On August 13, 2009, Mindspeed Technologies, Inc. (the Company) entered into an underwriting agreement with Cowen and Company, LLC (the Underwriter) relating to the issuance and sale of 4,750,000 shares of the Company's common stock. The shares of common stock will be sold at a public offering price of \$2.05 per share. The Company intends to apply the net proceeds from the offering to the outstanding balance on its 3.75% Convertible Senior Notes or for general corporate purposes. Pursuant to the terms of the underwriting agreement, the Company has agreed to pay underwriting discounts and commissions equal to 6% of the gross proceeds from the offering of common stock, and the Company has agreed to reimburse the Underwriter for legal and other expenses, not to exceed \$50,000. The closing of the offering is expected to take place on August 19, 2009, subject to the satisfaction of customary closing conditions. A copy of the underwriting agreement is attached as Exhibit 1.1 hereto and is incorporated herein by reference.

The common stock will be issued pursuant to a prospectus supplement and accompanying prospectus, filed with the Securities and Exchange Commission on the date hereof in connection with a shelf takedown from the Company's registration statement on Form S-3 (File No. 333-160322), which became effective on July 10, 2009. A copy of the opinion of Morrison & Foerster LLP relating to the legality of the common stock to be sold in the offering is attached as Exhibit 5.1 hereto.

The Company exempted investors' acquisition of the securities in the offering from its newly adopted Section 382 rights agreement. However, investors that acquire securities in the offering will be subject to the applicable restrictions and limitations set forth in the Section 382 rights agreement, including, for those investors that own, or will own, 4.9% or more of the Company's securities after the completion of the offering, the restriction from acquiring additional securities (other than those that were acquired in the offering) constituting one-half of one percent (0.5%) or more of the Company's securities outstanding as of the date of the Section 382 rights agreement, as provided in the Section 382 rights agreement.

On August 14, 2009, the Company issued a press release announcing the pricing of the offering. A copy of the press release is attached as Exhibit 99.1 hereto.

The foregoing description of the underwriting agreement does not purport to be complete and is qualified in its entirety by reference to the exhibit hereto.
