EXPLANATORY NOTE

Pursuant to Item 5.07(d) of Form 8-K, the Registrant is filing this Amendment to its Form 8-K originally filed on February 22, 2011 to reflect the determination of its Board of Directors at its regular meeting held on April 28, 2011 to hold future advisory say-on-pay votes every three years. The option to hold a triennial vote received a majority of the votes cast at the Registrant's 2011 annual meeting of stockholders. The complete text of the original Form 8-K, as amended, except for the exhibits, is provided below.

Section 5 Corporate Governance and Management

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On February 17, 2011, the Registrant's stockholders approved the Registrant's amended and restated Stock Incentive Plan at its annual meeting of stockholders. Following that stockholder approval, the Registrant's Board of Directors adopted the amended and restated plan at its meeting held February 17, 2011. A description of the plan, as amended and restated, is contained on pages 48 to 60 of the Registrant's definitive proxy statement filed with the SEC on January 14, 2011 and the text of the amended and restated plan is filed as Appendix A to that proxy statement. The aforementioned description of the plan and the text of the plan are incorporated herein by reference pursuant to General Instruction B(3) to Form 8-K.

Following the Board of Directors' adoption of the amended and restated Stock Incentive Plan, the Board's Compensation Committee awarded restricted stock to the Registrant's executive officers under the amended and restated plan for the 2011 fiscal year, as follows:

| Name | Shares of Restricted Stock |
|---|-------------------------------|
| Joe F. Sanderson, Jr., CEO and Chairman of the Board of Directors | 35,750 |
| Lampkin Butts, President and Chief Operating Officer | 8,500 |
| D. Michael Cockrell, Treasurer and Chief Financial Officer | 8,500 |
| James A. Grimes, Secretary and Chief Accounting Officer | 1,000 |

The form of restricted stock agreement used for the restricted stock awards noted above is filed herewith as Exhibit 10. The following description of the restricted stock agreement relating to the above awards are necessarily not complete, and reference is made to the agreement itself.

The form of restricted stock agreement that the Registrant will enter into provides for the grant of a specified number of shares of restricted stock to the participant as a reward for past service or as an incentive for the performance of future services and for no additional consideration, subject to the following terms and conditions:

The restricted stock may not be sold or transferred during the restricted period except by will or inheritance.

The restricted period lasts until November 1, 2014, except that it ends and the shares fully and immediately vest if a change of control in the Registrant occurs at any time. If the participant dies, retires or becomes disabled before the end of the restricted period, a pro rata percentage of the shares will immediately vest based on the number of years during the period from November 1, 2010 until November 1, 2014 that have passed before death, retirement or disability occurred (for example, if the participant dies, retires or becomes disabled after one year of this period has passed, he or his estate would receive 25% of the shares and would forfeit the remainder; if he dies, retires or becomes disabled after two years of the period has passed, he or his estate would receive 50% of the shares and would forfeit the remainder; and so on).

Rights to the shares are forfeited if the participant's employment terminates for any other reason prior to the end of the restricted period, or if the board determines that the participant has engaged in specified detrimental conduct or activity while employed with the Registrant or in the two-year period following his or her voluntary termination or termination for cause. If a participant's shares have already vested, he or she must repay the Registrant the fair market value of his or her shares that is specified in his or her restricted stock agreement.

Starting from the grant date, the participant is entitled to vote the shares and receive dividends.
