**Item 1.01. Entry Into a Material Definitive Agreement.**

The information included, or incorporated by reference, in Item 2.03 of this Current Report on Form 8-K (this Report ) is incorporated by reference into this Item 1.01 of this Report.

**Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

On March 23, 2010, Martin Midstream Partners L.P. (the Partnership ), Martin Midstream Finance Corp. ( FinCo and, together with the Partnership, the Issuers ) and certain subsidiary guarantors (the Guarantors ) entered into a Purchase Agreement (the Purchase Agreement ) with Wells Fargo Securities, LLC, RBC Capital Markets Corporation and UBS Securities LLC, as representatives of a group of initial purchasers (collectively, the Initial Purchasers ), pursuant to which the Issuers agreed to sell \$200 million in aggregate principal amount of the Issuers' 8.875% senior unsecured notes due 2018 (the Notes ). The Notes have not been registered under the Securities Act of 1933, as amended (the Securities Act ), or any state securities laws, and unless so registered, the Notes may not be offered or sold in the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws. The Issuers offered and will issue the Notes only to qualified institutional buyers pursuant to Rule 144A under the Securities Act and to persons outside the United States pursuant to Regulation S.

The Purchase Agreement contains customary representations and warranties of the parties and indemnification and contribution provisions under which the Issuers and the Guarantors, on one hand, and the Initial Purchasers, on the other, have agreed to indemnify each other against certain liabilities, including liabilities under the Securities Act. The Issuers also agreed not to issue certain debt securities for a period of 60 days after March 23, 2010 without the prior written consent of Wells Fargo Securities. In addition, the Purchase Agreement contemplates the execution of a registration rights agreement relating to the Notes.

The foregoing description of the Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Purchase Agreement, a copy of which is filed with this Report as Exhibit 10.1 and is incorporated herein by reference.

The Partnership intends to use the net proceeds of this offering to repay borrowings under the Partnership's existing credit facility, to terminate existing interest rate hedges and to pay transaction fees, costs and expenses. Affiliates of each of certain of the Initial Purchasers are lenders under the Partnership's existing credit facility and therefore will receive a portion of the net proceeds from this offering.

**Item 8.01. Other Events.**

On March 23, 2010, the Partnership issued a press release announcing the pricing of the Notes offering. A copy of the Partnership's press release announcing the pricing is filed as Exhibit 99.1 to this Report and is incorporated herein by reference.
