**Sierra Wireless Completes Acquisition of Wavecom**

**Vancouver, Canada and Issy-les-Moulineaux, France March 2, 2009** Sierra Wireless (NASDAQ: SWIR - TSX: SW), a leading provider of wireless solutions for mobile computing, and Wavecom (Paris: AVM NASDAQ: WVCM), a leading provider of embedded wireless technology for M2M (machine-to-machine) communication, confirmed today that the cash payment to financial intermediaries for the ordinary shares and OCEANEs tendered into the offer launched in France by Sierra Wireless France, a wholly owned subsidiary of Sierra Wireless, Inc., occurred on February 27, 2009. These shares and OCEANEs were delivered to Sierra Wireless France on February 27, 2009. Payment for the securities tendered into the offer launched in the United States by Sierra Wireless France will follow shortly.

**Subsequent Offering Period from March 11 to 31, 2009**

Subject to the publication of a calendar of the subsequent offering period in France by the AMF, a subsequent offering period in France and the United States will start on March 11, 2009, and will be open for a period of 15 trading days. Sierra Wireless France has irrevocably undertaken to accept all ordinary shares, American Depositary Shares ( ADSs ) and OCEANEs tendered in the subsequent offering period. The offer price for the ordinary shares is 8.50 per share, and the offer price for the OCEANEs is 31.93 plus unpaid accrued interest (calculated pro rata to the number of days from the last interest payment date to the day of settlement for the OCEANEs) per OCEANE. The offer price for the ADSs is the US dollar equivalent of 8.50 per ADS.

Shortly after the closing of the subsequent offering period, provided applicable legal requirements are satisfied, Sierra Wireless France intends to implement a squeeze-out of the shares and OCEANEs that have not been tendered to the offers and to request the delisting of Wavecom shares and OCEANEs from Euronext and ADSs from NASDAQ.

### **Cautionary Note Regarding Forward-Looking Statements**

Certain statements in this press release that are not based on historical facts constitute forward-looking statements or forward-looking information within the meaning of the U.S. Private Securities Litigation Reform Act of 1995 and applicable Canadian and French securities laws ( forward-looking statements ). These forward-looking statements are not promises or guarantees of future performance but are only predictions that relate to future events, conditions or circumstances or our future results, performance, achievements or developments and are subject to substantial known and unknown risks, assumptions, uncertainties and other factors that could cause our actual results, performance, achievements or developments in our business or in our industry to differ materially from those expressed, anticipated or implied by such forward-looking statements. Forward-looking statements in this press release include statements relating to the offers for the ordinary shares, the ADSs, and the OCEANEs of Wavecom and the results of such offers, the combined company s future business prospects and projected position in the wireless data and M2M markets, the outlook for the combined company s future operations, plans and timing for the introduction or enhancement of its services and products, strategies or developments, future market conditions and supply conditions. We caution you not to place undue reliance upon any such forward-looking statements, which speak only as of the date they are made. These forward-looking statements appear in a number of different places in this press release and can be identified by words such as may , estimates , projects , expects , intends , believes , plans , anticipates , continue , grow , their negatives or other comparable words. The risk factors and uncertainties that may affect our actual results,

performance, achievements or developments are many and include, amongst others, our ability to develop, manufacture, supply and market new products that we do not produce today that meet the needs of customers and gain commercial acceptance, our reliance on the deployment of next generation networks by major wireless operators, the continuous commitment of our customers, and increased competition. These risk factors and others are discussed in Sierra Wireless and Wavecom's respective filings and reports, which may be found on SEDAR at [www.sedar.com](http://www.sedar.com), on EDGAR at [www.sec.gov](http://www.sec.gov), on the AMF's website at
