The property information segment supplies core real estate data, providing, among other things, property valuation information, title information, tax information and imaged title documents. The credit information segment provides conventional credit

RISK FACTORS

You should carefully consider each of the following risk factors, as well as the other information contained elsewhere in this prospectus, and the information incorporated by reference before deciding to purchase any of our common shares. We face risks other than those listed here, including those that are unknown to us and others of which we may be aware of but, at present, consider immaterial. Because of the following factors, as well as other variables affecting our operating results, past financial performance may not be a reliable indicator of future performance, and historical trends should not be used to anticipate results or trends in future periods.

RISKS RELATED TO OUR BUSINESS

CERTAIN RECURRING TRENDS GENERALLY RESULT IN A DECREASE IN THE DEMAND FOR OUR PRODUCTS.

Demand for our products generally decreases as the number of real estate transactions in which our products are purchased decreases. We have found that the number of real estate transactions in which our products are purchased decreases in the following situations:

- o when mortgage interest rates are high;
- o when the mortgage fund supply is limited; and
- o when the United States economy is weak.

We believe that this trend will recur.

CHANGES IN GOVERNMENT REGULATION COULD PROHIBIT OR LIMIT OUR OPERATIONS.

Our title insurance, property and casualty insurance, home warranty, thrift, trust and investment businesses are regulated by various federal, state and local governmental agencies. Many of our other businesses operate within statutory guidelines. Changes in the applicable regulatory environment or statutory guidelines could prohibit or restrict our existing or future operations. Such restrictions may restrict our ability to implement rate increases, acquire assets or businesses or otherwise have a negative impact on our ability to increase our operating results. Such regulation may adversely affect our financial performance.

WE MAY BE SUBJECT TO INCREASED REGULATION REGARDING THE USE OF PERSONAL INFORMATION.

Certain data and services we provide are subject to regulation by various federal, state and local regulatory authorities. Compliance with existing federal, state and local laws and regulations has not had a material adverse effect on our results of operations or financial condition to date. Nonetheless, federal, state and local laws and regulations in the United States designed to protect the public from the misuse of personal information in the marketplace and adverse publicity or potential litigation concerning the commercial use of such information may increasingly affect our operations and could result in substantial regulatory compliance expense, litigation expense and/or a loss of revenue.

RISKS RELATED TO OUR COMPANY

Edgar Filing: FIRST AMERICAN CORP - Form S-3

WE MAY NOT BE ABLE TO PURSUE OUR ACQUISITION STRATEGY.

We intend to continue to grow through acquisitions. We may not be able to identify suitable acquisition candidates or complete acquisitions on satisfactory terms. A number of our competitors also have adopted the strategy of expanding and diversifying through acquisitions. We will continue to experience competition in our effort to execute on our acquisition strategy. As a result, we may be unable to continue to make acquisitions or may be forced to pay more for the companies we are able to acquire.

-3-

THE INTEGRATION OF COMPANIES THAT WE ACQUIRE MAY BE DIFFICULT AND MAY RESULT IN A FAILURE TO REALIZE SOME OF THE ANTICIPATED POTENTIAL BENEFITS OF ACQUISITIONS.

When companies are acquired, we may not be able to integrate or manage these businesses so as to produce returns that justify the investment. Any difficulty in successfully integrating or managing the operations of the businesses could have a material adverse effect on our business, financial condition, results of operations or liquidity, and could lead to a failure to realize any anticipated synergies. Our management also will be required to dedicate substantial time and effort to the integration of acquisitions. These efforts could divert management's focus and resources from other strategic opportunities and operational matters.

OUR EARNINGS MAY BE REDUCED IF ACQUISITION PROJECTIONS ARE INACCURATE.

Our earnings have improved since 1991 in large part because of our acquisition and integration of non-title insurance businesses. These businesses generally have higher margins than our title insurance businesses. For example, pretax margins for our title insurance and services segment were 8.2% in 2004, while pretax margins for the segments in our information technology group in the same year averaged 23.3%. The success or failure of acquisitions in this group has depended in large measure upon the accuracy of our projections. These projections are not always accurate. Inaccurate projections have historically led to lower-than-expected earnings.

AS A HOLDING COMPANY, WE DEPEND ON DISTRIBUTIONS FROM OUR SUBSIDIARIES, AND IF DISTRIBUTIONS FROM OUR SUBSIDIARIES ARE MATERIALLY IMPAIRED, OUR ABILITY TO DECLARE AND PAY DIVIDENDS MAY BE ADVERSELY AFFECTED.

First American is a holding company whose primary assets are the securities of its operating subsidiaries. Our ability to pay dividends is dependent on the ability of our subsidiaries to pay dividends or repay funds to us. If our operating subsidiaries are not able to pay dividends or repay funds to us, we may not be able to declare and pay dividends to you. Moreover, pursuant to insurance and other regulations under which our insurance subsidiaries operate, the amount of dividends, loans and advances available to us is limited. Under such regulations, the maximum amount of dividends, loans and advances available to us from our insurance subsidiaries in 2004 was \$313.4 million.

CERTAIN PROVISIONS OF OUR CHARTER AND RIGHTS PLAN MAY MAKE A TAKEOVER OF OUR COMPANY DIFFICULT EVEN IF SUCH TAKEOVER COULD BE BENEFICIAL TO SOME OF OUR SHAREHOLDERS.

Our restated articles of incorporation authorize the issuance of "blank check" preferred stock with such designations, rights and preferences as may be determined from time to time by our board of directors. Accordingly, our board is empowered, without further shareholder action, to issue shares or series of preferred stock with dividend, liquidation, conversion, voting or other rights

Edgar Filing: FIRST AMERICAN CORP - Form S-3

that could adversely affect the voting power or other rights, including the ability to receive dividends, of our common shareholders. The issuance of such preferred stock could be utilized, under certain circumstances, as a method of discouraging, delaying or preventing a change in control. In conjunction with the rights plan discussed below, we have authorized the issuance of our Series A Junior Participating Preferred Shares. Although we have no present intention of issuing any additional shares or series of preferred stock, we cannot guarantee that we will not make such an issuance in the future.

We have adopted a rights plan which could, alone or in combination with our restated articles of incorporation, discourage transactions involving actual or potential changes of control, including transactions that otherwise could involve payment of a premium over prevailing market prices to our shareholders for their common shares.

USE OF PROCEEDS

We will not receive any proceeds from the issuance of the common shares or from the resale of such shares by selling security holders.

-4-

PLAN OF DISTRIBUTION

Issuance of the Common Shares

We are registering the common shares issuable upon conversion of up to \$14,500,000 aggregate principal amount of 7.5% convertible notes due November 1, 2006, issued in a private offering on November 1, 1999 to permit public secondary trading of such common shares by the selling security holders from time to time after the date of this prospectus. The conversion price of these notes is \$30.00. We have agreed, among other things, to bear all expenses in connection with the registration and issuance of the common shares issuable upon conversion of the notes, which we expect will be minimal.

This prospectus is part of a registration statement on Form S-3 that we filed with the Securities and Exchange Commission. Under this registration statement, we may issue, from time to time, pursuant to one or more conversions, up to a total of 483,322 of our common shares. No dealers will be involved in the issuance and initial distribution of the common shares registered pursuant

Edgar Filing: FIRST AMERICAN CORP - Form S-3

to this registration statement.

Sale by Selling Security Holders

Selling security holders may sell the common shares registered pursuant to this registration statement in any combination of the following:

- o through the New York Stock Exchange or any national securities exchange on which our common shares have been approved for listing in the future;
- o directly to purchasers in negotiated transactions;
- o by or through brokers or dealers, in ordinary brokerage transactions or transactions in which the broker solicits purchases;
- o in block trades in which the broker or dealer will attempt to sell securities as an agent but may position and resell a portion of the block as principal;
- o in a transaction in which a broker or dealer purchases as principal for resale for its own account; or
- o through underwriters or agents.

Resales by selling security holders may be made directly to investors or through securities firms acting as underwriters, brokers or dealers. The fees earned by or paid to the securities firm may be the normal stock exchange commission or negotiated commissions or underwriting discounts to the extent permissible. Our common shares may be sold at a fixed offering price, which may be changed, at the prevailing market price at the time of sale, at prices related to such prevailing market price or at negotiated prices. The securities firm may resell the shares through other securities dealers, and commissions or concessions to those other dealers may be allowed. Such selling security holders may indemnify any securities firm participating in such transactions against certain liabilities, including liabilities under the Securities Act and to reimburse them for any expenses in connection with an offering or sale of securities.

The selling security holders and any broker-dealers who act in connection with the sale of shares hereunder may be deemed to be an "underwriter" within the meaning of the Securities Act. Any commissions received by them and profit on any resale of such shares as principal may be deemed to be underwriting discounts and commissions under the Securities Act.

-6-

Selling security holders may also offer common shares covered by this prospectus by means of prospectuses under other registration statements or pursuant to exemptions from the registration requirements of the Securities Act, including sales that meet the requirements of Rule 144 under the Securities Act. Selling security holders should seek the advice of their own counsel about the legal requirements for such sales.

We will not receive any part of the proceeds from the resale by the selling security holders of any shares under this prospectus. We will bear all expenses other than selling discounts and commissions and fees and expenses of the selling security holders in connection with the registration of the shares being reoffered by the selling security holders.

corporation's articles.

The Restated Articles of Incorporation of the Registrant provide that: "The liability of the directors of the Corporation for monetary damages shall be eliminated to the fullest extent permissible under California law." The effect of this provision is to exculpate directors from any liability to the Registrant, or anyone claiming on the Registrant's behalf, for breaches of the directors' duty of care. However, the provision does not eliminate or limit the liability of a director for actions taken in his capacity as an officer. In addition, the provision applies only to monetary damages and is not intended to impair the rights of parties suing on behalf of the Registrant to seek equitable remedies (such as actions to enjoin or rescind a transaction involving a breach of the directors' duty of care or loyalty).

The Bylaws of the Registrant provide that, subject to certain qualifications, "(i) The corporation shall indemnify its Officers and Directors to the fullest extent permitted by law, including those circumstances in which indemnification would otherwise be discretionary; (ii) the corporation is required to advance expenses to its Officers and Directors as incurred, including expenses relating to obtaining a determination that such Officers and Directors are entitled to indemnification, provided that they undertake to repay the amount advanced if it is ultimately determined that they are not entitled to indemnification; (iii) an Officer or Director may bring suit against the corporation if a claim for indemnification is not timely paid; (iv) the corporation may not retroactively amend this Section 1 in a way which is adverse to its Officers and Directors; (v) the provisions of subsections (i) through (iv) above shall apply to all past and present Officers and Directors of the corporation." "Officer" includes the following officers of the Registrant: Chairman of the Board, President, Vice President, Secretary, Assistant Secretary, Chief Financial Officer, Treasurer, Assistant Treasurer and such other officers as the board shall designate from time to time. "Director" of the Registrant means any person appointed to serve on the Registrant's board of directors either by its shareholders or by the remaining board members.

II-1

Each of the Registrant's 1996 Stock Option Plan, 1997 Directors' Stock Plan, 401(k) Savings Plan, Pension Plan, Pension Restoration Plan and Employee Profit Sharing and Stock Ownership Plan (for purposes of this paragraph only, each individually, the "Plan") provides that, subject to certain conditions, the Registrant may, through the purchase of insurance or otherwise, indemnify each member of the Board (or board of directors of any affiliate), each member of the committee charged with administering the Plan, and any other employees to whom any responsibility with respect to the Plan is allocated or delegated, from and against any and all claims, losses, damages, and expenses, including attorneys' fees, and any liability, including any amounts paid in settlement with the Registrant's approval, arising from the individual's action or failure to act, except when the same is judicially determined to be attributable to the gross negligence or willful misconduct of such person.

The Registrant's Deferred Compensation Plan (for purposes of this paragraph only, the "Plan") provides that, "To the extent permitted by applicable state law, the Company shall indemnify and save harmless the Committee and each member thereof, the Board of Directors and any delegate of the Committee who is an employee of the Company against any and all expenses, liabilities and claims, including legal fees to defend against such liabilities and claims arising out of their discharge in good faith of responsibilities under or incident to the Plan, other than expenses and liabilities arising out of willful misconduct. This indemnity shall not preclude such further indemnities as may be available under insurance purchased by the Company or provided by the Company under any bylaw, agreement or otherwise, as such indemnities are permitted under state

law."

Each of the Registrant's Management Supplemental Benefit Plan and Executive Supplemental Benefit Plan (for purposes of this paragraph only, each individually, the "Plan") provides that, subject to certain conditions, the Registrant may, through the purchase of insurance or otherwise, indemnify and hold harmless, to the extent permitted by law, the members of the Board of Directors and any other employees to whom any responsibility with respect to the administration of the Plan has been delegated against any and all costs, expenses and liabilities (including attorneys' fees) incurred by such parties in performing their duties and responsibilities under the Plan, provided that such party or parties were not guilty of willful misconduct.

The Registrant has a policy of liability insurance that insures its directors and officers against the cost of defense, settlement or payment of a judgment under certain circumstances.

Item 17. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during the period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

II-2

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

Edgar Filing: FIRST AMERICAN CORP - Form S-3

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) The undersigned registrant hereby undertakes to deliver or cause to be delivered with the prospectus, to each person to whom the prospectus is sent or given, the latest annual report, to security holders that is incorporated by reference in the prospectus and furnished pursuant to and meeting the requirements of Rule 14a-3 or Rule 14c-3 under the Securities Exchange Act of 1934; and, where interim financial information required to be presented by Article 3 of Regulation S-X is not set forth in the prospectus, to deliver, or cause to be delivered to each person to whom the prospectus is sent or given, the latest quarterly report that is specifically incorporated by reference in the prospectus to provide such interim financial information.

(d) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
