Fiserv has materially breached any of its representations, warranties or obligations under the Merger Agreement such that the conditions to IMMSG's consummating the Fiserv Merger cannot be satisfied, and IMMSG has not materially breached its obligations under the Merger Agreement.

Effect of Termination

If the Merger Agreement is terminated, then the Merger Agreement will be void and have no effect, without any liability on the part of any party, except that no termination of the Merger Agreement will relieve any party from liability for any willful breach of the covenants or agreements contained in the Merger Agreement and IMMSG may have to pay Fiserv a termination fee as described below.

Termination Payment; Expenses

IMMSG must pay Fiserv a termination fee of \$1,200,000 if the Merger Agreement is terminated:

by Fiserv because the IMMSG shareholders have failed to approve the Merger Agreement and the Fiserv Merger at the Special Meeting, and within twelve months of termination of the Merger Agreement IMMSG shall have entered into an agreement for, or consummated, a transaction which would constitute an acquisition proposal;

by Fiserv because either (i) IMMSG materially breached its nonsolicitation covenants under the Merger Agreement, (ii) the Board of Directors of IMMSG has recommended to IMMSG's shareholders, approved, accepted or entered into an agreement regarding a superior proposal, (iii) the Board of Directors of IMMSG has withdrawn or modified in a manner adverse to Fiserv its recommendation of the Merger, or (iv) a tender offer or exchange offer for 15% or more of the outstanding shares of IMMSG Common Stock is commenced, and IMMSG's Board, within ten business days thereafter, fails to recommend against acceptance of such tender offer or exchange offer by IMMSG's shareholders or takes no position with respect to the acceptance of such tender offer or exchange offer by IMMSG's

concerning a transaction that constitutes a superior proposal and IMSG notifies Fiserv that IMSG intends to enter into such a binding agreement and Fiserv does not make, within ten days of receiving the notice described above, any offer that the IMSG Board of Directors reasonably and in good faith determines, after consultation with its legal and financial advisors, is at least as favorable to IMSG's shareholders as the superior proposal.

Amendment and Waiver

The Merger Agreement may not be amended except by an instrument in writing signed by all of the parties.

At any time prior to the effective time of the Fiserv Merger, any party to the Merger Agreement may:

extend the time for performance of any of the obligations or other acts of the other parties;

waive any inaccuracies in the representations and warranties in the Merger Agreement or any document delivered pursuant to the Merger Agreement; or

waive compliance by any other party with any of the agreements or conditions contained in the Merger Agreement, to the extent permitted by law.

Any such extension or waiver will only be valid if it is set forth in a written instrument signed by the party to be bound.

SHAREHOLDER PROPOSALS

IMSG presently intends to hold a 2003 annual meeting of shareholders only if the Fiserv Merger is not completed on or before October 9, 2003, and has not yet set the date thereof. If a 2003 annual meeting of shareholders is to be held, the deadline for submission of shareholder proposals pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended (Rule 14a-8), for inclusion in IMSG's proxy statement for its 2003 annual meeting of shareholders will be a reasonable time before IMSG begins to print and mail its proxy materials, which deadline will be set forth in a quarterly report on Form 10-Q or will otherwise be communicated to shareholders. Shareholder proposals must also be otherwise eligible for inclusion.

If a shareholder wishes to have a proposal considered at the 2003 annual meeting but does not use the process set forth in Rule 14a-8, IMSG's Amended and Restated Bylaws control the timely filing of such proposals. Under IMSG's Amended and Restated Bylaws, a shareholder proposal is not timely unless the shareholder proposing the proposal has given timely notice in writing to the Corporate Secretary of IMSG. To be timely, a shareholder's notice must be received at the principal business office of IMSG no later than the date designated for receipt of shareholders proposals in a prior public disclosure by IMSG. If there has been no such prior public disclosure, then to be timely a shareholder's notice must be delivered or mailed to and received at the principal business office of IMSG not less than 60 days nor more than 90 days prior to the 2003 annual meeting; *provided, however*, that in the event less than 70 days' notice of the date of the 2003 annual meeting is given to shareholders by notice or prior public disclosure, notice, to be timely, must be received by IMSG not later than the close of business on the tenth day following the day on which IMSG gave notice of or made a public disclosure of the date of the 2003 annual meeting. After the expiration of the notice period, notice to IMSG of a shareholder proposal submitted other than pursuant to rule 14a-8 will be considered untimely, and the persons named in proxies solicited by the Board of Directors of IMSG for the 2003 annual meeting of shareholders may exercise discretionary voting power with respect to any such proposal.

VOTING PROCEDURES/REVOKING YOUR PROXY

Vote Required; Quorum; Voting of Proxies

Under the FBCA, approval of the Merger Agreement and the Fiserv Merger requires the affirmative vote of the holders of a majority of the issued and outstanding shares of IMSG Common Stock as of the Record Date. In addition, the Merger Agreement requires approval by the affirmative vote of holders of at least 50.01% of the outstanding shares of IMSG Common Stock that are not owned or controlled by the Principal Shareholders. Failures to vote, abstentions and broker non-votes will not be deemed to be cast either FOR or AGAINST the Merger Agreement and the Fiserv Merger. However, because approval of the Merger Agreement and the Fiserv Merger requires the affirmative vote of the holders of both (i) a majority of the outstanding shares of IMSG Common Stock and (ii) at least 50.01% of the shares of IMSG Common Stock that are not owned or controlled by the Principal Shareholders, failures to vote, abstentions and broker non-votes will have the same effect as a vote AGAINST the Merger Agreement and the Fiserv Merger.

Table of Contents

The presence at the Special Meeting, either in person or by proxy, of at least a majority of the shares of IMSG Common Stock outstanding on the Record Date is necessary to constitute a quorum to transact business at the Special Meeting. If a quorum is not present at the Special Meeting, it is expected that the Special Meeting will be adjourned or postponed in order to solicit additional proxies.

Those who fail to return a proxy or attend the Special Meeting will not count towards determining the required quorum. Abstentions and broker non-votes will be counted for the purpose of determining whether a quorum is present. Broker non-votes are shares held by brokers or nominees on behalf of customers that are represented at the meeting but with respect to which the broker or nominee has not been instructed how to vote. Brokers holding shares of IMSG Common Stock in street name for customers are prohibited from voting those customers' shares regarding the Merger Agreement and the Fiserv Merger in the absence of specific instructions from those customers.

Shares of IMSG Common Stock represented by properly executed proxies received in time for the Special Meeting will be voted in accordance with instructions indicated on the proxies. Except for the broker non-votes, proxies that do not contain voting instructions will be voted FOR approval of the Merger Agreement and the Fiserv Merger, and as determined by the IMSG Board of Directors as to any other matter that may properly come before the Special Meeting.

Revocability of Proxies

Proxies may be revoked if you:

deliver a signed, written revocation letter, dated later than the proxy, to the Corporate Secretary of IMSG at the address set forth on the first page of this Proxy Statement;

deliver a signed proxy, dated later than the previous one, to the Corporate Secretary of IMSG at the address set forth on the first page of this Proxy Statement; or

attend the Special Meeting and vote in person or by proxy. Attending the Special Meeting alone will not revoke your proxy.

Adjournment and Postponement

If a quorum is not present at the time the Special Meeting is convened, or if for any other reason IMSG believes that additional time should be allowed for the solicitation of proxies, then IMSG may postpone the Special Meeting or may adjourn the Special Meeting with or without a vote of shareholders. If IMSG proposes to postpone or adjourn the Special Meeting by a vote of shareholders, then the persons named in the enclosed form of proxy will vote all shares of IMSG Common Stock for which they have voting authority in favor of a postponement or adjournment. However, these persons will not vote any shares of IMSG Common Stock for which they have been instructed to vote against the approval of the Merger Agreement and the Fiserv Merger in favor of that postponement or adjournment.

Solicitation

The cost of this solicitation will be borne by IMSG. In addition to solicitation by mail, proxies may be solicited by certain of IMSG's directors and officers, personally or by telephone, facsimile, e-mail or telegram, without additional compensation. IMSG will reimburse brokerage firms, banks and other custodians, nominees and fiduciaries for their expenses reasonably incurred in forwarding solicitation material to the beneficial owners of IMSG Common Stock. IMSG estimates that the total costs associated with the solicitation of proxies will be approximately \$150,000.

Table of Contents

DISSENTERS' RIGHTS

Set forth below is a summary of dissenters' rights available to IMSG's shareholders relating to the Merger Agreement and Fiserv Merger to be considered at the Special Meeting. This summary is not intended to be a complete statement of applicable Florida law and is qualified in its entirety by reference to Sections 607.1301, 607.1302 and 607.1320 of the FBCA, set forth in their entirety as *Appendix D* to this Proxy Statement.

Right to Dissent

Shareholders of IMSG are entitled to dissent from the Fiserv Merger discussed in this Proxy Statement and obtain payment of the fair value of their shares of IMSG Common Stock if and when the Fiserv Merger is effectuated. A shareholder entitled to dissent and to obtain payment for the shareholder's shares under Chapter 607 of the FBCA may not challenge the corporate action (i.e., the Fiserv Merger) creating the right to dissent unless the action is unlawful or fraudulent with respect to the shareholder or IMSG.

Under Section 607.1302 of the FBCA, a shareholder may assert dissenters' rights as to fewer than all the shares registered in the shareholder's name.

Procedures for Exercise of Dissenters' Rights

The notice accompanying the Proxy Statement states that shareholders are entitled to assert dissenters' rights under Chapter 607 of the FBCA. An IMSG shareholder who wishes to assert dissenters' rights must: (a) cause IMSG to receive, before the vote is taken on the Merger Agreement and the Fiserv Merger, written notice of the shareholder's intention to demand payment for the shareholder's shares if the Fiserv Merger is effectuated; and (b) not vote his or her shares in favor of the Fiserv Merger. A vote, by proxy or in person, against the Merger Agreement and the Fiserv Merger will not constitute written notice of the shareholder's intention to demand payment. A shareholder's failure to vote against the Merger Agreement and the Fiserv Merger will not constitute a waiver of his or her right to demand payment, provided the shareholder otherwise complies with the requirements set forth herein. **A SHAREHOLDER WHO DOES NOT SATISFY THE FOREGOING REQUIREMENTS WILL NOT BE ENTITLED TO DEMAND PAYMENT FOR HIS OR HER SHARES UNDER CHAPTER 607 OF THE FBCA.**

If the Fiserv Merger is approved by IMSG's shareholders, IMSG must give a written notice to dissenters who are entitled to demand payment for their shares. The notice required to be given by IMSG must be given no later than 10 days after the date IMSG's shareholders approve the Merger Agreement and the Fiserv Merger. A shareholder who is given a dissenters' notice to assert dissenters' rights and who wishes to exercise dissenters' rights must, in accordance with the terms of the dissenters' notice, within 20 days cause IMSG to receive a payment demand and simultaneously deposit his or her share certificates with IMSG. Any shareholder that fails to file such election to dissent within the 20-day period will be bound by the terms of the Merger Agreement and the Fiserv Merger. Upon filing a notice of election to dissent, a shareholder shall only be entitled to payment as provided under Chapter 607 of the FBCA and shall not be entitled to vote or to exercise any other rights of a shareholder. A notice of election may be withdrawn in writing by a shareholder at any time before an offer is made by IMSG to pay for his or her shares. After IMSG makes an offer to purchase, no notice of election may be withdrawn unless IMSG consents thereto.

A SHAREHOLDER WHO DOES NOT DEMAND PAYMENT AS REQUIRED BY THE DATE OR DATES SET FORTH IN THE DISSENTERS NOTICE IS NOT ENTITLED TO PAYMENT FOR HIS OR HER SHARES.

Within 10 days after the expiration of the period in which shareholders may file their notices of election to dissent, or within 10 days after the Fiserv Merger is effected, whichever is later (but in no case later than 90 days from the shareholders' authorization date), IMSG shall make a written offer to each dissenting shareholder who has made demand as provided in Section 607.1320 of the FBCA to pay an amount IMSG estimates to be the fair value for the shares. If the Fiserv Merger has not been consummated before the expiration of the 90-day period

Table of Contents

after the shareholders' authorization date, the offer may be made conditional upon consummation of the Fiserv Merger. The notice and offer shall be accompanied by:

- (1) a balance sheet of IMMSG as of the latest available date; and
- (2) a profit and loss statement of IMMSG for the twelve-month period ended on the date of the balance sheet.

If within 30 days after the making of such offer a shareholder accepts the offer, payment for such shareholder's shares shall be made within 90 days after the making of such offer or the consummation of the Fiserv Merger, whichever is later. Upon payment of the agreed value for the shares, the dissenting shareholder shall cease to have any interest in the shares of IMMSG Common Stock. If IMMSG fails to make an offer within the period specified above or if IMMSG makes an offer that any dissenting shareholder fails to accept, then IMMSG, within 30 days after receipt of written demand from any dissenting shareholder given within 60 days of the Fiserv Merger, or at IMMSG's election at any time within 60 days of the Fiserv Merger, will file an action in any court of competent jurisdiction in Pinellas County, Florida, requesting that the fair value of such shares be determined.

A DISSENTER MAY LOSE THE RIGHT TO DEMAND PAYMENT UNLESS THE DISSENTER CAUSES IMMSG TO RECEIVE THE NOTICE REQUIRED WITHIN 30 DAYS AFTER IMMSG MADE OR OFFERED PAYMENT FOR THE SHARES OF THE DISSENTER.

Judicial Appraisal of Shares

If a demand for payment made by a dissatisfied dissenter as set forth above is unresolved, IMMSG may, within 60 days after receiving the payment demand, commence a proceeding and petition a court to determine the fair value of the shares. IMMSG must commence the proceeding described above in any court of competent jurisdiction in Pinellas County, Florida. IMMSG must make all dissenters whose demands remain unresolved parties to the proceeding as in an action against their shares, and all parties must be served with a copy of the petition. The jurisdiction of the court in which the proceeding is commenced is plenary and exclusive. One or more persons may be appointed by the court as appraisers to receive evidence and recommend a decision on the question of fair value. The proceeding will be entitled to the same discovery rights as parties in other civil proceedings. IMMSG will pay each shareholder the amount found to be due such shareholder, if any, within 10 days after the final determination of the proceedings.

The court in an appraisal proceeding will determine the costs and expenses of the proceeding, including the reasonable compensation and expenses of appraisers appointed by the court. The court will assess the costs against IMMSG, but all or any part of such costs and expenses may be apportioned and assessed as the court deems equitable against any or all of the dissenting shareholders who are parties to the proceeding and to whom IMMSG has made an offer to pay for the shares, if the court finds that the action of such shareholders in failing to accept such offer was arbitrary, vexatious or not in good faith. Such expenses shall include reasonable compensation for, and reasonable expenses of, the appraisers, but shall exclude the fees and expenses of counsel for, and experts employed by, any party. If the fair value of the shares, as determined, materially exceeds the amount which IMMSG offered to pay therefor, or if no offer was made, the court in its discretion may award to any shareholder who is a party to the proceeding such sum as the court determines to be reasonable compensation to any attorney or expert employed by the shareholder in the proceeding.

WITNESSETH:

WHEREAS, as of December 31, 2002, the Company had issued and outstanding 12,276,063 shares of common stock, par value \$0.01 per share (the Company Common Stock or Shares); and

WHEREAS, Fiserv, Fiserv Solutions and Fiserv Sub desire that Fiserv Sub merge with and into the Company and, to realize the benefits thereof, the Company also desires that Fiserv Sub merge with and into the Company (the Merger), upon the terms and subject to the conditions set forth herein and in accordance with the Florida Business Corporation Act (the Florida Law), and that each outstanding share of Company Common Stock, excluding any such shares held in the treasury of the Company, be converted into the right to receive cash, without interest, as provided herein (Fiserv Sub and the Company being hereinafter sometimes referred to as the Constituent Corporations and the Company, after the Merger as the surviving entity, being hereinafter sometimes referred to as the Surviving Corporation);

NOW, THEREFORE, in consideration of the mutual representations, warranties, covenants, agreements and conditions contained herein, and in order to set forth the terms and conditions of the Merger and the mode of carrying the same into effect, the parties hereby agree as follows:

ARTICLE I

MERGER

SECTION 1.01 The Merger. At the Effective Time (as hereinafter defined), Fiserv Sub shall be merged with and into the Company on the terms and conditions hereinafter set forth as permitted by and in accordance with the Florida Law. The Amended and Restated Articles of Incorporation and Amended and Restated Bylaws of the Company, each as in effect at the Effective Time shall be the articles of incorporation and bylaws of the Surviving Corporation until amended in accordance with the provisions thereof and applicable law.

SECTION 1.02 Articles of Merger. As soon as practicable following satisfaction or waiver of the conditions specified in Article VII hereof, and provided that this Agreement has not been terminated and abandoned pursuant to Article VIII hereof, the Company and Fiserv Sub will cause the Articles of Merger in substantially the form of Exhibit A attached hereto (the Articles of Merger) to be executed and filed with the Secretary of State of the State of Florida as provided under the Florida Law.

SECTION 2.02 Officers. From and after the Effective Time, the officers of the Surviving Corporation shall consist of the officers of the Company (as constituted immediately prior to the Effective Time) until changed in accordance with the Amended and Restated Articles of Incorporation and Amended and Restated Bylaws of the Surviving Corporation and applicable law.

ARTICLE III

CONVERSION OF SHARES

SECTION 3.01 Conversion of Shares.

(a) Upon the Effective Time, (i) each share of Company Common Stock issued and outstanding immediately prior to the Effective Time (other than the 8,354,884 shares (the BIG Shares) of Company Common Stock owned beneficially and of record by Bankers Insurance Company, a Florida corporation (BIC), Bankers Security Insurance Company, a Florida corporation (BSIC), Bonded Builders Service Corp., a Florida corporation (BBSC), and Bankers Insurance Group, Inc., a Florida corporation and the parent of BIC, BSIC and BBSC (BIG and, collectively with BIC, BSIC and BBSC, the Principal Shareholders), and other than any shares of Company Common Stock to be canceled pursuant to Section 3.01(b) and any Dissenting Shares (as hereinafter defined)) shall, without any further action, be converted into the right to receive \$3.30 in cash, without interest, and (ii) each BIG Share shall, without any further action, be converted into the right to receive \$3.26 in cash, without interest (such cash payments, collectively, the Merger Consideration).

(b) All shares of Company Common Stock owned by the Company or any direct or indirect wholly-owned subsidiary of the Company or Fiserv, Fiserv Solutions or Fiserv Sub or any other subsidiary of Fiserv immediately prior to the Effective Time shall be cancelled and extinguished without any conversion thereof.

(c) Each share of common stock of Fiserv Sub, par value \$.01 per share (Fiserv Sub Common Stock), issued and outstanding immediately prior to the Effective Time shall be converted into one share of the common stock of the Surviving Corporation, par value \$.01 per share (Surviving Corporation Common Stock).

SECTION 3.02 Exchange of Company Common Stock.

(a) As soon as reasonably practicable, but in no event more than five days after the Effective Time, Fiserv shall cause Fiserv's stock transfer agent or such other person as Fiserv may reasonably appoint to act as paying agent (the Paying Agent) to mail to each holder of record (other than Fiserv, Fiserv Solutions, Fiserv Sub or any other subsidiary of Fiserv or the Company) of a certificate or certificates that immediately prior to the Effective Time represented outstanding shares of Company Common Stock (Company Certificates) (i) a form letter of transmittal (which shall specify that delivery shall be effective, and risk of loss and title to the Company Certificate(s) shall pass, only upon delivery of the Company Certificate(s) to the Paying Agent) and (ii) instructions for such holder's use in effecting the surrender of the Company Certificates in exchange for payment of the Merger Consideration. Prior to or contemporaneously with the Effective Time, Fiserv shall cause to be deposited with the Paying Agent amounts sufficient in the aggregate to provide all funds necessary for the Paying Agent to make payments pursuant to Section 3.01(a) to holders of Company Common Stock issued and outstanding immediately prior to the Effective Time who are to receive the Merger Consideration.

Edgar Filing: INSURANCE MANAGEMENT SOLUTIONS GROUP INC - Form DEF 14A

(b) Upon surrender to the Paying Agent of one or more Company Certificates for cancellation, together with a duly-executed letter of transmittal, the Paying Agent shall distribute to the holder of such Company Certificate(s) a bank check (or other immediately available funds) in the amount of cash into which the shares of Company Common Stock represented by the Company Certificate(s) shall have been converted pursuant to Section 3.01(a), and the Company Certificate(s) so surrendered shall be canceled. In the event of a transfer of ownership of Company Common Stock that is not registered in the transfer records of the Company, it shall be a condition to the payment of the Merger Consideration that the Company

Table of Contents

Certificate(s) so surrendered shall be properly endorsed or be otherwise in proper form for transfer and that such transferee shall (i) pay to the Paying Agent any transfer or other taxes required, or (ii) establish to the reasonable satisfaction of the Paying Agent that such tax has been paid or is not payable.

(c) After the Effective Time, there shall be no further registration of transfers on the stock transfer books of the Surviving Corporation of the shares of Company Common Stock that were outstanding immediately prior to the Effective Time. If, after the Effective Time, Company Certificates representing such shares are presented to the Surviving Corporation, they shall be canceled and exchanged as provided in this Article III. As of the Effective Time, the holders of Company Certificates representing shares of Company Common Stock shall cease to have any rights as shareholders of the Company, except such rights, if any, as they may have pursuant to the Florida Law. Except as provided above, until such Company Certificates are surrendered for exchange, each such Company Certificate shall, after the Effective Time, represent for all purposes only the right to receive the cash value of such Shares as provided in Section 3.01(a) hereof.

(d) In the event any Company Certificate shall have been lost, stolen, or destroyed, the Paying Agent shall issue in exchange for such lost, stolen, or destroyed Company Certificate, upon the making of an affidavit of that fact by the holder thereof, such cash as may be required pursuant to Section 3.01(a); provided, however, that Fiserv may, in its reasonable discretion and as a condition precedent to the issuance thereof, require the owner of such lost, stolen, or destroyed Company Certificates to deliver a bond in such sum as Fiserv may reasonably direct (but in no event in an amount greater than the amount of cash to which such owner is entitled pursuant to Section 3.01(a)) as indemnity against any claim that may be made against Fiserv or the Paying Agent with respect to such Company Certificates alleged to have been lost, stolen, or destroyed.

(e) Notwithstanding anything to the contrary in this Section 3.02, none of Fiserv, Fiserv Solutions or the Surviving Corporation shall be liable to a holder of shares of Company Common Stock for any amount properly paid to a public official pursuant to any applicable abandoned property, escheat or similar law.

SECTION 3.03 Exchange of Fiserv Sub Common Stock. From and after the Effective Time, each outstanding certificate previously representing shares of Fiserv Sub Common Stock shall be deemed for all purposes to evidence ownership of and to represent the number of shares of Surviving Corporation Common Stock into which such shares of Fiserv Sub Common Stock shall have been converted. Promptly after the Effective Time, the Surviving Corporation shall issue to Fiserv a stock certificate or certificates representing such shares of Surviving Corporation Common Stock in exchange for the certificate or certificates that formerly represented shares of Fiserv Sub Common Stock, which shall be canceled.

SECTION 3.04 Dissenting Shares.

(a) **No Conversion.** Notwithstanding any provision of this Agreement to the contrary, any shares of Company Common Stock held by a shareholder who has demanded and perfected dissenters' rights for such shares in accordance with the Florida Law, including Sections 607.1301, 607.1302 and 607.1320 of the Florida Law, and who has not effectively withdrawn or lost such appraisal or dissenters' rights (**Dissenting Shares**) shall not be converted into or represent the right to receive the Merger Consideration pursuant to Section 3.01(a), but the holder thereof shall only be entitled to such rights as are granted by the Florida Law.

(b) **Withdrawal or Loss of Dissenters' Rights.** Notwithstanding the provisions of Section 3.04(a), if any holder of shares of Company Common Stock who is otherwise entitled to exercise dissenters' rights under the Florida Law shall effectively withdraw or lose (through failure to exercise, perfect or otherwise) such dissenters' rights, then, as of the later of the Effective Time and the occurrence of such event, such shareholder's shares shall automatically be converted into and represent only the right to receive the Merger Consideration, without interest thereon, upon surrender

of the Company Certificate(s) representing such shares.

Table of Contents

(c) Notice, etc. The Company shall give Fiserv and Fiserv Solutions (i) prompt notice of any written demands for the exercise of dissenters rights in respect of any shares of Company Common Stock, withdrawals of such demands, and any other similar instruments served pursuant to the Florida Law (including instruments concerning dissenters rights) and received by the Company and (ii) the opportunity to participate in all negotiations and proceedings with respect to such demands. The Company shall not, except with the prior written consent (which consent shall not be unreasonably withheld, delayed or conditioned) of Fiserv and Fiserv Solutions, or as may be required by applicable law, voluntarily make any payment with respect to any demands for the exercise of dissenters rights in respect of any shares of Company Common Stock or offer to settle or settle any such demands.

SECTION 3.05 Closing. The closing of the transactions contemplated by this Agreement (the Closing) shall take place (a) at the offices of Fiserv, 255 Fiserv Drive, Brookfield, WI 53045 at 10 a.m., local time, not later than the third business day after the date on which the last of the conditions set forth in Article VII hereof is satisfied or waived or (b) at such other time and place as the parties hereto may agree in writing.

ARTICLE IV

CERTAIN EFFECTS OF THE MERGER

SECTION 4.01 Effect of the Merger. The Merger shall have the effects set forth in this Agreement and under the applicable provisions of the Florida Law.

SECTION 4.02 Further Assurances. If at any time after the Effective Time the Surviving Corporation shall reasonably determine that any further deeds, assignments or assurances in law or any other acts are necessary, desirable or proper (a) to vest, perfect or confirm, of record or otherwise, in the Surviving Corporation, the title to any property or right of the Constituent Corporations acquired or to be acquired by reason of, or as a result of, the Merger, or (b) otherwise to carry out the purposes of this Agreement, the Constituent Corporations agree that the Surviving Corporation and its proper officers and directors shall and will execute and deliver all such property, deeds, assignments and assurances in law and do all acts necessary, desirable or proper to vest, perfect or confirm title to such property or rights in the Surviving Corporation or otherwise to carry out the purposes of this Agreement, and that the proper officers and directors of the Constituent Corporations and the proper officers and directors of the Surviving Corporation are fully authorized in the name of the Constituent Corporations or otherwise to take any and all such action.

currently conducted by such party and its subsidiaries, taken as a whole, that is materially adverse to its results of operations or financial condition before giving effect to the transactions contemplated by this Agreement; provided, however, that any such change(s) or effect(s) resulting from (i) any change(s) in the economy or securities markets of the United States (or any region thereof) in general, (ii) any change(s) in the insurance or insurance administration industries in general, or (iii) the execution and delivery of this Agreement, the transactions contemplated hereby or the announcement thereof shall not be considered when determining if a Material Adverse Effect has occurred

(b) Capital Stock.

(i) The authorized capital stock of the Company consists of 20,000,000 shares of Preferred Stock, par value \$0.01 per share (the Preferred Stock), and 100,000,000 shares of Company Common Stock, of which as of the date hereof no shares of Preferred Stock and 12,276,063 shares of Company Common Stock were validly issued and outstanding, fully paid and nonassessable. No shares of Company Common Stock or Preferred Stock are held in the treasury by the Company.

(ii) There are no options, warrants, calls, rights, commitments or agreements of any character, written or oral, to which the Company is a party or by which it is bound obligating the Company to issue, deliver, sell, repurchase or redeem, or cause to be issued, delivered, sold, repurchased or redeemed any shares of the capital stock of the Company or obligating the Company to grant, extend, accelerate the vesting of, change the price of, otherwise amend or enter into any such option, warrant, call, right, commitment or agreement. There are no outstanding or authorized stock appreciation, phantom stock, profit participation or other similar rights with respect to the Company. Except as contemplated by this Agreement, there are no voting trusts, proxies or other agreements or understandings with respect to the capital stock of the Company to which the Company is a party.

The copies of the articles or certificates of incorporation and by-laws (or, where applicable, other such similar governance documents) of each Subsidiary, as amended to date, which have been delivered to Fiserv were complete and correct, and such instruments, as so amended, are in full force and effect at the date hereof. For purposes of this Section 5.01, the term Company shall be deemed to include the Subsidiaries except in Section 5.01(a) through Section 5.01(g) (inclusive) and Section 5.01(y) and except where otherwise noted.

The execution and delivery by the Company of this Agreement, and the consummation by the Company of the transactions contemplated on its part hereby, have been duly authorized by its Board of Directors. No other corporate action on the part of the Company (other than Shareholder Approval (as hereinafter defined)) or any Subsidiary is necessary to authorize the execution and delivery of this Agreement by the Company, and, subject to obtaining the Company Shareholder Approval, no other corporate action on the part of the Company or any Subsidiary is necessary to consummate the transactions

(b) The Board of Directors of the Company may not withdraw, or modify in a manner adverse to Fiserv, Fiserv Solutions or Fiserv Sub, its recommendation to its shareholders referred to in subsection (a) above unless (i) the Company has complied with the terms of Section 6.07 in all material respects, including, without limitation, the requirement in Section 6.07 that it notify Fiserv after its receipt of any Acquisition Proposal, and (ii) such withdrawal or modification is required under applicable law in order for the Board of Directors of the Company to comply with its fiduciary duties.

SECTION 6.13 Further Actions. Subject to the terms and conditions herein provided and without being required to waive any conditions herein (whether absolute, discretionary, or otherwise), each of the parties hereto agrees to use all commercially reasonable efforts to take, or cause to be taken, all action, and to do, or cause to be done, all things necessary, proper, or advisable to consummate and make effective the transactions contemplated by this Agreement. In the event of the termination and abandonment of this Agreement pursuant to Section 8.01, this Agreement shall forthwith become void and have no effect, without any liability whatsoever on the part of any party or its affiliates, directors, officers or shareholders, other than pursuant to the provisions of this Section 8.02.

If the Company fails to pay promptly the fee due pursuant to this Section 8.02(b), the Company shall also pay to Fiserv Fiserv's and its subsidiaries' reasonable costs and expenses (including reasonable legal fees and expenses) in connection with any action, including the filing of any lawsuit or other legal action, taken to collect payment.

(b) Consummation of a sale or exchange of all, or substantially all, of the property of the corporation, other than in the usual and regular course of business, if the shareholder is entitled to vote on the sale or exchange pursuant to s. 607.1202, including a sale in dissolution but not including a sale pursuant to court order or a sale for cash pursuant to a plan by which all or substantially all of the net proceeds of the sale will be distributed to the shareholders within 1 year after the date of sale;

(c) As provided in s. 607.0902(11), the approval of a control-share acquisition;

(e) Any amendment of the articles of incorporation if the shareholder is entitled to vote on the amendment and if such amendment would adversely affect such shareholder by:

1. Altering or abolishing any preemptive rights attached to any of his or her shares;
2. Altering or abolishing the voting rights pertaining to any of his or her shares, except as such rights may be affected by the voting rights of new shares then being authorized of any existing or new class or series of shares;

4. 5. Making noncumulative, in whole or in part, dividends of any of the shareholder's preferred shares which had theretofore been cumulative;

6. Reducing the stated dividend preference of any of the shareholder's preferred shares; or

(2) A shareholder dissenting from any amendment specified in paragraph (1)(e) has the right to dissent only as to those of his or her shares which are adversely affected by the amendment.

(3) A shareholder may dissent as to less than all the shares registered in his or her name. In that event, the shareholder's rights shall be determined as if the shares as to which he or she has dissented and his or her other shares were registered in the names of different shareholders.

(4) Unless the articles of incorporation otherwise provide, this section does not apply with respect to a plan of merger or share exchange or a proposed sale or exchange of property, to the holders of shares of any class or series which, on the record date fixed to determine the shareholders entitled to vote at the meeting of shareholders at which such action is to be acted upon or to consent to any such action without a meeting, were either registered on a national securities exchange or designated as a national market system security on an interdealer quotation system by the National Association of Securities Dealers, Inc., or held of record by not fewer than 2,000 shareholders.

(5) A shareholder entitled to dissent and obtain payment for his or her shares under this section may not challenge the corporate action creating his or her entitlement unless the action is unlawful or fraudulent with respect to the shareholder or the corporation.

607.1320. PROCEDURE FOR EXERCISE OF DISSENTERS' RIGHTS.

(1)(a) If a proposed corporate action creating dissenters' rights under s. 607.1302 is submitted to a vote at a shareholders' meeting, the meeting notice shall state that shareholders are or may be entitled to assert dissenters' rights and be accompanied by a copy of (S)(S). 607.1301, 607.1302, and 607.1320. A shareholder who wishes to assert dissenters' rights shall:

1. Deliver to the corporation before the vote is taken written notice of the shareholder's intent to demand payment for his or her shares if the proposed action is effectuated, and

Edgar Filing: INSURANCE MANAGEMENT SOLUTIONS GROUP INC - Form DEF 14A

2. Not vote his or her shares in favor of the proposed action. A proxy or vote against the proposed action does not constitute such a notice of intent to demand payment.

(b) If proposed corporate action creating dissenters' rights under (S). 607.1302 is effectuated by written consent without a meeting, the corporation shall deliver a copy of (S)(S). 607.1301, 607.1302, and 607.1320 to each shareholder simultaneously with any request for the shareholder's written consent or, if such a request is not made, within 10 days after the date the corporation received written consents without a meeting from the requisite number of shareholders necessary to authorize the action.

(2) Within 10 days after the shareholders' authorization date, the corporation shall give written notice of such authorization or consent or adoption of the plan of merger, as the case may be, to each shareholder who filed a notice of intent to demand payment for his or her shares pursuant to paragraph (1)(a) or, in the case of action authorized by written consent, to each shareholder, excepting any who voted for, or consented in writing to, the proposed action.

(3) Within 20 days after the giving of notice to him or her, any shareholder who elects to dissent shall file with the corporation a notice of such election, stating the shareholder's name and address, the number,

classes, and series of shares as to which he or she dissents, and a demand for payment of the fair value of his or her shares. Any shareholder failing to file such election to dissent within the period set forth shall be bound by the terms of the proposed corporate action. Any shareholder filing an election to dissent shall deposit his or her certificates for certificated shares with the corporation simultaneously with the filing of the election to dissent. The corporation may restrict the transfer of uncertificated shares from the date the shareholder's election to dissent is filed with the corporation.

(4) Upon filing a notice of election to dissent, the shareholder shall thereafter be entitled only to payment as provided in this section and shall not be entitled to vote or to exercise any other rights of a shareholder. A notice of election may be withdrawn in writing by the shareholder at any time before an offer is made by the corporation, as provided in subsection (5), to pay for his or her shares. After such offer, no such notice of election may be withdrawn unless the corporation consents thereto. However, the right of such shareholder to be paid the fair value of his or her shares shall cease, and the shareholder shall be reinstated to have all his or her rights as a shareholder as of the filing of his or her notice of election, including any intervening preemptive rights and the right to payment of any intervening dividend or other distribution or, if any such rights have expired or any such dividend or distribution other than in cash has been completed, in lieu thereof, at the election of the corporation, the fair value thereof in cash as determined by the board as of the time of such expiration or completion, but without prejudice otherwise to any corporate proceedings that may have been taken in the interim, if:

(a) Such demand is withdrawn as provided in this section;

(b) The proposed corporate action is abandoned or rescinded or the shareholders revoke the authority to effect such action;

(c) No demand or petition for the determination of fair value by a court has been made or filed within the time provided in this section; or

(d) A court of competent jurisdiction determines that such shareholder is not entitled to the relief provided by this section.

(5) Within 10 days after the expiration of the period in which shareholders may file their notices of election to dissent, or within 10 days after such corporate action is effected, whichever is later (but in no case later than 90 days from the shareholders' authorization date), the corporation shall make a written offer to each dissenting shareholder who has made demand as provided in this section to pay an amount the corporation estimates to be the fair value for such shares. If the corporate action has not been consummated before the expiration of the 90-day period after the shareholders' authorization date, the offer may be made conditional upon the consummation of such action. Such notice and offer shall be accompanied by:

(a) A balance sheet of the corporation, the shares of which the dissenting shareholder holds, as of the latest available date and not more than 12 months prior to the making of such offer; and

(b) A profit and loss statement of such corporation for the 12-month period ended on the date of such balance sheet or, if the corporation was not in existence throughout such 12-month period, for the portion thereof during which it was in existence.

(6) If within 30 days after the making of such offer any shareholder accepts the same, payment for his or her shares shall be made within 90 days after the making of such offer or the consummation of the proposed action, whichever is later. Upon payment of the agreed value, the dissenting

shareholder shall cease to have any interest in such shares.

(7) If the corporation fails to make such offer within the period specified therefor in subsection (5) or if it makes the offer and any dissenting shareholder or shareholders fail to accept the same within the period of 30 days thereafter, then the corporation, within 30 days after receipt of written demand from any dissenting shareholder given within 60 days after the date on which such corporate action was effected, shall, or at its election at any time within such period of 60 days may, file an action in any court of competent jurisdiction in the county in this state where the registered office of the corporation is located requesting that the fair

value of such shares be determined. The court shall also determine whether each dissenting shareholder, as to whom the corporation requests the court to make such determination, is entitled to receive payment for his or her shares. If the corporation fails to institute the proceeding as herein provided, any dissenting shareholder may do so in the name of the corporation. All dissenting shareholders (whether or not residents of this state), other than shareholders who have agreed with the corporation as to the value of their shares, shall be made parties to the proceeding as an action against their shares. The corporation shall serve a copy of the initial pleading in such proceeding upon each dissenting shareholder who is a resident of this state in the manner provided by law for the service of a summons and complaint and upon each nonresident dissenting shareholder either by registered or certified mail and publication or in such other manner as is permitted by law. The jurisdiction of the court is plenary and exclusive. All shareholders who are proper parties to the proceeding are entitled to judgment against the corporation for the amount of the fair value of their shares. The court may, if it so elects, appoint one or more persons as appraisers to receive evidence and recommend a decision on the question of fair value. The appraisers shall have such power and authority as is specified in the order of their appointment or an amendment thereof. The corporation shall pay each dissenting shareholder the amount found to be due him or her within 10 days after final determination of the proceedings. Upon payment of the judgment, the dissenting shareholder shall cease to have any interest in such shares.

(8) The judgment may, at the discretion of the court, include a fair rate of interest, to be determined by the court.

(9) The costs and expenses of any such proceeding shall be determined by the court and shall be assessed against the corporation, but all or any part of such costs and expenses may be apportioned and assessed as the court deems equitable against any or all of the dissenting shareholders who are parties to the proceeding, to whom the corporation has made an offer to pay for the shares, if the court finds that the action of such shareholders in failing to accept such offer was arbitrary, vexatious, or not in good faith. Such expenses shall include reasonable compensation for, and reasonable expenses of, the appraisers, but shall exclude the fees and expenses of counsel for, and experts employed by, any party. If the fair value of the shares, as determined, materially exceeds the amount which the corporation offered to pay therefor or if no offer was made, the court in its discretion may award to any shareholder who is a party to the proceeding such sum as the court determines to be reasonable compensation to any attorney or expert employed by the shareholder in the proceeding.

(10) Shares acquired by a corporation pursuant to payment of the agreed value thereof or pursuant to payment of the judgment entered therefor, as provided in this section, may be held and disposed of by such corporation as authorized but unissued shares of the corporation, except that, in the case of a merger, they may be held and disposed of as the plan of merger otherwise provides. The shares of the surviving corporation into which the shares of such dissenting shareholders would have been converted had they assented to the merger shall have the status of authorized but unissued shares of the surviving corporation.
