This proxy statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Alpena Bancshares, Inc. (the "Company") to be used at the Annual Meeting of Stockholders of the Company (the "Annual Meeting"), which will be held at the Thunder Bay Recreational Center, 701 Woodward Avenue, Alpena, Michigan, on April 21, 2004, at 1:00 p.m., Michigan time, and all adjournments of the Annual Meeting. The accompanying Notice of Annual Meeting of Stockholders and this proxy statement are first being mailed to stockholders on or about March 15, 2004.

At the Annual Meeting, stockholders will vote on the election of one director of the Company and on the ratification of the appointment of the Company's auditors for the fiscal year ending December 31, 2004.

REVOCATION OF PROXIES

Stockholders who execute proxies in the form solicited hereby retain the right to revoke them in the manner described below. Unless so revoked, the shares represented by such proxies will be voted at the Annual Meeting and all adjournments thereof. Proxies solicited on behalf of the Board of Directors of the Company will be voted in accordance with the directions given therein. WHERE NO INSTRUCTIONS ARE INDICATED, PROXIES WILL BE VOTED "FOR" THE PROPOSALS SET FORTH IN THIS PROXY STATEMENT FOR CONSIDERATION AT THE ANNUAL MEETING.

The Board of Directors knows of no additional matters that will be presented for consideration at the Annual Meeting. Execution of a proxy, however, confers on the designated proxy holders discretionary authority to vote the shares in accordance with their best judgment on such other business, if any, that may properly come before the Annual Meeting or any adjournments thereof.

Proxies may be revoked at any time prior to their exercise by sending written notice of revocation to the Secretary of the Company, at the address of the Company shown above, by delivering to the Company a duly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person. The presence at the Annual Meeting of any stockholder who had given a proxy shall not revoke such proxy unless the stockholder delivers his or her ballot in person at the Annual Meeting or delivers a written revocation to the Secretary of the Company prior to the voting of such proxy. If you are a stockholder whose shares are not registered in your own name, you will need appropriate documentation from your record holder to vote personally at the Annual Meeting.

VOTING SECURITIES, PRINCIPAL HOLDERS THEREOF AND METHODS OF COUNTING VOTES

Edgar Filing: ALPENA BANCSHARES INC - Form DEF 14A

Holders of record of the Company's common stock, par value \$1.00 per share (the "Common Stock") as of the close of business on March 8, 2004 (the "Record Date") are entitled to one vote for each share then held. As of the Record Date, the Company had 1,658,780 shares of Common Stock issued and outstanding, 920,000 of which were held by Alpena Bancshares, M.H.C. (the "Mutual Holding Company"), and 738,780 of which were held by stockholders other than the Mutual Holding Company. The presence in person or by proxy of a majority of the outstanding shares of Common Stock entitled to vote is necessary to constitute a quorum at the Annual Meeting. Broker non-votes and abstentions will be counted as shares present and entitled to vote for the purposes of establishing a quorum. In the event there are not sufficient votes for a quorum, or to approve or ratify any matter presented at the time of the Annual Meeting, the Annual Meeting may be adjourned in order to permit the further solicitations of proxies.

1

As to the election the director, the proxy card provided by the Board of Directors enables the stockholder to vote "FOR" the election of the nominee proposed by the Board, or to "WITHHOLD AUTHORITY" to vote for the nominee proposed. Directors are elected by a plurality of votes cast, without regard to either broker non-votes or proxies as to which authority to vote for the nominee being proposed is withheld.

As to the ratification of Plante & Moran, PLLC as independent auditors of the Company, by checking the appropriate box, a stockholder may: (i) vote "FOR" the item; (ii) vote "AGAINST" the item; or (iii) "ABSTAIN" from voting on such item. The affirmative vote of holders of a majority of the total votes present at the Annual Meeting in person or by proxy is required for approval of the ratification of Plante & Moran, PLLC as the Company's independent auditors. Shares as to which the "ABSTAIN" box has been selected on the proxy card will count as shares present and entitled to vote and will be treated as votes "AGAINST" the proposal.

Proxies solicited hereby will be returned to the Company and will be tabulated by an Inspector of Election designated by the Company's Board of Directors.

Management of the Company anticipates that shares of Common Stock owned by the Mutual Holding Company will be voted in favor of the nominee for director and in favor of the ratification of the Company's auditors for the fiscal year ending December 31, 2004. The affirmative vote of such shares would ensure the election of such nominee and the ratification of such auditors.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS

Persons and groups who beneficially own in excess of five percent of the Common Stock are required to file certain reports with the Securities and Exchange Commission ("SEC") regarding such ownership pursuant to the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The following table sets forth, as of the Record Date, the shares of Common Stock beneficially owned by directors individually, by executive officers individually, by executive officers and directors as a group and by each person who was the beneficial owner of more than five percent of the Company's outstanding shares of Common Stock.

PROPOSAL I - ELECTION OF DIRECTORS

The Company's Board of Directors is currently composed of five members with two vacancies. The Company's bylaws provide that approximately one-third of the directors are to be elected annually. Directors of the Company are generally elected to serve for a three-year period or until their respective successors shall have been elected and shall qualify. The Board of Directors has nominated to serve as director, Keith D. Wallace who is currently a member of the Board of Directors. Mr. Wallace would be elected to serve for a three-year period, and until his successor shall have been elected and shall qualify. At the Annual Meeting, proxies cannot be voted for a greater number of persons than the one nominee in this proxy statement.

The table below sets forth certain information regarding the composition of the Company's Board of Directors, including the terms of office of Board members. It is intended that the proxies solicited on behalf of the Board of Directors (other than proxies in which the vote is withheld as to one or more nominees) will be voted at the Annual Meeting for the election of the nominee identified below. If a nominee is unable to serve, the shares represented by all such proxies will be voted for the election of such substitute as the Board of Directors may recommend. At this time, the Board of Directors knows of no reason why the nominee might be unable to serve, if elected. There are no

arrangements or understandings between any nominee and any other person pursuant to which such nominee was selected.

OWNERSHIP REPORTS BY OFFICERS AND DIRECTORS

The Common Stock of the Company is registered pursuant to Section 12(g) of the Exchange Act. The officers and directors of the Company and beneficial owners of greater than 10% of the Company's Common Stock (10% beneficial owners") are required to file reports on Forms 3, 4 and 5 with the SEC disclosing beneficial ownership and changes in beneficial ownership of the Common Stock. SEC rules require disclosure in the Company's proxy statement and Annual Report on Form 10-KSB of the failure of an officer, director or 10% beneficial owner of the Company's Common Stock, to file a Form 3, 4 or 5 on a timely basis. Based on the Company's review of ownership reports during the year ended December 31, 2003, there were no late filings.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

GENERAL. The business of the Company's Board of Directors is conducted through meetings and activities of the Board and its committees. During the year ended December 31, 2003, the Board of Directors held 12 regular

5

meetings and five special meetings. During the year ended December 31, 2003, no director attended fewer than 75% of the total meetings of the Board of Directors and committees on which such director served. Executive sessions of the independent directors of the Board of Directors are held on a regular scheduled basis.

EXECUTIVE COMMITTEE. The Company has established an Executive Committee, which is comprised of the full Board of Directors of the Company. The Executive Committee meets as necessary in the intervals between meetings of the full Board of Directors. The Committee has authority to act on all matters of the Company's business between Board meetings, subject to the ratification by the Board of Directors at its next meeting. The Executive Committee met four times in 2003.

PERSONNEL COMMITTEE. The Company's Personnel Committee meets periodically to review the performance of officers and to determine compensation of officers to be recommended to the Board. It is comprised of the full Board of Directors. The Personnel Committee met once during 2003.

AUDIT COMMITTEE. The Company's Audit Committee is comprised of the non-employee members of the Board of Directors, all of whom have been determined by the Board of Directors to be "independent directors" within the meaning of the Nasdaq corporate governance listing standards. During 2003, the Audit Committee met five times. Each member of the Audit Committee is able to read and understand financial statements, and no member of the Audit Committee has participated in the preparation of the Company's or the Bank's, or any of the Bank's subsidiaries', financial statements during the past three years. Director VanMassenhove is deemed by the Company to be an "audit committee financial expert." Director VanMassenhove, a certified public accountant, has an understanding of generally accepted auditing principles (GAAP) and has the ability and experience to prepare, audit, evaluate and analyze financial statements which present the breadth and level of complexity of issues that the Company reasonably expects to be raised by the Company's financial statements.

The duties and responsibilities of the Audit Committee include, among other things:

- retaining, overseeing and evaluating a firm of independent

Edgar Filing: ALPENA BANCSHARES INC - Form DEF 14A

certified public accountants to audit the annual financial statements;

- in consultation with the independent auditors and the internal auditor, reviewing the integrity of the Company's financial reporting processes, both internal and external;
- approving the scope of the audit in advance;
- reviewing the financial statements and the audit report with management and the independent auditors;
- considering whether the provision by the external auditors of services not related to the annual audit and quarterly reviews is consistent with maintaining the auditor's independence;
- reviewing earnings and financial releases and quarterly reports filed with the SEC;
- consulting with the internal audit staff and reviewing management's administration of the system of internal accounting controls;
- approving all engagements for audit and non-audit services by the independent auditors; and
- reviewing the adequacy of the audit committee charter.

NOMINATING COMMITTEE. The Company's Nominating Committee is appointed by the Chairman, and includes all directors of the Company, except inside (employee) directors. All of the members of the Nominating Committee have been determined by the Board of Directors to be "independent directors" within the meaning of the Nasdaq corporate governance listing standards, which the Board has elected to determine corporate governance. The Nominating Committee selects nominees to the Board of Directors of the Company. The Nominating Committee met once during 2003. The Company's Board of Directors has adopted a written charter for the Committee, which is available at the Company's website at www.first-federal.com.

6

The functions of the Nominating Committee include the following:

- to lead the search for individuals qualified to become members of the Board and to select director nominees to be presented for stockholder approval;
- to review and monitor compliance with the requirements for board independence;
- to review the committee structure and make recommendations to the Board regarding committee membership;
- to develop and recommend to the Board for its approval a set of corporate governance guidelines; and
- to develop and recommend to the Board for its approval a self-evaluation process for the Board and its committees.

The Nominating Committee identifies nominees by first evaluating the current members of the Board of Directors willing to continue in service.

Edgar Filing: ALPENA BANCSHARES INC - Form DEF 14A

Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in service are first considered for re-nomination, balancing the value of continuity of service by existing members of the Board with that of obtaining a new perspective. If any member of the Board does not wish to continue in service, or if the Committee or the Board decides not to re-nominate a member for re-election, or if the size of the Board is increased, the Committee would solicit suggestions for director candidates from all Board members. In addition, the Committee is authorized by its charter to engage a third party to assist in the identification of director nominees. The Nominating Committee would seek to identify a candidate who at a minimum satisfies the following criteria:

- has the highest personal and professional ethics and integrity and whose values are compatible with the Company's;
- has had experiences and achievements that have given him or her the ability to exercise and develop good business judgment;
- is willing to devote the necessary time to the work of the Board and its committees, which includes being available for Board and committee meetings;
- is familiar with the communities in which the Company operates and/or is actively engaged in community activities;
- is involved in other activities or interests that do not create a conflict with their responsibilities to the Company and its stockholders; and
- has the capacity and desire to represent the balanced, best interests of the stockholders of the Company as a group, and not primarily a special interest group or constituency.

The Nominating Committee will also take into account whether a candidate satisfies the criteria for "independence" within the meaning of the Nasdaq corporate governance listing standards, which the Board has elected to determine corporate governance, and if a nominee is sought for service on the audit committee, the financial and accounting expertise of a candidate, including whether an individual qualifies as an audit committee financial expert.

PROCEDURES FOR THE NOMINATION OF DIRECTORS BY SHAREHOLDERS

The Nominating Committee has adopted procedures for the submission of director nominees by stockholders. If a determination is made that an additional candidate is needed for the Board, the Nominating Committee will consider candidates submitted by the Company's stockholders. Stockholders can submit qualified

7

the names of candidates for Director by writing to our Corporate Secretary at 100 S. Second Avenue, Alpena, Michigan 49707. Edgar Filing: ALPENA BANCSHARES INC - Form DEF 14A

stock that are owned beneficially by such stockholder (if the stockholder is not a holder of record, appropriate evidence of the stockholder's ownership will be required);

- the name, address and contact information for the candidate, and the number of shares of common stock of the Company that are owned by the candidate (if the candidate is not a holder of record, appropriate evidence of the stockholder's ownership should be provided);
- a statement of the candidate's business and educational experience;
- such other information regarding the candidate as would be required to be included in the proxy statement pursuant to SEC Regulation 14A;
- a statement detailing any relationship between the candidate and the Company;
- a statement detailing any relationship between the candidate and any customer, supplier or competitor of the Company;
- detailed information about any relationship or understanding between the proposing stockholder and the candidate; and
- a statement that the candidate is willing to be considered and willing to serve as a Director if nominated and elected.

Submissions that are received and that meet the criteria outlined above are forwarded to the Chairman of the Nominating Committee for further review and consideration. A nomination submitted by a stockholder for presentation by the stockholder at an annual meeting of stockholders must comply with the procedural and informational requirements described in this proxy statement under the heading "Other Matters and Advance Notice Procedures."

BENEFITS

DEFINED BENEFIT PLAN. The Bank maintains a noncontributory defined benefit plan ("Retirement Plan"). All employees age 21 or older, who have worked at the Bank for a period of one year and have been credited with 1,000 or more hours of employment with the Bank during the year, are eligible to accrue benefits under the Retirement Plan. The Bank annually contributes an amount to the Retirement Plan necessary to satisfy the actuarially determined minimum funding requirements in accordance with the Employment Retirement Income Security Act of 1974, as amended ("ERISA").

At the normal retirement age of 65, the Retirement Plan is designed to provide a life annuity. The retirement benefit provided is an amount equal to 2.5% of a participant's average salary based on the average of the five consecutive years during the participant's years of employment which provide the highest average annual salary multiplied by the participant's years of credited service to the normal retirement date. Retirement benefits are also payable upon retirement due to early and late retirement. Benefits are also paid from the Retirement Plan upon a participant's disability or death. A reduced benefit is payable upon early retirement at or after age 55. Upon

10

termination of employment other than as specified above, a participant who was employed by the Bank for a minimum of five years is eligible to receive his or her accrued benefit reduced for early retirement or a deferred retirement benefit commencing on such participant's normal retirement date. Benefits are payable in various annuity forms as well as in the form of a single lump sum payment. For the year ended December 31, 2003 the Bank made contributions to the Retirement Plan of \$326,807.

The following table indicates the annual retirement benefit that would be payable under the Retirement Plan upon retirement at age 65 in plan year 2003, expressed in the form of a single life annuity for the final average salary and benefit service classification specified below. As of December 31, 2003, Mr. Thomson had three years credited service (i.e., benefit service) with the Bank.

EMPLOYEE STOCK OWNERSHIP PLAN AND TRUST. The Bank has established an Employee Stock Ownership Plan and related Trust for eligible employees. The ESOP is a tax-qualified plan subject to the requirements of ERISA and the Internal Revenue Code of 1986 (the "Code"). Employees with a 12-month period of employment with the Bank during which they worked at least 1,000 hours and who have attained age 21 are eligible to participate. The ESOP borrowed funds from an unrelated third party lender and used the funds to purchase 48,000 shares of the common stock issued in the Bank's initial stock offering. Collateral for the loan was the Common Stock purchased by the ESOP. The loan was being repaid principally from the Bank's contributions to the ESOP and was fully paid during 1999.

Contributions to the ESOP and shares released from the suspense account in an amount proportional to the repayment of the ESOP loan were allocated among participants on the basis of compensation in the year of allocation, up to an annual adjusted maximum level of compensation. Benefits generally become 100% vested after five years of credited service. Forfeitures will be reallocated among remaining participating employees in the same proportion as contributions. Benefits are payable upon death, retirement, early retirement, disability or separation from service. The Bank's contributions to the ESOP are not fixed, so benefits payable under the ESOP cannot be estimated.

The Bank's Board of Directors administers the ESOP. The Bank has appointed First Bankers Trust Company, Quincy, Illinois to serve as trustee of the ESOP. The ESOP Committee may instruct the trustee regarding investment of funds contributed to the ESOP. The ESOP trustee, subject to its fiduciary duty, must vote all allocated shares held in the ESOP in accordance with the instructions of participating employees. Under the ESOP, nondirected shares will be voted in a manner calculated to most accurately reflect the instructions it has received from participants regarding the allocated stock so long as such vote is in accordance with the provisions of ERISA.

401(K) PLAN. The Bank established a 401(k) Plan for Bank employees as of May 1, 1999. The Plan is tax qualified and permits participants to elect to defer up to 50% (as of January 1, 2002) of the participant's eligible annual compensation into the Plan. During 1999, the Bank made a matching contribution of 25% of the participant contribution to the Plan, up to 1% of the participant's eligible annual compensation for 1999. After 1999, the Bank

11

has made matching contributions of 50% of the participant's contribution, with the match being up to 3% of the participant's eligible annual compensation for the year. All current employees at the time of the establishment of the Plan on May 1, 1999 were 100% vested in their contributions and in matching contributions. Subsequently, new employees became 100% vested after five years of credited service in matching contributions. However, beginning January 1, 2002 the vesting schedule changed to be on an equally graduated basis over a five- year period, which includes employees hired after May 1, 1999. Employees are 100% vested in their elective deferral amounts at all times under the Plan. Participants will be credited for years of service with the Bank prior to the effective date of the Plan. Forfeitures of discretionary contributions will be used to reduce the Bank's contributions in succeeding plan years.

STOCK OPTION PLAN. Certain employees and non-employee directors of the Bank and the Company are eligible to participate in the Bank's 1996 Stock Option Plan (the "Stock Option Plan"). The Stock Option Plan authorizes the grant of stock options and limited rights to purchase 69,000 shares, or 10% of the shares of common stock issued to minority stockholders in the initial public offering by the Bank. Upon the formation of the Company as the Bank's holding company in November 2000, the shares of common stock subject to the Stock Option Plan became the shares of Common Stock of the Company. Pursuant to the Stock Option Plan, grants may be made of (i) options to purchase Common Stock intended to qualify as incentive stock options under Section 422 of the Code, (ii) options that do not so qualify ("non-statutory options") and (iii) limited rights (described below) that are exercisable only upon a change in control of the Bank or the company. Non-employee directors are only eligible to receive non-statutory options.

The Stock Option Plan is administered by a committee consisting of certain non-employee directors of the Board of Directors (the "Committee"). In granting options, the Committee considers factors such as salary, length of employment with the Bank, and the employee's overall performance. All stock options are exercisable in five equal annual installments of 20% commencing one year from the date of grant; provided, however, that all options will be 100% exercisable in the event the optionee terminates his service due to normal retirement, death or disability, or in the event of a change in control of the Company or the Bank. Options may be exercised within 10 years from the date of grant. Stock options may be exercised up to one year following termination of service or such later period as determined by the Committee. The exercise price of the options will be at least 100% of the fair market value of the underlying Common Stock at the time of the grant. The exercise price may be paid in cash or Common Stock.

Incentive stock options will only be granted to employees of the Bank and/or the Company. Non-employee directors will be granted non-statutory stock options. No incentive stock option granted in connection with the Stock Option Plan may be exercisable more than three months after the date on which the optionee ceases to perform services for the Bank and/or the Company, except that in the event of death, disability, normal retirement, or a change in control of the Bank or the Company, incentive stock options may be exercisable for up to one year; provided, however, that if an optionee ceases to perform services for the Bank or the Company due to retirement or following a change in control (as defined in the Stock Option Plan), any incentive stock options exercised more than three months following the date the optionee ceases to perform services shall be treated as a non-statutory stock option as described above.

Upon the exercise of "limited rights" in the event of a change in control, the optionee will be entitled to receive a lump sum cash payment, or in certain cases, Common Stock, equal to the difference between the exercise price of the option and the fair market value of the shares of Common Stock subject to the option on the date of exercise of the right in lieu of purchasing the stock underlying the option. In the event of death or disability, the Bank and/or the Company, if requested by the optionee or beneficiary, may elect, in exchange for the option, to pay the optionee, or beneficiary in the event of death, the amount by which the fair market value of the Common Stock exceeds the exercise price of the option on the date of the optionee's termination of service for death or disability.

Pursuant to the Stock Option Plan, non-employee directors at the inception of the Plan on April 17, 1996, Rapin, Thomson, and Wallace were each granted options to purchase 6,037 shares of Common Stock. These options were granted at an exercise price of \$10.00 per share, which options have all been earned but not exercised. No options have been reserved for future issuance to non-employee directors under the Plan, and therefore Messrs. VanMassenhove and

Edgar Filing: ALPENA BANCSHARES INC - Form DEF 14A

Townsend, who were appointed to the Board of Directors in September 2001 and April 2002, respectively, have not been awarded options under the Plan. No stock options were granted under the Stock Option Plan during the year ended December 31, 2003.

RECOGNITION AND RETENTION PLAN. Certain employees and non-employee directors of the Bank and the Company are eligible to participate in the Bank's Recognition and Retention Plan, which was adopted in 1996 (the "Recognition Plan"). A Committee of the Board of Directors composed of "disinterested" directors (the "Recognition Plan Committee") administers the Recognition Plan and makes awards to executive officers and employees. Participants in the Recognition Plan earn (become vested in) shares of Restricted Stock covered by an award and all restrictions lapse over a period of time commencing from the date of the award; provided, however, that the Recognition Plan Committee may accelerate or extend the earnings rate on any awards made to officers and employees under the Recognition Plan. Awards to non-employee directors vest at the rate of 20% of the amount initially awarded commencing one year from the date of the award. Awards to executive officers and employees become fully vested upon termination of employment or service due to death, disability or normal retirement or following a termination of employment or service in connection with a change in the control of the Bank or the Company. Upon termination of employment or service for another reason, unvested shares are forfeited. Awards to non-employee directors fully vest upon a non-employee director's disability, death, normal retirement, or following termination of service in connection with a change in control of the Bank or the Company. Unvested shares of Restricted Stock will be forfeited by a non-employee director upon failure to seek reelection, failure to be reelected, or resignation from the Board (other than in connection with normal retirement, as defined by the Recognition Plan).

Pursuant to the Recognition Plan, non-employee directors at the inception of the Plan on April 17, 1996, Bensinger, Rapin, Thomson, and Wallace were each granted 2,415 shares of Common Stock, which shares have been earned and issued. Messrs. VanMassenhove and Townsend, who were appointed to the Board of Directors in September 2001 and April 2002, respectively, have not been awarded any shares under the Plan. There were 255 additional shares granted (which were 100% vested) to the Named Executive Officer under the Recognition Plan during the year ended December 31, 2002. A total of 27,558 shares of Common Stock have been earned and issued pursuant to the Recognition Plan as of

TRANSACTIONS WITH CERTAIN RELATED PERSONS

Under current federal law, except for loans or extensions of credit to executive officers and directors under Company-wide employee benefit plans, all loans or extensions of credit to executive officers and directors must be made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with the general public and must not involve more than the normal risk of repayment or present other unfavorable features. In addition, loans made to a director or executive officer in excess of the greater of \$25,000 or 5% of the Bank's capital and surplus (up to a maximum of \$500,000) must be approved in advance by a majority of the disinterested members of the Board of Directors. Bank policy requires that all loans made to a director or executive officer must be approved in advance by a majority of the disinterested members of the Board of Directors. At December 31, 2003, the Bank's directors and executive officers had loans outstanding totaling \$2,314,000 in the aggregate.

The Bank intends that all transactions between the Bank and its executive officers, directors, and holders of 10% or more of the shares of any class of its common stock and affiliates thereof, will contain terms no less favorable to the Bank than could have been obtained by it in arm's-length negotiations with unaffiliated persons and will be approved by a majority of independent non-employee directors of the Bank not having an interest in the transaction.

The Sarbanes-Oxley Act of 2002 generally prohibits an issuer from: (i) extending or maintaining credit; (ii) arranging for the extension of credit; or (iii) renewing an extension of credit in the form of a personal loan for an officer or director. There are several exceptions to this general prohibition, one of which is applicable to the Company. Namely, this prohibition does not apply to loans made by a depository institution that is insured by the FDIC and is subject to the insider lending restrictions of the Federal Reserve Act. All loans to the Company's officers and directors by the Bank are made in conformity

Edgar Filing: ALPENA BANCSHARES INC - Form DEF 14A

with the Federal Reserve Act and regulations promulgated there under.

PROPOSAL II - RATIFICATION OF APPOINTMENT OF AUDITORS

The Audit Committee of the Board of Directors of the Company has approved the engagement of Plante & Moran, PLLC to be the Company's auditors for the year ending December 31, 2003, subject to the ratification of the engagement by the Company's stockholders. Auditors are not deemed independent under Securities Rules unless the Audit Committee has approved the engagement, or alternatively, the engagement is entered into pursuant to detailed pre-approval policies and procedures established by the audit committee which sets forth each specific service to be performed by auditor. At the Annual Meeting, stockholders will consider and vote on the ratification of the engagement of Plante & Moran, PLLC for the Company's fiscal year ending December 31, 2004. A representative of Plante & Moran, PLLC is expected to attend the Annual Meeting to respond to appropriate questions and to make a statement if he so desires.

Stockholder ratification of the selection of Plante & Moran, PLLC is not required by the Company's bylaws or otherwise. However, the Board is submitting the selection of the independent auditors to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection of Plante & Moran, PLLC, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent accounting firm at any time during the year if it determines that such change is in the best interests of the Company and its stockholders.

Set forth below is certain information concerning aggregate fees billed for professional services rendered by Plante & Moran, PLLC during 2003 and 2002:

Edgar Filing: ALPENA BANCSHARES INC - Form DEF 14A

Moran, PLLC that are not described above were \$0 and \$32,800 during the fiscal years ended December 31, 2003 and 2002, respectively. These services included consultation with respect to the Company's implementation of FAS 91, the insurance agency acquisition and the Company's regulatory examination.

The Audit Committee has considered whether the provision of non-audit services, which relate primarily to compliance and internal audit training, is compatible with maintaining Plante & Moran, PLLC's independence. The Audit Committee concluded that performing such services does not affect Plante & Moran, PLLC's independence in performing its function as auditor of the Company.

POLICY ON AUDIT COMMITTEE PRE-APPROVAL OF AUDIT AND NON-AUDIT SERVICES OF INDEPENDENT AUDITOR

The Audit Committee's policy is to pre-approve all audit and non-audit services provided by the independent auditors. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to particular service or category of services and is generally subject to a specific budget. The Audit Committee has delegated pre-approval authority to its Chairman when expedition of services is necessary. The independent auditors and management are required to periodically report to the full Audit Committee regarding the extent of services provided by the independent auditors in accordance with this pre-approval, and the fees for the services performed to date. For 2003, all services were pre-approved by the Audit Committee.

REQUIRED VOTE AND RECOMMENDATION OF THE BOARD OF DIRECTORS.

In order to ratify the selection of Plante & Moran, PLLC as independent auditors for the 2004 fiscal year, the proposal must receive the affirmative vote of at least a majority of the votes cast at the Annual Meeting, either in person or by proxy.
