CALCULATION OF FILING FEE

TRANSACTION VALUATION*	AMOUNT OF FILING FEE**
\$152,034,519.66	\$12,299.59

* Estimated for purposes of calculating the amount of the filing fee only. The fee was calculated by multiplying \$22.00, the per share tender offer price, by the 5,970,156 currently outstanding shares of Common Stock sought in the Offer, which gives an aggregate consideration of \$131,343,432.00 (the "Common Stock Consideration"). The Common Stock Consideration was then added to \$20,691,087.66, being the net consideration for the Subject Company's 1,448,662 stock options, to arrive at a total transaction value of \$152,034,519.66.

** Calculated as 0.008090% of the transaction value.

☒ Check the box if any part of the fee is offset as provided by Rule 0-11(a)(2) and identify the filing with which the offsetting fee was previously paid. Identify the previous filing by registration statement number, or the Form or Schedule and the date of its filing.

Amount Previously Paid: \$12,299.59 Filing Party: Intermagnetics General Corporation

Form or Registration No.: Schedule TO Date Filed: December 23, 2003

The Schedule TO relates to the Offer by Purchaser to purchase all outstanding shares of Common Stock, par value \$0.01 per share (the "Shares"), of Invivo Corporation, a Delaware corporation (the "Company"), at a purchase price of \$22.00 per Share, net to the seller in cash, upon the terms and subject to the conditions set forth in the Offer to Purchase dated December 23, 2003 (the "Offer to Purchase") and in the related Letter of Transmittal, copies of which are attached to the Schedule TO as Exhibits (a)(1) and (a)(2) (which, together with any amendments or supplements thereto, collectively constitute the "Offer"). Item 11. ADDITIONAL INFORMATION.

Item 11 of the Schedule TO is hereby amended and supplemented by the following:

Section 7. Certain Information Concerning the Company.

The "Certain Projected Financial Data of the Company" section on page 11 of Section 7 of the Offer to Purchase is amended and restated in its entirety to read as follows:

"Prior to entering into the Merger Agreement, Parent conducted a due diligence review of the Company and in connection with such review received certain projections of the Company's future operating performance. The projections provided to Parent by the Company were consistent with published data regarding the Company's expected future performance, were not material to Parent's decision to enter into the Merger Agreement and consummate the transactions contemplated thereby, and are not, Parent believes, material to a decision by stockholders to tender Shares pursuant to the Offer. Consequently, the information set forth below is presented for the limited purpose of disclosing to the holders of Shares the financial projections prepared by the Company's management and made available to Parent in connection with its due diligence investigation of the Company.

FISCAL QUARTER ENDING (IN THOUSANDS)

	MARCH 31, 2004	JUNE 30, 2004
REVENUES	\$17,400	\$18,800
PRE-TAX INCOME	\$1,800	\$2,100

While presented with numerical specificity, these projections are based upon a variety of estimates and hypothetical assumptions which may not be accurate, may not be realized, and are

also inherently subject to significant business, economic and competitive uncertainties and contingencies, all of which are difficult to predict, and most of which are beyond the control of the Company. Accordingly, there can be no assurance that any of the Projections will be realized and the actual results for the quarters ending March 31, 2004 and June 30, 2004 may vary materially from those shown above. The Company does not in the ordinary course publicly disclose projections and these projections were not prepared with a view to public disclosure. These projections do not give effect to the Offer or the potential combined operations of Parent or any of its affiliates and the Company or any plans or proposals Parent or any of its affiliates may have with respect to the Company's operations or strategy after the consummation of the Offer.

In addition, these projections were not prepared in accordance with generally accepted accounting principles, and neither the Company's nor Parent's independent accountants has examined or compiled any of these projections or expressed any conclusion or provided any other form of assurance with respect to these projections and accordingly assume no responsibility for these projections. These projections were prepared with a limited degree of precision, and were not prepared with a view to compliance with the published guidelines of the Commission or the guidelines established by the American Institute of Certified Public Accountants regarding projections, which would require a more complete presentation of data than as shown above. The inclusion of these projections in this Offer to Purchase should not be regarded as an indication that any of Parent, Purchaser or the Company or their respective affiliates or

representatives considered or consider the projections to be a reliable prediction of future events and the projections should not be relied on as such. None of Parent, Purchaser, or any other person to whom these projections were provided assumes any responsibility for the accuracy or validity of the foregoing projections, except to the extent imposed by federal securities laws. None of Parent, Purchaser or any of their respective affiliates or representatives has made or makes representation to any person regarding the ultimate performance of the Company compared to the information contained in the projections, and none of them intends to update or otherwise revise the projections to reflect the occurrence of future events even in the event that any or all of the assumptions underlying the projections are shown to be in error."
