PROXY STATEMENT

The accompanying proxy is solicited by the Board of Trustees of the Fund for use at the annual meeting of shareholders of the Fund, to be held on May 27, 2008 at 3:00 p.m., Central time (the Annual Meeting), and at any adjournment(s) or postponement(s) thereof. At the Annual Meeting, shareholders will be asked to consider (1) the re-election of Michael Larson and Nicholas Dalmaso to the Board of Trustees of the Fund and (2) if properly presented, a shareholder proposal requesting that the Trustees take the steps necessary to pursue a merger of the Fund into an open-end fund. This Proxy Statement and the form of proxy were first mailed to shareholders on or about April 16, 2008.

The Board of Trustees has fixed the close of business on April 10, 2008 as the record date for the determination of shareholders entitled to notice of and to vote at the Annual Meeting and any adjournment(s) thereof. As of the close of business on that date, the Fund had issued and outstanding 61,184,134 common shares of beneficial interest, no par value (the Shares). The Shares constitute the only outstanding voting securities of the Fund entitled to be voted at the Annual Meeting.

Shareholders of the Fund as of the close of business on April 10, 2008 will be entitled to one vote for each Share held, and a fractional vote with respect to fractional Shares, with no cumulative voting rights.

Thirty percent of the total Shares of the Fund entitled to vote at the Annual Meeting must be represented in person or by proxy to constitute a quorum for the Annual Meeting. Each shareholder has the right to revoke his or her proxy at any time before it is voted. A proxy, including a proxy given by telephone or via the Internet, may be revoked by filing with the Secretary of the Fund a written revocation or a properly executed proxy bearing a later date (including a proxy given by telephone or on the Internet) or by voting in person at the Annual Meeting. Any shareholder may attend the Annual Meeting, whether or not he or she has previously given a proxy.

The solicitation of proxies for the Annual Meeting will be made primarily by mail; however additional solicitation will take place in writing or by telephone or personal interview by officers of the Fund (or their designees), who will not receive compensation from the Fund for such services, and/or by the Fund's proxy solicitor, The Altman Group (Altman). As the date of the meeting approaches, if we have not received your proxy, you may receive a telephone call from Altman, which has been retained to assist shareholders in the voting process. For these services, the Fund will pay Altman a fee that is not expected to exceed \$20,000 plus out of

Table of Contents

pocket expenses. However, the exact cost will depend on the amount and types of services rendered. The Fund has also agreed to indemnify Altman for claims arising out of the services it performs for the Fund. The Fund will reimburse brokers and other nominees, in accordance with New York Stock Exchange approved reimbursement rates, for their expenses in forwarding solicitation material to the beneficial owners of shares of the Fund. All expenses incurred in connection with the solicitation of proxies by the Board of Trustees, including the services of Altman, will be borne by the Fund.

Abstentions and broker non-votes (i.e., proxies signed and returned by brokers with respect to shares held by brokers or nominees as to which one or more votes is not indicated because (i) instructions have not been received from the beneficial owners or the persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter) will be counted as shares present for purposes of determining whether a quorum is present, but will not be counted as having been voted on the matter in question. Assuming that a quorum would otherwise be present, abstentions and broker non-votes will accordingly have no effect for the purpose of determining whether a Trustee has been elected or the result of Proposal 2.

Nicholas Dalmaso, R. Jay Gerken and Melissa J. Nguyen, the persons named as proxies on the proxy card accompanying this Proxy Statement, were selected by the Board of Trustees to serve in such capacity. Mr. Gerken and Ms. Nguyen are each officers of the Fund, and Messrs. Dalmaso and Gerken are Trustees of the Fund. Each executed and returned proxy will be voted in accordance with the directions indicated thereon or, if no direction is indicated, such proxy will be voted for the election as Trustees of the Fund of the Board of Trustees two nominees listed in this Proxy Statement and against Proposal 2. Discretionary authority is provided in the proxy as to any matters not specifically referred to therein. The Board of Trustees is not aware of any other matters which are likely to be brought before the Annual Meeting. However, if any such matters properly come before the Annual Meeting, the persons named in the proxy are fully authorized to vote thereon in accordance with their judgment and discretion. Except when a different vote is required by any provision of law or the Fund's Amended and Restated Agreement and Declaration of Trust (the Declaration of Trust) or Bylaws, a plurality of the quorum of Shares necessary for the transaction of business at the Annual Meeting will decide any questions and a plurality of Shares voted shall elect a Trustee.

HOW TO SUBMIT A PROXY

Shareholders of record may submit a proxy in respect of their shares by using any of the following methods:

entering the validation numbers printed on the enclosed proxy card, provide voting instructions for the shares, and confirm that the instructions have been properly recorded.

On the Internet. Submit a proxy by logging onto the Internet website listed on the proxy card. The proxy card should be in hand when submitting a proxy online. As with telephone proxy submission, simple instructions allow the shareholder of record to authenticate his or her identity by entering the validation numbers printed on the enclosed proxy card, provide voting instructions for the shares, and confirm that the instructions have been properly recorded.

By Mail. Shareholders of record may complete, sign, and date the proxy card and return it in the prepaid envelope provided.

PROPOSAL 1

ELECTION OF CLASS I TRUSTEES

In accordance with the Declaration of Trust, the Trustees were divided into the following three classes (each a Class) prior to the initial public offering of the Shares: Class I, whose term will expire at the Annual Meeting; Class II, whose term will expire at the 2009 annual meeting; and Class III, whose term will expire at the 2010 Annual Meeting. At each annual meeting, successors to the Class of Trustees whose term expires at that annual meeting will be elected for a three-year term.

The following table sets forth the nominees who will stand for re-election at the Annual Meeting, the Class of Trustees to which they have been designated and the expiration of their terms if elected:

Nominee	Class	Expiration of Term if Elected*
Nicholas Dalmaso	Class I	2011 Annual Meeting
Michael Larson	Class I	2011 Annual Meeting

* Each Trustee holds office until the annual meeting for the year in which his or her term expires and until his or her successor shall be elected and shall qualify, subject, however, to prior death, resignation, retirement, disqualification or removal from office.

Table of Contents

Under the Fund's classified Board structure, ordinarily only the Trustee(s) in a single Class may be replaced in any one year, and it would require a minimum of two years to change a majority of the Board of the Fund under normal circumstances. This structure, which may be regarded as an anti-takeover measure, may make it more difficult for the Fund's shareholders to change the majority of Trustees of the Fund and, thus, promotes the continuity of management.

It is the intention of the persons designated as proxies in the proxy card, unless otherwise directed therein, to vote at the Annual Meeting for the re-election of Messrs. Dalmaso and Larson. Each of the nominees has agreed to continue to serve if elected at the Annual Meeting. If either nominee is unable or unavailable to serve, the persons named in the proxies will vote the proxies for such other person as the Board of Trustees may recommend.

Information Regarding the Trustees. Information about the Trustees and nominees is set forth below. The address of each Trustee and nominee is c/o the Fund at its principal business address (385 East Colorado Boulevard, Pasadena, California 91101). Of the individuals listed below, only Messrs. Dalmaso and Larson are nominees for election at the Annual Meeting.

Audit Committee. The Board of Trustees has established an Audit Committee composed solely of Trustees who are not interested persons (as defined in the 1940 Act) of the Fund, the Fund's investment adviser, Claymore Advisors, LLC (the Investment Adviser), or the Fund's investment manager, Western Asset Management Company (the Investment Manager), consisting of Messrs. Larson, Nyberg and Toupin (Chairman). Each member of the Audit Committee is independent, as independence for audit committee members is defined in the currently applicable listing standards of the New York Stock Exchange, on which the Shares of the Fund are listed and traded. The Audit Committee provides oversight with respect to the accounting and financial reporting policies and procedures of the Fund and, among other things, considers the selection of the independent registered public accounting firm for the Fund and the scope of the audit and approves services proposed to be performed by the independent registered public accounting firm on behalf of the Fund and, under certain circumstances, the Investment Adviser, the Investment Manager and certain of their affiliates. The Trustees have adopted a written charter for the Audit Committee, a copy of which was attached as Appendix A to the Fund's Proxy Statement dated March 30, 2007. The Fund does not currently maintain a website on which the charter is made available.

The Audit Committee of the Fund has submitted the following report:

The Audit Committee has reviewed and discussed with management of the Fund the audited financial statements for the last fiscal year. The Audit Committee has discussed with the Fund's independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61 (SAS 61). SAS 61 requires the independent registered public accounting firm to communicate to the Audit

Committee matters including, if applicable: (1) methods used to account for significant unusual transactions; (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus; (3) the process used by management in formulating particularly sensitive accounting estimates and the basis for the independent registered public accounting firm's conclusions regarding the reasonableness of those estimates; and (4) disagreements with management over the application of accounting principles and certain other matters. The Audit Committee has received the written disclosures and the letter from the Fund's independent registered public accounting firm required by Independence Standards Board Standard No. 1 (requiring the independent registered public accounting firm to make written disclosures to and discuss with the Audit Committee various matters relating to the independent registered public accounting firm's independence), and has discussed with such independent registered public accounting firm the independence of such independent registered public accounting firm. Based on the foregoing review and discussions, the Audit Committee recommended to the Trustees the inclusion of the audited financial statements for the last fiscal year in the Fund's annual report to shareholders.

Governance and Nominating Committee. The Board of Trustees has established a Governance and Nominating Committee composed solely of Trustees who are not interested persons (as defined in the 1940 Act) of the Fund, the Investment Adviser or the Investment Manager, consisting of Messrs. Larson, Nyberg (Chairman) and Toupin. The Governance and Nominating Committee meets to select nominees for election as Trustees of the Fund and consider other matters of Board policy. The Trustees have adopted a written charter for the Governance and Nominating Committee, a current copy of which is attached as Appendix A to this Proxy Statement. The Fund does not currently maintain a website on which the charter is made available.

The Governance and Nominating Committee requires that Trustee candidates have a college degree or equivalent business experience, but has not otherwise established specific, minimum qualifications that must be met by an individual to be considered by the Committee for nomination as a Trustee. The Governance and Nominating Committee may take into account a wide variety of factors in considering Trustee candidates, including, but not limited to: (i) availability and commitment of a candidate to attend meetings and perform his or her responsibilities to the Board of Trustees, (ii) relevant industry and related experience, (iii) educational background, (iv) financial expertise, (v) an assessment of the candidate's ability, judgment and expertise and (vi) overall diversity of the Board's composition. The Governance and Nominating Committee may consider candidates for Trustee recommended by the Fund's current Trustees, officers, Investment Adviser, Investment Manager, shareholders or any other source deemed to be appropriate by the Governance and Nominating

Table of Contents

Committee. Candidates properly submitted by shareholders (as described below) will be considered and evaluated on the same basis as candidates recommended by other sources.

The policy of the Governance and Nominating Committee is to consider nominees recommended by shareholders to serve as Trustee, provided that any such recommendation is submitted in writing to the Fund, to the attention of the Secretary, at the address of the principal executive offices of the Fund, not less than one hundred and twenty calendar days nor more than one hundred and thirty-five calendar days prior to the date of the meeting at which the nominee would be elected and that such shareholder recommendation contains the information about such nominee required by the Fund's procedures for shareholders to submit nominee candidates, which are a part of the Governance and Nominating Committee's Charter. The Governance and Nominating Committee has full discretion to reject nominees recommended by shareholders, and there is no assurance that any such person so recommended and considered by the Governance and Nominating Committee will be nominated for election to the Fund's Board of Trustees.

Meetings. During 2007, the Board of Trustees held seven meetings, the Audit Committee held four meetings and the Governance and Nominating Committee held four meetings. Each Trustee attended at least 75% of the aggregate of the total number of meetings of the Board of Trustees and the Committees of the Board of Trustees on which he served. The Fund's policies require the Trustees to attend the Fund's annual shareholder meetings. Each current Trustee attended the Fund's annual shareholder meeting in May 2007.

Shareholder Communications. The Board of Trustees provides a process for shareholders to send communications to the Board of Trustees. Shareholders may mail written communications to the attention of the Board of Trustees, care of the Fund's Secretary, at Claymore Advisors, LLC, 2455 Corporate West Drive, Lisle, Illinois 60532. The written communication must include the shareholder's name, be signed by the shareholder, refer to the Fund, and include the class and number of shares held by the shareholder as of a recent date.

Trustee Compensation. Trustees of the Fund who are affiliated persons of the Fund, the Investment Adviser, or the Investment Manager receive no salary or fees from the Fund. Each other Trustee of the Fund receives a fee of \$15,000 annually for serving as a Trustee of the Fund, and a fee of \$1,000 and related expenses for each meeting of the Board of Trustees attended. The Chairman of the Board of Trustees receives an additional \$2,000 per year for serving in that capacity. The Audit Committee Chairman and the Governance and Nominating Committee Chairman each receive an additional \$1,500 annually for serving in their respective capacities.

Table of Contents

Members of the Audit Committee and the Governance and Nominating Committee receive \$500 for each committee meeting attended.

For the fiscal year ended December 31, 2007, the Trustees received the compensation set forth in the following table for serving as Trustees of the Fund and as Trustees of the other funds in the same Fund Complex.

Name of Trustee or Nominee	Aggregate Compensation from the Fund	Pension or Retirement Benefits Accrued as Part of Fund Expenses	Estimated Annual Benefits Upon Retirement	Total Compensation from the Fund and its Fund Complex Paid to Trustees(1)

As of December 31, 2007, Messrs. Larson, Nyberg, Toupin, Dalmaso and Gerken served as Trustees to 2, 50, 47, 50 and 152 funds in the Fund Complex, respectively.

Required Vote. Election of each of Messrs. Dalmaso and Larson to the Board of Trustees of the Fund requires the affirmative vote of a plurality of the Shares entitled to vote on their election and present in person or represented by proxy at the Annual Meeting. The Trustees unanimously recommend that shareholders vote to elect Messrs. Dalmaso and Larson to the Board of Trustees.

PROPOSAL 2

SHAREHOLDER PROPOSAL

What is the Proposal?

Walter S. Baer (the proponent), a beneficial owner of shares in your Fund, has informed the Fund that he intends to present a proposal for action at the Annual Meeting. The proponent's address and the number of shares he owns in your Fund will be furnished by the Secretary of your Fund upon request. The proposal submitted by the proponent and the accompanying supporting statement read as follows:

RESOLVED: The shareholders ask the Trustees to take the steps necessary to merge the Western Asset/Claymore Inflation-Linked Opportunities & Income Fund (WIW) into the Western Asset Inflation Indexed Plus Bond Portfolio (WAIIX), an open-end fund, or otherwise enable shareholders to exchange WIW shares, valued at net asset value (NAV), for shares in WAIIX.

SUPPORTING STATEMENT: Earlier this year, without seeking shareholder approval, WIW changed its investment policy to allow our fund to invest up to 40% of assets in below investment grade securities and up to 100% in non-U.S. securities. This change undermines WIW's commitment to U.S. Treasury Inflation Protected Securities (TIPS) that many shareholders relied on when investing in WIW. Even the name of our fund was changed to remove any reference to U.S TIPS.

Fortunately, another Western Asset fund—the Western Asset Inflation Indexed Plus Bond Portfolio (WAIIX)—retains its emphasis on TIPS with 96% of its portfolio rated AAA and 88% in U.S.TIPS. This proposal asks the WIW Trustees to seek a merger of WIW into WAIIX, or to otherwise enable shareholders to exchange WIW shares for those of WAIIX. Besides preserving a focus on U.S. TIPS, a merger or exchange of shares into WAIIX would increase shareholder value by significantly reducing the expense ratio and eliminating the double digit discount from NAV at which WIW shares now trade.

In recent months we have seen how holdings of below investment grade securities have eroded shareholder value of other funds. If you support keeping your investment in U.S. TIPS, not in lower grade securities, please vote in favor of this proposal.

STATEMENT OF OPPOSITION

What do the Trustees recommend?

This Statement of Opposition explains why **the Trustees unanimously recommend that shareholders vote AGAINST the shareholder proposal**. The key reasons are:

Your Fund and Western Asset Inflation Indexed Plus Bond Portfolio (the Open-End Fund) have different investment objectives. You should vote **AGAINST** the shareholder proposal if you want your Fund to continue to seek current income as its primary investment objective.

Your Fund and the Open-End Fund have different Boards and your Board cannot unilaterally merge your Fund with the Open-End Fund.

The expenses that you would pay if a merger with the Open-End Fund were to occur may be higher than the expenses currently borne by the Open-End Fund s shareholders. The Open-End Fund is designed for institutional investors, not retail investors.

Your Fund s revised investment policies, effective since late November 2007, provide increased investment flexibility. Any impact that these policies may have on the Fund s performance or trading discount can only be determined after the policies have been in effect for a meaningful period of time. It is premature to take such an expensive and drastic step as merging the Fund out of existence.

The Open-End Fund s investment policy regarding U.S. TIPS can be changed by the Open-End Fund s Board at any time without shareholder approval. There is no guarantee that the Open-End Fund s policy regarding U.S. TIPS will remain unchanged.

The Fund and the Open-End Fund differ in their use of leverage. Currently, your Fund opportunistically employs leverage by entering into reverse repurchase agreements and has in the past employed leverage by issuing preferred shares. The Open-End Fund has not employed reverse repurchase agreements and is not permitted to issue preferred shares.

As a closed-end fund, your Fund has certain other advantages over the Open-End Fund.

Your Fund and the Open-End Fund have different investment objectives. The Fund s primary investment objective is to provide current income, while its secondary objective is to seek capital appreciation, when consistent with current income. In contrast, the Open-End Fund seeks to maximize total return, consistent with preservation of capital.

Table of Contents

Your Board cannot unilaterally effect the merger requested by the shareholder proposal. Even if the Trustees decide to recommend a merger as described in the proposal, no such transaction could be effected without the additional approval of the Board of Directors of the Open-End Fund.

The Trustees have taken actions to attempt to address the Fund's trading discount. The Trustees have taken various actions, such as redeeming the Fund's preferred shares and revising the Fund's investment policies, in an attempt to improve the Fund's long-term performance and potentially reduce the Fund's trading discount. The recent changes to the Fund's non-fundamental investment policies will permit the Fund to invest in a broader range of securities. These changes were unanimously approved by your Trustees after a careful review and discussion with the Fund's Investment Adviser and its Investment Manager. The changes did not change the Fund's focus on inflation protection; the Fund is still required to invest at least 80% of its total managed assets in inflation-linked securities.

The Fund's revised investment policies have only recently become effective, and there has not been enough time to measure the impact of the changes. The Trustees do not believe it is necessary at this time to take the expensive and drastic step of merging the Fund out of existence to address the Fund's trading discount.

The Open-End Fund's investment policy regarding U.S. TIPS can be changed by the Open-End Fund's Board without shareholder approval. The Open-End Fund's current investment policy of investing at least 70% of its net assets in U.S. Treasury Inflation Protected Securities can be changed by that fund's Board of Directors without approval of its shareholders. There can be no guarantee that the Open-End Fund's investment policies would remain unchanged before or after any merger with your Fund.

The proponent's comparison of fund expenses does not address the possibility of Fund shareholders paying higher fees if a merger were to occur. The proponent suggests that Fund shareholders will benefit from a lower expense ratio as a result of a merger with the Open-End Fund. However, a simple comparison of current expense ratios ignores the fact that the Open-End Fund is designed for institutional investors (except in the case of investors purchasing shares through certain financial intermediaries, the Open-End Fund generally requires a minimum investment of \$1 million). There can be no guarantee that, if the Directors of the Open-End Fund decide to pursue a merger with the Fund, shareholders of the Fund would receive shares of the currently offered share classes of the Open-End Fund. Shareholders of the Fund might be offered a new share class of the Open-End Fund designed for retail investors, which could have a higher expense ratio than the current expense ratios of your Fund or the Open-End Fund.

Additionally, experience has shown that when closed-end funds are merged into open-end funds, some investors often professional fund arbitrageurs and certain hedge funds redeem their shares immediately, reducing fund assets. Although redeeming shareholders would likely turn a quick profit, it would be at the expense of long-term shareholders who wish to remain in the surviving fund. Significant redemptions by

Table of Contents

shareholders with a short-term investment horizon would reduce the number of shares over which fixed costs of the fund are spread and would increase the portion of expenses the remaining shareholders must bear.

Furthermore, if the Board of each fund decided to pursue a merger, additional costs will be incurred, including the cost of a proxy statement which must be prepared, printed and mailed to Fund shareholders, as well as solicitation, accounting, legal and other expenses.

Your Fund is a closed-end fund that has certain inherent advantages over the Open-End Fund. The shareholder proposal seeks a fundamental change in the nature of your investment by converting your investment from a closed-end fund to an open-end fund. However, the shareholder proposal does not discuss the potential negative consequences of abandoning the closed-end structure. A closed-end fund is different from an open-end fund in meaningful ways, and investors often choose a closed-end fund for the very characteristics that distinguish it from an open-end fund.

Unlike an open-end fund, a closed-end fund has a fixed number of shares that often trade on an exchange, such as the New York Stock Exchange. By contrast, an open-end fund has a constantly changing number of shares, because it typically sells new shares continuously and is required to redeem shares when investors choose to leave the fund. When an investor redeems a share of an open-end fund, the fund typically pays that investor cash. Thus, while the managers of a closed-end fund can count on a fairly constant asset base, managers of an open-end fund must grapple with the constant inflow and outflow of investors in the fund, typically leaving a certain portion of fund assets uninvested (*i.e.*, in cash or cash-equivalents) to accommodate redemptions.

Long-term shareholders of closed-end funds can also benefit from the cyclical nature of trading discounts by participating in dividend reinvestment plans such as that offered by the Fund. When the Fund's shares trade at a discount to net asset value, dividends owed to participants in the dividend reinvestment plan are used to purchase shares of the Fund on the open market at prevailing market prices. If the trading discount were to narrow in the future, participants in the dividend reinvestment plan have the potential to realize enhanced returns. (At times, such as when the Fund's shares trade at a premium over net asset value, dividend reinvestments are made in newly issued shares at the higher of net asset value or 95% of market price.) Because open-end funds may not issue shares for less than full net asset value, if the Fund were to merge into the Open-End Fund, shareholders would no longer be able to reinvest their dividends at a price below net asset value.

The investment program of the combined Open-End Fund could also be constrained by the anticipated activities of investors in the Fund. With potential redemptions on the horizon as a result of the merger, the portfolio manager would need to raise cash to fund redemptions, which may require significant restructuring of the portfolio and the sale of investments that might not otherwise be sold at that time, possibly at unfavorable prices and with significant transaction costs. This, combined with the likely need to maintain a portion of the portfolio in cash to handle redemptions as they arise, could negatively impact the return for long-term

Table of Contents

shareholders of the combined Open-End Fund. Depending on the portfolio makeup at the time, large redemptions could also force the Open-End Fund to realize any unrealized capital gains with resulting unfavorable tax consequences to some shareholders.

A merger of the Fund with an open-end fund could also adversely affect your investment in other ways. Experience suggests that there are more redemptions in open-end funds near market bottoms, which often are good times to invest and not good times to sell portfolio securities at depressed prices. Conversely, new money tends to be invested in open-end funds near market peaks, which are generally not good times for funds to invest. These factors have a tendency to increase investment volatility. Closed-end funds like the Fund, on the other hand, are able to maintain their investment strategy during these peaks and troughs without their portfolio managers being forced to invest new money or liquidate portfolio holdings at times when sound investment practice could dictate otherwise and without generating unnecessary portfolio turnover and transaction costs.

WHAT IS THE REQUIRED VOTE AND WHAT WOULD HAPPEN IF PROPOSAL 2 PASSES?

If a quorum of the Shares necessary for the transaction of business at the Annual Meeting is present, a plurality of the votes cast will decide Proposal 2. Proposal 2 is not a shareholder vote to approve a merger of your Fund with the Open-End Fund, but rather it proposes that the shareholders ask the Trustees to take action to effect such a merger. If Proposal 2 passes at the Annual Meeting, the Trustees would continue to exercise their fiduciary duty to act in the interests of shareholders in investigating the details and potential benefits of such a merger transaction, but would not be obligated to recommend to shareholders that the Fund be merged into the Open-End Fund or any other fund. In order to approve a merger with the Open-End Fund, the Trustees would be required by Securities and Exchange Commission (SEC) rules to determine that the merger would be in the best interests of shareholders and would not dilute the interests of shareholders. In addition, a merger with the Open-End Fund cannot occur without (i) approval of the merger by the Open-End Fund's Board of Directors, (ii) a separate mailing of a combined prospectus/proxy statement to shareholders of your Fund that explains the details of the proposed merger transaction and provides information about the Open-End Fund, as required by the SEC and (iii) a separate vote of your Fund's shareholders approving the merger.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Trustees has selected PricewaterhouseCoopers LLP as the independent registered public accounting firm of the Fund for the fiscal year ending December 31, 2008, and the Board of Trustees, including a majority of the Trustees who are not interested persons (as defined in the 1940 Act) of the Fund, has unanimously ratified such selection. PricewaterhouseCoopers LLP's service is subject to termination by a majority of the outstanding Shares of the Fund. Representatives of PricewaterhouseCoopers LLP are not currently expected to attend the Annual Meeting.

The following table presents fees billed in each of the Fund's last two fiscal years for services rendered to the Fund by PricewaterhouseCoopers LLP:

Fiscal Year Ended	Audit Fees	Audit-Related Fees	Tax Fees	All Other Fees
December 31, 2006	\$ 28,800	\$ 0	\$ 1,100	\$ 0
December 31, 2007	\$ 29,850	\$ 0	\$ 2,400	\$ 0

Table of Contents

Audit Fees represents fees billed for each of the last two fiscal years for professional services rendered for the audit of the Fund's financial statements for those fiscal years and services that are normally provided by the accountant in connection with statutory or regulatory filings or engagements for that fiscal year.

Audit Related Fees represents fees billed for each of the last two fiscal years for assurance and related services reasonably related to the performance of the audit of the Fund's annual financial statements for those years.

Tax Fees represents fees billed for each of the last two fiscal years for professional services related to tax compliance, tax advice and tax planning, including preparation of federal and state income tax returns and preparation of excise tax returns.

All Other Fees represents fees, if any, billed for other products and services rendered by PricewaterhouseCoopers LLP to the Fund for the last two fiscal years.

For the Fund's fiscal years ended December 31, 2006 and December 31, 2007, PricewaterhouseCoopers LLP billed aggregate non-audit fees in the amounts of \$12,500 and \$29, respectively, to the Fund, the Investment Adviser and any entity controlling, controlled by or under common control with the Investment Adviser that provides ongoing services to the Fund.

Pre-Approval Policies of the Audit Committee. The Audit Committee has determined that all work performed for the Fund by PricewaterhouseCoopers LLP will be pre-approved by the full Audit Committee and, therefore, has not adopted pre-approval procedures. Since the Fund's inception in October 2003, all audit and non-audit services performed by PricewaterhouseCoopers LLP for the Fund, and all non-audit services performed by PricewaterhouseCoopers LLP for the Investment Adviser, the Investment Manager and any entity controlling, controlled by or under common control with the Investment Adviser or the Investment Manager that provides ongoing services to the Fund (a Service Affiliate), to the extent that such services related directly to the operations and financial reporting of the Fund, have been pre-approved by the Audit Committee. No Audit-Related Fees, Tax Fees and Other Fees set forth in the table above were waived pursuant to paragraph (c)(7)(i)(c) of Rule 2-01 of Regulation S-X.

PricewaterhouseCoopers LLP did not bill any fees for non-audit services that required pre-approval by the Audit Committee pursuant to paragraph (c)(7)(ii) of Rule 2-01 of Regulation S-X during the Fund's fiscal years ended December 31, 2006 and December 31, 2007.

The Audit Committee has considered whether the provision of the non-audit services rendered by PricewaterhouseCoopers LLP to the Investment Adviser and any Service Affiliate that were not required to be pre-approved by the Audit Committee pursuant to paragraph (c)(7)(ii) of Rule 2-01 of Regulation S-X is compatible with maintaining the independence of PricewaterhouseCoopers LLP.

ADJOURNMENT

In the absence of a quorum at the Annual Meeting, or (even if a quorum is present) if sufficient votes in favor of a proposal set forth in the Notice of Annual Meeting are not received by the time scheduled for the Annual Meeting, the persons named as proxies may propose one or more adjournments of the Annual Meeting after the date set for the original Annual Meeting, with no other notice than announcement at the Annual Meeting, to permit further solicitation of proxies with respect to such proposal. In addition, if, in the judgment of the persons named as proxies, it is advisable to defer action on a proposal, the persons named as proxies may propose one or more adjournments of the Annual Meeting with respect to such proposal for a reasonable time. Any adjournment(s) with respect to a proposal will require the affirmative vote of a plurality of the Shares of the Fund entitled to vote thereon present in person or represented by proxy at the session of the Annual Meeting to be adjourned. The persons named as proxies will vote in favor of such adjournment those proxies which they are entitled to vote in favor of the proposal in question. They will vote against any such adjournment those proxies required to be voted against such proposal. The costs of any additional solicitation and of any adjourned session will be borne by the Fund. Any proposals for which sufficient favorable votes have been received by the time of the Annual Meeting may be acted upon and, if so, such action will be final regardless of whether the Annual Meeting is adjourned to permit additional solicitation with respect to any other proposal.
