**PRESS RELEASE**

**TELECOM ITALIA: ONE BILLION EURO FLOATING RATE NOTES ISSUE SUCCESSFULLY COMPLETED**

**Orders exceeded two billion euro**

**With this operation, Telecom Italia, having already covered debt maturing up to 2006, begins the refinancing process of debt maturing in 2007**

**The new issue is aimed at the early redemption of floating rate notes maturing in October 2007**

*Milan, 29 November 2005* - Telecom Italia today successfully completed the launch of a 7-year, floating rate notes issue worth one billion euro.

Telecom Italia intends to use the proceeds of this issue for the early redemption of the floating rate notes issue maturing on 29 October 2007 and denominated TELECOM ITALIA S.p.A Euro 1,000,000,000 Floating Rate Notes due 2007, listed in Luxembourg and in Italy, thus exercising the Issuer Call provided for in the terms of the notes. The first early redemption date is in January 2006.

Having already covered debt maturing up to 2006, this operation will allow Telecom Italia to start the refinancing of debt maturing in 2007 without increasing the total amount of outstanding securities.

The features of the notes are as follows:

Issuer: Telecom Italia S.p.A.

Amount: 1,000 million euro

Issue date: 6 December 2005

Maturity: 6 December 2012

Coupon: 3M EURIBOR +0.53%

Issue price: 100%

Redemption price: 100%

Issuer Call: starting from 5 years from issue date, upon any coupon payment date thereafter.

The new issue is part of Telecom Italia's Euro 10 billion Euro Medium Term Note (EMTN) programme, and will be listed on the Luxembourg Stock Exchange.

The transaction was arranged by Caboto, Lehman Brothers, MCC - Capitalia Gruppo Bancario and UBM as *Bookrunners*, and Banca Akros - Gruppo Bipiemme and MPS Finance as *Co-Managers*.

Cautionary Statement for Purposes of the "Safe Harbor" Provision of the United States Private Securities Litigation Reform Act of 1995.

The Private Securities Litigation reform Act of 1995 provides a "safe harbor" for forward-looking statements. The Press Release included in this Form 6-K contains certain forward looking statements and forecasts reflecting management's current views with respect to certain future events. The ability of the Telecom Italia Group to achieve its projected results is dependant on many factors which are outside of management's control. Actual results may differ materially from those projected or implied in the forward-looking statements. Such forward-looking information involves risks and uncertainties that could significantly affect expected results and are based on certain key assumptions.

The following important factors could cause the Telecom Italia Group's actual results to differ materially from those projected or implied in any forward-looking statements:

- the continuing impact of increased competition in a liberalized market, including competition from global and regional alliances formed by other telecommunications operators in the core domestic fixed-line and wireless markets of the Telecom Italia Group;
- the ability of the Telecom Italia Group to introduce new services to

## Edgar Filing: TELECOM ITALIA S P A - Form 6-K

stimulate increased usage of its fixed and wireless networks to offset declines in its fixed-line business due to the continuing impact of regulatory required price reductions, market share loss and pricing pressures generally;

- the ability of the Telecom Italia Group to achieve cost-reduction targets in the time frame established or to continue the process of rationalizing its non-core assets;
- the impact of regulatory decisions and changes in the regulatory environment;
- the impact of the slowdown in Latin American economies and the slow recovery of economies generally on the international business of the Telecom Italia Group focused on Latin America and on its foreign investments and capital expenditures;
- the continuing impact of rapid changes in technologies;
- the impact of political and economic developments in Italy and other countries in which the Telecom Italia Group operates;
- the impact of fluctuations in currency exchange and interest rates;
- Telecom Italia's ability to continue the implementation of its 2002-2004 Industrial Plan, including the rationalization of its corporate structure and the disposition of Telecom Italia's interests in various companies;
- the ability of the Telecom Italia Group to successfully achieve its debt reduction targets;
- Telecom Italia's ability to successfully roll out its UMTS networks and services and to realize the benefits of its investment in UMTS licenses and related capital expenditures;
- Telecom Italia's ability to successfully implement its internet strategy;
- the ability of the Telecom Italia Group to achieve the expected return on the significant investments and capital expenditures it has made in Latin America and in Europe;
- the amount and timing of any future impairment charges for Telecom Italia's licences, goodwill or other assets; and
- the impact of litigation or decreased mobile communications usage arising from actual or perceived health risks or other problems relating to mobile handsets or transmission masts.

The foregoing factors should not be construed as exhaustive. Due to such uncertainties and risks, readers are cautioned not to place undue reliance on such forward-looking statements, which speak only as of the date hereof. Accordingly, there can be no assurance that the group will achieve its projected results.
