FARMERS & MERCHANTS BANCORP, INC.

October 14, 2005

Dear Shareholder:

On September 16, 2005, The Board of Directors declared a \$0.45 per share dividend to be paid on October 20, 2005 to shareholders of record of September 16, 2006. Enclosed is your check or deposit receipt of the dividend payment.

Some shareholders have asked how to obtain a copy of the Company's quarterly reports. Unfortunately, the timing difference between when you receive your dividend payment and our quarterly reporting to the U.S. Securities and Exchange Commission (SEC) does not make it practical to include a copy of the quarterly Form 10-Q with your dividend letter. If you are interested in viewing a copy of the quarterly report, please visit our website www.fm-bank.com. Website instructions are included with this letter. If you would prefer to obtain a paper copy, a limited number of the reports will be available, upon request, at each office after they are filed with the SEC.

As we mentioned in last quarter's shareholder letter, it is our intent to keep you informed of upcoming proxy issues. Currently, we intend to submit only three

proposals to the shareholders at the annual meeting in 2006. The first proposal is to elect board members to a one year term, just as it has been done in past years. The second is to amend the Articles of Incorporation to increase the number of authorized shares. If this is approved, the Board would intend to approve a 4-for-1 stock split. The last proposal is to modify the Articles of Incorporation of the Corporation to allow for future amendments of the Articles of Incorporation of the Corporation by a 2/3 majority of the shares voted at a meeting, not the current 2/3 majority of the outstanding shares, but in no event less than a majority of the outstanding shares. Ohio corporate law still would mandate that a minimum of 50% of all outstanding shares be voted in favor of any proposed amendment to the Articles of Incorporation.

The third proposal is being made because with over 2,000 shareholders, it has become increasingly difficult to get shareholders to return their proxies to vote their stock at Company meetings. This is particularly true as stock is passed down through generations and more shareholders are living farther away.

The authorization of additional shares and modifications on amendments to the Articles of Incorporation both will require an affirmative vote of 2/3 of all the outstanding shares. This is a large number and we cannot stress enough how important it will be for each share to be voted at the Company's annual meeting next spring.*

As always, you are encouraged to speak to any Director or Senior Officer regarding any questions or concerns you may have. We value your input and thank you for your continued support.

Sincerely,

/s/ Paul S. Siebenmorgen
