PROXY STATEMENT
for
Annual Meeting of Shareholders
March 31, 2005

We are sending you this proxy statement and the enclosed proxy card because our Board of Directors is soliciting your proxy to vote your shares at our 2005 annual meeting of shareholders. The annual meeting will be held on March 31, 2005 at 10:00 a.m., local time, at our corporate offices at 720 Pennsylvania Drive, Exton, Pennsylvania. We began mailing this proxy statement and the proxy card on or about February 28, 2005.

ABOUT THE MEETING

Who can vote?

You can vote if, as of the close of business on February 15, 2005, you were a shareholder of record of our common stock. On that date, 11,852,095 shares of our common stock were outstanding and entitled to vote. We do not have any other classes of voting stock outstanding other than our common stock. Each share of common stock is entitled to one vote, and there are no cumulative voting rights when voting for directors.

If you and other residents at your mailing address own shares of common stock in "street name," your broker or bank may have notified you that your household will receive only one annual report and proxy statement for each company in which you hold stock through that broker or bank. This practice is known as "householding." Unless you responded that you did not want to participate in "householding," you were deemed to have consented to the process. Each shareholder will continue to receive a separate proxy card or voting instruction card.

If you did not receive an individual copy of this year's proxy statement or

Edgar Filing: INNOVATIVE SOLUTIONS & SUPPORT INC - Form DEFR14A

our annual report, we will send a copy to you if you address a written request to our Chief Financial Officer, James J. Reilly, 720 Pennsylvania Drive, Exton, Pennsylvania 19341, telephone (610) 646-9800.

If you would like to receive your own set of the Company's future annual report and proxy statement, or if you share an address with another Company shareholder and together both of you would like to receive only a single set of the Company's annual disclosure documents, you should contact your broker or bank or you may contact the Company at the above address and phone number.

What constitutes a quorum?

The presence at the annual meeting, in person or by proxy, of a majority of the outstanding shares as of the record date must be present to hold the annual meeting. Abstentions from voting and broker "non-votes" will be counted toward a quorum. A broker "non-vote" occurs when the nominee holding a shareholder's shares does not vote on a particular proposal because the nominee does not have discretionary voting power on that item and has not received instructions from the shareholder.

What vote is required and what is the method of calculation?

The nominees for director who receive a plurality of the shares of common stock present or represented by proxy at the annual meeting will be elected. Approval of each other matter to be voted on at the annual meeting requires the affirmative vote of a majority of the shares of our common stock present or represented and entitled to vote at the annual meeting. Abstentions or broker "non-votes" will not be counted for or against matters to be acted on at the annual meeting.

What matters will be voted on?

Our Board does not intend to bring any other matters before the annual meeting except the matter listed in the notice, and the Board is not aware of anyone else who will submit any other matters to be voted on. However, if any other matters properly come before the annual meeting, the people named on the proxy card, or their substitutes, will be authorized to vote on those matters in their own judgment.

How do I vote by proxy?

When you return your properly signed and dated proxy card prior to the annual meeting, your shares will be voted in accordance with your instructions marked on the proxy card. If you sign your proxy card but do not specify how you want your shares to be voted, they will be voted as recommended by the Board of Directors. You may also vote electronically through the Internet by following the instructions included with your proxy card.

Can I change my vote after I return my proxy card?

Yes. You can change or revoke your proxy at any time before the annual meeting either by notifying our Secretary in writing or by sending another executed proxy dated later than the first proxy card. Attendance at the annual meeting will not cause your previously granted proxy to be revoked unless you specifically so request. For shares held beneficially by you, you may accomplish this by submitting new voting instructions to your broker or nominee.

Can I vote in person at the annual meeting instead of voting by proxy?

Yes. However, we encourage you to complete and return the enclosed proxy

Edgar Filing: INNOVATIVE SOLUTIONS & SUPPORT INC - Form DEF14A

card to ensure that your shares are represented and voted. If you attend the annual meeting in person, you may then vote in person even though you returned your proxy card.

Who pays for this proxy solicitation?

We do. We will pay all costs in connection with the meeting, including the cost of preparing, assembling and mailing proxy materials, handling and tabulating the proxies returned, and charges of brokerage houses, nominees and fiduciaries in forwarding proxy materials to our beneficial owners.

Who can help answer your questions?

If you have questions about the annual meeting or would like additional copies of this proxy statement, you should contact our Chief Financial Officer, James J. Reilly, 720 Pennsylvania Drive, Exton, Pennsylvania 19341, telephone (610) 646-9800.

Section 16(A) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our officers (as defined under Section 16(a) of the Securities Exchange Act), directors and persons who own greater than 10% of a registered class of our equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Based solely on a review of the forms we have received and on written representations from certain reporting persons that no such forms were required for them, we believe that during fiscal year 2004, all of the Section 16(a) filing requirements applicable to our officers, directors and 10% beneficial owners were complied with by such persons.

ELECTION OF DIRECTORS

(Item 1 on Proxy Card)

At the annual meeting, the shareholders will elect (two) Class II directors to hold office until the annual meeting of shareholders in 2008 and until their respective successors have been duly elected and qualified. The Board is divided into three classes serving staggered three-year terms, the term of one class of directors to expire each year. The term of the Class II directors expires at the 2005 annual meeting of shareholders. Upon the recommendation of the Nominating/Corporate Governance Committee, the Board has nominated Messrs. Glen R. Bressner and Robert E. Mittelstaedt, Jr. to serve as directors. Each individual is currently serving as a Class II director and has indicated a willingness to continue serving as a director. Unless contrary instructions are given, the shares represented by a properly executed proxy will be voted "FOR" the election of Messrs. Bressner and Mittelstaedt. The two nominees receiving a plurality of the votes cast for director will be elected. Should any of the nominees become unavailable to accept election as a director, the persons named in the enclosed proxy will vote the shares that they represent for the election of such other person as the Board may recommend. The Board of Directors recommends voting "FOR" the nominees for Class II directors.

Committees of the Board of Directors

The Board maintains four standing committees: Audit, Compensation, Investment, and Nominating/Corporate Governance.

Audit Committee. The Audit Committee makes recommendations to the Board with respect to various auditing and accounting matters, including the selection and compensation of our auditors, the scope of our annual audits, fees to be paid to the auditors, the performance and independence of our auditors and our accounting practices. The Audit Committee approves all services provided to

6

the company by the independent public accountants. The Audit Committee has established procedures for the receipt, retention and treatment, on a confidential basis, of complaints received by the company, regarding accounting, internal accounting controls or auditing matters, and the confidential, anonymous submissions by employees of concerns regarding questionable accounting or auditing matters. In addition, the Audit Committee has responsibility for, among other things, the planning and review of our annual and periodic reports and accounts and the involvement of our auditors in that process. Messrs. Rau (Chairman), Bressner and Marks are currently members of the Audit Committee. The Audit Committee is comprised solely of independent members, as independence for audit committee members is defined in the listing standards of the Nasdaq National Market. In addition, the Board has determined that at least one of the Audit Committee members, Mr. Marks, is an audit committee financial expert, as defined by SEC rules and regulations.

Compensation Committee. The Compensation Committee recommends, reviews and oversees the salaries, benefits and stock option plans for our employees, consultants, directors and other individuals compensated by us. Messrs. Cosgrove (Chairman), Churchill and Mittelstaedt are currently the members of the Compensation Committee.

Edgar Filing: INNOVATIVE SOLUTIONS & SUPPORT INC - Form DEFR14A

Investment Committee. The Investment Committee assists the Board of Directors in fulfilling its oversight responsibilities with respect to recommendations pertaining to the investment of excess capital. Messrs. Churchill (Chairman), Bressner and Rau are currently members of the Investment Committee.

Nominating/Corporate Governance Committee. We have a Nominating/Corporate Governance Committee, consisting of three non-employee directors. The Committee has adopted a formal written Charter that has been approved by the Board. The Charter specifies the scope of the Committee's responsibilities and procedures for carrying out such responsibilities. A copy of the Charter is available on our website, www.innovative-ss.com under the heading Investor Relations. The Committee members are Messrs. Mittelstaedt (Chairman), Churchill and Bressner, each of whom is independent, as that term is defined in the listing standards of the NASDAQ National Market.

The Nominating/Corporate Governance Committee functions include establishing the criteria for selecting candidates for nomination to the Board; actively seeking candidates who meet those criteria; and making recommendations to the Board of nominees to fill vacancies on, or as additions to, the Board.

The Committee seeks director candidates based upon a number of qualifications/criteria, including their independence, knowledge, judgment, character, leadership skills, education, experience, financial literacy, standing in the community and ability to foster a diversity of backgrounds and views and to complement the Board's existing strengths relative to the Company's business. In the case of potential independent director candidates, such eligibility criteria shall be in accordance with SEC and NASDAQ rules.

The Committee conducts an annual assessment of the size and composition of the Board and Committees and reviews with the Board the appropriate skills and characteristics required of Board members. The Committee has not yet relied upon third-party search firms to identify board candidates, but reserves the right to do so as required. To date the Committee has relied upon recommendations from a wide variety of its business contacts, including current executive officers, directors, community leaders, and shareholders as a source for potential board candidates.

Neither the Nominating/Corporate Governance Committee nor the Company has engaged, or paid any fees to, a search firm in connection with the nomination of any of the Class II directors for election at the Annual Meeting covered by this Proxy Statement.

The Committee will consider nominees for election to the Board that are timely recommended by shareholders provided that a complete description of the nominees' qualifications, experience and background, together with a statement signed by each nominee in which he or she consents to act

7

as such, accompany the recommendations. Such recommendations should be submitted in writing to the attention of Chairman, Nominating/Corporate Governance Committee, at our address at 720 Pennsylvania Drive, Exton, PA, 19341, and should not include self-nominations. Section 3.10 of the Company's by-laws contains provisions setting forth the requirements applicable to a stockholder nomination for director. These requirements are summarized in this Proxy Statement under the caption "Shareholder Proposals For 2005 Annual Meeting And Other Matters".

Each of the current nominees for director listed under the caption

Edgar Filing: INNOVATIVE SOLUTIONS & SUPPORT INC - Form DEFR14A

"ELECTION OF DIRECTORS" is an existing director standing for re-election. In connection with the 2005 Annual Meeting, the Nominating/Corporate Governance Committee did not receive any recommendation for a candidate from any shareholder or group of shareholders owning more than 5% of our common stock.

Our Annual Meeting of Shareholders provides an opportunity each year for shareholders to ask questions of or otherwise communicate directly with members of our Board of Directors on matters relevant to the Company. Each of our directors is requested to attend in person the Annual Meeting. Seven out of eight Company directors attended the Company's 2004 Annual Meeting of Shareholders. In addition, shareholders may, at any time, communicate in writing with the Chairman of the Nominating/Corporate Governance Committee by sending such written communication to the attention of Chairman, Nominating/Corporate Governance Committee, at our address at 720 Pennsylvania Drive, Exton, PA, 19341, (fax (610) 646-0150).

Copies of written communications received at such address will be provided to the Chairman of the Nominating/Corporate Governance Committee or the non-management directors as a group unless such communications are considered, in the reasonable judgment of the Corporate Secretary, to be improper for submission to the intended recipient(s). Examples of shareholder communications that would be considered improper for submission include, without limitation, customer complaints, solicitations, communications that do not relate directly or indirectly to the Company or the Company's business or communications that relate to improper or irrelevant topics.

Meetings and Attendance

During the fiscal year ended September 30, 2004, the full Board held six meetings. The Audit Committee met eight times, the Investment and Compensation Committees each met three times and the Nominating/Corporate Governance Committee met once. All directors attended at least 75% of the meetings of the full Board and the meetings of the committees on which they served.

If you would like to communicate with the Company's directors, please send a letter to the following address: 720 Pennsylvania Drive, Exton, Pennsylvania 19341 (fax (610) 646-0150). The appropriate officer at the Company will review each such communication and forward a copy to each member of the Board of Directors.

Compensation of Directors

Each non-employee director who served on the Board at the beginning of our fiscal year (October 1, 2003), received shares of common stock with a fair market value of \$25,000, determined as of such date. The shares vested quarterly during the fiscal year, provided that the director was still serving on the board on the date the shares are scheduled to vest. Additionally, each non-employee director receives \$1,000 for each board meeting attended. All directors are reimbursed for reasonable travel and lodging expenses associated with attendance at meetings.

Compensation Committee Interlocks and Insider Participation

In November 2000, our Board adopted an amendment to the Option Plan that increased the total number of shares of common stock authorized for issuance under the Option Plan by 392,430 shares from 866,920 to 1,259,350 shares. At our annual meeting on October 31, 2001, our shareholders approved this increase to 1,259,350 shares.

As of December 31, 2004, 194,012 shares (15.4% of the total pool) remain available for grant under the Option Plan. Subject to shareholder approval, the Compensation Committee of the Board has approved an increase in the number of shares available under the Option Plan from 1,259,350 to 2,259,350, which is an increase of 1,000,000 shares. A copy of the amendment which will be adopted if the increase in shares is approved by shareholders is attached to this Proxy Statement as Exhibit C.

In unanimously recommending the approval of this increase to the full Board, the Compensation Committee of the Board reviewed the projected impact on the Company and our shareholders. Among other things, the Compensation Committee considered that additional option shares would be needed for the retention of present employees and the future recruitment of suitable management and technical talent needed to enhance our growth. We believe that our growth and long-term success depends in large part upon attracting, retaining and motivating key personnel, and that such retention and motivation can be achieved in part through the grant of stock options. We also believe that stock options will play an important role in our success by encouraging and enabling our directors, officers, consultants and other employees—upon whose judgment, initiative and efforts we depend—to acquire a proprietary interest in our long-term performance. We anticipate that providing these persons with a direct stake in us will ensure a closer identification of the interests of the participants in the plan with those of us, thereby stimulating the efforts of these participants to promote our future success and strengthen their desire to remain with our company.

We believe that the proposed increase in the number of shares available for issue under the Option Plan will help us accomplish these goals and will keep our equity incentive compensation in line with that of other companies comparable to us.

The Board of Directors recommends a vote FOR an increase in the number of shares authorized for issuance under the Option Plan.

In October 2003, under the 2003 Restricted Stock Plan, each non-employee director who served on the Board at the beginning of the fiscal year was entitled to receive shares of common stock with a fair market value of \$25,000, determined as of the first day of the fiscal year. The shares vested quarterly during the fiscal year, provided that the director was still serving on the board on the date the shares were scheduled to vest. Six non-employee directors received a grant of 3,125 shares of restricted stock as of October 1, 2003 and one non-employee director received a prorated grant of 2,500 shares of restricted stock as of October 1, 2003. As of October 1, 2004 seven non-employee directors each received 999 shares subject to quarterly vesting discussed above.

Employment Contracts, Termination of Employment and Change in Control Arrangements

In March 2003, we entered into an agreement with Roman G. Ptakowski to serve as President at an annual salary of \$250,000 and an annual performance incentive bonus of up to 30% of base salary based on performance of the business. The initial term of the agreement is for two years with yearly one-year renewal periods unless either party provides the other party with written notice of termination of the agreement not later than ninety-days (90) prior to the end of the then current term of the agreement. In the event that Mr.

Edgar Filing: INNOVATIVE SOLUTIONS & SUPPORT INC - Form DEFR14A

Ptakowski is involuntarily terminated without cause,

12

Mr. Ptakowski would be entitled to continue to receive compensation and benefits at the rate in effect at the time of termination until the end of the then current term of the agreement, provided however, that such amount shall not be less than six months of current salary and benefits. Amounts payable following such a termination shall be reduced by any compensation received for services rendered by Mr. Ptakowski to a subsequent employer. In addition, Mr. Ptakowski was granted options to purchase 180,000 shares of common stock at \$6.31 per share. One-third of these options vest each year on the anniversary of the initial grant date.

In the event that Mr. Ptakowski is involuntarily terminated without cause or resigns as a result of a material change in duties or a reduction in compensation or benefits following certain changes of control of Innovative Solutions and Support, Mr. Ptakowski would be entitled to receive a one time payment equal to Mr. Ptakowski's annual salary as then in effect within thirty (30) days of the date of such termination in addition to continued compensation and benefits at the rate in effect at the time of termination until the end of the then current term of the agreement.

On December 27, 2004 both parties concurred that the current agreement will be allowed to expire and will be replaced with one that continues with the same terms and conditions, provided that employment may be terminated by either party at any time on ninety-days prior notice.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee of the Board of Directors is composed of three non-employee directors. The Compensation Committee is responsible for setting and administering the policies that govern annual executive salaries, bonuses and stock ownership programs. The Compensation Committee annually evaluates the performance, and determines or recommends to the full Board the compensation, of the Chief Executive Officer and other executive officers.

An executive officer's annual salary, including the Chief Executive Officer's salary, is established initially on the basis of subjective factors, including experience, individual achievements and the level of responsibility assumed at the Company. The Compensation Committee reviews an executive

Edgar Filing: INNOVATIVE SOLUTIONS & SUPPORT INC - Form DEF14A

officer's annual salary, including the Chief Executive Officer's salary, periodically and makes adjustments based on each executive officer's past performance, expected future contributions, and the scope and nature of the responsibilities of the executive officer, including changes in responsibilities and market compensation practices.

The Compensation Committee determined that for fiscal year 2004 (the twelve months ended September 30, 2004) the annual salary of the Chief Executive Officer would be increased to \$400,000 from \$350,000. There were no other annual salary increases or cash incentive compensation payments in fiscal year 2004. Certain bonus amounts for executive officers were accrued for in fiscal 2004 and paid out in fiscal 2005 as follows: Messrs Hedrick, Reilly and Mitchell each received \$4,225.00 and Mr. Ptakowski received \$30,000.00.

Section 162(m) of the Internal Revenue Code of 1986, as amended, generally denies a federal income tax deduction for certain compensation exceeding \$1,000,000 paid to the Chief Executive Officer or any of the other named executive officers, excluding, among other things, certain performance-based compensation. Through September 30, 2004, this provision has not affected our tax deductions, and the Compensation Committee believes that, at the present time, it is unlikely that the compensation paid to any of our employees in a taxable year will exceed \$1,000,000. The Compensation Committee intends to continue to evaluate the effects of the statute and any applicable regulations and to comply with Internal Revenue Code Section 162(m) in the future to the extent consistent with our best interests.

The following report of the Audit Committee will not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933, as amended, or under the Securities Exchange Act of 1934, as amended, except to the extent that we specifically incorporate this information by reference. The following report shall not otherwise be deemed filed under such Acts.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board of Directors is composed of three non-employee directors. The role of the Audit Committee is to assist our Board in its oversight of our financial reporting process. The Board, in its business judgment, has determined that each director is independent as required by Rule 4200(a)(15) of the listing standards of the Nasdaq National Market. In addition, the Board has determined that at least one of the Audit Committee members, Mr. Marks, is an audit committee financial expert as defined by SEC rules and regulations. The Committee operates pursuant to a charter, a copy of which was attached to the 2003 Proxy Statement filed with the SEC on January 21, 2003. As set forth in the charter, management of the company is responsible for the preparation, presentation and integrity of our financial statements, our accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for auditing our financial statements and expressing an opinion as to their conformity with generally accepted accounting principles in the

Edgar Filing: INNOVATIVE SOLUTIONS & SUPPORT INC - Form DEFR14A

United States of America. The Audit Committee reviews and reassesses the adequacy of the charter on an annual basis.

In the performance of its oversight function, the Audit Committee has reviewed and discussed the audited financial statements for the year ending September 30, 2004 with management of the company and its independent auditors. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Codification of Statements on Auditing Standards, AU 1380, as currently in effect. Finally, the Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as currently in effect, and has considered whether the provision of non-audit services by the independent auditors is compatible with maintaining the auditor's independence and has discussed with the auditors the auditors' independence.

Based upon the review, reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the charter, the Audit Committee recommended to the Board of Directors that the audited financial statements for the year ending September 30, 2004 be included in the company's Annual Report on Form 10-K for the year ended September 30, 2004 as filed with the Securities and Exchange Commission.

SHAREHOLDER PROPOSALS FOR 2005 ANNUAL MEETING AND OTHER MATTERS

Shareholders wishing to submit proposals for inclusion in the proxy statement for the 2006 Annual Meeting of Shareholders must submit such proposals to us at 720 Pennsylvania Drive, Exton, PA 19341, Attention: James J. Reilly, on or before September 15, 2005. In order for the proposal to be included in the proxy statement, the shareholder submitting the proposal must

Edgar Filing: INNOVATIVE SOLUTIONS & SUPPORT INC - Form DEF14A

meet certain eligibility standards and comply with the procedures established by the SEC as set forth in Rule 14a-8 of the Securities Exchange Act of 1934.

On May 21, 1998, the Securities and Exchange Commission adopted an amendment to Rule 14a-4, issued under the Securities Exchange Act of 1934. The amendment to Rule 14a-4(c)(1) governs a company's use of discretionary proxy voting authority for a shareholder proposal which the shareholder has not sought to include in our proxy statement. The amendment provides that if a proponent of a proposal fails to notify a company at least 45 days prior to the month and day of mailing of the prior year's proxy statement (or any date specified in an advance notice provision), then the management proxies will be allowed to use their discretionary voting authority when the proposal is raised at the meeting, without any discussion of the matter in the proxy statement. With respect to our 2006 Annual Meeting of Shareholders, if we are not provided notice of a shareholder proposal, which the shareholder has not previously sought to include in our proxy statement, by December 8, 2005, the management proxies will be allowed to use their discretionary authority.

Our by-laws provide that a shareholder proposal (including a shareholder nomination of a director) must meet certain predetermined requirements in order to be considered at the Annual Meeting. In order to be considered, a shareholder's proposal must be made in writing and delivered to or received at our principal executive offices not less than one hundred twenty (120) days nor more than one hundred fifty (150) days prior to the meeting in the case of an annual meeting that is called for a date that is within 30 days before or after the anniversary date of the immediately preceding annual meeting of shareholders. However, in the case of an annual meeting that is called for a date that is not within 30 days before or after the anniversary date of the immediately preceding annual meeting, proposals must be received not later than the close of business on the tenth (10th) day following the day on which notice of the date of the meeting was mailed or public disclosure of the date of the meeting was made, whichever occurs first. The notice to the Secretary must set forth certain information as specified in our by-laws.

As of the date of this proxy statement, the Board knows of no other business which may properly be and is likely to be brought before the annual meeting. If a shareholder proposal that was excluded from this proxy statement in accordance with Rule 14a-8 of the Securities Act or our by-laws is properly brought before the annual meeting, it is intended that the proxy holders will use their discretionary authority to vote the proxies against said proposal. If any other matters should

17

arise at the annual meeting, shares represented by proxies will be voted at the discretion of the proxy holders.

Independent Auditors

The audit committee retained Deloitte & Touche, LLP to provide audit services for the fiscal years ended September 30, 2004 and 2005. A representative of Deloitte & Touche, LLP will be present at the meeting and will have an opportunity to make a statement and, also, respond to appropriate questions from shareholders.

Services provided by Deloitte & Touche, LLP included an audit of the consolidated financial statements of the company and services related to filings made with the SEC. The aggregate fees billed by Deloitte & Touche, LLP in connection with services rendered during fiscal year ended September 30, 2003 and 2004 were:

The Audit Committee's policy is to pre-approve the engagement of accountants to render all audit and tax-related services for the Company, as well as any changes to the terms of the engagement. The Audit Committee will also pre-approve all proposed non-audit related services to be provided by the Company's independent auditors. The Audit Committee reviews the terms of the engagement, a description of the engagement, and a budget for the engagement. The request for services must be specific as to the particular services to be provided. Requests are aggregated and submitted to the Audit Committee in one of the following ways: requesting approval of services at a meeting of the Audit Committee, through a written consent or by a designated member of the Audit Committee. The Audit Committee approved all 2004 fees paid to the independent accountants.

Pursuant to the adoption of the revised Audit Committee Charter, the Board of Directors has adopted a policy which prohibits the Company from entering into non-audit related consulting agreements for financial information systems design and implementation, for certain other services considered to have an impact on independence, and for all other services prohibited by the Sarbanes-Oxley Act of 2002 and new Securities and Exchange Commission regulations. The policy also contains procedures requiring Audit Committee pre-approval of all audit and permitted non-audit services provided by the Company's independent auditors.

EXHIBIT A

Summary of 1998 Stock Option Plan

The key provisions of the 1998 Stock Option Plan, as proposed to be amended, are as follows:

Purpose. The Option Plan is intended to recognize the contributions made by our employees, directors, consultants and advisors to us, to provide optionees with additional incentive to devote themselves to our future success, and to improve our ability to attract, retain, and motivate individuals upon whom our

Edgar Filing: INNOVATIVE SOLUTIONS & SUPPORT INC - Form DEFR14A

sustained growth and financial success depend, by providing eligible individuals with an opportunity to acquire or increase their proprietary interest in the Company through receipt of rights to acquire the Company's common stock.

Number of Shares. The aggregate maximum number of shares that may be issued under the Option Plan, if the increase in shares proposed in this proxy is approved by shareholders will be 2,259,350, subject to the adjustments described below. If any shares subject to any option are forfeited, or an option is terminated without issuance of shares, the shares subject to such option will again be available for grant under the Option Plan.

Administration. The Option Plan is administered by the Compensation Committee appointed by our Board of Directors.

Eligibility. All of our employees, officers, directors, consultants and advisors are eligible to receive options under the Option Plan. To be eligible to receive grants, consultants and advisors must have rendered bona fide services, and such services must not be in connection with a capital raising transaction.

Term of Stock Option Plan. No options may be granted under the Option Plan after November 13, 2008, or an earlier date established by our Board.

Options. Options granted under the Option Plan may be either incentive stock options (ISOs) or non-qualified stock options. ISOs are intended to qualify as incentive stock options within the meaning of Section 422 of the Internal Revenue Code. Unless an option is specifically designated at the time of grant as an ISO, the option will be non-qualified. Options to purchase more than 300,000 shares may not be issued to any participant in any fiscal year.

Exercise Price. The exercise price of an ISO must be at least equal to the fair market value of a share of our common stock on the date the option is granted, or at least 110% of the fair market value of a share of common stock on the date an ISO is granted if the recipient owns shares possessing more than 10% of the total voting power of our stock. The exercise price of non-qualified stock options may be less than, equal to or greater than the fair market value of our common stock on the date of grant. The aggregate fair market value on the date of grant of the common stock for which an ISO is exercisable for the first time by an optionee during any calendar year may not exceed \$100,000.

Termination of Options. All options terminate on the earliest of: (a) the expiration of the term specified in the option, which may not exceed ten years from the date of grant or five years from the date of grant of an ISO if the optionee on the date of grant owns, directly or by attribution, shares possessing more than 10% of the total combined voting power of all of our stock; (b) the expiration of three months from the date an optionee's employment or service with us or our affiliates terminates for any reason other than disability, death or as set forth in clauses (d) and (e) below; (c) the expiration of one year from the date an optionee's employment or service with us or our affiliates terminates by reason of disability or death; (d) the date on which a determination is made by the Committee that the optionee has breached his or her employment or service contract with us or an affiliate, has been engaged in disloyalty or has disclosed trade secrets or confidential information; or (e) the date set by the Committee as an accelerated expiration date in the event of a change of control. The Committee, in its discretion, may provide for additional limitations on the terms of any option.

Edgar Filing: INNOVATIVE SOLUTIONS & SUPPORT INC - Form DEFR14A

Transfers. No option granted under the Option Plan may be transferred, except by will or the laws of descent and distribution or, at the discretion of the Committee, an option may be transferred to the optionee's spouse, children or grandchildren or to a trust or partnership created solely for the benefit of the optionee and the foregoing persons.

Payment. An optionee may pay for shares covered by an option (a) in cash, certified check or by such other mode of payment as the Committee may approve, including payment in whole or in part in shares of common stock held by the optionee for at least six months, (b) on a deferred basis as determined by the Committee, (c) pursuant to a broker promptly paying an amount of sales or loan proceeds sufficient to pay the option price, or (d) any combination of the above.

Provisions Relating to a Change of Control. Upon the occurrence of a change of control, all options become immediately vested and exercisable in full, provided that any acceleration of exercisability which would cause an ISO to become a non-qualified option may be made only with the consent of the optionee. In addition, the Committee may take whatever action with respect to options outstanding as it deems necessary or desirable, including acceleration of the expiration or termination date of the options.

Adjustments. In the event that a dividend or a stock split is declared with respect to the shares of common stock, the number of shares subject to any option outstanding and the number of shares reserved for the grant of options but not yet subject to an option will be adjusted by adding the number of shares which would have been distributable with respect to the shares of common stock if they had been outstanding. In the event that outstanding shares are changed into or exchanged for a different number or kind of our shares of stock or other securities or of another corporation, we will substitute for each share of common stock the number and kind of shares of stock or other securities into which each outstanding share was changed or for which each share was exchanged. In the case of any substitution or adjustment, the option price for each share of common stock or other security which was substituted for each share covered by an outstanding option will be adjusted appropriately to reflect the substitution or adjustment.

Amendments. Our Board may amend the Option Plan from time to time in such manner as it may deem advisable. Nevertheless, our Board may not, without obtaining shareholder approval, change the class of individuals eligible to receive an ISO or increase the maximum number of shares for which options may be granted or make any other change or amendment as to which shareholder approval is required in order to satisfy the conditions set forth in the rules promulgated under the Securities Exchange Act of 1934.

Federal Income Tax Consequences. The following summary of the federal income tax consequences applicable to options awarded under the Option Plan does not purport to be complete. This general summary of Federal income tax consequences does not address other taxes or state, local, or foreign taxes. Participants in the Option Plan are advised to consult their own tax advisors regarding the tax effects of their participation in the Option Plan.

Incentive Stock Options. In general, neither the grant nor the exercise of an incentive stock option will result in federal taxable income to an option holder or a deduction to us. Only employees may receive incentive stock options. To receive special tax treatment as an incentive stock option under the Code as to shares acquired upon exercise of an incentive stock option, an option holder must neither dispose of such shares within two years after the incentive stock option is granted nor within one year after the exercise of the option. In addition, the option holder must be an employee at all times between the date of grant and the date three months, or one year in the case

Edgar Filing: INNOVATIVE SOLUTIONS & SUPPORT INC - Form DEFR14A

of disability, before the exercise of the option. Special rules apply in the case of the death of the option holder. Incentive stock option treatment under the Code generally allows the sale of common stock received upon the exercise of an incentive stock option to result in any gain being treated as short-term or long-term capital gain to the option holder depending upon the period the stock underlying the incentive stock option has been held, but we will not be entitled to a tax deduction. However, the exercise of an incentive stock option, if the holding period rules described above are satisfied, will give rise to income includable by the option holder in his or her alternative

A-2

minimum tax in an amount equal to the excess of the fair market value of the stock acquired on the date of the exercise of the option over the exercise price.

If an incentive stock option recipient disposes of the shares received upon exercise before complying with the requisite holding periods, the recipient will recognize ordinary income equal to the lesser of: (1) the sales price or (2) the fair market value of the shares on the date of exercise; over the exercise price of the option, and we will be entitled to a corresponding deduction. Any proceeds in excess of the fair market value of the shares on the date of exercise will be treated as short-term or long-term capital gain, depending upon whether the shares have been held for more than one year. If the sales price is less than the exercise price of the option, this amount will be treated as a short-term or long-term capital loss, depending upon whether the shares have been held for more than one year. We will not be entitled to any deduction for amounts that the recipient treat as capital gain or loss

Nonqualified Stock Options. No income will be recognized by an option holder at the time a nonqualified stock option is granted. Generally, an option holder will recognize ordinary income at the time a vested nonqualified stock option is exercised in an amount equal to the excess of the fair market value of the underlying common stock on the exercise date over the exercise price. We will generally be entitled to a deduction for federal income tax purposes in the same amount as the amount included in ordinary income by the option holder with respect to his or her nonqualified stock option. Gain or loss on a subsequent sale or other disposition of the shares acquired upon the exercise of a vested nonqualified stock option will be measured by the difference between the amount realized on the disposition and the tax basis of such shares, and will generally be long-term capital gain depending on the holding period involved. The tax basis of the shares acquired upon the exercise of any nonqualified stock option will be equal to the sum of the exercise price of such nonqualified stock option and the amount included in income with respect to such option. Notwithstanding the foregoing, in the event that exercise of the option is permitted other than by cash payment of the exercise price, various special tax rules may apply.

Generally, when the shares underlying a nonqualified stock option are received, the holder will recognize ordinary income, and we will be entitled to a deduction, equal to the difference between the fair market value of the stock at such time and the exercise price paid by the holder for the stock. Subsequently realized changes in the value of the stock generally would be treated as long-term or short-term capital gain or loss, depending on the length of time the shares were held prior to disposition of such shares.

Additional special rules may apply to certain option holders who are subject to the rules set forth in Section 16 of the Exchange Act.

INNOVATIVE SOLUTIONS AND SUPPORT, INC. 1998 STOCK OPTION PLAN

Edgar Filing: INNOVATIVE SOLUTIONS & SUPPORT INC - Form DEFR14A

registration provisions of the Act), (ii) the Optionee has been advised and understands that (A) the Shares have not been registered under the Act, are "restricted securities" within the meaning of Rule 144 under the Act and are subject to restrictions on transfer and (B) the Company is under no obligation to register the Shares under the Act or to take any action which would make available to the Optionee any exemption from such registration, (iii) such Shares may not be transferred without compliance with all applicable federal and state securities laws, and (iv) an appropriate legend referring to the foregoing restrictions on transfer and any other restrictions imposed under the Option Documents may be endorsed on the certificates. Notwithstanding the foregoing, if the Company in its sole discretion determines that issuance of Shares should be delayed pending (I) registration under federal or state securities laws, (II) the receipt of an opinion of counsel satisfactory to the Company that an appropriate exemption from such registration is available, (III) the listing, registration, qualification or inclusion of the Shares on any securities exchange or an automated quotation system or under any state or federal law or (IV) the consent or approval of any governmental regulatory body whose consent or approval is necessary or desirable in connection with the issuance of such Shares, the Company may defer exercise of any Option granted hereunder until any of the events described in this sentence has occurred.

- d Medium of Payment. Upon exercise of an Option, the aggregate Option Price for the Shares as to which the Option is being exercised shall, in the discretion of the Committee, be (i) paid in U.S. funds by cash (including a check, draft or wire transfer made payable to the order of the Company), or delivery of stock certificates for Shares of the Company's Common Stock, free of all liens, claims and encumbrances of every kind, and endorsed in blank or accompanied by executed stock powers with signatures guaranteed by a national bank or trust company or a member of a national securities exchange evidencing Shares which have been held for more than six months (in which case the value of such Shares shall be deemed to be their Fair Market Value on the date of exercise of the Option), (ii) paid on a deferred basis upon such terms and conditions as the Committee in its discretion shall provide, (iii) deemed to be paid provided the notice of exercise of the Option is accompanied to the Committee's satisfaction by a copy of irrevocable instructions to a broker to promptly deliver to the Company an amount of sales or loan proceeds sufficient to pay the Option Price in full, or (iv) a combination of the foregoing. If any part of the Option Price is to be paid on a deferred basis, the Shares with respect to which payment is deferred shall be registered in the name of the Optionee, but the certificate representing such Shares shall serve as security to the Company for the payment of the Option Price and shall not be delivered to the Optionee until the Option Price for said Shares has been paid in full.

- e Termination of Options.

No Option or any unexercised installment thereof shall be exercisable after the first to occur of the following:

- A Expiration of the Option term specified in the Option Document which, subject to earlier termination as hereinafter provided, shall not exceed (1) ten years from the date of grant, or (2) five years from the date of grant of an ISO if the Optionee on

the date of grant owns, directly and/or by attribution under Section 424(d) of the Code, stock possessing more than ten percent of the total combined voting power of all classes of stock of the Company or of an Affiliate;

- B Expiration of three months from the date the Optionee's employment or service with the Company or its Affiliates terminates for any reason other than Disability or death or as otherwise specified in Subsection 8(e)(i)(D) or 8(e)(i)(E) below; provided, however, that such Option was exercisable on the date of termination of employment or service under the provisions of the Option Document or the Committee specifically waives the restrictions relating to exercisability, if any, contained in the Option Document.
- C Expiration of one year from the date such employment or service with the Company or its Affiliates terminates due to the Optionee's Disability or death, whether or not the Option was exercisable on the date of such termination under the provisions of the Option Document relating thereto. The determination of whether the termination of the Optionee's employment or service with the Company is due to Disability shall be made by the Committee, and such determination shall be final and binding on the Company and the Optionee;
- D A finding by the Committee, after full consideration of the facts presented on behalf of both the Company and the Optionee, that the Optionee has breached his employment or service contract with the Company or an Affiliate, or has been engaged in disloyalty to the Company or an Affiliate, including, without limitation, fraud, embezzlement, theft, commission of a felony or proven dishonesty in the course of his or her employment or service, or has committed an intentional or grossly negligent act detrimental to the interests of the Company or an Affiliate. In such event, in addition to immediate termination of the Option, the Optionee shall automatically forfeit all Shares for which the Company has not yet delivered the share certificates upon refund by the Company of the Option Price of such Shares. Notwithstanding anything herein to the contrary, the Company may withhold delivery of share certificates pending the resolution of any inquiry that could lead to a finding resulting in a forfeiture; or
- E The date, if any, set by the Board of Directors as an accelerated expiration date in the event of a Change of Control.
- f Notwithstanding the Option termination provisions of Section 8(e)(i), the Committee, in its sole discretion, may extend the period during which all or any portion of an Option may be exercised to a date no later than the Option term specified in the Option Document pursuant to Section 8(e)(i)(A), provided that any change pursuant to this Section 8(e)(ii) which would cause an ISO to become a Non-qualified Stock Option may be made only with the consent of the Optionee.
- g Transfers. Except as otherwise provided by law, no Option granted under the Plan may be transferred, except by will or by the laws of

Edgar Filing: INNOVATIVE SOLUTIONS & SUPPORT INC - Form DEFR14A

descent and distribution. During the lifetime of the person to whom an Option is granted, such Option may be exercised only by him or his guardian or legal representative. Notwithstanding the foregoing, the Committee in its sole discretion may permit the transfer of an Option, without payment of consideration, to immediate family members of the Optionee or to trusts or partnerships for such family members.

- h Limitation on ISO Grants. In no event shall the aggregate fair market value of the Shares of Common Stock (determined at the time an ISO is granted) with respect to which incentive stock options under all incentive stock option plans of the Company or its Affiliates are exercisable for the first time by the Optionee during any calendar year

B-5

exceed \$100,000 or such greater sum as may here after be permitted under Section 422 of the Code.

- i Conversion of ISO to Non-Qualified Stock Option. An Optionee shall have the right, at the Optionee's election and upon notice to the Company, to convert or to otherwise cause the conversion of ISO's granted to the Optionee hereunder into Non-qualified Stock Options--provided, that Optionee shall indemnify and hold harmless the Company from and against any loss or damage resulting from such conversion, including, but not limited to, any loss incurred by reason of the nonavailability of any deduction to the Company under federal income tax law.
- j Other Provisions. Subject to the provisions of the Plan, each Option Document shall contain such other provisions including, without limitation, provisions authorizing the Committee to accelerate the exercisability of all or any portion of an Option granted pursuant to the Plan, additional restrictions upon the exercise of the Option or additional limitations upon the term of the Option, as the Committee shall deem advisable.
- k Amendment. The Committee shall have the right to amend any Option Document issued to an Optionee to the extent the terms to be amended are within the Committee's discretion as provided in the Plan but subject to the Optionee's consent if such amendment is not favorable to the Optionee, except that the consent of the Optionee shall not be required for any amendment made pursuant to Section 8(e) (i) (E) or Section 9 of the Plan, as applicable.

9. Change of Control. In the event of a Change of Control, all Options then outstanding under the Plan immediately shall become vested and exercisable in full--provided that any acceleration of exercisability of options under this Section 9 which would cause an ISO to become a Non-Qualified Stock Option may be made only with the consent of the Optionee. In addition, in the event of a Change of Control, the Committee may take whatever other action with respect to Options outstanding as it deems necessary or desirable, including without limitation, accelerating the expiration date of any Options. Any amendment to this Section 9 which diminishes the rights of Optionees shall not be effective with respect to Options outstanding at the time of adoption of such amendment, whether or not such outstanding Options are then exercisable.

A "Change of Control" shall be deemed to have occurred upon the earliest to occur of the following events: (a) the date the shareholders of the Company (or the Board of Directors, if shareholder action is not required) approve a

Edgar Filing: INNOVATIVE SOLUTIONS & SUPPORT INC - Form DEFR14A

plan or other arrangement pursuant to which the Company will be dissolved or liquidated, (b) the date the shareholders of the Company (or the Board of Directors, if shareholder action is not required) approve a definitive agreement to sell or otherwise dispose of substantially all of the assets of the Company, (c) the date the shareholders of the Company (or the Board of Directors, if shareholder action is not required) and the shareholders of the other constituent corporation (or its board of directors if shareholder action is not required) have approved a definitive agreement to merge or consolidate the Company with or made pursuant to this Section 10, the Company will, upon request, deliver to the Optionee a certificate of its Secretary setting forth the Option Price thereafter in effect and the number and kind of shares or other securities thereafter purchasable on the exercise of such Option.

10. Adjustments. In the event that a dividend shall be declared upon the Common Stock payable in Shares of Common Stock or if a stock split is declared with respect to the Common Stock, the number of Shares of Common Stock then subject to any Option outstanding under the Plan and the number of Shares reserved for the grant of Options pursuant to the Plan but not yet subject to an Option shall be adjusted by adding to each such Share the number of shares which would be distributable in respect thereof if such Shares had been outstanding on the date fixed for determining the shareholders of the Company entitled to receive such stock dividend or stock split. In the event that the outstanding shares of Common Stock shall be changed into or exchanged for a different number or kind of shares of stock or other securities of the Company or of another corporation, whether through reorganization, recapitalization, stock split combination of shares,

B-6

merger, consolidation or otherwise, there shall be substituted for each Share of Common Stock subject to any such Option and for each Share of Common Stock reserved for the grant of Options pursuant to the Plan but not yet subject to an Option, the number and kind of shares of stock or other securities into which each outstanding share of Common Stock shall have been so changed or for which each such share shall have been exchanged. In the event there shall be any change, other than as specified above in this Section 10, in the number or kind of outstanding shares of Common Stock or of any stock or other securities into which such Common Stock shall have been changed or for which it shall have been exchanged, then if the Board of Directors shall in its sole discretion determine that such change equitably requires an adjustment in the number or kind of Shares theretofore reserved for the grant of Options pursuant to the Plan but not yet subject to an Option and of the Shares then subject to Options, such adjustment shall be made by the Board of Directors and shall be effective and binding for all purposes of the Plan and of each Option outstanding there under. In the case of any such substitution or adjustment as provided for in this Section 10, the Option Price for each Share of stock or other security which shall have been substituted for each Share of Common Stock covered by an outstanding Option shall be adjusted appropriately to reflect such substitution or adjustment. No adjustment or substitution provided for in this Section 10 shall require the Company to sell a fractional share of Common Stock, and the total substitution or adjustment with respect to each outstanding Option shall be limited accordingly. Upon any adjustment employees subject to Section 162(m) of the Code, transactions under the Plan are intended to avoid the loss of a deduction under that Code section. Accordingly, to the extent any provision of the Plan or action by the Committee fails to comply with Section 162(m) of the Code to avoid the loss of a deduction, it shall be deemed null and void to the extent permitted by law and deemed advisable by the Company.

11. Amendment or Termination of the Plan. The Board of Directors may terminate the Plan in whole or in part at any time or amend the Plan from time

Edgar Filing: INNOVATIVE SOLUTIONS & SUPPORT INC - Form DEFR14A

to time in such manner as it may deem advisable. Nevertheless, the Board of Directors of the Company shall not (a) change the class of individuals eligible to receive an ISO, (b) increase the maximum number of Shares as to which Options may be granted or (c) make any other change or amendment to which shareholder approval is required in order to satisfy the conditions set forth in Rule 16b-3 promulgated under the Exchange Act, in each case without obtaining approval, within twelve months before or after such action, by vote of a majority of the votes cast at a duly called meeting of the shareholders at which a quorum representing a majority of all outstanding voting stock of the Company is, either in person or by proxy, present and voting on the matter. No amendment to the Plan, however, shall adversely affect any outstanding Option in any material respect without the consent of the Optionee.

12. No Commitment to Retain. The grant of an Option pursuant to the Plan shall not be construed to imply or to constitute evidence of any agreement, express or implied, on the part of the Company or any Affiliate to retain the Optionee in the employ or service of the Company or an Affiliate and/or as a member of the Company's Board of Directors or in any other capacity, and nothing in the Plan shall interfere with or limit in any way the right of the Company or an Affiliate to terminate the employment or service of an Optionee.

13. Withholding of Taxes. The Company shall deduct or withhold an amount sufficient to satisfy all Federal, state and local taxes required by law to be withheld with respect to any grant or exercise of an Option or other transaction under the Plan which gives rise to a withholding obligation and, in so doing, the Company shall by agreement with the Optionee or unilaterally take such action as it deems necessary or prudent to protect the Company's interest with respect to such withholding obligations. In the sole discretion of the Committee, and subject to such conditions or limitations as the Committee shall prescribe, an Optionee may satisfy the withholding obligation, in whole or in part, by electing to have the number of Shares to be issued upon exercise of an Option reduced by a number of Shares having a Fair Market Value equal to the desired withholding amount or by surrendering to the Company Shares which the Optionee has held for more than six months having an equivalent Fair Market Value. If the method of payment for the Shares is from

B-7

a loan or sale by a broker of the Shares acquired on exercise of the Option, the withholding obligation shall be satisfied from the proceeds of such loan or sale.

14. Interpretation. It is the intent of the Company that transactions under the Plan with respect to directors and officers (within the meaning of Section 16(a) of the Exchange Act) satisfy the conditions of Rule 16b-3 promulgated under the Exchange Act. To the extent that any provision of the Plan or action by the Committee would result in a conflict with or fail to comply with any such condition, such provision or action shall be deemed advisable by the Company. This Section 14 shall not be applicable if no class of the Company's equity securities is then registered pursuant to Section 12 of the Exchange Act. In addition, with respect to into such other corporation other than, in either case, a merger or consolidation of the Company in which holders of Shares of Common Stock immediately prior to the merger or consolidation will have at least a majority of the voting power of the surviving corporation's voting securities immediately after the merger or consolidation, which voting securities are to be held in the same proportion as such holders' ownership of Common Stock immediately before the merger or consolidation, (d) the date any entity, person or group, within the meaning of Section 13(d)(3) or Section 14(d)(2) of the Exchange Act (other than (i) the Company or any of its Affiliates or any employee benefit plan (or related trust) sponsored or

Edgar Filing: INNOVATIVE SOLUTIONS & SUPPORT INC - Form DEFR14A

maintained by the Company or any of its Affiliates, or (ii) any other person who, as of January 1, 1995, shall have been the beneficial owner (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of more than 30% of outstanding shares of Common Stock), shall have become the beneficial owner of, or shall have obtained voting control over, more than 30% of the outstanding shares of Common Stock, or (e) the first day after the date this Plan is effective when directors are elected such that a majority of the Board of Directors shall have been members of the Board of Directors for less than two years, unless the nomination for election of each new director who was not a director at the beginning of such two-year period was approved by a vote of at least two-thirds of the directors then still in office who were directors at the beginning of such period.

15. Governing Law. The granting of Options and the issuance of Shares under the Plan shall be subject to all applicable laws and regulations and to such approvals by any governmental agency or national securities exchanges as may be required. To the extent not pre-empted by Federal law, the Plan and all Option Documents hereunder shall be construed in accordance with and governed by the laws of Pennsylvania.
