**CORPORATE COMMUNICATIONS**

**PRESS RELEASE**

Amsterdam, 1 November 2010

**ING closes sale of stake in Canadian property portfolio**

ING announced today that it has closed the sale of its 50% stake in ING Summit Industrial Fund LP (Summit), a Canadian light industrial property portfolio, to a joint venture between KingSett Capital Inc. and its affiliates and certain clients of Alberta Investment Management Corporation (AIMCo).

As announced on 27 August 2010, the transaction is in line with ING's stated objective of reducing its exposure to real estate and does not affect the earlier announced evaluation of the position of ING Real Estate Investment Management within the bank. This separate process is ongoing.

The transaction value for 100% of Summit is approximately CAD 2.0 billion and includes assumed debt. As previously announced, the transaction will not have a material impact on ING Group's 2010 results and capital ratios. The sale of the 50% stake owned by ING Industrial Fund, ING Group's co-investor in Summit, was also closed in the same transaction.

The separate transaction to sell ING Real Estate Canada, the manager of Summit, to KingSett/AIMCo has also been completed. Further details for this separate transaction, which was also announced on 27 August 2010, were not disclosed.

Summit is a real estate investment fund that focuses on Canadian light industrial real estate. The fund's portfolio comprises over 400 industrial properties located primarily in major metropolitan markets in Canada.

KingSett Capital is Canada's leading private equity real estate investment business co-investing with pension funds and high net worth individuals. AIMCo is one of Canada's largest institutional investment managers. It manages about CAD 70 billion of Alberta public sector pension and endowment assets, including a real estate portfolio valued in excess of CAD 5 billion.
