 - Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))
-

Item 2.02. Results of Operations and Financial Condition.

As part of the final review of the Form 10-Q for the quarter ended July 3, 2010 it was determined that, as a result of the accounting treatment for certain deferred payments in connection with Cadence Design Systems, Inc.'s (Cadence) acquisition of Denali Software, Inc., the second quarter 2010 Financial Schedules (Q2 2010 Financial Schedules) to Cadence's earnings release dated July 28, 2010 (the Q2 Earnings Release) incorrectly categorized certain amounts reflected in the Q2 2010 Financial Schedules. The corrected amounts are provided herein and are in thousands, except for per share amounts.

In the Condensed Consolidated Balance Sheets as of July 3, 2010:

The actual amount of Prepaid expenses and other is \$71,448 instead of \$62,308, and the actual amount of Goodwill is \$158,227 instead of \$167,367, but Total Assets remains unchanged at \$1,695,755.

The actual amount of Accounts payable and accrued liabilities is \$153,982 instead of \$153,220, and the actual amount of Accumulated deficit is \$1,215,391 instead of \$1,214,629, but Total liabilities and stockholders' equity remains unchanged at \$1,695,755.

In the Condensed Consolidated Statements of Operations for the three months ended July 3, 2010, the actual amount of Research and development expense is \$91,880 instead of \$91,118, and the actual amount of Net income is \$48,607 instead of \$49,369. Diluted net income per share for the same period is decreased because of the \$762 in additional Research and development expense, which reduces Diluted net income per share by \$0.003, which, with rounding, results in Diluted net income per share of \$0.18 instead of \$0.19.

In the Condensed Consolidated Statements of Cash Flows for the three months ended July 3, 2010, the actual amount of Net income is \$48,607 instead of \$49,369, the actual amount of Change in Prepaid expenses and other is \$(12,260) instead of \$(3,120), the actual amount of Change in Accounts payable and accrued liabilities is \$5,101 instead of \$4,339, and the actual amount of Cash paid in business combinations and asset acquisitions, net of cash acquired is \$(253,951) instead of \$(263,091), but Cash and cash equivalents remained unchanged at \$475,603.

Appropriate changes in subtotal amounts are also reflected below and in the Q2 2010 Financial Schedules, which are posted on Cadence's website at www.cadence.com, and the correct amounts are reflected in Cadence's Quarterly Report on Form 10-Q for the quarter ended July 3, 2010, filed today.

As a result of this accounting treatment, the guidance for third quarter 2010 GAAP net loss per diluted share is expected to be in the range of \$(0.10) to \$(0.08) instead of \$(0.08) to \$(0.06) and the guidance for fiscal 2010 GAAP net loss per diluted share is expected to be in the range of \$(0.04) to \$(0.00) instead of \$(0.01) to \$0.03.

All other guidance under Business Outlook in the Q2 Earnings Release remains unchanged, including the guidance for net income per diluted share using the non-GAAP measure set forth in the Q2 Earnings Release.
