INTRODUCTORY STATEMENT

This amendment relates to the Tender Offer Statement on Schedule TO (the "Tender Offer Statement") filed on September 1, 2004, as amended, regarding the tender offer by Brasilcel N.V., a corporation organized under the laws of The Netherlands ("Brasilcel"), a joint venture among Portugal Telecom, SGPS, S.A., PT Móveis, SGPS, S.A. (a wholly owned subsidiary of Portugal Telecom, SGPS, S.A.) and Telefónica Móviles, S.A., to purchase for cash up to 7,332,479,000 common shares and up to 12,699,707,000 preferred shares of Tele Sudeste Celular Participações S.A., a corporation organized under the laws of the Federative Republic of Brazil, at a price of R\$6.35 per 1,000 common shares and R\$7.80 per 1,000 preferred shares without interest, net of applicable stock exchange and settlement fees, brokerage fees or commissions and withholding taxes.

Subject to the terms and conditions of the tender offer, as set forth in the Tender Offer Statement, as amended hereby, the tender offer and the withdrawal rights expire on October 8, 2004, unless the offer is extended or earlier terminated. However, unless the offer is extended or earlier terminated, to participate in the tender offer, a holder must qualify for the tender offer (1) if a holder of American Depositary Shares, or ADSs, participating in the tender offer through The Bank of New York, as receiving agent, no later than 5:00 p.m., New York City time, on October 1, 2004 (such date, as it may be extended by Brasilcel in its sole discretion, the "ADS Qualification Date") and (2) if a holder of common shares or preferred shares, no later than 4:00 p.m., New York City time, on October 7, 2004 (such date, as it may be extended by Brasilcel in its sole discretion, the "Share Qualification Date"). Withdrawals of ADSs by ADS holders who wish to participate in the tender offer through the receiving agent will not be accepted after 5:00 p.m., New York City time, on October 6, 2004, unless the offer is extended or terminated.

To the extent permitted by applicable Brazilian and U.S. securities laws and the terms of the tender offer, Brasilcel reserves the right, at any time and from time to time, in its sole discretion, (1) to extend the period of time during which the tender offer is open and thereby delay acceptance for payment of and payment for tendered shares, (2) to amend the tender offer in any respect and (3) to terminate the tender offer without purchasing any shares. In order to comply with the requirements of the U.S. Securities Exchange Act of 1934, as amended, or the Exchange Act, and the regulations thereunder, any such extension, delay, termination, waiver or amendment will be followed as promptly as practicable by public announcement thereof, such announcement in the case of an extension to be made no later than 9:00 a.m., New York City time, on the next business day after the previously scheduled Share Qualification Date. Subject to applicable law (including Rule 14e-1 under the Exchange Act, which requires that material changes be promptly disseminated to shareholders in a manner reasonably designed to inform them of such changes) and without limiting the manner in which Brasilcel may choose to make any public announcement, Brasilcel will have no obligation to publish, advertise or otherwise communicate any such public announcement in the United States other than by issuing a press release to the Dow Jones News Service, the Public Relations Newswire or Business Wire.

On September 8, 2004, the Offerors filed Amendment No. 1 to the Tender Offer Statement to add to Item 12 a clarification, published September 2, 2004 (the "Clarification"), to the announcement to shareholders (*edital*) published on September 1, 2004. This Amendment No. 2 provides, among other things, greater detail on the effect of the Clarification on the auctions, the procedures for tendering shares and the withdrawal rights described in the offer to purchase dated September 1, 2004.

As previously disclosed in Section 4 "Procedures for Accepting the Offer and Tendering Shares - Direct Holders of Common Shares and Preferred Shares," to tender a holder's shares, a holder's broker must, no later than 11:00 a.m., New York City time, on October 8, 2004 (such time and date, as it may be extended by Brasilcel in its sole discretion, the "Expiration Date"), transfer the shares to Account No. 7105-6 at the *Companhia Brasileira de Liquidação e Custódia* (the Brazilian Settlement and Custody Company, or "CBLC"), which is an account opened in the name of every shareholder and maintained by CBLC for the purpose of the tender offer. In addition, as previously disclosed in

Section 3 Acceptance for Payment and Payment for Shares, brokers acting on behalf of holders that wish to tender their shares must present sales orders on behalf of tendering shareholders no later than 11:00 a.m., New York City time, on the Expiration Date through the São Paulo Stock Exchange's Mega Bolsa electronic trading system. In accordance with the Clarification, however, legal acceptance of the tender offer by the shareholder does not occur until the applicable auction itself. The auctions are currently scheduled to occur after 2:05 p.m., New York City time, on the Expiration Date.

Table of Contents

The Clarification also states that each broker's sales order must indicate the respective sale price of the shares being tendered. With respect to ADS holders participating in the tender offer through The Bank of New York, as receiving agent, Brasilcel expects that the broker selected by the receiving agent to tender shares in the tender offer will indicate a sale price equal to the price at which Brasilcel has offered to purchase shares subject to the tender offer. This feature of the Clarification has been included pursuant to a Brazilian technical regulatory request and is not meant to suggest that Brasilcel intends to increase the amount of consideration available in this tender offer. As disclosed in Section 1

Terms of the Tender Offer; Expiration Date and Qualification Dates and Section 3 Acceptance for Payment and Payment for Shares of the offer to purchase, (1) Brasilcel does not expect to increase the amount of consideration currently available through this tender offer and (2) in the event of a competing tender offer, Brasilcel may, in its sole discretion but subject to Brazilian law and regulations and the Exchange Act and the rules and regulations thereunder, submit a higher counteroffer for the shares sought by the competing offeror.

In addition, pursuant to the Clarification, there is no longer a specific requirement that, in order for a withdrawal from the tender offer to be effective, the broker who has been instructed to tender shares in the applicable auction must withdraw those shares from the CBLC account maintained for the tender offer no later than 11:00 a.m., New York City time, on the Expiration Date. However, the effectiveness of a withdrawal from the tender offer still depends on the ability of the broker who has been instructed to tender shares in the applicable auction to withdraw the order to sell those shares before the beginning of the auction. Shareholders who wish to withdraw from the tender offer are strongly advised to contact their brokers well before the beginning of the applicable auction. It is the responsibility of the shareholder to ensure that the broker who has been instructed to tender its shares receives instructions to withdraw the tender of those shares before the auction.

Nothing in the Clarification changes the previous statements that, in order to participate in the tender offer, a holder must qualify for the tender offer (1) if a holder of American Depositary Shares, or ADSs, participating in the tender offer through The Bank of New York, as receiving agent, no later than 5:00 p.m., New York City time, on October 1, 2004 (which date, as it may be extended by Brasilcel in its sole discretion, is defined in the offer to purchase as the ADS Qualification Date) and (2) if a holder of common shares or preferred shares, no later than 4:00 p.m., New York City time, on October 7, 2004 (such date, as it may be extended by Brasilcel in its sole discretion, is defined in the offer to purchase as the Share Qualification Date). In addition, nothing in the Clarification changes the previous statement that withdrawals of ADSs by ADS holders who wish to participate in the tender offer through the receiving agent will not be accepted after 5:00 p.m., New York City time, on October 6, 2004, unless the offer is extended or earlier terminated.

In view of the foregoing, and to make certain additional changes, the Tender Offer Statement is hereby amended as follows:

Item 1. Summary Term Sheet.

The Summary Term Sheet in the offer to purchase is hereby amended by replacing the first sentence of the third bullet point (entitled Expiration Date and Qualification Dates with the following two sentences:

The Summary Term Sheet in the offer to purchase is hereby amended by replacing the first two sentences under the question Until what time may I withdraw my tendered shares, and how do I do so? with the following sentence:

For a withdrawal to be effective, the broker who has been instructed to tender shares in the applicable auction described in Section 3 Acceptance for Payment and Payment for Shares, including the broker selected by the receiving agent to tender preferred shares underlying ADSs, must withdraw the order to sell those shares before the beginning of the applicable auction on the Expiration Date.

The Summary Term Sheet in the offer to purchase is hereby amended by replacing the second bullet point under the question Until what time may I withdraw my tendered shares, and how do I do so? with the following bullet point:

If you hold common shares or preferred shares directly in Brazil, you or your representative in Brazil must contact the broker that you instructed to tender shares on your behalf in sufficient time to enable the broker to withdraw the order to sell your shares before the beginning of the applicable auction on the Expiration Date and must provide any documentation required by the broker.

Furthermore, if at the time notice of any such increase in the consideration being offered is first published, sent or given to holders of those shares, the tender offer is scheduled to expire at any time earlier than the period ending on the tenth business day from and including the date that such notice is first so published, sent or given, the tender offer will be extended at least until the expiration of that ten-business-day period to the extent permitted under applicable Brazilian laws and regulations.
